

EVA'S BUSINESS INCENTIVE APPLICATION

This new incentive supports adoption of electric vehicles (EVs) by Ashland businesses and non-profit organizations for the purposes of delivery, home visits, services, and other professional activities. Incentives are available for purchasing or lease of used or new all electric vehicles. Recipients are asked to help us collect information about benefits and savings of driving electric vehicles. The incentives are made possible through the City of Ashland's Sustainability Grant to the Southern Oregon Hybrid and Electric Vehicles Association (SOHEVA).

Eligibility Requirements

- Majority (>50%) of daily travel of the vehicle must be in Ashland, Oregon
- Vehicle travels at least 25 miles per week, on average (seasonal variation is ok)
- Vehicle must be all electric (plug-in hybrids not eligible)
- Vehicle must be purchased or leased, and delivery taken, between Jul 2018 - June 2019
- Purchase price of vehicle is under \$50,000
- Recipient will display a non-intrusive EVA sign on the vehicle for at least one year upon purchase or lease (size and style of signs are negotiable)
- Recipient agrees to report mileage, approximate charging cost, service or maintenance costs, and any additional benefits or limitations experienced over the course of one year

EVA Incentives

- Electric car purchases by businesses – \$1,500 for first 2 participants, \$1,000 for others
- Electric car leases by Ashland businesses – \$500
- Non-profit organizations – Additional \$500 for car purchases or \$250 for leases
- Electric bikes for business travel – \$300
- Grant monies are limited: first come, first served (funds may be gone prior to Oct. 2019)

Terms and Conditions

By submitting this application for an EVA business incentive, I have read and agree to the following terms and conditions:

1. Qualifying equipment must be purchased during pilot program period of July 1, 2018 and June 30, 2019. This Program may be modified or terminated by SOHEVA/EVA at any time without prior notice.
2. The vehicle purchased or leased must be a battery electric vehicle (car or bicycle).
3. Only one EVA incentive is allowed per Ashland business.
4. Failure to provide appropriate documentation may result in incentive ineligibility.
5. The incentive payment will go directly to the customer listed on the application above. Payment cannot be assigned or transferred.
6. Applications received that do not meet the program criteria will not be considered. SOHEVA/EVA reserves the right to request additional information or documentation to process an application. SOHEVA/EVA is not responsible for documents lost or destroyed in the mail via transit or misdirected applications. Submitted program application and accompanying documents becomes the property of SOHEVA/EVA.
7. As part of Program acceptance, applicants agree to (1) provide follow-up information on mileage, service and maintenance costs, and charging costs, and (2) display an EVA sign on the car alone or in combination with business signage for the duration of one year.
8. Applicant agrees to return the full incentive to EVA/SOHEVA if the vehicle is sold within one year of initial purchase or lease
9. Incentives are awarded to completed, eligible applications in the order they were submitted as and if funds are available. Check program status at <http://www.evashland.org/> If more applications are received than monies available, SOHEVA/EVA reserves the right to choose the awardee based on the applicant's mileage driven in Ashland.
10. Implementation and interpretation of the terms and conditions of this program are at the sole discretion of SOHEVA/EVA.
