## **BEING THE REAL REBEL...**

"Everyone wants to 'Rebel' over something at one time or another, this is a natural instinct with Your RealAwareness to Break Free from all the Restrictions, YU, The RealU, has collected from lifetimes of being unaware. This IS Your NUNownness to BE Free! The NUSound, The NU~U, replaces all the old Reptilian words of the Fake Gods of Man! The OM, AUM, HU, Amen, Omen and so many others are Physical/Astral TapLining to the Reptilian Alien TapLinners (RATS). The NU~U IS The RealConnection for The Real Rebels of THE ALLIS. Real Rebels do not protest what is taking place on this planet with the KEK Systems. Real Rebels learn to See Beyond this world into The Real UNUverses and See themselves as a FreeBeing of RealLight! Real Rebels are very creative with whatever is taking place with all the Deception of The Deceptors. Real Rebels always Take The Risk and present Singing The NU~U to this Lost World of HUMAN Reptilian Farming. READ MY NUBOOK NOW!

## **WWE KNOW WHAT WWE ARE DOING...**

"WWE are Wonderful WorldWide Educators Supporting The ALLNatural Environment that Supports US! WWE provide RealGuidance and a RealEducation like no one else! WWE know what WWE are Doing! It is understandable that most people do not know what WWE are doing, as ALL of US who are Sharing Our RealExperiences with Life have come from many different avenues to get Here & Now. NatuRIS Our RealSource and is always demonstrating what Makes Sense as each of us survive on this planet. Trying to outsmart The TruReality of The Natural Environment, as many KEK Systems are doing, is not working and never will, but most people are still asleep to What IS Natural & Real Now. WWE are The NUWakeUp for Everyone. BE a Real RiskTaker with US Now!

## **THE NUSOUND THE NU~U...**

"The NUSound, The NU~U, is a Real WakeUp for YU, The RealU, Your RealAwareness, to Become MoreAware and Free Yourself from all the Restrictions you have made for yourself and the ones you have Agreed to with this world. The NU~U Sound is The RealConnection with The TruReality LifeIS, THE ALLIS. Simply Sing The NU~U like this for about 5 to 15 minutes... "NU~U~U~U... NU~U~U~U... NU~U~U~U... and so on, and then Watch Your DreamVisions and learn to remember Your Dreams. In Your Dreams, which is the first part of The RealSide LifeIS, The Real UNUversal Guides will provide RealGuidance and a RealEducation for you to eventually have RealFreedom & RealTruth!

## **REAL RISK TAKERS OF THE ALLIS...**

"There are many RiskTakers on this earth who know they have to be creative to survive. Creation is a huge challenger for all of us, and the biggest challenge is Not Knowing there is more to Life than just the earth and Creation and to WakeUp to this. This earth has its benefits with The ALLNatural Environment that supports us, but with the enormous Kontrol of the Reptilian Alien TapLinners (RATS) who have been here the longest, the survival rate of people is vanishing rapidly. Taking Risks to survive here is one thing, but it all soon disappears as one gets older and feeble and unable to care for themselves. All the so-called 'thrills' are gone and all that is left are memories like those

of pastlives that most people cannot remember. So the routine of rebirth continues for those who Do Not Become The Real RiskTakers to See Beyond this world and Cause & Effect Creation. Seeking thrills here is one thing and Becoming MoreAware & SelfSufficient is a much better position to stand in. From the personal view and mind of most people, they cannot See what lies beyond this world and all the unlimited possibilities that already exist, so their imagination and attention is moreso focused on that they see in front of them, which they do not always consider will soon vanish and becoming nothing. The Real RiskTaker, one who has been guided and educated with The RealKnowledge of The TruReality LifeIS, THE ALLIS, they will step forward and take on The RealAdventure of Life and expose themselves to whatever it takes for The TruReality LifeIS to be known and understood. Very few people will do this, because most people are too afraid for themselves and the so-called 'social' position they 'Think' is more important than their RealAwareness and RealFreedom. The masses 'pretend' there is some kind of freedom here, but there is None! The Political and Religious Kontrollers will drown people in 'pretty words' to convince the unaware that the so-called freedom they are wanting will soon take place and that they are to hold onto their 'hope' for this event to happen, which it never will, because it never has! Duane The Great Writer is providing what no one else has The RealCourage to do... The NUWay Out of Cause & Effect Creation Now!

## **ASK PUTIN on FACEBOOK...**

"Each one of us have our own way to WakeUp here. President Putin is on his adventure, as we all are. There is so much more that is taking place that is Not Seen on the surface of Creation here and what the Kontrolling Governments are not telling the unaware masses. Putin has bravely stepped out in the public with many controversial statements where many other politicians are afraid to expose their own deceptive tactics. WWE are Wonderful WorldWide Educators and WWE are 'Here For Everyone!' It is time to WakeUp & Recognize The ALLNatural Environment Supporting ALL of US! WWE Recognize Sincere & Brave People!

## **ASK JESUS ON FACEBOOK...**

"HELLO! I am Jesus from the other Levels of Life! I have always been Here & Now with You, but most people cannot See Me, because they are Trapped & TapLined with politics, religion, spiritual paths and teachings and chasing the Funny Munny that The Deceptors have created you 'Think' is so valuable! I am with Duane&Eva, as DuaneIS THE NUMAN NOW! It is Duane's time to Share The NUPresentation with Rebazar Tarzs & The Real UNUversal Guides. Sing The NUSound, The NU~U, and Let Life Show YU, The RealU, in Your DreamVisions... 'What IS Real Now!'

## **ASK THE FEARED GOD ON FACEBOOK...**

DUANE THE GREAT WRITER INTERVIEWS THE KALAUM LORD GOD of THE EARTH WORLDS VOODOO RELIGIONS...

"This is an Amazing Adventure I have to tell... One night Rebazar and Paul came into my room while I was ready to go to sleep... "Stay Awake with US, Duane! We are going on a NUAdventure with you to the Mental Realm and the Lord God, Kalaum! You have been there many times and this will be something fun for you." Said Rebazar, as him and Paul went up into my ceiling and I could feel them pulling me along. We were soon above my house and flying upward into the vast and dark nightly sky. I could sense the suspense of what was about to take place. I knew the Kalaum God did not really like what I was doing on the earth with The RealGuides, but in his own way he was fine with me, because he had an unlimited number of dumbed down unaware souls as his slaves for more ongoing lifetimes. We first went thru the Astral Realm and flying above the the palace of the Astral God, who just happened to see us from the ground. He shook his fist at us, as Paul laughed and we continued upward. We soon entered the Causal Realm and flying above the huge scenery. The fake god of this realm, Brahman, was outside speaking with a bunch of his worshiping followers when he saw us... "Come down here and pray with us!" He said, as we waved and kept flying higher.

"I could feel the tension mounting as we were leaving the borders of the Causal Realm and into the Mental Realm of the Fierce and Bothersome Kalaum God! The predominate noise of the OM was everywhere, as we entered this Forbidden Heaven of Man. I began to laugh within myself, as I have been here many times before to hear the Noise of God. We flew across the huge vastness of the Mental Realm, until we came to the Giant Castle of the DevilGod Kalaum! I could feel the hate he was emanating as we approached. All of us landed on the front steps of the Kalaum Castle, as the guards looked at us funny. They let us pass, as we walked into the huge hallway entrance and soon to the main auditorium of The Lord God Himself. Most blind worshipers of Kalaum do not know that he had to fight his way into his position to proclaim himself the KingGod. I sensed his presence as we entered the giant area where in the distance in front of us was the huge Throne of God. There were giant curtains behind his throne that went miles into the sky. As I looked closer, I could See him looking at us from a small slit in the curtain. Rebazar looked at me and nodded with a smile, as he and Paul saw the Kalaum God being silly. He then came out and walked majestically to His Throne. We stopped and waited for a moment, then walk slowly towards him. He was a large figure, as Kalaum can take any form he likes, but he has already did so many different forms when I was here before, so I figured he was not going to try and fool me anymore. He watched us closely as we moved to him. Kalaum is the Reptilian DevilGod unaware people worship.

"Come to me Children of The Light. You are welcome here in my humble place of worship! Rebazar and Paul, you know me well. I see you brought THE NUMAN. He is a lot of trouble for me! He is too much of a RiskTaker! I like HarOld, because he is so

stupid and easy to get along with. HA HA HA...Kroney Joanny has drugged and beaten Harry into a silly boring fool! SHE has done well and I will reward HER well!" Said the Kalaum God, as he smiled with delight! "You are fooling yourself again, Kalaum Grog! Duane and The NUWorldWide Educators will be taking over the planet earth with The NUNowniss of THE ALLIS! Everything Phoney Joanny has done is being exposed very rapidly and people are Waking Up to The NUSound, The NU~U!" Said Rebazar firmly.

"WAAAAH... WAAAAH... WAAAAH!" Cried Kalaum, as tears like a flood came pouring from his eyes and all over the floor. "I Hate ALL of YOU! You are destroying all that I have worked for! I Hate to admit that what you are doing is Nice, and that... NU~U IS RIGHT ON!" Said God!

"WAKEUP WITH US or STAY LOST HERE! READ THE NUBOOK!

## **THE ENDLESS ISNIS LIFEIS for DUMMIES...**

"Each one of us have lived in Creation for millions of lifetimes in so many different body forms and most people are still 'thinking' this is the only reality there is. This One-Dimensional 'Place in Life' has its benefit, but not entirely until YU, The RealU Wakes Up Completely and Recognize 'What IS Real Now! As long as you are still 'only' thinking that you are human, then you will stay lost here with the unaware and the Reptilian Alien TapLiners (RATS) who rule this planet. There are so many stages and steps to go thru to Completely WakeUp to where YU, The RealU, actually Stands Completely Aware that YU are a FreeBeing of RealLight in The Real UNUverses beyond all of Cause & Effect Creation! With the Six Levels of Creation there are the Authoritarians on the RoundWorlds, the Many Heavens of Man, the Angels & Saviors and the Gods of Man, who profess to have created Creation. This is where YOU are at Now! Do you like your experience so far, especially being on this Purposely Poisoned Prison Planet? You can do so much better than what the Deceptive political, religious, spiritual, educational and scientific systems are doing that keep you One-Dimensionalized here! Beyond the Restrictions & Limitations of Creation, there IS The Real UNUverses of The TruReality LifeIS, THE ALLIS. Starting on The Seventh LifeLevel, YU, The RealU, IS a FreeBeing pf RealLight and brighter than any sun in the skies!

## **PAUL TWITCHELL IS THE REALCONNECTION...**

"Paul Twitchell & The Real UNUversal Guides IS The RealConnection with The SoundLight ALLAliveniss of THE ALLIS. The RealGuides have played many 'roles' to get the attention of those still asleep in Cause & Effect Creation. In the past, they have created many different paths and teachings with many labels as masters and gurus, saints and saviors, or whatever! They referred to the Gods of Man, as somewhere to start from for those unaware of The Real UNUverses. The Old Days of 'pretty words &

wisdom' are gone and exist only as a 'reference' and nothing more. Those who still Emotionally Kling (EK) to the ideas of spiritual paths, souls, saviors, masters and gods, are infected by the Reptilian Kalaum Lord God of all politics and religion on this earth! The Reptilian Alien TapLiners (RATS) own the earth, and they have a Designed Mind Kontrolling Matrix all thru Cause & Effect Creation! Those who worship and pray to gods are being Astrally TapLined and held here for more lifetimes of even worse conditions than Now! Duane The Great Writer IS THE NUWAVIS THE NUMAN NOW! The Real UNUversal Guides, Rebazar Tarzs, Paul Twitchell, Gopal Das, Fubbi Quantz, Yauble Sacabi, Towart Managi, Kata Daki, and the endless multitude of others, stand with Duane IS THE NUMAN NOW! The old idea of the 'Rod of Power' is gone, and those who use this idea are deceiving others. The RealGuides Do Not recognize other 'light workers' as these people are relating to the Astral Realm and the Gods of Man.

"The many teachings relating to 'seeing the light' and galactic 'this and that' are physical/astral ideas from the minds of the inventors. Most of them are 'fronts' created by the RATS to seduce people into 'Thinking' they will be saved by the Reptilian God Kalaum! The Whole of Life IS moreso than anything in Creation. The 'spiritual' gatherings and things like Christ Consciousness and many other labeled ideas, are nothing more than TapLining Parties for the RATS to feast upon those who are expressing their Astral Love Sensations. There is Love, which is mainly Astral Emotions and Feelings (the RATS Love Emotional Love and Stress). Then there IS RealLUV, which is like the Sun Shining upon ALL!. RealLUV IS Your RealAwareness, as YU, The RealU, learns to Recognize RealLUV with The RealConnection to The Real UNUverses of RealFreedom! You can stay here as long as you want with only your Emotional Love, or you can Take The Risk by Singing The NUSound, NU~U, and Let Life Show YU 'What IS Real Now!' You are always deciding Your Life! The old words of HU, OM, AUM, Amen and others attract the RATS and they Love to hear them. It is always Your Choice to WakeUp Now or Stay Lost here!

## **THE REALCONNECTION BEYOND CREATION...**

"Very few people really know what is Beyond Creation, as very few people know what they are doing in Creation and how it all came about. Most people just live their life here and chase what is presented to them from the Kontrolling Systems into more unconscious lifetimes of even worse situations than Now. WWE as Wonderful WorldWide Educators, WWE have The RealConnection to The LifeLevels of The Real UNUverses of RealFreedom. Many people in Creation 'Think' they have a direct line to Reality, but for the most part, they are contacting the Astral Light and the angels and saints in the Astral Realm where Your Astral Body is, as this is the Emotional/Sensation Body. You have four other bodies beside just the Physical Body that YU, The RealU, is operating. The Real UNUversal Guides are from The TruReality Life IS, THE ALL IS. The RealGuides have The RealConnection with The SoundLight ALLAliveness of THE ALL IS.

"The Deceptors, the Authoritarians of the earth, the KEK Systems (Kontrolling Earthly Korporations), the political, religious, spiritual, educational and scientific system inventions, along with the invented Gods of Man, are all part of the distorted inventions for HUman Farming on this planet and so many others. You are in Their Designed Matrix and You do not know this! You keep Agreeing to whatever they create and tell You to do, and so You will be returning in deformed bodies into future lifetimes, because this is a Purposely Poisoned Prison Planet, and this is how the Authorities like this place! There is a Lot More that You are Not Seeing, and WWE can show You how to Escape Cause & Effect Creation into Real UNUverses of Purity & RealFreedom! To do so, YU, The RealU, must Be The Real RiskTaker and do what You have never done before! Are You ready for this, or are You going to keep 'pretending' there is a life for You on this 'Place in Life' called earth? WWE are The NUWay Out of Boring Reincarnation and Old Karma from the Gods of Man, but You must decide for yourself to Take The Risk! Have Fun Deciding!

## **DUANEIS REPLACING PAUL TWITCHELL...**

"Duane The Great Writer was asked by Rebazar Tarzs & The Real UNUversal Guides to Replace Paul Twitchell in The TruSense with what is taking place with The NUPresentation as THE NUWAVIS THE NUMAN NOW. The old days of lip-service masters and gurus is gone, and the two caretaker/janitors (Darwin & HarOld) who came after Paul to 'Do Something Wonderful' for this world, decided that their personal life was far more important and have become self-absorbed Korporation Kronees! Very few people have The RealCourage to See Past the created 'fronts' here, and so they will stay Trapped & TapLined by the Reptilian Alien TapLiners (RATS) and the old masters and gurus of days gone by. The old masters are now the Korporation Kings of their empires and bought off by the One World Order (OWO). SHE, Joanny Klump, owner and Dictator of the EEKonkon Kontrolling Korporation (KKK) in Minnesota, USA, decides everything HarOld says on stage (watch his notes) and SHE edits all Harry's wisdumb books. I was with Paul in the early days, and I am revealing a lot more as to what really took place. I am into The Real Adventure LifeIS, and not the Kreated Deceptions of the political, religious, spiritual, educational and scientific systems. There is something with this life for everyone, so Have Fun Deciding!

