

# IT'S A BEAUTIFUL LIFE

## EXAMPLE OBSERVATION:

I saw two kids at the park. One was a boy who was white and the other a girl who was black. They didn't care about each other's gender or race, they were just happy to be playing together. Seeing the two of them play so well together it was beautiful, because there is hope for us.

So I said at the end of the day *it was a beautiful day.*
