About the Advisory Board

The Advisory Board of Working Animals Giving Service for Kids (W.A.G.S. 4 Kids) is composed of a group of civic and business leaders who volunteer to raise funds and awareness for W.A.G.S. 4 Kids.

Objective

To provide a structure for ensuring that potential members of the Working Animals Giving Service for Kids (W.A.G.S. 4 Kids) Board of Directors (BOD) receive support to perform successfully and contribute significantly. These potential members shall be called Advisory Members.

The Chairman of the Governing BOD, in conjunction with the Governing BOD, will appoint Advisory Members on an annual basis and as deemed necessary. Like Governing Board Members, Advisory Members are volunteers and have the same duties and responsibilities with the exception of voting rights. Advisory Members are part of the W.A.G.S. 4 Kids’ Board succession plan which allows individuals to gain in-depth knowledge of W.A.G.S. 4 Kids and its business and mission to prepare for a position as a voting Board Member.

There will be no limit to the number of participating Advisory Members. They will report to the Vice President of the Governing Board of Directors and vote for themselves a committee chairperson to coordinate meetings, drive action items and communicate changes. Advisory Members may be appointed for renewable 1 year terms. The Vice President of the Governing Board of Directors will ensure the development of orientation and training programs for Advisory Members.

The Advisory Members have the opportunity to participate in meetings and Board activities to learn how the Board functions in its role of providing guidance and counsel to the W.A.G.S. 4 Kids management.

The purpose of the Advisory Board of Directors is, on behalf of the membership, to assure that W.A.G.S. 4 Kids reaches its agreed-upon goals in the best interest of the membership.

To be appointed as an Advisory Board Member (and to continue serving), an individual must:

- Be a Civic, Business or Community Leader in good standing.
- Display an interest in W.A.G.S. 4 Kids and a willingness to serve its members through Board activities.
- Be willing and able to devote the time and effort it takes to serve as an Advisor, on committees (as appointed by the Chairman), and in educational programs.
- Demonstrate that he/she is a team player who exercises sound judgment.
- Engage in fundraising as well as participate in current fundraising efforts, on behalf of W.A.G.S. 4 Kids

There will be no requirement that Advisory Members will eventually become Governing Board Directors. They may, however, be eligible to serve on the Governing Board of Directors.

Our Commitment

Advisory Members support W.A.G.S. 4 Kids in many different ways. All members focus on the execution of W.A.G.S. 4 Kids' calendar of major events and raise awareness of W.A.G.S. 4 Kids and its commitment to making a difference in the lives of people W.A.G.S. 4 Kids serves. The Advisory Board supports two main areas within W.A.G.S. 4 Kids:

Do
Some will volunteer to “do”, volunteering on the W.A.G.S. 4 Kids' W.A.G.S.inCLE Night Out Planning Committee, acquiring silent auction items, selling tickets, planning entertainment, etc.. These members will lend a hand in planning efforts for all major W.A.G.S. 4 Kids events.

Reach
Some, will specialize in outreach. While all members volunteer to “reach” - some will be specifically tasked to reach out to your circle of influencers for corporate sponsorship, acquiring live auction items, PR, attendance at 2017 fundraisers, and additional fundraising opportunities.

Special Events Timeline

12 months before event:

- Appoint Event Chair(s)
- Determine the purpose of your event. (Fundraiser or donor development)
- Establish a theme for the event
- Establish the BUDGET: expenses and revenue
- Your event can be priced to attract fewer people at a higher price, or more people at a lower price. Sometimes exposing the organization to a broader group of people is more important than reminding your loyal patrons how wonderful you are. Be sure to consider these costs: Venue & service Labor Publishing costs Special equipment Entertainment Decorations
- Event chairs determine and appoint Key Committee Chairs:
  - Corporate Relations/Sponsorships Chair (immediately)
  - Volunteer Coordinator Chair (no later than 9 months before event)

  - Schedule timeline:
    - Create a timeline highlighting the important aspects of the event
    - Determine absolute deadlines and plan accordingly to achieve them. (Example: If reservations must be received by Nov. 24, the invitation must be mailed 4 to 5 weeks earlier. Furthermore, the invitation needs to be to the printer 2 weeks before that, and design time can take up to 3 weeks. So far, this is 9 to 10 weeks out from date event)

  - Determine guest list. (This will influence price per person costs.)
    - Be sure your guest list comprises appropriate people that will realize the purpose of your event. (Example: the more ritzy the event, the more affluent the guests.)
    - Start spreadsheet tracking: formal names, addresses, and phone numbers. This is the start of your guest list.
    - Use names from the organization’s general patron list o Determine Where and When
    - Establish location, time & date (this is vital to the planning)
