

THEY. & Dillon Francis - Til I Die

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

[Intro: Drew Love & Dante Jones]

Yeah, yeah, yeah, yeah (Ayy)

Uh, uh, hey (1, 2, 3, 4)

Mmm, mmm, uh, uh, uh (Ay, yeah, yeah, yeah)
(Yeah, yeah, yeah)

[Chorus: Drew Love & Dante Jones, Dante Jones]

We ain't gon' run, no, we don't hide
I can never switch, not a day in my life
You know my dogs, they by my side
Yeah, we gon' ride 'til we die, die, die (Die, die)

We ain't gon' run, no, we don't hide
I can never switch, not a day in my life
You know my dogs, they by my side
Yeah, we gon' ride 'til we die, die, die
(Hey, yeah, yeah, yeah, yeah)

[Verse: Drew Love & Dante Jones]

This ain't nothin' for the pack (For the pack)

Got 16 sittin' in the 'Lac (We in the 'Lac, yeah)
Whole squad, all dressin' all black (All black)
Every single last one 'em got my back (We'll make it
back, ayy)

Uh, ayy

20 of us, that's 20 goons (Got 20 goons)
And a ice cream whip, triple scoop (That triple scoop)
I got three strikes, ain't got **** to lose
When it's all on the line, what you gonna do?
Come on

[Bridge: Drew Love & Dante Jones]

I'm highly favored (Yeah, yeah, yeah)
Don't want to play me, uh (Yeah, yeah)
No conversation, ain't got time for no debatin' (No
debatin')
It's for the takin' (Yeah, yeah, yeah)
No hesitation, uh (Yeah, yeah)
Don't try my patience
I'ma pour out one for the set
Boy, until there's nothing left (Woo)
I'ma run to the bread until we all got them baguettes
(Let's go)
Hear them footsteps comin' 'cause we comin' for the
check

[Chorus: Drew Love & Dante Jones, Dante Jones]

We ain't gon' run, no, we don't hide
I can never switch, not a day in my life
You know my dogs, they by my side
Yeah, we gon' ride 'til we **die, die, die** (**Die, die**)
We ain't gon' run, no, we don't hide
I can never switch, not a day in my life
You know my dogs, they by my side
Yeah, we gon' ride 'til we **die, die, die** (**Die, die**)
