

Third Eye Blind - Jumper

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

[Chorus: Stephan Jenkins]

I wish you would step back from that ledge, my friend
You could cut ties with all the lies that you've been
living in

And if you do not want to see me again
I would understand, I would understand

[Verse 1: Stephan Jenkins]

The angry boy a bit too insane
Icing over a secret pain
You know you don't belong
You're the first to fight, you're way too loud
You're the flash of light on a burial shroud
I know something's wrong
Well everyone I know has got a reason
To say, "Put the past away"

[Chorus: Stephan Jenkins]

I wish you would step back from that ledge, my friend

You could cut ties with all the lies that you've been
living in

And if you do not want to see me again
I would understand, I would understand

[Verse 2: Stephan Jenkins]

Well he's on the table and he's gone to code

And I do not think anyone knows

What they're doing here

And your friends have left you, you've been
dismissed

I never thought it would come to this

And I, I want you to know

Everyone's got to face down the demons

Maybe today, you could put the past away

[Chorus: Stephan Jenkins]

I wish you would step back from that ledge, my friend

You could cut ties with all the lies that you've been
living in

And if you do not want to see me again

I would understand, I would understand

I would understand

[Break]

I would understand
I would understand
I would understand

[Instrumental Break]

[Outro: Stephan Jenkins]

Can you put the past away?

I wish you would step back from that ledge, my friend

I would understand

I wish you would step back from that ledge, my friend

I would understand

I wish you would step back from that ledge, my friend

And I would understand

I wish you would step back from that ledge, my friend

I would understand

I wish you would step back from that ledge, my friend

And I would understand
