

# No Doubt - Spiderwebs

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

## **[Verse 1]**

You think that we connect  
That the chemistry's correct  
Your words walk right through my ears  
Presuming I like what I hear

## **[Pre-Chorus 1]**

And now I'm stuck in the  
The web you're spinning  
You've got me for your prey

## **[Chorus]**

Sorry I'm not home right now  
I'm walking into spiderwebs  
So leave a message and I'll call you back  
A likely story, but leave a message  
And I'll call you back

## **[Verse 2]**

You're intruding on what's mine  
And you're taking up my time  
Don't have the courage inside me  
To tell you please let me be

**[Pre-Chorus 2]**

Communication  
A telephonic invasion  
I'm planning my escape

**[Chorus]**

Sorry I'm not home right now  
I'm walking into spiderwebs  
So leave a message and I'll call you back  
A likely story, but leave a message  
And I'll call you back

**[Post-Chorus]**

And it's all your fault  
I screen my phone calls  
No matter who calls  
I gotta screen my phone calls

**[Bridge]**

Now it's gone too deep (Now it's gone too deep)

You wake me in my sleep (You wake me in my sleep)  
My dreams become nightmares  
'Cause you're ringing in my ears

**[Chorus]**

Sorry I'm not home right now  
I'm walking into spiderwebs  
So leave a message and I'll call you back  
A likely story, but leave a message  
And I'll call you back

**[Post-Chorus]**

And it's all your fault  
I screen my phone calls  
No matter, matter, matter who calls  
I gotta screen my phone calls

**[Post-Chorus]**

Oooh, the spiderwebs  
Leave a message and I'll call you back  
I'm walking into spiderwebs  
So leave a message and I'll call you back

**[Post-Chorus]**

It's all your fault

I screen my phone calls  
No matter, matter, matter who calls  
I gotta screen my phone calls  
It's all your fault  
It's all your fault  
No matter who calls  
Matter who calls

### **[Breakdown]**

I'm walking into spiderwebs  
So leave a message and I'll call you back  
I'm walking into spiderwebs  
Leave a message and I'll call you back

### **[Outro]**

It's all your fault (I'm walking into spiderwebs)  
No matter who calls (So leave a message and I'll call  
you back)  
I gotta screen my phone calls (I'm walking into  
spiderwebs)  
It's all your fault (Leave a message and I'll call you  
back)  
No matter, matter matter who calls (I'm walking into  
spiderwebs)  
I screen my phone calls (Leave a message and I'll call

you back)  
I'm walking into spiderwebs  
Leave a message and I'll call you back
