

How to Demolish Strongholds with Scripture

UNDERSTANDING STRONGHOLES AND DEMONIZATION

Introduction

The Bible says that we wrestle not against flesh and blood but against demonic spirits. These spirits seek to extinguish the image and character of God on earth and replace it with the image and character of the devil. To get everyone to live according to the works of the flesh and not of the Spirit. To accomplish this, the devil and his demons oppose humanity through strongholds, attachments and even possession. In this document we will look at demonic strongholds and attachments using Scripture. We will examine their manifestation and how to bind and loose. Their works are summarized for us in Galatians 5:19-21.

¹⁹ The acts of the flesh are obvious: sexual immorality, impurity and debauchery; ²⁰ idolatry and witchcraft; hatred, discord, jealousy, fits of rage, selfish ambition, dissensions, factions ²¹ and envy; drunkenness, orgies, and the like. I warn you, as I did before, that those who live like this will not inherit the kingdom of God.

Whether you want to or not you are engaged in battle. But we are not without strategy. The weapons of our warfare are mighty in God to the demolishing of strongholds. This warfare is threefold.

I. Believer's Strategy

A. Demolishing Strongholds

A stronghold means that you are susceptible, vulnerable, or even overrun by the enemy in a particular area of thought or belief that is manifesting in your conduct and life. A stronghold is an incorrect thinking pattern that has molded itself into our way of thinking such that it is conceivably part of you. Strongholds have the capability to affect our feelings, how we respond to various situations in life, and our spiritual freedom and overall wellbeing.

It is hard word to deliver others from demonic strongholds, but it is harder to do so on yourself so ask for help if you need it. Demolishing strongholds requires you to know what the enemy's line of attack against you is - your biggest vulnerabilities.

The best way to know your strongholds is to look at your habitual sins. Your habitual sin is the manifestation of an underlying belief system that produces feelings and behaviors contrary to God's will and plan for you. The Bible calls strongholds *imagination*s because they are false concepts that we believe to be true but are not. There are two types of strongholds: Overt or known and Covert or unknown (hidden) strongholds.

- **Overt or Known Strongholds** - are easily discernable thinking patterns that are manifesting in habitual sins which we know are forbidden and unacceptable, but we do and repeat them almost helplessly.
- **Covert or Unknown strongholds:** Also called Obscure or Hidden strongholds, these are belief systems that are operating unconsciously or ignorantly. It is there but we cannot see it or its detriment. One sure sign of an unknown stronghold is having ideas and opinions about God that are contrary to Scripture or derogatory, or a tendency to express opposing or unflattering views against authority in general and divine authority

like the Church, in particular. Any tendency to seek alternate sources of deity and truth is definitely a demonic stronghold.

B. Detecting Spiritual Activity

Last week we sent our subscribers a document called **Sniffing and Casting Out Demons from Your Person**. Please refer to this or go to www.centraaltampa.org and download it.

C. Discerning Spirit Presence

This is the third believer's strategy and the ultimate objective of all discernment. To come face to face with a demonic spirit which no longer can hide. There are two types of demon presence, Demonization and Demon Possession.

1. **Demonization** - Demonization is the presence of an uninvited demon spirit. There are roughly three forms of demonization:
 - a. **Demonic Oppression**. Demonic Oppression is a demonic attack wherein a demon, without permission or authorization, attacks a person externally. The demon has not gained access to the inside of your body, soul, or spirit. For oppression, basic spiritual warfare and rebuking is all that is needed to drive the demon away. However, if the attacks are regular and intensifying you have to look for open doors and unknown strongholds.
 - b. **Demonic attachment** is the unrequested presence of demons upon an individual, property or environment that does not belong to them. Sometimes, the demon is attached to the land, house, property, possessions, or someone you are associated with. Extreme attachment may be to your body or soul.

2. **Demonic possession** means that the person is the property of a demon by direct invitation or submission to that spirit. While demons can attach to a Christian's body or soul, they cannot possess a believer's spirit. To cast a demon from a host which it possesses, the host must recant the invitation - confess they do not want to belong to the demon and do not want the demon to belong to them. They must accept Jesus; whose authority supersedes all spirits.

Pride is one of the seven dangerous and deadly sins. Pride comes when we try to do things in our flesh and outside of God. The reason pride is so bad is that it makes us look at ourselves as our own God or greater. Pride is the one sin that was powerful and deceptive enough to have Lucifer kicked out of heaven. And it is one of Satan's most successful tools in getting man to fall. One of the greatest tragedies of the spirit of pride is self-deception because the one trapped by this spirit is unable to see himself as he or she really is. The spirit of pride grows from the root of bitterness in the heart. It often originates in self-righteousness and self-sufficiency.

Scriptures: 1 Samuel 15:23; 2 Samuel 22:28; Psalm 31:23; 131:1; Proverbs 3:34; 16:18-19; 18:12; 21:24; 24:9; 28:25; 29:1; 29:8; Isaiah 2:11; 2:17; 3:16; 5:15; 16:6; Jeremiah 43:2; 48:29; 49:16; Ezekiel 16:49-50; Daniel 5:20; Obadiah 1:3; Luke 18:11-14.

16. SPIRIT OF SEDUCTION

Seducing spirits have a purpose or business. The business of a seducing spirit is seduction. When people are being seduced, they are not thinking, even when they think they are. They are being carried away on a current swell of their own lusts. A seducing spirit may come through an individual or a group, male or female and is not always sexual, it can also be, and usually is, religious. But it is very dangerous and should be recognized, exposed, and then shunned. Also

called the Spirit of Jezebel, this spirit is attractive and deceptively rewarding to the senses. There are seven ways to recognize a seducing spirit.

1. Flattery combined with a measure of charm, arrogance.
2. Determined and strong-willed; will not take no for answer.
3. Manipulative and uses sensuality to get power

“Whoredom and wine and new wine take away the heart. My people ask counsel at their stocks, and their staff declareth unto them: for the SPIRIT OF WHOREDOMS hath caused them to err, and they have gone a-whoring from under their God...”-Hosea 4: 11-12

HOW TO CLOSE DOORS

An open door is a gateway through which demons discern legal right to contact, attach or even possess a person. The following are open doors:

1. Emotional Shock. High emotional single occurrences or sustained emotional pressure such as molestation, rape, incest
2. Excessive sudden surges of anger
3. Overprotective parents can cause spirits of anxiety and perfectionism and even OCD which can be open doors to spirits of fear.
4. Prenatal and early childhood conditions – A parent despising a child or prolonged resentment over a pregnancy can result in the spirit of rejection in the child. May make the child feel their absence is better than their presence or that he or she is imposing on people or a perception that that people will reject them, so they reject people.
5. False religions, philosophies, and occult involvement. According to Exodus 20:3-5 this may follow a family for four generations. Everyone has 2 parents, 4 grandparents, 8 great grandparents and 16 great grandparents – total of 30 authoritative domestic influences and anyone of them can be the source of an open door. So, you have to cancel generational curses.
6. Major sins and sinful habits. The only way to cancel those is to get forgiveness Luke 22:3.
7. Idle Words – Word express the wills of spirits. Every thought may not be yours but every word is yours and has spiritual consequences even when they do not express our real intentions (Matthew 12:36, 37) This is why God said a servant of God should not be given to foolish jesting. Words like I'm sick and tired. Or even song lyrics that we sing.

Sample Prayer to Close Open Doors

I repent from my thoughts, beliefs and behaviors related to this stronghold and command the spirit of _____ and all demonic spirits to leave my body, mind, and soul in Jesus Name.