## **PAUL TWITCHELL and PLAGIARISM...**

"Paul Twitchell was a writer and he did Plagiarize some of what he presented to this world. How do I know this for sure? I was There! Hello, I am Duane The Great Writer, and I am providing 'The Greatest WakeUp of RealAwareness' this world has ever Seen! I will give a brief history of Paul's Plagiarism, and I also suggest for You to read on Facebook in the group, 'What Really Happened to Paul Twitchell.' (also at the end of this page). Paul knew he only had so much time here, and when he was writing his books, he did not have the modern computer and typewriters we do Now. Paul still IS The RealGuide with The Real UNUversal Guides, and what he did while he was here, because he had The Real Rod of Power, he had The RealConnection with The

TruReality LifeIS, THE ALLIS. This IS The Real Essence of what he IS still doing on The RealSide. Paul started off with Astral Projection and the 'god' ideas, as these were the baby steps he knew people had to go thru to get to The NUNowniss of THE ALLIS. Darwin and Harold, who were given an opportunity to 'Do Something Real' for the existing members of Eck, did not have The RealAwareniss Paul does, and so they have not! Darwin and Harold stole Paul's Title and soon became Emotional Masters of Deception. Whatever Paul did then, his only 'intent' IS to show people how to Recognize The TruReality, THE ALLIS. At the time I could See this, and there were a few others as I was with him, and I describe some of My RealSide Experiences with Rebazar & Paul in NUBook Three, 'The Real Far Country.'

"Respectfully, it is so that what a person creates is theirs, as Life ITSelf, like the Sun Shining, is not at all concerned. But actually, everything we do comes from Life ITSelf, and do we really own it? The Literalized People have made themselves and their 'business worlds' supposedly Bigger than Life ITSelf, and this is why this planet is in a Huge Demise with all the over-educated destroying The ALLNatural Environment that Supports ALL of US. Those who look to the Deceptive Gods of Man, will 'Think' that their invented gods from the Reptilian Alien TapLiners (RATS) will in some way care about Plagiarism, but they do not! The Gods of Man do have many attitudes, as they are the DevilGods who manage the Astral & Mental Realms in Creation, but they do not care about anything YOU are doing here, because they like YOU to Deceive Yourself, as this keeps YOU their slave for more lifetimes of supporting Their Deceptions! Most people do not Recognize who they worship and pray to. YOU can WakeUp in Their Designed Matrix, and WWE as Wonderful WorldWide Educators will show YOU, The NUWay Out of Cause & Effect Creation!

"Paul & I were guided and taught for lifetimes with Rebazar Tarzs & The Real UNUversal Guides. Paul was to come first and set the foundation, then I would come in when things were ready, and moreso than just what he created, as there is a Huge Adventure Now that has not been told yet, and that is what I will do! For most Literally Educated people, they have the burden of their indoctrinated Literalized Mind to See & Get Past. Very few can See Beyond their own creations in time and space, and especially step aside from their Emotional Attachments to them and 'Let Life Show You... 'What IS Real Now!' When HarOld decided to marry the Mistress of the Reptilian Kalaum God (The Lord God) and 'SHE' became Mrs. Joanny Klump, everything really changed with The Real Opportunity, The RealGuides had given HarOld. What most people do not know is, The Real UNUversal Guides already had Seen from The Real UNUverses what Darwin and HarOld would basically do, as they were not mature enough to handle themselves, and so they became the Self-Absorbed masters. What they have done is actually a Benefit as a 'Comparison' and part of the overall WakeUp and Real Opportunity for those who can See 'What IS Real Now!' And for those who cannot, they will once again return in deformed bodies, no matter what they 'Think' about the so-called 'spiritual' path they belong to and their fake masters. Paul IS Guilty, overall of one thing... He started The RealConnection with THE ALLIS (THE ISNESS he

referred to in his books) on this earth for everyone! I, Duane The Great Writer, IS THE NUWAVIS THE NUMAN NOW. I am providing The NUNowniss of THE ALLIS, and The TruCompletion of what Rebazar & Paul started in 1965. Only The Real RiskTakers will See 'What IS Real Now' and everyone else will 'Think' they know something with their Literalized Minds! Very few will Recognize THE ALLIS NOW!

## **WHAT REALLY HAPPENED to PAUL TWITCHELL...**

“Since the day Duane arrived on earth, he has been guided to do what he is Now doing today, The NUPresentation. Duane, or DU from THE ALLIS, was sent here to create his Five Bodies, and then to boldly present what no one else can, Recognizing & PerSeeving THE ALLIS. Paul was to come here first, as this was already decided in The Real UNUverses by The NUGiudes & The UNSeen TruReality LifeIS. What has become known as Creation, and all the vast complexity to it, has become a huge mess with so much Distortion & Deception. THE ALLIS, can always SEE The TruCompleteniss of ITSelf, where the people who have been conditioned to a One-Dimensional Matrix cannot see past their Literalized Minds and Emotional TapLinings. Creation is a 'Place in Life' that THE ALLIS, decided as a 'simulation' for YU, The RealU, to WakeUp and begin to compare 'what is not real!' You need to See ALL Sides to Free Yourself!

“The Duane Body needed time to get used to the environment that was Now existing on the earth, as he was an Indian in his previous life with Rebazar Tarzs & The RealGuides getting ready for this lifetime on this Poisoned Planet! In 1965, Paul Twitchell received The Real Rod of Power (THE ISNIS of THE ALLIS in Creation). Paul was to stay approximately five years, until October 22, 1970, but Duane needed more time to get into the membership and start his position with what Paul created as Eckankar, Ancient Science of Soul Travel, ASOST. Duane entered the membership around December 1970, and Paul stayed on earth until he knew Duane was secure. Paul purposely left in September 1971, during a seminar. Paul was to leave to make way for 'The Greatest Adventure & WakeUp' this world has ever seen!

“Darwin Gross was setup as the first 'caretaker' for the Corporation of Eck. He would be recognized as the 'master' of Ek, and that was it. He decided to take on Paul's Title as The Living EK Master, Mahanta, and was told by The RealGuides very specifically not to use what Paul created for himself, but he didn't listen, because Darwin did not have The RealAwareniss, Paul does. As time went on, Darwin became very popular and self-absorbed with himself to the point of abusive control and embezzlement. Harold Klemp was asked to be the next 'caretaker' and to replace Darwin, which Darwin did not like at all and put up a lot of fuss, as there soon became lawsuits and a separation of the two. Darwin then started ATOM in Oregon, and where he had secretly build his house with membership funds. Harold was also told to be just the 'master' and maintain the Corporation, as 'The Real UNUversal Guide' would someday appear as the time was right for the earth people to know. Harold was a bit humble at first, then SHE

showed up, Joanny Kroney, who was sent by the Reptilian Lord God to seduce Harold and take Kontrol of HER Korporation! HarOld let HER in to takeover and SHE started TapLining the MemberShrimps into a Dumbed Down Worshiping and PrayPaying unawareness, along with drugging Harry!

“Darwin & HarOld have never fully realized they were given a Real Opportunity, and at the same time 'setup' to do what The Real UNUversal Guides already knew what they would do, and that is end the term of the HU word and also infect what has become the Krone Kontrolling Korporation (KKK). Like the OM, AUM, Amen and other old ancient words, the HU had become outdated and infected with the Reptilian Alien TapLiners (RATS) in the Five PsycRealms of Creation. Paul created the 'foundation' with terms like Ek and other references, as he and The RealGuides knew his creations would run their course into The TruReality of The NUSound, The NU~U, which had always been in The Heart of THE ALLIS, and hidden for eons until NOW! At the time of Paul's Ek creation, the earth people were not at all ready for what he and Rebazar referred to as THE ISNESS, so Paul started off as the BabySitter, then Darwin & HarOld did the same, as they were given a lot of RealSide Experiences to WakeUp and expand upon what Paul created, but they did not have The RealAwareniss to do so, not even close, so they both became self-absorbed icons and kept the members stupid. The RealGuides were more than ready for this, as it became Duane's time on August 3, 2001, to receive The Real Rod of Power from Rebazar & Paul, right before the American Government Planned Disaster of 911. The RealGuides saw all this! From Paul's time with receiving The Real Rod of Power, then with Darwin & HarOld as the 'caretakers' who never had The Real Awareniss to See or Recognize The Real Rod of Power, then to Duane in 2001, this has all been Seen & Recognized at to what would take place as a Huge Comparison to 'What IS Real Now' for those who can Recognize IT! Duane The Great Writer, has defined The TruReality LifeIS, THE ALLIS, like never before, but there are still so many unaware people lost with the old 'religious and spiritual' ideas!

“The NUNowniss of THE ALLIS IS ALWAYS NOW! The days of the old masters and their 'pretty words' is gone, and has no more value or life to them. THE ALLIS and The Real UNUversal Guides, Recognize THE NUWAVIS THE NUMAN NOW! THE ISNIS LIFEIS NOW, far surpasses what Paul first created here, and for those still Emotionally TapLined (ET) and clinging to what he was and did, they are holding on to a 'ghost' and nothing more, just like the Fake Gods of Man, who were originally invented by the RATS. This NUAdventure is one of many for YU, The RealU, to WakeUp and Recognize what YU never have before, but YU must always Be Ready to Step Into The Real & Endless Unknown, THE ALLIS, IS! First, YU Sing The NU~U to start getting Your RealSide Experiences, then YU want to See how YU can Be Creative and Stand with The RealGuides, as they present The NUSound, The NU~U, to this Purposely Poisoned Prison Planet!

## **PAUL TWITCHELL PLAGIARIZED...**

"It is very true that Paul did Plagiarize, because he showed me many times what he was doing and why. Paul wanted to get as much written material out as possible, because he knew he would only be here so long. I had many meetings with Paul and Rebazar, as they showed me what Paul was doing and how it was working to wake people up on The RealSide first. Paul gave me many hints as to how to present what i would be writing to the world. He Purposely Plagiarized to get the attention of certain people who would react to what he did. Paul's focus was on The Real Intent to get people to WakeUp to The TruReality, THE ALLIS, which he first disguised with the god idea and then the 'sugmad' idea. I was there with Paul when Rebazar was dictating Paul's two books, 'The Far Country & Dialogues with The Master.' I later wrote, 'The Real Far Country' where I share My RealSide Experiences when I was there in the back ground. I was not to tell about any of this until it was my time with The Real Rod of Power in 2001. I have had huge struggles to get here with what I know. Mainly, Reptilian Joanny and fake master HarOld have tried to keep me away, as HarOld did not have the courage to announce me in 2001, so he had a car accident that still did not wake him up! It does not matter to me what Paul did with his presentation, as Paul & Rebazar & The RealGuides are always with me. Whatever 'ideas & attitudes' are created in Creation have nothing to do with Recognizing THE ALLIS, except as a comparison to See 'what is not real!' This is all part of a WorldWide WakeUp for Everyone, but only The Real RiskTakers with The RealGuides & THE ALLIS, will See 'What IS Real Now!'

## **THE CREATION of ENTERTAINMENT...**

"Almost each of us like some form of Modern Entertainment, such as the movies, singers, sports and so much more. Back in the Cowboy and Indian Days, there was very little Entertainment for people, as life was more about surviving with The ALLNatural Environment that Supports US. As we have come from then to now, it is more than obvious that most people want to be constantly Entertained in some way. It more than makes sense that we each want a huge variety to our life, as many new ways of Entertainment are being created all the time. As an example, most people are unaware of how Walt Disney and many others were funded to create different forms of Entertainment as 'Distractions' for the unaware masses. There is a whole lot more to Entertainment to day than may realize. The News Media is another example of Kontrollled Entertainment, that most people 'Think' is so important and real, but is actually very edited with a lot of Misinformation and Deception. Each person can make their own choices, but the end result will be the same, and that is, until You WakeUp Completely with what is taking place here and with The Whole of Life, then You will be the Unknowing Effect of everything around You, including Yourself! Of course, You will not completely understand what I am presenting here at this time, because it takes a lot of Study and RealExperiences, that becomes a lifetime of exploring and discovery, and actually many lifetimes!

"The Professional Kontrolling Deceptors Rule the Earth! They want absolute Kontrol of everything and everyone, as The Deceptors created the HUman Farming on this planet. As people are more interested in being 'fans' and what is 'popular' as something more important than RealSurvival and The ALLNatural Environment, they will be Kompletely Kontrolled by The Deceptors, who also created the political, religious, spiritual, educational and scientific systems. It is always Your Choice as to how you want Your Life to be, but there is so much more to The Whole of Life than the Created Creation, you are in Now. There is a Basic Cycle to what we are all going thru, and that is, if YU, The RealU, does not WakeUp Now, then you will continue to reincarnate until the time comes when you do 'possibly' WakeUp! You can Free Yourself from Cause & Effect Creation Now, or take your chances to find it later in future lifetimes where what I am Presenting Now, does not exist! Take The Risk and Sing The NUSound, The NU~U, and Learn to Watch Your DreamVisions!

## **PAUL TWITCHELL IS THE REALCONNECTION...**

"Paul Twitchell & The Real UNUversal Guides IS The RealConnection with The SoundLight ALLAliveniss of THE ALLIS. The RealGuides have played many 'roles' to get the attention of those still asleep in Cause & Effect Creation. The Real UNUversal Guides, Rebazar Tarzs, Paul Twitchell, Gopal Das, Fubbi Quantz, Yauble Sacabi, Towart Managi, Kata Daki, and the endless multitude of others, stand with Duane IS THE NUMAN NOW! The old idea of the 'Rod of Power' is gone, and those who use this idea are deceiving others. The RealGuides Do Not recognize other 'light workers' as these people are relating to the Astral Realm and the Gods of Man.

"The many teachings relating to 'seeing the light' and galactic 'this and that' are physical/astral ideas from the minds of the inventors. Most of them are 'fronts' created by the RATS to seduce people into 'Thinking' they will be saved by the Reptilian God Kalaum! The Whole of Life IS moreso than anything in Creation. of RealFreedom! You can stay here as long as you want with only your Emotional Love, or you can Take The Risk by Singing The NUSound, NU~U, and Let Life Show YU 'What IS Real Now!' You are always deciding Your Life! The old words of HU, OM, AUM, Amen and others attract the RATS and they Love to hear them. It is always Your Choice to WakeUp Now or Stay Lost here!

## **THE REALCONNECTION BEYOND CREATION...**

Duane, or DU from THE ALLIS, was sent here to create his Five Bodies, and then to boldly present what no one else can, Recognizing & PerSeieving THE ALLIS. Paul was to come here first, as this was already decided in The Real UNUverses by The NUGiudes & The UNSeen TruReality LifeIS. What has become known as Creation, and all the vast complexity to it, has become a huge mess with so much Distortion & Deception. THE ALLIS, can always SEE The TruCompleteniss of ITSelf, where the people who have been conditioned to a One-Dimensional Matrix cannot see past their Literalized Minds and Emotional TapLinings. Creation is a 'Place in Life' that THE ALLIS, decided as a 'simulation' for YU, The RealU, to WakeUp and begin to compare 'what is not real!' You need to See ALL Sides to Free Yourself!

"The Duane Body needed time to get used to the environment that was Now existing on the earth, as he was an Indian in his previous life with Rebazar Tarzs & The RealGuides

getting ready for this lifetime on this Poisoned Planet! In 1965, Paul Twitchell received The Real Rod of Power (THE ISNIS of THE ALLIS in Creation). Paul was to stay approximately five years, until October 22, 1970, but Duane needed more time to get into the membership and start his position with what Paul created as Eckankar, Ancient Science of Soul Travel, ASOST. Duane entered the membership around December 1970, and Paul stayed on earth until he knew Duane was secure. Paul purposely left in September 1971, during a seminar. Paul was to leave to make way for 'The Greatest Adventure & WakeUp' this world has ever seen!

“Darwin Gross was setup as the first 'caretaker' for the Corporation of Eck. He would be recognized as the 'master' of Ek, and that was it. He decided to take on Paul's Title as The Living EK Master, Mahanta, and was told by The RealGuides very specifically not to use what Paul created for himself, but he didn't listen, because Darwin did not have The RealAwareniss, Paul does. As time went on, Darwin became very popular and self-absorbed with himself to the point of abusive control and embezzlement. Harold Klemp was asked to be the next 'caretaker' and to replace Darwin, which Darwin did not like at all and put up a lot of fuss, as there soon became lawsuits and a separation of the two. Darwin then started ATOM in Oregon, and where he had secretly build his house with membership funds. Harold was also told to be just the 'master' and maintain the Corporation, as 'The Real UNUversal Guide' would someday appear as the time was right for the earth people to know. Harold was a bit humble at first, then SHE showed up, Joanny Kroney, who was sent by the Reptilian Lord God to seduce Harold and take Kontrol of HER Korporation! HarOld let HER in to takeover and SHE started TapLining the MemberShrimps into a Dumbed Down Worshiping and PrayPaying unawareness, along with drugging Harry!

