# ABOUT THE SHOW

The Isle of Man Wedding Show brings together the very best of the Island's wedding industry, carefully curated to ensure a high-quality and inspiring experience for both exhibitors and visitors.

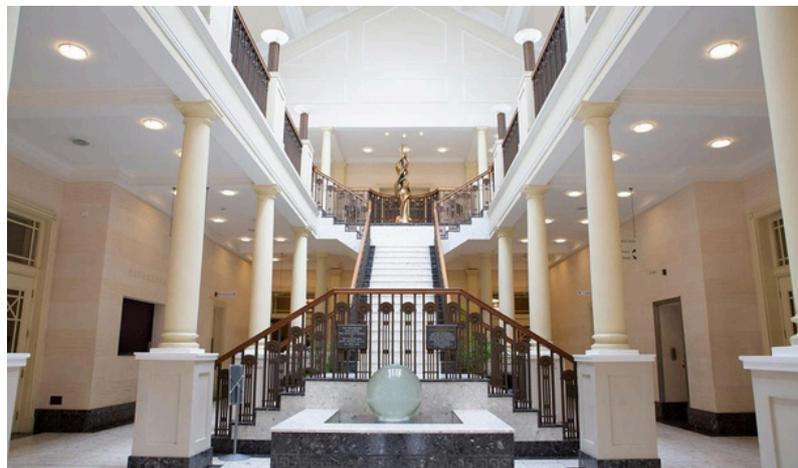

We actively encourage visually engaging, interactive displays — this is not a “leaflets on a table” kind of event. Instead, we invite exhibitors to create spaces that reflect their brand, spark conversation, and leave a lasting impression.

With a strong focus on aesthetics, atmosphere, and experience, our show attracts couples who are ready to invest in meaningful, beautifully executed weddings.

## THE VENUE

Set in the heart of Douglas, the Villa Marina offers a refined and iconic setting for this special event.

Its elegant interiors and spacious layout provide the perfect canvas for creative displays, styled installations, and a seamless visitor experience.

# OUR ETHOS

At The Isle of Man Wedding Show, we are committed to creating an event that feels not only inspiring, but also thoughtful and responsible.

We kindly ask all exhibitors to align with our ethos by being mindful of both sustainability and authenticity in their displays and promotional materials.

## SUSTAINABILITY

We encourage exhibitors to minimise waste wherever possible and to avoid the use of single-use plastics within their displays.

Wherever you can, we invite you to choose reusable, recyclable, or natural materials that reflect a more conscious approach to your business.

## AUTHENTICITY

We also ask that all imagery used in your marketing and display materials is a true reflection of your work. The use of AI-generated imagery can be misleading for couples who are looking to connect with genuine craftsmanship and real experiences.

By showcasing your authentic work, you help build trust and ensure a more meaningful connection with potential clients.

## A SHARED STANDARD

By taking part in the show, you are joining a collective of professionals who value quality, honesty, and thoughtful presentation.

Together, we can create an environment that feels beautiful, credible, and aligned with the expectations of today's couples.

# OUR APPROACH

Having attended and exhibited at countless wedding fairs over the years, we understand exactly what works — and just as importantly, what doesn't.

We know what exhibitors need to make their investment worthwhile, and what couples are truly looking for when they attend.

This insight has shaped every element of The Isle of Man Wedding Show — from the curated exhibitor selection to the emphasis on styling, interaction, and meaningful connection.

Our goal is simple: to create an experience that feels inspiring, supportive, and genuinely valuable for everyone involved.

# APPLY TODAY

Spaces are limited and will be allocated to ensure a balanced and inspiring exhibitor mix. Early booking is strongly recommended to maximise promotional opportunities.
