

Foo Fighters - Everlong

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

[Verse 1]

Hello, I've waited here for you
Everlong

Tonight, I throw myself into
And out of the red
Out of her **head**, she sang

Come down, and waste away with me
Down with me
Slow how you wanted it to be
I'm over my **head**, out of her **head** she sang

[Pre-Chorus]

And I wonder when I sing along with you

[Chorus]

If everything could ever feel this real forever
If anything could ever be this good again
The only thing I'll ever ask of you

You've got to promise not to stop when I say when
She sang

[Verse 2]

Breathe out, so I can breathe you in
Hold you in
And now I know you've always been
And out of your **head**, out of my **head** I sang

[Pre-Chorus]

And I wonder when I sing along with you

[Chorus]

If everything could ever feel this real forever
If anything could ever be this good again
The only thing I'll ever ask of you
You've got to promise not to stop when I say when
She sang

[Instrumental Break with whispering voices]

[Bridge]

And I wonder...

[Chorus]

If everything could ever feel this real forever
If anything could ever be this good again
The only thing I'll ever ask of you
You've got to promise not to stop when I say when