“Darwin & HarOld have never fully realized they were given a Real Opportunity, and at the same time 'setup' to do what The Real UNUversal Guides already knew what they would do, and that is end the term of the HU word and also infect what has become the Krone Kontrolling Korporation (KKK). Like the OM, AUM, Amen and other old ancient words, the HU had become outdated and infected with the Reptilian Alien TapLiners (RATS) in the Five PsycRealms of Creation. Paul created the 'foundation' with terms like Ek and other references, as he and The RealGuides knew his creations would run their course into The TruReality of The NUSound, The NU~U, which had always been in The Heart of THE ALLIS, and hidden for eons until NOW! At the time of Paul's Ek creation, the earth people were not at all ready for what he and Rebazar referred to as THE ISNESS, so Paul started off as the BabySitter, then Darwin & HarOld did the same, as they were given a lot of RealSide Experiences to WakeUp and expand upon what Paul created, but they did not have The RealAwareniss to do so, not even close, so they both became self-absorbed icons and kept the members stupid. The RealGuides were more than ready for this, as it became Duane's time on August 3, 2001, to receive The Real Rod of Power from Rebazar & Paul, right before the American Government Planned Disaster of 911. The RealGuides saw all this! From Paul's time with receiving The Real Rod of Power, then with Darwin & HarOld as the 'caretakers' who never had The Real

Awareness to See or Recognize The Real Rod of Power, then to Duane in 2001, this has all been Seen & Recognized at to what would take place as a Huge Comparison to 'What IS Real Now' for those who can Recognize IT! Duane The Great Writer, has defined The TruReality LifeIS, THE ALLIS, like never before, but there are still so many unaware people lost with the old 'religious and spiritual' ideas!

"The NUNowniss of THE ALLIS IS ALWAYS NOW! The days of the old masters and their 'pretty words' is gone, and has no more value or life to them. THE ALLIS and The Real UNUversal Guides, Recognize THE NUWAVIS THE NUMAN NOW! THE ISNIS LIFEIS NOW, far surpasses what Paul first created here, and for those still Emotionally TapLined (ET) and clinging to what he was and did, they are holding on to a 'ghost' and nothing more, just like the Fake Gods of Man, who were originally invented by the RATS. This NUAdventure is one of many for YU, The RealU, to WakeUp and Recognize what YU never have before, but YU must always Be Ready to Step Into The Real & Endless Unknown, THE ALLIS, IS! First, YU Sing The NU~U to start getting Your RealSide Experiences, then YU want to See how YU can Be Creative and Stand with The RealGuides, as they present The NUSound, The NU~U, to this Purposely Poisoned Prison Planet!

## **PAUL TWITCHELL PLAGIARIZED...**

"It is very true that Paul did Plagiarize, because he showed me many times what he was doing and why. Paul wanted to get as much written material out as possible, because he knew he would only be here so long. I had many meetings with Paul and Rebazar, as they showed me what Paul was doing and how it was working to wake people up on The RealSide first. Paul gave me many hints as to how to present what I would be writing to the world. He Purposely Plagiarized to get the attention of certain people who would react to what he did. Paul's focus was on The Real Intent to get people to WakeUp to The TruReality, THE ALLIS, which he first disguised with the god idea and then the 'sugmad' idea. I was there with Paul when Rebazar was dictating Paul's two books, 'The Far Country & Dialogues with The Master.' I later wrote, 'The Real Far Country' where I share My RealSide Experiences when I was there in the back ground. I was not to tell about any of this until it was my time with The Real Rod of Power in 2001. I have had huge struggles to get here with what I know. Mainly, Reptilian Joanny and fake master HarOld have tried to keep me away, as HarOld did not have the courage to announce me in 2001, so he had a car accident that still did not wake him up! It does not matter to me what Paul did with his presentation, as Paul & Rebazar & The RealGuides are always with me. Whatever 'ideas & attitudes' are created in Creation have nothing to do with Recognizing THE ALLIS, except as a comparison to See 'what is not real!' This is all part of a WorldWide WakeUp for Everyone, but only The Real RiskTakers with The RealGuides & THE ALLIS, will See 'What IS Real Now!'

## **THANK GOD for TAPLINING...**

"The unaware masses have not been taught about Astral TapLining, which is more ancient than anything. The original invaders of this planet were the Reptilian Alien TapLiners (RATS) and they are still here Kontrolling this world! The well-to-do modern societies, 'in their minds only' are not really associated with anything that seems to be primitive or barbaric from history, but actually they are! Authoritarian Barbarianism of politics, religion, spiritual and scientific systems are very real here more than ever and are so disguised that most people like to 'pretend' that everything is okay with all the Deception & Destruction of The ALLNatural Environment. There are many people who are trying to offset all the Poisons & Pollution they are having to deal with everyday and just surviving. Most unaware people do not know the RATS created the DevilGod ideas, and that their gods are the ones doing the Astral TapLining with the Korporation Rulers on the earth and other worlds. TapLining has been a very well kept secret from the worshipping & praying masses. TapLining is Very Real and Very Dangerous, but many people do not 'believe' it exists. You, as You are asleep and lost here... You can Thank Your God for TapLining!

## **STOLEN TITLES...**

"As we have each created our own history, because we have all been here or somewhere before this life, we at sometime decided to make a 'title' for ourselves. Not everyone has done this, but there were those who did and the idea was to live up to that title in some way. Whether the idea was to get people together to become a gang, or establish something more beneficial for the community to prosper from, are a few examples. The titles down thru the ages range from kings and queens, teachers and scholars, philosophers and historians, saviors and saints, masters and gurus, presidents and emperors and so on. There are also dictators and tyrants, authoritarians and rulers, mafia and politicians. Some of us have been the characters we read about in history, and some of us tried to create a position with some kind of Honor, but this is always very difficult with all the influences that occur on this world. Many of the titles that are still around were at one time looked upon differently, but then again some are basically the same and many times a lot worse! There will always be a shift and a change with this world. (Read more in the Pinned Post)

"During this life, I came here with a RealPurpose. It has taken me many lifetimes with whom I refer to as, The Real UNUversal Guides, to be able to finally Fully Recognize what I am to present to this world. My RealPosition IS THE NUMAN. I did not necessarily decide my title, as I was shown in a Real DreamVision that I would be 'The Greatest Architect Ever!' Many years ago, I saw myself in this RealDream as Paul Newman, which would 'seem' to refer to the actor, and in a way it is so, but not really. Paul is Paul Twitchell, and Newman is NU~man. I was shown The NUSound, The NU, by The RealGuides and then I added the 'U' which is Now, The NU~U. There is more to this, and you can have fun finding out in My NUBooks.

"When Paul left this earth, there were two men after him that were given the opportunity to WakeUp and Do Something Wonderful for Everyone, but they both decided to become self-absorbed. They both 'stole' Paul's Title and used it to glorify themselves and steal from others. Their idea was that it would become 'traditional' like the presidents and tyrants of the past to Deceive others. What Paul Twitchell created was of his own making and the two after him could have done a lot better, but instead they decided to become part of the Historical Deceptors of this planet! Today, there are fake presidents, queens, popes, diplomats, politicians, religious and spiritual masters and teachers, and so much more who are all part of the One World Order of HUMAN Farming! Paul's creation has become. EEKonkon, The Big Kon, the fright & noise of the Kalaum DevilGod. Fake master HarOld Klump, who has personally taken title, assigned himself to be what he 'stole' from Paul. His wife, Reptilian Joanny Klump, has pulled a fast one on him for decades, and he is HER 'puppet' to the viewing audience, as SHE TapLines HER praypaying membershrimps! The two fake masters after Paul left here, have stolen his title and have misused it to Deceive Everyone! What is taking place with the Krone Korporation in Minnesota, USA, was not at all the original idea The RealGuides had for this world. The days of masters and gurus are gone and all the 'pretty words' of wisdumb no longer have any RealValue. Duane The Great Writer, THE NUWAVIS THE NUMAN NOW, has once again Restored RealHonor with Paul Twitchell & The Real UNUversal Guides of The TruReality LifeIS, THE ALLIS.

## **EEKonkon HU Howling Not Working...**

"EEKonkon Temple TapLiners, the Big Spiritual Kon of Minnesota, USA, is being exposed for HU Howling Fraud. The Old HU is not working, and is actually causing illnesses and cancers from Reptilian TapLining. Of course the unaware medical authorities cannot See this, as they are usually 'bought off' like fake master HarOld & Reptilian Joanny Klump, who are themselves secret members of the One World Order (OWO). It is reported that SHE is having some people use other Reptilian Verses or words to attract HER Reptilian Mates to TapLine the MemberShrimps. Very few people can See this with their physical eyes, as the Aura of a person is punctured from Astral TapLining. Reptilian Joanny, alias Phoney Baloney Joanny, alias, Kroney Joanny, plus so many more, has not stopped HER complete takeover and seduction of withering Harry Klump! SHE brought worshiping and praypaying to the membershrimps decades ago, and they are totally sauced by HER!

"The TruReality LifeIS, THE ALLIS, has replaced HU Howling with The NUSound, The NU~U! Of course Phoney Joanny is not interested in 'What IS Real Now!' All that matters to HER is doing business and stashing the MONEY for HER! Drugged and Doped Harry Klump is HER puppet! The Real UNUversal Guides suggested that Harry be the Janitor and Not Steal, Paul Twitchell's Title. But, Harry didn't listen and now he has to pay with HER in the Lower Astral Realm with the rest of the dumbed down and TapLined members! BEWARE of Phoney Joanny and fake master Harry! They like to sell their 'pretty words' of old wisdumb to the unaware and then TapLine YOU in Your Dreams! Sing The NU~U, and you will Learn to See Your TapLines before you are too

old and stupid and it is too late for YOU! WakeUp with US or Stay Lost!

## **LEARN to SEE YOUR DREAMS...**

"Your DreamVisions are The First Step into NUWorlds & Real UNUverses beyond Cause & Effect Creation. WWE are Wonderful WorldWide Educators and WWE provide RealGuidance and a RealEducation. When you learn what WWE are sharing, you will not have to return to this planet ever again! To most, their Dreams are merely images of the mind or fantasy. Okay, have it your way or Take The Risk with US! if you do not WakeUp Now, then you will be stuck here for more unaware lifetimes with the Reptilian Alien TapLiners (RATS) who rule this planet! You can keep being Deceived by the political, religious, spiritual, educational and scientific systems, and you will still be the Effect of what is taking place here, as you grow old and diseased for another lifetime. Sound Fun?

"What IS Really Fun IS... Becoming MoreAware and having Your Own RealAdventure with The Whole of Life! On earth, you are in the RATS Designed Matrix... This is Real! You can 'Think' whatever you want, but you are still Trapped & TapLined here! And Guess What... The RATS follow the orders of the Gods of Man, because they invented THEM, just for YOU to be dumbed down and unaware! You have been in their HUMAN Farming Matrix for lifetimes, but you do not remember this. When YU, The RealU, learns to See Your Dreams for what they really are, YU will begin to WakeUp to Your RealAwareness and SeeMore. You can keep 'believing' what the invented systems tell you, or Take The Risk Now!

## **ASK CHARLES & MARIAM on FACEBOOK...**

"AFRICA IS ALIVE! AFRICA IS AWAKE! AFRICA IS WONDERFUL! For the people of earth who are in Africa, they can have The Real Privilege of Meeting, Charles & Mariam of Africa, who are The NULeaders with Rebazar Tarzs & The Real UNUiversal Guides of THE ALLIS. THE NUMAN & THE NUWAVIS NOW, is in AFRICA! WWE know what WWE are Doing! WWE are Always Doing Something Wonderful as WWE Share Our RealExperiences with Africa and The World. WWE Sing The NUSound, The NU~U with The RealGuides. WWE Welcome Everyone to Sing The NU~U for RealFreedom, as WWE know there are so many people on this planet that are Trapped & TapLined & Restricted with HU Howling, OM, AUM Chanting, Amen Religious Kontrol and so much more that is EK (Evil Karma). Singing NU~U gives YU, The RealU, The RealConnection with The SoundLight ALLAliveness of The Real UNUverses & THE ALLIS. YU will Become MoreAware and Your DreamVisions will open for YU!

## **TAPLINING EXPLAINED for DUMMIES...**

"You were once again born on a planet with a population mainly consisting of Reptilian Alien TapLiners (RATS), Deceptors, Stupedians, Slaves, Idiots, Politicians, Religionists, Over-Educated Know-it-alls, Kings, Queens and their Subjects! Did I leave You out, or are You in another category? You are here once again to try and figure out why You are here! You decided to come here, but You do not remember this, so You are once again wondering around looking for something that Makes Sense. You were not taught in school or by your parents that YU, The RealU, is operating Five Bodies, and not just a Physical Body. Your Second Body is Your Astral Body that is located in the Astral Realm beyond what your physical eyes can See. The Astral Realm is also known as, The First Heaven of Man. If You belong to a Mind-Vise Reptilian Religion, You will not 'believe' what I am sharing with You. The RATS created the DevilGod ideas and all the Holey Drible (Bible) that most people so adamantly 'believe' in! The RATS have been TapLining You in Your Astral Body for lifetimes, but You are not aware of this, because your attention is on your physical life that You 'Think' is all there is. Astral TapLining is very simple... the RATS put TapLining connections into the back of your Astral Body while You are asleep in Your Dreams. Just like in the movie, 'The Matrix' where Neo finally escapes his TapLinings and begins to See where he is at and what is really taking place with the Designed Matrix all around him! You can WakeUp Now or Stay Asleep with The Stupedians for more lifetimes!

## **HU Howling Hauntings...**

"Those people who are still Howling the HU word, or Chanting the HU word, are being visited by the Reptilian Alien TapLiners (RATS) who are the Kontrollers of the earth, in their Dreams. Your DreamWorlds are being invaded and the RATS are attaching TapLines to Your Astral Body while you are unaware of this. The same TapLining is happening with those who chant OM, AUM, Amen and other Religious Sacrificial words and phrases! Sing The NUSound, The NU~U, and YU, The RealU, will be shown by The Real UNUversal Guides how the RAT TapLiners are stealing your energy and making you ill, diseased and eventually having cancers! There is so much more to YU than just a Physical Body! History and Tradition have their place as a 'reference' and nothing more. The NU~U, IS Now! ALL LifeIS Now! LifeIS an ISNIS & Perfect, moreso than Cause & Effect Creation. WakeUp with US and Be Free Now!

## **THE WORLD IS READY for THE NU~U...**

"For eons, The Real UNUversal Guides of THE ALLIS, have been preparing those unaware souls who keep returning here for 'The Greatest WakeUp Ever!' Beyond the invented Gods of Man and the Mental Realm, there are Wonderful Real UNUverses of Purity and No Karma Ever! WWE as Wonderful WorldWide Educators are here to WakeUp YU, The RealU, to Becoming MoreAware and finally Escaping Cause & Effect Creation into The Real UNUverses of RealFreedom Now! You have been Trapped & TapLined by the Reptilian Alien TapLiners (RATS) for lifetimes on this planet! They invented the DevilGods, Religion, Worshiping & Prayer, Politics, MiliTerrorized

Education, Science Fiction Technology and so much more to keep YU, The RealU, unaware as their slave! You can stay here for as long as you want and keep 'believing' in their Belief Systems of Demise, or Take The Risk and WakeUp with US! The old chants and words of OM, AUM, Amen, HU howling and other noises have their place in history. The NUSound, The NU~U, has always been hidden from the unaware masses, because most people were not ready, but You Are Now! Sing The NU~U and Watch Your DreamVisions! You will have RealGuidance and a RealEducation like never before!

