## CFMS AND RELATED EXPERIENCES

---

### CFMS INITIATIVES

- **September 2025:** Organized UBC's "Introduction to CFMS Lunch and Learn" alongside the Western Regional Director.
- **February-March 2026:** CFMS Student Initiatives Grant 2025-26 Applications Evaluator.

### CFMS CONFERENCES AND ADVOCACY

- **CFMS Annual General Meeting 2025, Saskatoon, SK:** contributed to Representatives Roundtable and voted on AGM agenda items.
- **Western Deans Conference 2025, Calgary, AB:** contributed to Medical Students Roundtable and Admissions Roundtable with faculty.
- **National Day of Action (NDoA Part 1) 2025, Ottawa, ON:** advocated to Members of Parliament and lobbied for improved EMR interoperability (Bill S-5) and funding programs for family and rural physicians.
- **Western Medical Students' Summit 2026, Vancouver, BC**
- **CFMS Spring General Meeting and Canadian Medical Students Conference 2026, Ottawa, ON:** contributed to the Representatives Roundtable and voted on SGM agenda items.
- **National Day of Action (NDoA Part 2) 2026, Ottawa, ON:** continuation of in-person advocacy on Parliament Hill.

### LEADERSHIP ROLES

#### Medical Students of Western Canada (MSAW)

Vancouver, Canada

- *Communications Co-Lead* March 2026 – present
  - Part of the implementation team of the inaugural introduction of a medical student association in Western Canada.
  - The Communications Team coordinates the logo design contest (announced at CFMS SGM 2026), creates social media accounts, and works on marketing and branding guidelines for the organization.

#### UBC Medical Undergraduate Society (MUS)

Vancouver, Canada

- *Elected VP External Junior (2025-26) & Senior (2026-27)* April 2025 – present
  - Lead the annual Caffeinate-a-Resident Mentorship Program Lead to connect medical students with residents of different specialities.
  - Attend regular Western Regional Roundtables (WRT) and Representative Regional Roundtables (RRT) to discuss school initiatives and address common challenges in the External Portfolio across Canada.

#### Resident Doctors of British Columbia (RDoBC)

Vancouver, Canada

- *Board of Directors (Medical Undergraduate Society Representative)* April 2025 – present
  - Attend monthly meetings with the Board of Directors of the Resident Doctors of British Columbia to share updates on medical student initiatives and address any concerns.

### WORK EXPERIENCES

---

#### UBC Student Housing and Hospitality Services

Vancouver, Canada

- *Senior Residence Advisor, UBC Residence Life* August 2021 - May 2026
  - Led a team of 6 residence advisors, created shift schedules, coordinated weekly meetings and emergency responses, planned 24 events/yr for 1300+ residents, and peer support for 80+ students.
  - Awards: Exchange & Gage Apartments Residence Advisor of the Year 2025 (1 recipient per residence area) and Connector of the Year Award (1 of 2 recipients for exceptional community rapport).

#### KPMG

Vancouver, Canada

- *Management Consultant Intern, Finance Transformation Service Line* May 2023 – August 2023
  - Identified inefficiencies and implemented streamlined solutions based on data-driven insights.
  - Worked in face-paced environments, adapted strategies to evolving markets, and maintained a keen eye for detail on projects across numerous industries: healthcare, housing, and higher education.

#### Alma Mater Society (AMS) of UBC Vancouver

Vancouver, Canada

- *Elected Vice President Finance and Chair of Finance Committee, Finance Portfolio* May 2021 – July 2022
  - Manage a \$30,000,000+ annual budget, \$16,000,000 in investments, and \$400,000 in subsidies.
  - Established 3 inaugural subsidies for low-income students to reduce barriers to and support a) club membership, b) constituency programming, and c) childcare expenses for student-parents.

She/Her/Hers

Email: ritajyx@student.ubc.ca

- Oversaw financial operations of 300+ clubs and addressed queries in a time-efficient manner.
- Consulted with 65,000+ students and administrators to target negotiation plans for the \$11,000,000 AMS/GSS Health and Dental Insurance Plan with an annual enrolment of 58,000 students.
- Evaluated accounting system and started system upgrade from server-based to cloud-based platform.

## EXTRACURRICULAR AND EQUITY, DIVERSITY, INCLUSION, AND DECOLONIZATION EXPERIENCES

---

### UBC Medicine Tennis Club

Vancouver, Canada

- *VP Finance* September 2025 – present
  - Create annual budget, organize reimbursements, lead fundraisers, and apply to grants/sponsorships to offer free tennis lessons and tournaments for all medical students at UBC across all campus sites.

### UBC Medical Education Committee

Vancouver, Canada

- *C2028 Student Representative* September 2024 – present
  - Represent student voices at Faculty of Medicine committee meetings: Portfolio Advisor Group (2024-25, 2025-26) & UGME Teacher Assessment Support Advisory Council (2025-26).

### UBC Department of Cellular & Physiological Sciences

Vancouver, Canada

- *Undergraduate Student Representative, REDI Committee* June 2023 – June 2024
  - Advocated for student voices and pushed for changes to the curriculum (e.g. accommodations for students, program offerings, etc.).

### Front Row Ventures

Vancouver, Canada

- *BC Investment Associate* April 2023 – June 2024
  - Canada's leading student-operated venture capital (VC) firm with 20+ university campuses across Canada. Conducted due diligence for companies and wrote investment theses for presentation. Invested \$25-50k per investment in student-founded start-ups. Combined portfolio has gone on to raise \$100 million+ in follow-on funding.

## HEALTH EDUCATION AND SCIENCE COMMUNICATION EXPERIENCES

---

### The Patient Experiences Project

Vancouver, Canada

- *Video Editor* January 2026 – present
  - Create documentary-style videos to communicate the patient experiences of healthcare conditions. Recently completed filming for our upcoming project on a patient's journey with breast cancer.

### UBC Medical Journal

Vancouver, Canada

- *News & Letters Section Editor Junior (2024-25) & Senior (2025-26)* September 2024 – present
  - Review and support the editing process for student-driven academic journal submissions.

### The Ubysey

Vancouver, Canada

- *Science Section Writer & Photographer* September 2024 – September 2025
  - Wrote on interesting science news events and innovations. Shot for school/community events.

### UBC Science Undergraduate Society

Vancouver, Canada

- *Contract Photographer & Videographer* September 2022 – June 2024
  - Created marketing materials & reels for campus events. On the founding team of SUSisodes (a student-led podcast initiative that gained a cumulative 266,000+ views on Instagram (@susubc)).

## MENTORSHIP EXPERIENCES

---

**Mentor for UBC Women in Science Club:** provided support and attended regular mentorship check-ins for female-identifying students interested in STEM careers.

**Panelist for UBC Women in Data Science (WIDS):** provided insights on navigating AI research as a student in medicine and shared on ways to get funding for research.

**Panelist for UBC Science Undergraduate Society (SUS):** spoke on degree progression and led mini-breakout sessions for undergraduate students to learn more about research opportunities and pathways to medicine.
