

Sister Hazel - All For You

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

[Verse 1]

Finally I figured out
But it took a long long time
And now there's a turnabout
Maybe cause I'm trying

[Pre-Chorus]

There's been times, (I'm so confused)
All my roads (They **lead** to you)
I just can't turn and walk away...

[Chorus]

It's hard to say
What it is I see in you
Wonder if I'll always
Be with you
But words can't say
And I can't do
Enough to prove

It's all for you

[Verse 2]

I thought I'd seen it all
Cause it's been a long long time
Oh but then we'll trip and fall
Wondering if I'm blind

[Pre-Chorus]

There's been times, (I'm so confused)
All my roads (They **lead** to you)
I just can't turn and walk away...

[Chorus]

It's hard to say
What it is I see in you
Wonder if I'll always
Be with you
But words can't say
And I can't do
Enough to prove
It's all for you

[Verse 3]

Rain comes pouring down (Pouring down)

Falling from blue skies (Falling from blue skies)
Words without a sound
Coming from your eyes

[Verse 4]

Finally I figured out
But it took a long long time
And now there's a turnabout
Maybe cause I'm trying

[Pre-Chorus]

There's been times, (I'm so confused)
All my roads (They **lead** to you)
I just can't turn and walk away...

[Chorus]

It's hard to say
What it is I see in you
Wonder if I'll always
Be with you
But words can't say
And I can't do
Enough to prove
It's all for you
It's hard to say

What it is I see in you
Wonder if I'll always
Be with you
But words can't say
And I can't do
Enough to prove
It's all for you