## **WWE LUV the EARTH / Why are YOU Here?**

"WWE are Wonderful WorldWide Educators and WWE LUV the Earth! The ALLNatural Environment that Supports US is being destroyed faster than it can heal itself! Does this Make Sense? YOU live on this Earth and it Supports YOU! Are You Supporting the Earth Everyday, or 'Why are YOU Here?' You may 'Think' you are, but are you really? You do not remember being here before, do You? If You do, then you have a little bit of a head start into Waking Up ALL The Way! You are here to WakeUp and Learn more than just your 9 to 5 job and chasing money... LifeIS Bigger! Do you want to come back again unconscious like you did this lifetime, or are YU, The RealU, ready to Take The Risk and WakeUp and Recognize The Whole of Life, moreso than what the indoctrinated systems of this world have taught you so far? If you don't WakeUp Now, then you will just grow old and forget you were ever here! This IS Real!

## **RELIGIONS AGAINST VACCINES...**

"Religions from all over the world are expressing their adamant concerns about the Purposely Planned Vaccine Affliction & Infections many of the governments of this world are forcing their people to take. I have read numerous reports to where the Counsels of Religion are letting the public know about the Lethal Ingredients and Planned Elimination of people. The Lethal Vaccines produce Autism, Comas, Cancers and Death! The Evidence is a Proven Fact, and not Marketing Ploy like the Authorities are giving people. PUBLIC BEWARE! Your so-called friendly government is out to Get YOU! ChemTrails, GMO TechFood, Smart Meters, Lethal Vaccines, Poisonous Pharmaceuticals, HAARP, Mind Kontrol Microwaves and so much more is being dumped on the public (YOU) everyday!

"Learn to Be Very Patient with Your NUAdventure & Your Journey to RealFreedom, because there will always be so much more to it than you can ever consider or imagine! THE ALLIS IS ENDLESS! The ideas of Eternity & Forever are in relation to time and space, Cause & Effect Creation. You can have your Physical Life here, but if this ia all you can See, then you will Stay lost with everyone else here! YU, the RealU, must decide to Be Exceptional beyond anything known here, as this is a RealPosition with The Real UNUiversal Guides & THE ALLIS. Do what you have never done before! Do Something Real & Wonderful and StepUp and Share The NU~U with Everyone Now!

## **Missionaries of HU KALAUM GOD...**

"This is the continuing 'MisAdventures of The DownFall of HarOld & Joanny Klump!' As, Duane The Great Writer & UNUiversal Seer, it is easy for me to See what Kontrolling Reptilian Joanny Klump is doing, as SHE is always spying on me. SHE is very egotistically proud of HER Marketing Ploy that SHE has gotten the membershrimps to Agree to. Just like Joanny, there have been so many in history, and especially today, who have created their own type of Religious Missionaries to Deceive the unaware. History proves the Devastation of Religious Reptilian Missionaries, as they seduce and intimidate everyone they Kontrol. History is always repeating itself with the same unaware souls returning and doing the same old boring routines and 'believing' in the same old invented gods. Joanny's best effort so far is HER Business Marketing of HER Worshiping & PrayPaying Missionary Device of Emotional TapLining (ET) & Emotional Klinging (EK) & MindKontrol. Here we are in a scene from Harry & Kroney as SHE instructs janitor HarOld what to tell HER dumbed down audience at the EK (Evil Karma) seminars...

"Harry! I had to correct a lot of your pretty words to My Members for your talk with the next seminar, 'YUGA OF THE REPTILIAN JOANNY MISSIONARIES' It must be the over-doses I have been giving you all these years that is finally crippling you into a stupor state of not really knowing what you are really doing. Anyhow, I changed the words to My ideas and not yours! You want to be at your best when you do your speech, because the Elites will be listening from the One World Order!"

"From seducing and drugging HarOld Klump, to TapLining and Kontrolling Paul Twitchell's original presentation, to sneaking in Worshiping and PrayPaying of the Kalaum God, to Subliminally Infecting the unaware membershrimps into becoming HU Virus Missionaries... SHE, Reptilian Joanny is in Kontrol and HER members Worship HER and Agree! The unaware membershrimps 'Think' they are worshiping just the Reptilian Kalaum God, but... SURPRISE! SURPRISE! Joanny is Behind The Curtains Kontrolling puppet master Harry, as he gives his lip-service to HER WiFi Microwaved audiences. Who at these seminars is really Paying Attention? Have Fun Deciding!

## **THE DAY THE SUN fell out of THE SKY...**

"It was another 'standard & typical' day on earth, as people were going about doing their daily jobs and all the funny things one-dimensional earth people like to do, while the Sun was Shining in the Sky. There was also a small group of local Kids who had put together a Lemonade Stand. People were coming up to the Kids and buying their lemonade, as business looked really good for them. As the people were drinking the lemonade. suddenly the Sun began to move, which almost no one noticed. Then, the Sun began to drop from the Sky! At first, the Sun was moving very slowly, but soon began to go faster, as one of the kids pointed and yelled out... "LOOOK! THE SUN IS

FALLING FROM THE SKY!!!" Then, most of the people standing around the Lemonade Stand looked to the Sun, while there were still many people who did not notice or pay attention. As the adults watched the Sun going down, the kids immediately looked at each other and got closer together, as one of them said, "WE Have To Do Something Right Now!" As they looked at each other, one of them said, "WHAT!? What can we do?" There was a silence for a moment... "I don't know either!" Said another one, "But we cannot let the Sun completely disappear! The Sun makes things grow and green, and we will not have anymore lemons if the Sun is gone!" Then, several of the Kids said at the same time, "Let's Go! Let's Go and see if we can get to the Sun and stop it from falling!" As all the Kids started running as fast as they could! The old adults stood and wondered what the kids were doing, as they saw them take off and running toward the falling Sun. As the Kids ran and ran, the old adults soon went back to what they were doing and did not pay any attention to the Sun falling and the Sky getting dark fast.

"For some reason, the Kids felt like they had unlimited energy to run, as they began to run even faster toward the Sun. They laughed and giggled as they ran faster towards the Falling Sun. Then to their surprise, the Kids began to run in the air as though they were flying! "WOW! Look at US... We are Flying in the Sky!!!" Said one of them. The Kids felt great and alive, as they started to fly like SuperKids very fast towards the Sun. They were soon in outer space and far above the earth! They could see the Sun getting closer and bigger as they flew at super speed towards it! Soon they were very close and suddenly heard a voice, "What are you Kids doing?" Said the Sun. "Where are you going Shining Sun?" Asked one of the Kids. "No one really pays too much attention to me, so I have decided to go somewhere else!" Said the Sun. "We Love You Sun!" said most of the Kids together. "We do not want you to leave US! Please Stay Forever!" said one of the Kids. "You Kids really want me to stay for You?" Asked the Sun. "YES! YES WE DO!!" said all the Kids at once. "Okay, then I Will. just for You!" Said the Sun as it started to rise again in the Sky. The Kids watched for a while, and then waved to the Sun goodbye, and they soon went flying back to the earth.

"When the kids returned to earth and soon to their Lemonade Stand, they saw there were a lot of people waiting to get lemonade. They rushed over and began to sell their lemonade, and at the same time said to the people, "Have you looked at the Sun today? Isn't the Sun Wonderful!?" Said some of the kids. The adults would smile and walk away with their lemonade. The kids watched the adults very closely and realized the adults were Asleep to what the Sun does for Everyone. because the kids had spoken with the Sun, they knew how important the SUN IS. The kids decided to create several big signs next to the Lemonade Stand with pictures of the Sun. The kids began to LUV the Sun more and more each day. Soon, each one of them started to have Dreams with the Sun and flying in the Sky. The kids talked about this with each other until one night they all met Completely Aware while they were Dreaming Together! "WOW... This So Cooool! We are all here together and this IS Wonderful! Hello Sun, we LUV being here with You!" Said one of the Kids, as the Sun replied, "Life IS Always Here & Now with US, and Now You know this! There are Endless NUWorlds & Real UNUverses for YU,

The RealU, to discover while YU are in The RealSide LifeIS, so Have Fun Exploring Kids!" The Kids were so happy and excited, as one of them said, "Let's go and explore NUWorlds and Real UNUverses and Become MoreAware!" And so, off the Kids flew into the many levels of The ALLNatural Environment that Supports ALL of US. YU, The RealU, can do this too, that is if YU have The RealCourage to do so. LifeIS So Much Bigger than what You are living on earth!

"THE SHINING SUN REPRESENTS THE TRUREALITY LIFEIS, THE ALLIS. LIFEIS AN 'ISNIS' THAT IS ALWAYS HERE AND NOW! YU, THE REALU, LEARNS TO 'RECOGNIZE' THE ISNIS TO LIVE FREE!

## **YOUR MOTHER TAUGHT YOU WHAT?**

"Almost each one of us was raised by our Mother. Mothers and Fathers are relationships we Agree to and 'create' here, along with brothers and sisters, friends and so on. From the time You came into this world, Your Mother has been an influence with your life. She decided a lot of what You are seeing and doing, until You WakeUp and See for Yourself. It is more than understandable how each of us gets emotionally attached to our parents and relations. If Your Mother was religious, she told You about the Space Gods in the sky and the Savors coming back to earth, which she was told from someone else. These 'old stories' had their origins from somewhere, but most people, and this includes Your Mother, really do not know what originally took place with those who first created those stories. Most people like to 'pretend' instead of looking for the real answers, and so they Agree to the funny stories, as most people Agree to all the Deception with the political and religious systems, as Your Planet gets more poisoned and polluted everyday! Do the 'sound-good' stories of Your Mother and others create a Real Benefit, or are they mainly Deception to Kontrol YOU, so that You will return here for more lifetimes to be a slave with the Kontrolling Systems? Your Choice!

## **NU WAKEUP NOW...**

"The old GodDevil ideas of worshiping & prayer are not working any more as they 'appear' to be. Actually they never really have, as most people are still asleep to The Whole of Life and are agreeable to being misled by those who Kontrol Creation. People are Waking Up to the old religious Deception and Tactics of TapLining, which were originally created by the Reptilian Alien TapLiners (RATS) who first invaded the earth. Creation has become a Designed Matrix by the RATS. The Real Purpose of Creation is to eventually Recognize The TruReality LifeIS, THE ALLIS. As we are each first placed in Creation and we are given the opportunity to Recognize more than what we can create here. There will always be those who will take advantage of others, as is seen and experienced all over this world with the political, religious, spiritual, educational and scientific systems. The KEK (Kontrolling Earthly Korporations) market people into Agreeing with their Deception, and the end result is what is happening with The ALLNatural Environment Supporting US, the RATS destroy everything they touch and get the unaware masses, YOU, to Agree! Do 'YOU' want to keep Agreeing with what is taking place on Your Purposely Poisoned Prison Planet?

"I suggest to watch the movie, 'The Devils Advocate' with Keanu Reeves and Al Pacino, as it clearly shows how the DevilGod people worship is not who people 'believe or Think' he is. Actor Al Pacino plays the role of God very well, as most 'asleep' people will 'Think' he playing the Devil role! YOU can Stay Asleep for as many lifetimes as YOU want, and the end result will be going thru more Cause & Effect Karma Creation! Prayer and Worship of anything is Voodoo, except if you Pray for Purity. Black Magic rules the earth and most of Creation, as there are ChemTrails, Mind Kontrolling Microwaves, GMO SciFi Food, Lethal Vaccines, Government Created Viruses, Political & Religious Designed Deception, Smart Meters and so much more! Is worshipping the DevilGods working with this world, or has it created openings for the RATS to TapLine YOU in Your Aura? WakeUp with US! WWE are The NUWay Out of Cause & Effect Creation and WWE will show YU, The RealU, how to Get Your Own Answers with Life and Free Yourself Now!

## **BEWARE of CHANTING HU TAPLINERS...**

"Most people are Not Aware Enough to know what Chanting the word HU, OM, AUM, Amen, and other religiously infected words actually do. The Reptilian Alien TapLiners (RATS) Astral/Physical ShapeShifters who rule this planet with their HUman Farming are attracted to HU Chanting and other Religious/God intentions, because they were the original inventors of the 'god & devil' ideas. The unaware masses, who are the 'cattle' on this planet have been fooled for untold lifetimes into returning once more to be the victims of the political & religious systems here. Most people will not WakeUp to all the Deception here, because they are too busy creating their own Demise! THIS IS A WARNING FOR YOU! Sing The NUSound, The NU~U, and You will start to See and be Shown in Your DreamVisions what is really taking place with YOU being TapLined by the RATS! Your Astral Body is being infected with TapLines to where Your Physical Body will soon have diseases and cancers! WakeUp or Stay Lost!

## **DIVINE & HOLEY TAPLINING...**

"THE UNIVERSEAL FILES NOW... The One-Dimensional KEK Systems who have purposely dumbed down and poisoned people on this planet, are not Aware enough to See The UNUiversal Files that contain ALL the Actual Events of History on the earth and other RoundWorlds in time and space Creation. DuaneIS The UNUiversal Seer, THE NUMAN with The Real UNUiversal Guides & THE ALLIS, and is one of the very few who has access to The UNUiversal Files in The Real UNUverses beyond the Gods of Man and Cause & Effect Creation with The Lords of Karma. The KEK Deceptors who look to their invented Demon Gods, which they have convinced the unaware public to worship and praypay to as something they are not, must face their creations in this life, or the thousands of dreaded lifetimes they will be coming back here to live from all the Deliberate Destruction they are doing. The Lords of Karma See everything they do. The Deceptors who are political, religious, spiritual and scientific must pay for whatever they created and Deceived others with! This is Big!

"The 'ideas' of Divine and Holy are in The UNUiversal Files, like that of 'belief, hope, faith' and many other created superstitions by the original invaders of this earth, the Reptilian Alien TapLiners (RATS). Like the 'Cross' as a symbol for religion, it was originally a grave marker and the sign of death. With all the Marketing Ploy of The Deceptors, the Cross still means death into the Lower Astral Realm, because of the 'intent' and hidden agendas of Reptilian Voodoo religions, but they have convinced the unaware masses that it means some kind of salvation. And the same is so with what has been termed as 'Divine' in nature. The word Divine is from an old saying which has long ago passed, and is till used today at times, and that is, to 'die on the vine' as a manner of speaking. Again, more Marketing Ploy, as the RATS have taken ideas for themselves and convinced other to subconsciously Agree with their own Demise! To 'die on the vine' means to reincarnate with the RATS for ongoing lifetimes as their Slave! The RATS know reincarnation very well, but they are not going to tell their Kontrollled public this fact.

"The idea of 'Holy' is from 'hole & holey' which were original creations like 'belief, hope & faith' from the RATS who invented the Demon Space Gods for HUmanoids to worship. The 'hole' idea was referring to the 'holes' in a person 'Protective Aura' that allowed the RATS to TapLine and enter into mainly the Astral Body of a person from behind, usually that of the lower back area. This is done while a person is sleeping and in their Dreams. Along with Phony Holy, Dumbed Down Divine, The Boss Cross, and whatever else, they also created the 'savior' idea and their Big Show Event that tops them all which is, Jesus, and how they have Marketed him into something he is not, but people want to 'believe' it is so! The Ratican in Rome are the RATS who Kontrol this Mind Kontrolling Microwaved Planet! They created the ChemTrails, HAARP, Lethal Vaccines and Viruses, Smart Meters, and the list goes on. They are wanting to get rid of You Now! They own the political, religious, spiritual, educational and scientific systems, and they like to Destroy! They plan Deception 24 hours a day with everything they do! Their 'Puppet People' who are also Reptilians, are seen on The Six O'Crock News everyday!

"The unaware masses, which is YOU, have forgotten that You have been here for untold lifetimes and doing the same old routines of Seductive Subliminal Submission to the RATS! There are very few who have The RealCourage to StepUp and reveal what is taking place on earth Right Now! Duane The Great Writer was asked by The Real UNUvesal Guides to step in as THE NUMAN, and do what no one else has the courage or RealAwareness to do, and that is, provide The NUPresentation for ALL! WakeUp with US or Stay Lost with the RATS for more awful lifetimes!

