

# Donna Lewis - I Love You

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

## **[Verse 1]**

Feels like I'm standing in a timeless dream  
Of light mists with pale amber rose  
Feels like I'm lost in a deep cloud of heavenly scent  
Touching, discovering you

## **[Verse 2]**

Those days of warm rains come rushing back to me  
Miles of windless summer night air (summer night  
air)  
Secret moments shared in the heat of the afternoon  
Out of the stillness, soft spoken words  
Say, say it again

## **[Chorus]**

I love you always forever  
Near and far, close and together  
Everywhere I will be with you  
Everything I will do for you (say, say it again)

I love you always forever  
Near and far, close and together  
Everywhere I will be with you  
Everything I will do for you

**[Verse 3]**

You've got the most unbelievable blue eyes I've ever  
seen

You've got me almost melting away  
As we lay there under a blue sky with pure white stars  
Exotic sweetness, a magical time  
Say, say it again

**[Chorus]**

I love you always forever  
Near and far, close and together  
Everywhere I will be with you  
Everything I will do for you (Say, say it again)  
I love you always forever  
Near and far, close and together  
Everywhere I will be with you  
Everything I will do for you

**[Bridge]**

Say you'll love, love me forever

Never stop, never whatever  
Near and far and always and everywhere and every-  
Say you'll love, love me forever  
Never stop, never whatever  
Near and far and always and everywhere and every-  
Say you'll love, love me forever  
Never stop, never whatever  
Near and far and always and everywhere and every-  
Say you'll love, love me forever  
Never stop, never whatever  
Near and far and always and everywhere and  
everything

### **[Chorus]**

I love you always forever  
Near and far, close and together  
Everywhere I will be with you  
Everything I will do for you  
I love you always forever  
Near and far, close and together  
Everywhere I will be with you  
Everything I will do for you  
I love you always forever  
Near and far, close and together  
Everywhere I will be with you

Everything I will do for you  
I love you always forever  
Near and far, close and together  
Everywhere I will be with you
