

## ULTIMATE AIRSOFT

Keeping our customers and staff safe is our top priority at all times. We are operating within the current government guidance, with strict hygiene and safety protocols in place.

London is currently at a Tier 2 alert level. This means that you can't mix with other households/support bubbles indoors.

**SKIRMISHES** - We are unfortunately unable to offer skirmishes at this time.

**GROUP PACKAGES** - 1 household/support bubble per team, 2 teams per game zone playing against each other. We are keeping game zones private, so you will only be playing with/against people you know. You must arrive and depart from Bunker 51 within your household/support bubble.

Here are the steps we are taking to keep you safe:

- All sessions are private
- All sessions must be pre-booked
- Sessions are capped at 2 households per game zone