## **MULTI-DIMENSIONAL JOURNEYS for DUMMIES...**

"There are many ways to experience other dimensions and multi-dimensions. Some people use various drugs, which is not recommended, because certain drugs can create negative influences and put holes in a persons Aura and then TapLining starts to take place, but each person makes their own life. Then there is Astral Projection, Remote Viewing and Soul Travel as the best examples, but these are mainly into the Astral Realm, and many times the Lower Astral Realm with the Reptilian Alien TapLiners (RATS). The old masters and gurus who use these three old means of travel are themselves usually lost in the Lower Astral Realm with the fake 'god' ideas, even though they do 'look good' in a physical sense, as fake masters and with their lip service 'pretty words' of lost wisdom. But a closer 'look behind the curtain' into The RealSide LifeIS, shows a completely different picture, as Life will Demonstrate what is really taking place for those who do Pay Attention to their DreamVisions! All Planned Deception Shows Up! Many people like to 'Think' that what they are experiencing with drugs and the three mentioned traveling methods is the old idea of god-realization, but again, this is mostly the phenomena of the Astral Worlds, as there are many different levels and places there.

"WWE as Wonderful WorldWide Educators use 'UNUversal Positioning' (UP). WWE are 'Always Now' with everything WWE do, as WWE do not look to old traditional past wisdom and outdated pretty words from the authorities and the on-stage fake masters who are usually 'puppets' for the RATS! The RAT Religions use the words AUM, OM, Amen, HU and other old outdated Lower Astral words from their fake gods and to attract the Reptilian TapLiners to suck the energy and life out of their members until they are diseased and cancerous! UNUversal Positioning IS Beyond Cause & Effect Creation, and into The Real UNUverses of RealFreedom with THE ALLIS. Multi-Dimensional Journeys are mainly that of Creation in Your DreamVisions & DreamWorlds. These are the first steps to what UNUversal Positioning IS. UNUversal Positioning IS in The Real Pure, UNUverses and IS RealAwareness, The RealU, which YU, will soon Recognize, as YU Sing The NUSound, The NU~U, and Learn to See Your RealSide Experiences. WWE Are Real & Wonderful! YU, The RealU, IS a FreeBeing of RealLight, moreso than just a physical body growing old! WakeUp with US and Be Free, or Stay Lost with the old gods in Creation

## **WAKING UP for DUMMIES...**

"So you 'Think' you are Awake! You can walk around and decide your life, and so this 'seems' to be so that you are in some way Awake. Not Really, as there is a lot more to go. Just like in the movie, 'The Matrix' and what Neo soon learned, yet he was still not Awake, and you are still asleep and lost like him! It is so that you may know about what the Deceptive Governments are doing, the Bankers and that the Reptilian Alien TapLiners (RATS) Rule & Kontrol the earth. You are still in the very minor stages of Waking Up. You are probably one of the many who have some kind of 'faith or belief' as most people do. You are most likely Not Aware of the fact that you have been here many lifetimes and forced to 'believe' in the Alien Gods of Man, as you still have the unconscious Emotional Attachments with you. You do not remember this, and you will soon forget you were here in this life if YU, The RealU, does not WakeUp ALL The Way!. If you are older and remember the TV series, 'The Twilight Zone,' it was not a fantasy like you 'Thought!' You are in the Designed Mind Kontrolling Matrix of the RATS, and you 'Think' you have free will and you are fine. Far from it! You are still basically One-Dimensionalized like the RATS want you to be, because you keep Agreeing to everything here and you still 'Think' this 'Place in Life' is all there is. To Really WakeUp, You have to Be The Real RiskTaker and Do & See what You never have before! Most people will not do this, and so they will Stay Asleep and go into future deformed bodies and once again be unconscious slaves for the RATS. The invented Gods of Man have betrayed you, because they were originally invented by the RATS, as they created all the fake doctrines like The Holy Drible (Bible). Nature and the animals and birds already demonstrate what life is here, but are you paying attention? Learn to WakeUp with US or Stay Lost with yourself... Your Choice!

## **PRISON BREAK!**

"The people of this world are Asleep to The Whole of Life. It would 'seem' with what is taking place with Creation, that people know what they are doing, but it is more than obvious they do not. Especially the educated and over-educated so-called experts, as these are the people doing the most damage to The ALLNatural Environment Supporting ALL of US. They cannot 'See' themselves and how they keep Agreeing to the Deception & Demise that is all around us and everywhere. What most people see is very little and nothing compared to what is really happening on the earth and what is kept secret and hidden from the public who unconsciously supports all the Deception & Tyranny. The unaware masses do not See the Abrasiveness of what they keep Agreeing to everyday, but it will all show up and they will wonder how it all took place by the very fact of how they have been seduced to comply with their own Demise! History has been more than evident as to what continues to reoccur and become evident, yet most people step right back into the same routines that will end with the same results. Fear rules the earth from the Deceptive Few who Kontrol almost everything here. People 'say' they want freedom, but to have RealFreedom, each person must decide a Prison Break from what they have always known, or stay a Prisoner for more lifetimes of an even worse environment than there is Now!

## **NU WAKEUP AFRICA SHOW with Charles & Mariam...**

"Africa IS Waking Up with The NUSound, The NU~U! Charles & Mariam have The RealCourage to Share 'What IS Real Now' as The Whole of Life & The Real UNUiversal Guides are with THE NUWAVIS THE NUMAN NOW! Charles & Mariam will be on Blog Talk Radio with Duane The Great Writer hosting 'NU WAKEUP AFRICA SHOW!' Get Ready for The NUAdventures of THE NUMAN, and The RealSide Experiences of Charles & Mariam and their NUFriends! This world is not the same, and WWE as Wonderful WorldWide Educators are providing RealGuidance & RealEducation for The NUWay Out of Cause & Effect Creation like no one else! The days of masters and gurus are gone! The old words of OM, AUM, Amen, HU and others are with the KEK Reptilian Restriction Religions of the One World Order (OWO). There is No Freedom on this Purposely Poisoned Prison Planet, only more and more Restrictions with HUMAN Farming and The Deceptors Kontrolling their Designed Matrix! WakeUp with US, or Stay Lost with old gods and pretty political words!

## **EVERYTHING IS PURITY and Not Creation...**

"PURITY IS EVERYTHING, moreso than you can ever imagine, and Not Creation. We each first 'come thru' Creation, and of course we are taught to 'Think' that Creation is all there is to Life and our life on this planet, but there is so much more that IS Not Seen! Seeing IS Your RealAwareness. It is more than understandable from what we experience here that what we have done with creating something 'seems' to make sense. With all the struggling to survive on the earth, it is more than evident that most people Do Not Know what they are doing here and what to do with themselves, even though creating demise has become a 'standard' and a way of life for many, which most people Cannot See! This is because they have no 'Comparisons' as do WWE as Wonderful WorldWide Educators. WWE provide all The Real Comparisons necessary for YU, The RealU, to WakeUp Now and See what YU never have before! WWE show YU how to get RealExperiences for Yourself and to Become MoreAware & See The Whole of Life, moreso than just Cause & Effect Creation! A RealLife is not just in the 'Literal Sense' as you have been taught, as the Literal Mechanics do have their place as does your car when you drive it, but your car is not The Whole of Life, and neither is your mind and emotions. There is far more to YU, than just a physical body growing older. If you want to keep Agreeing & Deciding you are just a body of flesh and bones, you have the right to do so for as many unconscious lifetimes you want! WWE SEE MORE than anyone on this planet and WWE can prove this by YU, The RealU, proving what WWE are presenting for YOU, as you Take The Risk & Sing The NUSound, The NU~U & Watch Your Dreams!

## **ALLIS AFRICA...**

"ALLIS LUV & ALLIS AFRICA... The World IS Waking Up with The NUSound, The NU~U! ALL LifeIS Awareness, Your RealAwareness. YU, The RealU, has The Real Privilege to Stand with The Real UNUersal Guides & THE ALLIS in The Real UNUverses beyond Cause & Effect Creation! The Brave Africans will show this world 'What IS Real Now!'

## **DUANEIS THE GREAT SURPRISE...**

"SURPRISE! SURPRISE!" Gomer Pile would say on his TV Show from many years ago. And so it is with Duane the Great Writer, who is here to provide 'The Greatest WakeUp' this world has ever seen with Rebazar Tarzs & The Real UNUersal Guides!! DuaneIS a Big Surprise to the 'unaware & TapLined spiritual followers' of fake master HarOld & Reptilian Joanny Klump of EEKonkon, the unlit path of the Kalaum God! The Real UNUersal Guides gave Harry Klump a chance to do something worthwhile, and instead he decided to be seduced by Phoney Baloney Joanny, Reptilian mistress of the Kalaum God on the Mental Realm. "SURPRISE! SURPRISE!" This does sound like science fiction tabloid, and this is what the Kroney Kontrollered Korporation MemberShrimps 'Think' with being possessed by HER! SHE gave them rules and regulations, Harry's picture to adore, and worshiping and praypaying to HER! Where does all the money go? No one asks, because the dumbed down members are too

'dah' to See Past the 'pretty political words' fake master Harry spews out on stage. Harry & Alien Joanny are stuck in the Lower Astral Realm with the Reptilian Alien TapLiners (RATS) who rule the earth with their One World Order! What I am sharing here is a Warning and right in front of everyone, but very few SEE IT! The HU word brings in the RATS and they TapLine the members in their Dreams! Joanny and HER Band of Witches go out every night and seduce the unaware! WakeUp or YOU ARE NEXT for more unconscious lifetimes with THEM!

## **ADVENTURMAN & The Aliens...**

"As I was trudging thru the thick and dense jungle, I was still Seeing the RealSide Experience within me I had last night that was showing me where the Alien Saucer was going to land. I wanted to get more details from the Aliens about what was really taking place on the earth and what I have heard about the Reptilian Alien TapLiners (RATS) who Kontrol the Designed Matrix around the planet. I have many friends who are being effected by the Microwaves all over the planet and the ChemTrails! As I slowly walked into the dense jungle, I heard a sound overhead like a slight whisper, as I looked up and saw a round globe slowly coming down to the earth. It was late afternoon and clouds were forming in the distance, as the Saucer came close to the ground with its glowing form. I wanted to have this experience with these unknown Aliens and hear where they stand with all the destruction with The ALLNatural Environment. As the Saucer touched the ground, I came thru the last part of the thick plants. I stood at the edge of the vast jungle and looking at this Huge Saucer as it was cooling down and becoming silent. I could sense intuitively there would soon be a meeting with my new visitors and I. I decided to sit and wait patiently, which was about a half an hour or so. Then, there was an opening that began to appear from the side of the ship. My heart began to pump a little bit, as I could feel the physical and astral body responding to what was taking place. There soon appeared what looked like a man in a space suit, almost like in the movie, 'The Day The Earth Stood Still!'

"I had to smile to myself, because I really liked the 'Earth Stood Sill' movie. I was rather imagining this meeting would be something like the movie. As the Space Person walked down the ramp, he (or she) immediately looked over at me and waved! I knew this was a good sign, so I stood up very fast and walked over to him. As we came right up to each other, he reached out his hand and I did the same, as we shook hands like people do on earth. I was like a kid and feeling giggly! He then took off his space helmet and I was very surprised to see this person looking very similar to what we look like. He smiled and then began sending me impression that were like speaking, as I could hear him very well. He told me he was in My Dreams last night, because he could See that I would understand him. I liked what he was saying, and I responded with a few words, as we began to walk around the area slowly. he already knew what I wanted to hear, as he began to speak... "The Reptilians and their invented god & devil' ideas have been here since the beginning. The doctrines they have created, such as the Bible, which describes the Adam & Eve' ideas are what they fabricated to control their HUmanoid Slaves. I have read Your NUBooks and See what you are doing on Facebook, and you have a good grasp from Your RealSide Experiences and what you

call The UNUiversal Files. I travel to many planets and the RATS are everywhere, as they are the Balk Hearted Messengers of the Kalaum Reptilian God, people like to worship on this planet and so many others. What you are doing, Duane, is like no one else! most of the earth people are lost with their Emotional TapLining and thinking they know more than Life. You already know how the political and religious systems work, as they purposely keep people asleep and unaware of the deception they create. Come inside the ship and we will take a trip beyond the earth and I will show you 'The Other Earth' you wrote about. I know you have been there, but this will be a fun trip for you!" He said, as we boarded the Saucer and took off into outer space above the earth! (There will always be more to come, so Watch Your Dreams, with ADVENTURMAN!)

## **UPON THE SEES OF LIFE...**

"THE NUVESSEL IS UPON THE 'SEES OF LIFE!' The NUVessel is 'The ALLSolar Research Vessel' for Nations United (NU). The NUVessels will be UNUiversal UNUversities that will provide RealEducation about The ALLNatural Environment that Supports ALL of US! The NUVessels can be 'Seen' on The RealSide LifeS, that of the Astral & Mental Realms (other dimensions) where they are already built, and are Coming Soon to this earth! For those who learn to WakeUp to their RealAwareness, they will be able to See what others cannot. Most people are 'asleep' to The Whole of Life, and WWE show YU, the RealU how to WakeUp Now! The masses, the general public, the purposely dumbed down and unaware, those who have been purposely taught to be One-Dimensional & Literal about almost everything, The NUVessel Project is for You! WWE Wake You Up! WWE are Wonderful WorldWide Educators and WWE provide RealGuidance & RealEducation like no one else! WWE show you how to Become MoreAware & SelfSufficient & No Restrictions! WakeUp with US!

## **POLITICALLY PAID ACTORS...**

"Since the United States was created as a 'puppet country' for the One World Order (OWO) which has always existed, as these are the Reptilian Alien TapLiners (RATS) that have their HUMAN Farming on this planet, the RATS have Political Organizers Officially Paid (POOP) to put on an 'act' for unaware people to 'Think' they need Restrictions with their life here! Just like the movie stars who have 'fans' that look to them as something special, the OWO created the political and religious systems to 'fool' the unaware massing into 'Think' they need OWO Deceptors to rule their life. From your pastlives, where you were tortured and destroyed to 'believe' in their invented gods and bow and kneel to the Authoritarian kings and queens, you are still carrying all the Emotional Baggage in Your Astral Body, which is being TapLined in Your Dreams! Presidential Campaigning is nothing more than Paid Actors Deceiving the unaware! You can keep looking to the systems that have marketed you into Agreeing with THEM (TapLining Human Eating Martians) or YU, The RealU, Can WakeUp with US and Learn to have RealFreedom Now! Your Choice!

## **POLITICAL & RELIGIOUS SALESPeOPLE...**

"Isn't it more than obvious as to what the political and religious systems have been doing for thousands of years, as they have marketed You into Agreeing to be part of their HUman Farming, which is actually a lot of unconscious lifetimes for You! Are You still buying their 'pitch' and Kontrol that You keep Agreeing to? it has always been Your Choice, but they do make it sound like their invented gods and authority hold sway over Your Life and what You Decide. Life IS a FREE ISNIS! Creation is a 'Place in Life' and not The Whole of Life. The educated unaware people on this planet still do not 'get' what is going on here with the invented systems, even with almost everything that is causing a demise that is right in front of them! Take the time to learn about THE ISNIS LIFE IS, and YU, The Real U, will set Yourself Free from more lifetimes of 9 to 5 drudgery!

## **YOUR POISONED SKIES...**

"What will it take for YOU TO WAKEUP? Ever since I came to this planet the Dumbed Down Unaware have been using Poisonous Fossil Fuels for almost everything. The Reptilian Alien TapLiners (RATS) who rule this planet with their Designed Microwave Matrix have purposely kept the masses on Poisoned Petrol to keep people asleep and as slaves for more lifetimes to come. They do the same with Sodium Fluoride and other poisons in Your Drinking Water, which is poison from Aluminum! VooDoo Religion & Politics are the 'fronts' for the RATS to the public. They like to convince people that what is 'harmful' is really good for You. You and most others Agree to this, and by this very fact, You will be living Your Causes that will become Effects in this life and in future lifetimes. You are always Agreeing to Your Skies Being Poisoned! If this is okay with You, then do and say nothing, and this becomes Your Agreement for THEM (TapLining Human Eating Martians) to continue what they are doing until this planet is like Mars with no atmosphere! Do You Care About Your Planet? You can go to YouTube and find NUVideos on how to convert Your Car to Water Right Now! Your Skies, Your Air, Your Food, Your Oceans are all being Purposely Poisoned! As long as You Do Nothing, then You Are Agreeing to being poisoned. You can at least Voice Your Yourself, that is unless You Are Too Afraid and want to hide and 'pretend' that You will not be the Effect of what is actually taking place on Your Planet Now! WAKEUP WITH US!

