Basically, you have to do what a real cat will do. Crashy Cats control system is very simple: pressing the screen will make our cat jump. We can make up to two consecutive jumps without touching the ground, which is necessary to avoid some of the highest obstacles in the game. Plus, the more we press the screen, the more we jump. Crashy Cats scenarios are full of details and are very colorful. Along any route we can tear down boxes, computers, toilets, books, bottles and more. And every time we tear something down, we'll win coins. With these coins we can unlock many additional cats and accessories for our cats. Crashy Cats is a very fun endless cursor of platforms, which has a beautiful pixelated graphic section, and such simple mechanics as addictive The game also has many scenarios, cats and other animals that we can gradually unlock.
