Inevitably, the technological section is outdated and almost not worth considering in a book of this kind because of the evanescence of the topic. But topics such as tactics of small divisions, OPSEC, public relations, out of time. The stated purpose of the author is to present each topic as something that the reader may or may not even consider, and in this he is definitely a primer, but one of the best, because each chapter by chapter reference list will help you in-depth treatment of the chapter of the subject. Inevitably, the technological section is outdated and almost not worth considering in a book of this kind because of the evanescence of the topic. But topics such as tactics of small divisions, OPSEC, public relations, out of time. The stated purpose of the author is to present each topic as something that the reader may or may not even consider, and in this he succeeds brilliantly. It is highly recommended. ... more one of the best books on the subject that I've ever read!! One of the best books on the subject that I've ever read!! if you can only afford one book on the subject - it's an e-book to buy.best money I've ever spent on a book. If you value your freedom and are willing to do what may be required to save it, this book should be in your collection. Very Very Very readWould recommend this to those who want more opinion on the topic, more theoretical than step by step. Good reading read resistance to tyranny is obedience to god. resistance to tyranny is obedience to god origin. resistance to tyranny is obedience to god meaning. resistance to tyranny is obedience to god flag. resistance to tyranny a primer. resistance to tyranny pdf. resistance to tyranny is obedience to god knox. resistance to tyranny a primer pdf