## **HU word DEFINED...**

"Very few people know the actual origin of the AUM, OM, Amen or HU words, as these are the most common ideas and chants on the earth. Most people have discovered 'secondary' information that was either created as stories, or ancient artifacts purposely placed in the ground to be discovered by paid scientists and others, according to the Reptilian Alien TapLiners (RATS) who first invaded this planet. The RATS do not mention Atlantis and Lemuria, plus other civilizations that have been on this planet with their Distorted History they have decided for the unaware public. The RATS created the Holy Dribble (Bible) and have convinced unaware people for lifetime to worship and pray to their invented gods.

"Hello, I am Duane The Great Writer, and I get my Real History from The UNUiversal Files that are located in The Real UNUverses beyond the Fake Gods of Man, who are located in the Astral and Mental Realms, as Take- Over GovernorLords, which more people like to 'Think' is their Lord God. The UNUiversal Files give a true and accurate account of what has taken place on all the RoundWorlds in time and space. You must have The RealConnection with The TruReality, THE ALLIS, before you can enter into The Seventh LifeLevel of The Real UNUverses to SEE The UNUiversal Files. Only The Real UNUiversal Guides allow this. The Reptilian Lord God is the Supreme Reptilian Ruler of Creation, as he fought his way to the top in the unseen realms beyond this earth, just like the Kings and Queens in Old Europe did. The Kalaum Lord God is the one who sent the RATS to all the RoundWorlds in time and space Creation to dominate and Kontrol the HUman Farming on all planets in the Physical, Astral and Mental Realms. The Kalaum God (KAL) assigned his Renegade Authoritarians to create 'doctrines' to seduced and hypnotize the HUmanoids they created on earth and other planets as their slaves. The bodies were created on earth and the Physical/Astral Reptilian ShapeShifters then drug unaware souls in the physical bodies from their dream worlds. The RATS invented the gods to Kontrol the unaware.

"Back before Atlantis, there were many civilizations on this planet and they had technology like ours and eventually self-destructed. The reason they did create their own demise is because, just like what is taking place Now, the people in those times kept Agreeing to the Deception that the religious and political tyrants demanded. They were in the Designed Matrix of the RATS, and You are still in it from thousands of lifetimes ago. The Kalaum Lord God brought the AUM/OM to the RoundWorlds as a TapLine to him and other RATS. The Amen was created for the public from the AUM, and incorporated into the Deceptive Doctrines the RATS created for the unaware. During those times before any known history, The Real UNUiversal Guides brought the HU word from The TruReality LifeIS. The HU word was used to break thru the AUM vibrations of Creation into The Real UNUverses. There was still something More Real that was not brought forth, and that IS, The NU~U, because The NU~U was actually Too Real for almost all Utuns (old term soul) to handle, and so it was kept from the Physical Realm almost entirely, except for a very few. The HU became the secret 'spiritual' connection, moreso than what the conventional RATS religions were with Amen and other prayers, because it did work.

"YU, The RealU, have come thru thousands of lifetime to get to The NUNowniss of THE ALLIS. The HU word has been around throughout mankind's history as something sacred and special. Rebazar Tarzs & The Real UNUiversal Guides have been the overseers for what was once known as The Rod of Power. Rebazar taught Paul Twitchell and I for lifetimes, because we were the only ones out of millions of candidates with The RealAwareniss to SEE THE ALLIS. When Paul was given The Real Rod of Power in 1965, he still used the HU word for his students. When Paul left this planet, Darwin Gross, then Harold Klemp were brought in as 'caretaker masters' only for the members. Darwin started the decline of the HU word and The RealConnection to The Real UNUverses, then Harold came in and was soon possessed by Reptilian Kroney Joanny, as SHE TapLined the membershrimps and obliterated the HU word into the Lower Astral Realm with HER dumbed down fake master HarOld. All of this and so

much more is in The UNUiversal Files, and those who earn their way with The RealGuides, they can be shown 'What IS Real Now' or stay unaware and keep 'Thinking' you know more than Life ITSelf!

"When I was given The Real Rod of Power from Rebazar & Paul in 2001, The NU~U was still not ready to surface, and so I was shown to present THE IS. In 2007, the old term 'Rod of Power' was taken away as any connection to the inner worlds, and THE NUWAVIS THE NUMAN has Now become The RealConnection to the Real UNUverses of The SoundLight Reality if THE ALLIS. there are many fake master who claim the Rod of Power, but they are TapLined with the RATS and pray to the Kalaum God. The NU~U IS The RealConnection with The Real UNUiversal Guides, as they did play a 'role' as masters during Paul's time here, because they were 'babysitting' the members to WakeUp! Today, it is Kroney Joanny and HER Korporation of the Kalaum God, EEKonkon, that holds many people unaware and TapLined. SHE brought worshipping and praypaying to HER MemberShrimps to kneel and bow to HER!

## **WAKING UP in OUTER SPACE...**

"Are you sure you know where you are at? I would say you Do Not, even if you 'believe' in the stories about gods and saviors you have been told! You are in Deep Dark Outer Space, actually Really Dark Inner Space, which is at the very bottom of what you Cannot even imagine as Life! The sky above is not a real sky, but an atmosphere you 'Think' is a sky. You know this, but you keep 'pretending' you know where you are at and what you are doing here. I will not try and convince you otherwise, because you have the right to decide your life any way you want it. But, I will tell you this... There IS a Lot More than you can imagine with Your Real Awareniss, once you discover how to Recognize The RealU. On earth in dark seemingly endless space, you are in the Passing Dream of Cause & Effect Creation. You have been told and taught a lot of 'funny things' on this earth by The Deceptors who rule the Designed Matrix around this planet. You can continue to Stay Lost here or WakeUp with US and Become MoreAware and Be Free in The Real UNUverses! Your Choice!

## **LIFE IS A REAL DREAM...**

"You are in 'The Passing Dream' of the Physical World Matrix. It is here you 'Think' this is a RealLife, when in fact it is what you have dreamed it to be from what you have come to know. You have been told there are gods in the sky who created you, when actually it was YU, The RealU, that created the body you are in! You simply do not remember. Just like in the movie. 'The Matrix' and what Neo first 'Thought' to be the real world, he soon discover there was something else unseen to him. Neo never made it out of The Matrix of Cause & Effect Creation, but YU, The RealU can! You have been in The Passing Dream for untold lifetimes that you do not remember, but you are always given 'hints' in Your DreamVisions. You are here to WakeUp from The Passing Dream, and to eventually Recognize what a RealLife IS. How ever long it takes you is always up to You! For the longest time, you have 'believed' in the invented systems on the earth and that is why you are still here, because they are all fallacies to keep you a

prisoner here! For many lifetimes the Religious Authoritarians have promised you a real life after death, and here You are again, but you do not remember, so you will keep trying until YU, The RealU, Wakes Up and Recognizes The Real UNUiversal Guides! Do YU want a RealLife in The Real UNUerse of RealFreedom, where there are no governments, rules, regulations and Restrictions, or Stay Lost and keep 'believing' in The Passing Dream that holds YU here? The Whole of Life IS bigger than the Gods of Man and their saviors! Take The Risk!

## **WHAT REALLY HAPPENED to PAUL TWITCHELL...**

“Since the day Duane arrived on earth, he has been guided to do what he is Now doing today, The NUPresentation. Duane, or DU from THE ALLIS, was sent here to create his Five Bodies, and then to boldly present what no one else can, Recognizing & PerSeeing THE ALLIS. Paul was to come here first, as this was already decided in The Real UNUverses by The NUGiudes & The UNSeen TruReality LifeIS. What has become known as Creation, and all the vast complexity to it, has become a huge mess with so much Distortion & Deception. THE ALLIS, can always SEE The TruCompleteniss of ITSelf, where the people who have been conditioned to a One-Dimensional Matrix cannot see past their Literalized Minds and Emotional TapLinings. Creation is a 'Place in Life' THE ALLIS, decided as a 'simulation' for YU, The RealU, to WakeUp and begin to compare 'what is not real'!

“The Duane Body needed time to get used to the environment that was Now existing on the earth, as he was an Indian in his previous life with Rebazar Tarzs & The RealGuides getting ready for this lifetime on this Poisoned Planet! In 1965, Paul Twitchell received The Real Rod of Power (THE ISNIS of THE ALLIS in Creation). Paul was to stay approximately five years, until October 22, 1970, but Duane needed more time to get into the membership and start his position with what Paul created as Eckankar, Ancient Science of Soul Travel, ASOST. Duane entered the membership around December 1970, and Paul stayed on earth until he knew Duane was secure. Paul purposely left in September 1971, during a seminar. Paul was to leave to make way for 'The Greatest Adventure & WakeUp' this world has ever seen!

“Darwin Gross was setup as the first 'caretaker' for the Corporation of Eck. He would be recognized as the 'master' of Ek, and that was it. He decided to take on Paul's Title as The Living EK Master, Mahanta, and was told by The RealGuides very specifically not to use what Paul created for himself, but he didn't listen, because Darwin did not have The RealAwareniss, Paul does. As time went on, Darwin became very popular and self-absorber with himself to the point of abusive control and embezzlement. Harold Klemp was asked to be the next 'caretaker' and to replace Darwin, which Darwin did not like at all and put up a lot of fuss, as there soon became lawsuits and a separation of the two. Darwin then started ATOM in Oregon, and where he had secretly build his house with membership funds. Harold was also told to be just the 'master' and maintain the Corporation, as 'The Real UNUiversal Guide' would someday appear as the time was right for the earth people to know. Harold was a bit humble at first, then SHE

showed up, Joanny Kroney, who was sent by the Reptilian Lord God to seduce Harold and take Kontrol of HER Korporation! HarOld let HER in to takeover and SHE started TapLining the MemberShrimps into a Dumbed Down Worshiping and PrayPaying unawareness.

“Darwin & HarOld have never fully realized they were given a Real Opportunity, and at the same time 'setup' to do what The Real UNUversal Guides already knew what they would do, and that is end the term of the HU word and also infect what has become the Krone Kontrolling Korporation (KKK). Like the OM, AUM, Amen and other old ancient words, the HU had become outdated and infected with the Reptilian Alien TapLiners (RATS) in the Five PsycRealms of Creation. Paul created the 'foundation' with terms like Ek and other references, as he and The RealGuides knew his creations would run their course into The TruReality of The NUSound, The NU~U, which had always been in The Heart of THE ALLIS, and hidden for eons until NOW! At the time of Paul's Ek creation, the earth people were not at all ready for what he and Rebazar referred to as THE ISNESS, so Paul started off as the BabySitter, then Darwin & HarOld did the same, as they were given a lot of RealSide Experiences to WakeUp and expand upon what Paul created, but they did not have The RealAwareniss to do so, not even close, so they both became self-absorbed icons and kept the members stupid. The RealGuides were more than ready for this, as it became Duane's time on August 3, 2001, to receive The Real Rod of Power from Rebazar & Paul, right before the American Government Planned Disaster of 911. The RealGuides saw all this! From Paul's time with receiving The Real Rod of Power, then with Darwin & HarOld as the 'caretakers' who never had The Real Awareniss to See or Recognize The Real Rod of Power, then to Duane in 2001, this has all been Seen & Recognized at to what would take place as a Huge Comparison to 'What IS Real Now' for those who can Recognize IT! Duane The Great Writer, has defined The TruReality LifeIS, THE ALLIS, like never before, but there are still so many unaware people lost with the old 'religious and spiritual' ideas!

“The NUNowniss of THE ALLIS IS ALWAYS NOW! The days of the old masters and their 'pretty words' is gone, and has no more value or life to them. THE ALLIS and The Real UNUversal Guides, Recognize THE NUWAVIS THE NUMAN NOW! THE ISNIS LIFEIS NOW, far surpasses what Paul first created here, and for those still Emotionally TapLined (ET) and clinging to what he was and did, they are holding on to a 'ghost' and nothing more, just like the Fake Gods of Man, who were originally invented by the RATS. This NUAdventure is one of many for YU, The RealU, to WakeUp and Recognize what YU never have before, but YU must always Be Ready to Step Into The Real & Endless Unknown, THE ALLIS, IS! First, YU Sing The NU~U to start getting Your RealSide Experiences, then YU want to See how YU can Be Creative and Stand with The RealGuides, as they present The NUSound, The NU~U, to this Purposely Poisoned Prison Planet!

Learn to Be Very Patient with Your NUAdventure & Your Journey to RealFreedom, because there will always be so much more to it than you can ever consider or imagine! THE ALLIS IS ENDLESS! The ideas of Eternity & Forever are in relation to time and space, Cause & Effect Creation. You can have your Physical Life here, but if this ia all

you can See, then you will Stay lost with everyone else here! YU, the RealU, must decide to Be Exceptional beyond anything known here, as this is a RealPosition with The Real UNUversal Guides & THE ALLIS. Do what you have never done before! Do Something Real & Wonderful and StepUp and Share The NU~U with Everyone Now!

Hello, The NU~U, IS The RealConnection to The Real UNUverses of THE ALLIS, and beyond Creation. This starts Your RealJourney with Your DreamVisions. The HU had its time like the OM, AUM, as The NU~U, IS Always Real with The Whole of Life and always has been, as IT IS an ISNIS NOW. Creation is a 'house of mirrors' you must go thru until YU, The RealU, Wakes Up and Recognizes, not just Literalizes, THE ALLIS. It does not matter what the mad scientists on the earth discover here, it is merely a secondary reflection like in a mirror of what is possible. The TruReality IS not seen in any conventional definition or consideration...

## **THE REAL MEANING LIFEIS...**

"ALL LIFEIS... This is The TruReality LifeIS, THE ALLIS NOW. THE NUWAVIS THE NUMAN IS providing The Real Definitions with The NUNowniss LifeIS. ALL LifeIS Awareniss. You have been purposely raised in a MiliTerrorized Literalized Society of Absolute Kontrol for HUman Farming on this planet. What has been created here are the 'references' for Your RealAwareniss, when YU, The RealU, is ready to WakeUp and Recognize and See Beyond Cause & Effect Creation. Creation has its purpose, but it is only a 'simulator' to be used to show YU, The RealU, 'what is not real' so that YU have a comparison to Recognize & See 'What IS Real Now!' All the ancient writings and doctrines are merely inventions in time and space Creation, and can be 'hints' to something 'more & unseen' for each person to WakeUp to, but whatever has been created in the past is secondary to THE NUWAVIS THE NUMAN NOW with The NUPresentation of THE ALLIS. The days of masters and gurus are gone, and so are the Kontrolling ideas of presidents, kings and queens! Learn to WakeUp and SEE This Now, and given time, you will Free Yourself!

"THE NUNOWNISS OF THE ALLIS, supercedes whatever has been created here and what will be created! THE NUMANIS.. not a master, a politician, religious, spiritual or any of the fabricated titles and ideas that the sleeping masses have come to know. THE NUMANIS The Sun Shining with YU, The RealU, on The RealSide. The NUBooks are a 'reference & hint' to What IS Possible for ALL! A RealLife is where each Utun (old, old term soul) stands Being to Being with The Real UNUversal Guides, THE ALLIS, and Everyone! What is taking place on this planet is a Social Distortion that each person decides and Agrees to. Anything is possible in Creation for those who Become The Real RiskTakers and Do Something Wonderful Now! When YU WakeUp to Your RealAwareniss, YU will See that Realistically Supporting others according to What LifeIS (instead of what is it not) as they Support YU, Makes Sense! IT IS The ALLNatural Environment that Supports ALL of US. Creation is a Learning Process, and the idea here is to Recognize how to create according to The Natural Environment

without creating Distortions of Destruction. This Purposely Poisoned Prison Planet has been bombarded with Radical Distortions to keep the unaware Kontrollled for HUMAN Farming! YU, The RealU, can WakeUp Now, or take your chances as you go into future lifetimes where you will definitely come back into deformed bodies!

