Fortnite limited edition founder' s pack

The Fortnite founder's packages gave players access to the season of early access, access to exclusive events in the game in 2017, and offered huge value on things like heroes, mining, weapons, and in-game boosts. Players who have previously signed the Founder's package received a four-day start starting July 21, 2017, along with an exclusive Storm Master weapons package. In addition, Epic Games, in partnership with Gearbox Publishing, distributed a boxed retail version of the game for PlayStation 4 and Xbox One. These packages were discontinued on June 29, 2020 from v13.20, Save the World left early access. Players who owned the Founder package automatically upgraded their package to the next level for free. Ultimate Editions owners received 8,000 V-Bucks in compensation. Content show Editions Every edition of the founder's packages includes Save the World.
