

# Matchbox Twenty - Real World

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

## [Verse 1]

Well I wonder what it's like to be a rainmaker  
I wonder what it's like to know that I made the rain  
I'd store it in boxes with little yellow tags on every one  
You can come and see them when I'm ... done  
When I'm done

## [Verse 2]

I wonder what it's like to be a superhero  
I wonder where I'd go if I could fly around downtown,  
yeah  
From some other planet, I'd get this funky **high** on a  
yellow sun  
Boy, I bet my friends will all be ... stunned  
They're stunned

Yeah!

## [Chorus]

Straight up, what did you hope to learn about here?  
If I was someone else would it all fall apart?  
Strange, where were you when we started this gig?  
I wish the real world would just stop hassling me

Do you?  
Do you?  
And me

### [Verse 3]

Well I wonder what it's like to be the **head** honcho  
I wonder what I'd do if they all did just what I said  
(just what I said)  
Well I'd shout out an order "I think we're out of this,  
man, get me some  
Boy, don't make me want to change my tone  
My tone

Yeah!

### [Chorus]

Straight up, what did you hope to learn about here?  
If I was someone else would it all fall apart?  
Strange, where were you when we started this gig?  
I wish the real world would just stop hassling me

## **[Bridge]**

Please don't change

Please don't break

Well the only thing that seems to work at all is you

Please don't change at all

For me to you

And you to me, yeah

Yeah!

## **[Chorus]**

Straight up, what did you want to learn about here?

If I was someone else would this all just fall apart?

Strange, where were you when we started this gig?

I wish the real world would just stop hassling me

I wish the real world would just stop hassling me

I wish the real world would just stop hassling me

To you and me