"WWE are Wonderful WorldWide Educators, and WWE are The NUWay Out of Cause & Effect Creation! Beyond the invented Fake Gods of Man, there are The Real UNUverses of RealFreedom, far beyond what You can ever imagine! You have to Decide to Be The Real RiskTaker to start Your Journey to RealFreedom! If you are happy and fine with being lost in Creation, then you can stay here for as long as you want! But if YU, The RealU, wants to have 'An Adventure & Romance' like never before that IS Wonderful, then Read The NUBooks & WakeUp Now!

## **WWE are NOT POLITICAL or RELIGIOUS...**

"WWE are Wonderful WorldWide Educators and WWE are 'The Understanding People (UP)' WWE really do know what is actually taking place on the earth with the political, religious, spiritual, educational and scientific systems. WWE Recognize what they are doing as they are making their own choices. WWE have a RealPosition with what Makes Sense with Supporting The ALLNatural Environment Supporting US. More than just Nature, WWE See Beyond the One-dimensional Education Literalization of how the masses have been conditioned into what would 'seem' to be non-existent with what WWE Really Do & See. WWE more than understand that some people want to put US into their own 'frame of mind' and think WWE are 'this or that!' WWE Are Wonderful & Real!

## **HU TAPLINING Dating Service ASTRAL REALM... (WARNING /// WARNING /// WARNING /// WARNING /// WARNING!!!**

## **WAKEUP NOW or THIS WILL BE HAZARDOUS to YOUR HEALTH!)**

"It has been more than three decades since Reptilian Joanny Kroney has taken over the EEKonkon Korporation in ChainedHassen, Minnesota, and seduced and drugged old fake master HarOld Klump. SHE was sent by the Three Headed Kalaum God on the Mental Realm to assist in ruining the earth with the political and religious Reptilian Alien TapLiners (RATS) who already Kontrol this planet. SHE has been running HER 'Blind Dating Service' without most of HER MemberShrimps knowing it. SHE goes out at night in HER Astral Form with HER Band of RESA (Reptilian Eating Seduction Aliens) Witches and TapLines those who are unaware in their Dreams. SHE has brought Worshipping & PrayPaying & Emotional Attachment Love to the dumbled down members, so they are more easily TapLined! SHE is with the One World Order or New World

Order, and this is where this HUMAN Farming planet is entirely poisoned and polluted by THEM (TapLining HUMAN Eating Martins). Mars used to have life on it, which it still does all underground, as the RATS destroyed the atmosphere, just as they are doing here. There are already underground tunnels all over the earth that are hidden from the unaware masses. BEWARE of HER Dating Service to line YU, The RealU, up with one of HER ShapeShifting Reptilian Renegades! YU have been Warned! SHE is Watching YU!

## **BLIND DATING...**

"Are You aware that You are more than likely 'Blind Dating?' You are probably 'Thinking' that Blind Dating is only something you do when you do not know what to do with yourself, right? The Blind Dating I am referring to is TapLining Blind Dating. Most of the unaware people on this planet are so one-dimensional that they cannot See past themselves. You are more than likely being TapLined in Your Astral Body on a daily basis. This may not mean anything to you, but eventually you will be ill and diseased from your Blind Date TapLining, even cancer! The unaware doctors on this earth cannot See the Reptilian TapLining that is taking place. Most doctors today do not even know what real healing and health is, as they are more interested in making money selling worthless drugs to keep people stupidly paying them. WakeUp or Stay Blindly TapLined for more lifetimes, as You are on a Purposely Poisoned Prison Planet!

## **DATING ALIENS...**

"Have you had a date with an Alien lately? Many people have Alien Dates, and most of them do not even know they are dating! There are so many dimensions around us that are unseen by the unaware, those who have been Literally Educated in the One-Dimensional Social System. Each one of us is operating four other Unseen Bodies, and the one next to the Physical Body is the Astral 'emotional feeling' Body. The Reptilian Alien TapLinners (RATS) who rule this planet are ShapeShifters, and they are in many people's Dream Worlds and TapLining them. The unaware masses have been put to sleep by the RATS for eons and they are still asleep. Many people on this planet are having unseen Alien Dates they are not aware of! WWE as Wonderful WorldWide Educators show people how to WakeUp from TapLining and the Blind Dating they are involved with. Some of the obvious RATS are, the Ratican (Vatican) in Rome, as these are the main Reptilians on the planet. The Queen and the Elite Bankers are some others, and then there is Joanny & HarOld Klump of the EEKonkon Krone Korporation in Minnesota, USA, with their Dumbed Down MemberShrimps who worship & praypay HER, and hold HUMAN Farming Sacrifices at their Alien Temple, worshipping their Reptilian Kalaum God.

## **LOWER ASTRAL REALM with JOANNY & HAROLD KLUMP...**

"People of Earth... WAKEUP... You are in a Designed Matrix that was originally created by the Reptilian Alien TapLiners (RATS). They rule the earth and they are in Your Dreams from the Lower Astral Realm. Joanny & HarOld Klump, fake master and unfaithful wife, are among the many Deceptors on this planet that have Korporation HUMAN Farming. Their MemberShrimps are so dumbed down like most of the unaware masses, as they 'Think' there is really something to the 'spiritual' ideas that plague this planet. Most people do not have the awareness to See Beyond this One-Dimensional Purposely Poisoned Prison Planet, so they 'feel' it is better to Agree to Deception & Distortion, than to Become MoreAware & SelfSufficient. Emotional Astral Love has infected the earth to where the RATS TapLine and suck the life out of almost everyone. How decayed and ruined does this place have to get before YOU WAKEUP? You are chasing a false freedom and an emotional love that keeps you Trapped & TapLined in Creation for more lifetimes of even worse drudgery than what is taking place Now. Your 'emotional love' is marketed and used against you for profit and pleasure, as the RATS enjoy watching you suffer! You will only become old and then older, if YU, The RealU, does not WakeUp and take advantage of what WWE as Wonderful WorldWide Educators are Sharing. Stay Lost with the Reptilian Joanny & HarOld's of this world, or Take The Risk and WakeUp with US Right Now, and Free Yourself!

## **KNOW WHAT PLANET YOU'RE ON?**

"How many times during the day do you consider where you are? Probably almost never. You are on a rock floating in seemingly endless black space. Of course you cannot get the full impact of where you are standing on the earth and looking up at an atmosphere that looks like a real sky. Actually, you really do not want to consider where you really are, you want to pretend that you really don't know and what you are doing on the earth everyday really does mean something. You have been taught for lifetimes that there are gods that put you here and they Kontrol your life and you are to worship and pray to them. As long as you keep 'Thinking' as you have, you will always be on this floating rock and never know what else is possible for you. While you are here, you may be part of so many of the invented systems that profess to know more than Life ITSelf. You can 'believe' this or that about what you have been told, along with so many others things people have decided over the ages and that have become traditional history. When you are ready to first Meet Yourself, The RealU, and then explore Real UNUverses of RealFreedom beyond Cause & Effect Creation, you can contact US, and WWE as Wonderful WorldWide Educators will provide RealGuidance and a RealEducation and WWE will Share Our RealExperiences with You!

## **SEX and FREEDOM...**

"The unaware public does not know how they have been 'misused' by the HUMAN Farming Systems, or what most people see as the 'appearances' of politics, religion, spiritual paths and standardized education. The KEK Systems (Kontrolling Earthly Korporations) have all been created for one purpose... HUMAN FARMING! Not all the dumbed down masses and many of those who own businesses are aware of how they are Kontrollled and Manipulated to Agree to the HUMAN Farming on this planet. One of the many ways to Kontrol people is with Sex. Sex is a popular Astral Stimulation that is bought and sold everyday, and also widely used to intimidate and create fear in most people. Religions are Number One when it comes to using and misusing people and their sexual desires. For untold lifetimes You have been the victim of Sexual Abuse & Harassment, and for the most part You have kept Agreeing to be punished, because You always 'Think' the Ruling Kontrollers are always 'right' with what they have invented to keep You a Prisoner on this Purposely Poisoned Planet!

"Sex is fine, whether You are married (religious sacrificial ritual) or not. Do the birds get married Legally? What does Legal mean? Legal means You are to obey what others have decided to Kontrol You! There is nothing wrong or right with Sex, but there is something very Distorted with those who create laws that Restrict others to rule and ruin their lives! WakeUp with US and WWE as Wonderful WorldWide Educators will show YU, The RealU, how to WakeUp and have RealFreedom Now!

## **THE NATIVES ARE RESTLESS...**

WWE as Wonderful WorldWide Educators are providing RealGuidance and a RealEducation for Everyone to be able to go thru the course and process of Waking Up to so much more than the Restrictions they have known with Cause & Effect Creation and those who Kontrol this planet. have their time and place. The NUNowniss of The TruReality LifeIS, THE ALLIS, IS Now! ASK MISS KELSEY BROWN on Facebook / ASK DUANE&EVA

## **ALLIS LUV & ADVENTURE...**

"The old saying, "Life is Love" does have its place, but because of the created consciousness over many lifetimes with this and all the Emotional Attachments with the 'idea' of Love, it has actually kept most people in a Physical/Astral Realm Matrix, that is heavily used by the Reptilian Alien TapLiners (RATS) who Kontrol this planet. Very few people See Beyond this One-Dimensional World of Appearances, and so they cannot See what is taking place in other dimensions and with the four other bodies each person is operating, which are also being effected by emotions and thoughts. Cause & Effect Creation is limited to itself and the Six Levels that exist with it. Beyond Creation and the Gods of Man, IS The Real UNUverses of The TruReality LifeIS, THE ALLIS. This is what the original saying of "LifeIS LUV" means. It is not in Creation that Complete LUV is found, as the emotions and feelings a person has with their physical life is simply their Astral Body and not their RealAwareniss. This does not mean that Emotional Love is negated, it means that there is a lot more to Life than what you experience here on this planet. Only when YU, The RealU, has The RealConnection to The SoundLight UNUverses of ALLIS LUV, will YU experience RealLUV & RealFreedom Now!

## **IT IS OKAY to be LOST...**

"Most of the world is Lost with itself and not really Seeing this. The earth is more poisoned & polluted than ever and in a huge demise Right Now! The unaware public wants to mainly 'Think' everything is fine and the self-centered authorities will fix everything, when in fact it is they who are doing most of the destruction. All of what is taking place here and with each persons life is a WakeUp to a much bigger picture that can become a RealBenefit. For sure, almost no one wants this world to continue on in the direction it has with the more than obvious outcome. It is all Okay in its own way, because it takes many lifetimes to WakeUp to why You are here, and Now YU, The RealU, can WakeUp from this Passing Dream. You have been told and taught that this life is all there is and this 'Place in Life' is the only reality there is, but There IS a Lot More! You will always have continuous little 'wakeups' with your life, and if you are aware enough, you will learn to See what is taking place. The overall idea here is to eventually Recognize who YU, The RealU IS, and then Recognize & PerSeeve The TruReality LifeIS, THE ALLIS. This is a Huge Journey for sure, and with RealGuidance and a RealEducation with US, you can finally have The Rea;Adventure with Your Life you always wanted. Become Free from the Cause & Effect Matrix of Creation Now!

## **EARN YOUR WAY OUT OF HERE...**

"YU, The RealU, Your RealAwareness, has a Physical Body and Four Bodies that are unseen (Astral, Causal, Mental, Etheric). You have been taught that there are gods that created you, when in fact the the so-called 'god' idea was created by the Reptilian Alien TapLiners (RATS) who first invaded this planet. They created the 'Devil & God' ideas for people to worship & pray and become seduced to superstition for THEM (TapLining HUMAN Eating Martians) to Kontrol people with their HUMAN Farming. You can 'Think' whatever you want about life on this planet, but the reality is, you are on a Purposely Poisoned Prison Planet with a Designed Matrix Grid all around it. You can Learn to WakeUp with US and Free Yourself during this lifetime, or Stay Lost here for more unconscious lifetimes of an even worse environment! You Must Earn Your Way Out of Cause & Effect Creation and the Six PsycRealms. The political, religious and spiritual paths do not go too much past the Astral Realm, even though those with these paths are 'Thinking' they do. Everything YU, The RealU, will ever need to know starts with Singing The NU~U & Your DreamVisions. WWE as Wonderful WorldWide Educators will show You how to get your own answers and Free Yourself Now! Decide to WakeUp for Yourself!

## **MIND KONTROL or RECOGNIZING LIFE...**

"The unaware masses like to Agree to Mind Kontrolling Microwaves. The unaware also like to be sedated and seduced, as this is demonstrated with almost everything the general public does. The earth is in a Huge Demise and how many people really See this? It would Make Sense that people stop Agreeing to Polluting & Poisoning the planet, but they will not! It is more than obvious that the body types that are on this earth like their Mind Kontrolling Devices, more that they do The ALLNatural

Environment that supports them. The unaware have Agreed to be educated into a One-Dimensional Mind Matrix, that they cannot SeeThru. Of course they do not 'believe' this, because they have been conditioned over lifetimes to 'believe' in something, anything that does not make sense. The entire earth is encircled in a Mind Kontrol Microwave Grid, that the unaware are not aware of. The Mind Kontrollers are in their own LA LA Land and keep 'Thinking' the earth is a good place to be forever, as they will be if they do not WakeUp, one person at a time. The Whole of Life IS to be Recognized, moreso than determined from any Literal Sense. Those who 'Think' they know more than Life ITSelf, such as the Political & Religious Kontrollers, have already proven they do not, by the very fact of how they are destroying the earth and Nature for their own purposes. WakeUp with US or Stay Lost with Your Mind Kontrollers for more lives!

## **TRADITIONAL BALONEY...**

"What has always been 'thought' of from the past is something that has been considered to be Sacred and Traditional. What does this really mean, if anything at all? Tradition is Old for sure, and what was in the past, like old newspapers can be a 'reference' but can you live it again? The Old masters and gurus and the Deceptive Politicians and Religious Regulators, like to spew out their 'pretty words' that are usually Old & Outdated. So, with this and so much more, all the 'Old Stuff' is just that, Old & Outdated and mostly Traditional Baloney, that the unaware masses keep looking to as Something Real. Old Traditional Baloney may 'sound good' and make you 'feel good' but is it really good for you? The Baloney they make and sell in the stores does 'look good' and 'taste good' but it is good for you? Over time, the unaware public has created so much Traditional Baloney, that most people do not know the difference between what Makes Sense and all the Phoney Baloney they are experiencing. LifeIS AlwaysNU & Now, not Old & Outdated like Tradition. The TruReality LifeIS, IS ALLAliveniss, moreso than just the Astral Realm idea of 'spirit' and the Gods of Man. You are always the Decider of Your Life & NUAdventure, and if you want Your Life to be nothing more than Old Baloney, then you have that right! Have Fun Deciding!

"HarOld & Joanny Klump are two of the many with the KEK Systems and the One World Order of HUman Farming. Their 'front' is 'EEKonkon, the light & sound of the Kalaum God!' They use the Reptilian HU word to TapLine their membershrimps into submission, as Joanny and HER Band of Witches go into peoples Dreams and Astrally TapLine them! All Religions are VooDoo, and they all do Astral TapLining, just like the governments on this planet! WAKEUP or STAY LOST!

## **LIFEIS RECOGNIZING THE ALLLISS...**

"LIFEIS RECOGNIZING THE ALLIS... THIS IS REAL NOW! You, Yes YOU... You are in a Designed Matrix, and You 'Think' what You are experiencing here is a RealLife. The Physical Realm and solidness is a reality all it's own, but this 'Place in Life' is Not The

TruReality LifeIS. Your life here is very temporary, and if that is not enough to consider... You have been Deceived Your Entire Life with the KEK Systems (Kontrolling Earthly Korporations) that created the Human Farming Matrix on this planet, of which You have been a part of for untold lifetimes. YU, The RealU, has been here and other planets and systems many times over, but You do not remember this, because You have a new body and mind for this life. You can Stay Asleep for more lifetimes of ongoing drudgery with your 9 to 5 jobs, which there will be many more unbearable jobs coming in your future, or You can decide to WakeUp Now, and Go Beyond time and space and Cause & Effect Creation into Real UNUverses of RealFreedom. You have been conditioned and seduced into 'Thinking' there are 'gods' that will save You from this place and what You have created here, as these are the Reptilian Alien TapLiners (RATS) who have kept You unaware and brainwashed for lifetimes with their worshipping and praying to Ghostly Gods. The gods do exist as managers in Creation, and guess what, they are also Reptilian, and it is their desire to keep You here forever on this Purposely Poisoned Polluted Planet! The RATS created all the Sacred Doctrines, like the Holy Drible (Holy Bible to the unaware). You can WakeUp with US Now, or Stay Lost here forever! Recognizing the TruReality LifeIS can Save Your Life... THE ALLIS, IS REAL NOW!

