Get the latest gear wheels of War 3 cheats, codes, unlockables, hints, Easter eggs, glitches, tips, tricks, hacks, downloads, achievements, guides, FAQs, training, and more for xbox 360 (X360). CheatCodes.com all you need to win every game you play! Use the links above or scroll down to see all the Xbox 360 cheats we have available for Gears of War 3. Ranking up faster when you're playing gears of War 3 go to a team death game to put in 35 live 8 rounds and you might want to try a private game because people might not want to play that long it will take about like 40 minutes but you'll have fun doing what you always want to do and you might as well try to get some good luck medals you can do it remember it winners take all the losers falling and you win. Lambent Chicken When you play Act 1 Episode 2 there is a part where you see Prescott, after you clear the lambent stems you will see pipes on the right - do not shoot. Point to the pipes and wait until Marcus says hail and then try the one on the other side and then start with the left and then on the left, right and left final, right and chichen will come out to shoot him, and it will get angry and your biggest fear will come I suggest you don't shoot him with a super charge and after his final form arises you can reload and kill him. Note: If you're playing on crazy proceed carefully! The ticker fight in Episode 2 Episode 4, after killing the locusts at the ticker pet store, will glow yellow on the wall, on the right, from the entrance. Interact with it and you'll see a small room full of locusts and 2 tickers. Old people everywhere! During Marcus's dream about his father, stay close (or huddle) to Dom through the whole thing. During that time, Dom will tell Hugh (check the subtitles just in case) so, once the dream is over, you and your teammates will have Dom's beard. Same other gun when you get someone down but not out, find a gun you want to do the execution with, then hold Y and before you start doing your execution, move your weapon to another gun. You did the execution with another gun. Also you should be live. We don't have cheats or codes for Gears of War 3 yet. If you have any unlockables please send them.
