Ford is proud to introduce the **Recycle your Ride Program**. Exclusively for Canadians with a running vehicle from 1995 or older. It's a responsible recycling program that, depending on the model you choose, will give you up to \$3,000 over and above any current Ford incentives when you replace your vehicle with a new 2010 Ford. Combine that with the \$300 available from the Government of Canada's Retire Your Ride program, and you could get up to \$3,300 in additional incentives when you **Recycle Your Ride with Ford.**\*

<b>Car &amp; Compact Truck</b> Focus, Fusion, Fusion +Hybrid, Taurus, Mustang, Ranger, Transit Connect	<b>\$1,000</b>
<b>Crossover &amp; Sport Utility</b> Escape, Escape Hybrid, Edge, Flex, Taurus X, Explorer, Sport Trac	<b>\$2,000</b>
<b>Truck</b> F150, F250-F350, Expedition, E-Series	<b>\$3,000</b>
<b>Lincoln</b> MKZ, MKS, MKX, MKT, Navigator	<b>\$3,000</b>

 **Let Ford Recycle Your Ride.**

In partnership with the Clean Air Foundation and the Retire Your Ride Program, Ford is making it fast and easy to drive away your new Ford. Here is all you have to do:

**If you own a 1995 vehicle or older**

- Step #1:** Visit your local Ford Dealer with proof of registration and insurance to initiate the Government's Retire Your Ride Online application process. Eligible vehicles must be 1995 or older in good running condition, registered and properly insured for the last 6 months (12 months in B.C.).
- Step #2:** Dealer verifies eligibility within 2 business days.
- Step #3:** Choose your new Ford or Lincoln to purchase or lease.
- Step #4:** Choose your Ford Recycle Your Ride incentive redemption method:  
A) Receive a cheque directly from Ford of Canada.  
B) Apply the incentive to the purchase or lease of your new Ford vehicle.
- Step #5:** Complete the "Next Step" requirements of the Government's Retire Your Ride application process to initiate the pick up of your recycled vehicle and payment of the Government's \$300 Retire Your Ride incentive.

**If you have already recycled your vehicle through the Government's Retire Your Ride Program**

- Step #1:** Go to your local Ford Dealership.
- Step #2:** Provide name and postal code for eligibility verification.
- Step #3:** Choose new Ford or Lincoln to purchase or lease.
- Step #4:** Choose your Ford Recycle Your Ride incentive redemption method:  
A) Receive a cheque directly from Ford of Canada.  
B) Apply the incentive to the purchase or lease of your new Ford vehicle.

Ford is committed to helping the environment by safely recycling old vehicles. And no other automaker is offering more incentives to recycle your ride than Ford.

**Hurry to your local Ford store today.**

The whole idea is to make a great video. 20. Vine Vine is also a very popular social video sharing app. You can capture your screen and share to your followers, or go live, you can even animate videos. It has a looping feature like Instagram, so a lot of users are using it for filming videos with a great video length. It has a limited character limit, and it's easy to upload videos and share to the people you care about. 21. Vimeo It's like Instagram, but it's a professional video site. You can upload any kind of video to Vimeo, add text, create, edit and embed it to your website. You can add text, images and even animations to make a great video. Vimeo is great for making high-quality videos. 22. SoundCloud SoundCloud is more like a social media app, you

---

can add text, images, etc. to your own pages. So, if you want to share something in SoundCloud, you have to create a page and post it. SoundCloud is great for sharing soundtracks and sound effects. 23. Tumblr A great place to share short text, images and videos. You can share to your friends or even save them as an image. You can also make your own blogs for free, but if you want to make money from it, you can make one with ads. 24. Twitter Twitter is actually like a micro-blogging app. You can share a text or an image to your followers and they can share it to their followers, too. So, if you want to say something and it will only be seen by your followers, you should use Twitter. 25. Flipagram Flipagram is the same as Instagram, it's very popular and easy to use. You can add images and short videos to it. If you're a photographer, you should definitely use it. It's more like a photo sharing app and you can share to your followers. 26. Hulu Hulu is a great place to watch videos. You can view online TV shows and movies, not only that, you can also watch on-demand TV shows, watch live TV, live sports, etc. You can create your own account or just download it to your mobile phone. 27. Tumblr A microblogging site. 520fdb1ae7