## **YOUR EGO is BIGGER THAN LIFE...**

"Most people only see themselves and what their life entails and not much more. The Whole of Life and The TruReality IT IS, for the most part does not appeal to the unaware masses. People want freedom, but for the most part, the unaware public does not know what RealFreedom IS. So, the 'average' person considers themselves to know more than Life ITSelf, as they mainly consider themselves only and not much more. Those who follow the 'god' idea do 'believe' in something else, but they still 'Think' they know more than Life, as they have decided their 'belief' idea is bigger and MoreAware than The Whole of Life. This is why this world is Purposely Polluted, Poisoned and Kontrolled by those who's Egos are Bigger Than Life, and also with the Agreements they get from those who follow the present day insanity of the World Kontrollers! The unaware public mostly looks to the 'fake officialness' that has been created here by The Deceiving Authoritarian Deceptors, and very seldom to The True & Real ALLNatural Environment supporting them. The Literally Educated have been programed and hypnotized to Agree to a One-Dimensional lifestyle that follows the plan of the Reptilian Alien TapLiners (RATS) and their HUMAN Farming Microwave MindKontrol Matrix. Most people do not want to See what is really taking place on earth, as they have been bred to chase false happiness, false love, and false desires and thrills, that soon lead to old age and diseases. This has been the same old routine for lifetimes with those who are Not Awake yet. WWE are Wonderful WorldWide Educators and WWE are The NUWay Out of Cause & Effect Creation! Stay here and Grow Old, or Take The Risk & BE Free!

## Religious 'Jumping Around'...

"The unaware masses have been seduced for untold lifetimes to 'Think' that the invented ideas of Religion actually mean something. Politics, religion, spiritual paths, and the standard educational systems are nothing more than Deceptive BabySitters for HUMAN Farming on this planet. The earth is encased in a Designed Matrix to Kontrol people's minds with Microwaves. This is why almost everyone has Cell Phones and WiFi. When people 'Think' that one Religious Kontroller is better than the other, they are only fooling themselves. All Religion is VooDoo! All Religions come from the Reptilian Alien TapLiners (RATS) who originally invaded this planet and invented Religious Sacrifices for HUMAN Farming. They also created the 'God & Devil' ideas to fool people into getting on their knees and to worshiping and praypaying to the Ghostly Gods in outer space somewhere. For eons, this nonsense has become a Big Business, and so people 'believe' it is real, because they have decided it is! When people are bored with one religion they 'jump' to the next one and 'Thinking' it must be better, or it is now the 'in thing' to do. YU, The RealU, can Learn to Get Your Own Answers with Life, that is when YU WakeUp and Get Real with Yourself! WakeUp Now or Stay Lost on this Rock in Space!

## THE NU~U or HU...

"It has been true that the HU word did have its day, just like OM, AUM, Amen and other words and sayings, as people have been brought thru many lifetimes to The Real WakeUp Now & WWE as Wonderful WorldWide Educators. There is a whole history behind what happened to the HU word and how THE ALLIS eliminated it for The RealConnection & RealFreedom Now. There is a huge Difference between The NU~U and the HU word. The NU~U, has Always been with THE ALLIS. As I was also with Paul Twitchell in the early days and the HU word was used and it worked for those times, because Paul has The RealAwareness, Heart & Intent with The TruReality (which he only hinted at as THE ISNESS in his books). Paul was given The Real Rod of Power from Rebazar Tarzs, a Real UNUniversal Guide of THE ALLIS. In 2001, Rebazar & Paul gave Duane, The Real Rod of Power, which IS Now, THE NUWAVIS THE NUMAN, and there is no more 'rod of power' and those who profess it are Deceptors with the One World Order and HUMAN Farming with the Reptilian Alien TapLiners (RATS). Darwin Gross and HarOld only had a fake rod of power, because they never had any RealAwareness. With Reptilian Joanny as his wife, HarOld helped to eliminate the HU word and then hypnotizes his audiences, because SHE has infected the unaware MemberShrimps to the point of being Kontrollered Animals, which most do not See THEM (TapLining HUMAN Eating Martians) from The RealSide, as they are Astrally TapLined and Seduced by HER, Reptilian Joanny, also know as Joan Klump. This is a brief overview of what has taken place and there is a lot more! WWE will have many more RealAdventures to Share!

"The HU word is associated with, Astral Reptilian TapLining in Your Dreams, Deception, Embezzlement, Hypnotism, VooDoo Religious Rituals, such as Worship and PrayPaying to Krone's EEKonkon Korporation (KEK), Looking to Deceptive Personalities, Marriage

& Death Ceremonies, Spiritual Pretty Words of Old WisDumb, and whatever else Reptilian Joanny Klump and fake master HarOld can Deceive others with. There are many Deceptive People who use the religious and spiritual 'ideas' to Kontrol and steal from others. Duane The Great Writer, does Not use the Old Terms that Restrict people to more lifetimes of senseless drudgery! WWE as Wonderful WorldWide Educators have The RealConnection with The NU~U, and with The Real UNUversal Guides and The TruReality LifeIS, THE ALLIS. The NU~U, IS Direct with THE ALLIS & RealFreedom Now in Real UNUverses beyond the Gods of Man and ALL their Fake Restictions. The earth is a Purposely Poisoned Prison Planet! You are in the RATS Designed Matrix for more lifetimes, until You can figure your way out! WWE are The NUWay Out of Cause & Effect Creation! THE ALLIS, is not a god, as those who are really GovernorLords on the Astral and Mental Realms in Cause & Effect Creation (The Lord God). YU, The RealU, can decide whatever YU want! WWE are merely showing YU, The RealU, the options YU have! Sing The NU~U and start to have RealFreedom Now, or Stay Lost with the Old HU word and the Deceptors of this earth and the RATS in the Lower Astral Realm! Your Choice!

## **MILLIONAIRES & BILLIONAIRES...**

"The Business World works with the invented Monetary System. It would really 'seem' that when anyone decides to chase money and become a Millionaire or Billionaire, that by doing so makes sense. All of us need something to do here to survive, and to dream of being rich and successful in this world really does sound good. The reality of this life is, You will only be here a very short time until You are too old to remember. The fun and excitement of this life passes so fast, as it did with all those thousands of lifetimes You have already lived here and other worlds and dimensions. You can Now WakeUp and stop the reincarnating cycles and BE Free with US, as WWE are Wonderful WorldWide Educators and WWE have The NUWay Out of Cause & Effect Creation. WWE are Very Real and not a 'hokus-pokus' belief system like the Reptilian Alien TapLiners (RATS) have create for the unaware to be slaves on this planet and for more lifetimes! StepUp with US and Begin Your Journey to RealFreedom Now! Sing The NU~U and Watch Your DreamVisions!

## **NUMAN REALGUIDE NOW...**

"THE NUWAVIS THE NUMAN NOW. The world of people on this planet are mainly lost with looking to the past for something to happen in the present, and also dragging Tradition into the present and the future. This is understandable, but not realistic. People want what they 'Think' is freedom, and at the same time they Restrict & Burden themselves with the dead past. The past can be a good reference to compare with, that of 'What IS Real Now' for those who are aware enough to See The RealNow. Nothing is negated with what we each experiences, but to Recognize what IS Beyond Cause & Effect Creation is why you are here! You can keep playing around in time and space and get nowhere, except back here in another body again and not remembering you were ever here, or you can take the time to Read My NUBooks and Free Yourself this

lifetime! Have Fun Deciding!

## **ASHTAR COMMAND OUT THERE...**

"It really does seem fun that outer space people connected to the Angels of God (Kalaum Reptilian God of Creation on the Mental Realm) will somehow save people from everything they have created and Agreed to so far. If this makes sense, then by all means keep 'believing & hoping' that Jesus will return and fix everything! From my own RealExperiences, which I have written about in My NUBooks, the Astral, Causal, Mental & Etheric Realms and the The Deep Dark Border, are in Creation and what most people 'Think' is Life. Beyond Cause & Effect Creation IS The Real UNUverses of RealFreedom where YU, The RealU, IS a FreeBeing of RealLight brighter than any sun! Ashtar Command (interesting... ash & tar... hmmm) is one of the many 'ideas' I have experienced while on the earth and in the other realms and UNUverses. They are mainly Astral Entities playing tricks on the unaware earth people and making their sermons and pretty words sounding good, like politicians and fake spiritual masters of whom I have known. Anyone can learn to 'See Behind The Curtain' by Singing The NU~U, NUSound, and you will be shown by The Real UNUversal Guides in Your DreamVisions 'What IS Real Now' and what is not! Your Choice! Stay Lost here with Ashtar Command and other space people and the Gods of Man and all the 'sound-good stuff' which will get you more unconscious lifetimes on this rock in space, or WakeUp with US and BE Free Now in Real UNUverses of Pure Sound & RealLight!

## **THE FAKE UNIVERSE...**

"Beyond the earth lies the solid darkness of outer space, the galaxies,s and what is termed the 'known and unknown' universe. Actually, where we are is in the Material Physical Realm, the bottom of Life in the PsycRealms or what is known as Creation. What is being experienced here and what the so-called expert scientists say about where we are at from what they can figure out is very limited and not too accurate. The blackness of space is not a Real UNUverse, but a Fake Universe in the 'simulation' of Creation. The Body Forms on the planets in time and space are for the purpose of eventually Waking Up to The TruReality LifeIS, and beyond the invented Gods of Man, to Recognize THE ALLIS in The Real UNUverses of RealFreedom. There are Six Levels or Dimensions with Creation, and beyond the Fake Universes, IS The Real UNUverses of THE ALLIS. Until YU, The RealU, Wakes Up and Sees what is really taking place here and in the Six PsycRealms, you will continue to reincarnate back and forth from mainly the Astral Realm to the Physical Realm again. You will not remember you were here each lifetime, and future lifetime will be very bad, as most people will return in deformed bodies from all the pollution and poisons here! WakeUp Now or Stay Lost on this Rock!

## **The Holy Cross..**

"What has become a 'symbol' for something so-called Divine and Holy is actually a Grave Marker, a sign of Death, a Reptilian TapLining Curse! The masses are so unaware as to the origins of their Ritualistic Religions. All religions have come from Sacrificial Satanic Sources and are VooDoo. This is real! People like to 'pretend' otherwise and 'hope' for the best or anything at all. Since the creation of the Holy Drible (Bible) and with all the worshipping and praying that has taken place, this planet has gotten a lot worse in the last 2000 years! WAKEUP! Praying to the Fake Reptilian Gods is Not Working! It Makes Sense to make sense of life here and The Whole of Life, but most people are too far into their rituals and customs and traditions to WakeUp to 'What IS Real Now! The unaware masses are on a HUman Farming planet and being fed Holy Baloney! The words like 'divine, holy, amen, belief and so many others, were created by the HUman Farmers to keep people dumbed down and stupid until they are ready to be eaten! WakeUp or Stay Lost Here for more lifetimes!

## **REAL WAKEUP in REAL UNIVERSES**

"The masses and some of the more aware public are 'Thinking' they are 'waking up' with the information they are getting from sources that are mainly One-Dimensional and Physical/Astral, and what they 'Think' are so-called Divine in some way. Such as David Ike and others speaking about the Bankers and Reptilians, and others referring to the Pleiadians and Space People, Saviors and the Gods of Man. Again, these are physical/ astral world situations and information that is taking place, and actually maybe or maybe not. For sure the Reptilian Alien TapLiners (RATS) are real, as they created the so-called Divine and Holy Drible (good book) that so many people 'believe' in. The RATS were the original invaders on this planet and created the HUmanoids as slaves. The Real History of this planet is in The UNUversal Files, but very few can See this. There are those who are waiting for their gods and saviors to fix what they have ruined on the earth, and there are those who are waiting for the space people to do the same. These people will have more lifetimes to keep waiting, as with each lifetime many people keep 'Thinking' that now is the time for some miracles to happen. The RATS have marketed people into 'Thinking' that someone will save them from themselves. The Gods of Man look down from the Astral and Mental Realms and laugh, as did the Caesars during the feasting in the Colosseum Days. Jesus taught people his psychic powers, which most see as miracles. He is paying for what he did with The Lords of Karma. Just about nobody knows who their gods are. Some people hear voices from Angels and others that sound so sweet, but until a person meets The Real UNUversal Guides who are focused on RealFreedom in The Real UNUverses beyond Cause & Effect Creation, then the 'pretty words' of unseen entities is whatever it is as 'sound-good' ideas and nothing more! WakeUp or Stay Lost Here!

## **REALFUN with THE ALLISSS...**

"The TruReality LifeIS, is Fun & Funny! THE ALLIS, IS ALLALive & Real, and IT knows YU, The RealU, because IT IS YU! THE ALLIS, decided the Creation we are in that looks so real, for each one of us to WakeUp when we are ready. IT also provides 'Your DreamVisions' to start Your Real Journey to IT. It is not that we really 'move' anywhere or 'travel' from here to there, because ALL LifeIS an ISNIS NOW. At first we have RealSide Experiences where we can sometimes 'feel' ourselves leaving the Physical Body in the Astral Body, as this is the first step to Seeing Beyond this limited Physical Realm of appearances. Eventually, you learn to Recognize Your RealAwareniss, and as YU, The RealU, takes Your Adventure further, YU have the opportunity to Recognize & PerSeeve THE ALLIS. Very few will Recognize THE ALLIS, because IT IS Far Too Real for most. While you Sing The NUSound, The NU~U, you will be having RealSide DreamVision Experiences, which at times are Fun & Funny. THE ALLIS, IS Wonderful & Pure for ALL of US. With THE ALLIS, there are no 'attitudes' like there are with the Authoritarians, the Political Priests, and their Fake Kontrolling Gods. THE ALLIS, IS ALWAYS PURE & REAL! Singing The NU~U brings RealFun & RealJoy into Your Being of RealLight. WWE are Wonderful WorldWide Educators and WWE are The RealConnection and The NUWay Out of Cause & Effect Creation! Have Fun Freeing Yourself with US, or Stay Stuck & Lost in the Matrix of Creation with the Reptilian Alien TapLiners (RATS) who Kontrol earth!

## **THE GODS or THE ALLISSS...**

Since the Reptilian Alien TapLining Invaders (RATS) came to this planet, the 'idea' of the Gods of Man was created. The Real History of this planet and all the others is in The UNUversal Files, which most people do not have access to, because they do not have a RealAwareniss to SEE The Real Files. What people have been 'told & seduced' with is what the RATS have created to Kontrol their HUMANOID Subjects. The RATS have written all the so-called 'divine & holy' doctrines to capture the imagination of people and to keep them unaware of what the RATS are really doing. When a person passes from this Physical Realm, they usually go to the Astral Realm somewhere. They may have a chance to meet the GovernorLord there, but chances are they never will. All of us like to listen to and 'believe' a good story, and the RATS have weaved a lot of them for eons. This is what they do, they do Takeovers, just like what is taking place on the earth today. The RATS get people to worship and pray to their Demon Gods who Deceive people if they meet them in the other worlds. There are many Heavens of Man, but mainly two, and the Second Heaven is where the Kalaum Lord God resides, the Mental Realm. This is the 'mystery' god that people have read about here, and there really is no mystery of him once you understand how Creation has been formed. The people on this planet have been soaked with 'stories' and not Real Experiences from The RealSide LifeIS. The original god in the Bible was rather harsh, then Jesus came along and said god was love. Jesus was taken our by the RATS who Kontrol the church and Vatican, and even with all the destruction that is taking place on the earth, where is the invented god

and the saviors? People 'Think' something or someone is going to save them from what they already created. There is a much Bigger Understanding, along with RealExperiences, not just stories, that is available Right Now, but YU, The RealU, Must BE a Real RiskTaker to SEE IT! YU can WakeUp Now with US, or keep waiting for more lifetimes and 'hope and pray' the gods and saviors will come for YOU!

## **WWE Show You WHAT IS REAL NOW...**

"WWE are Wonderful WorldWide Educators standing with The ALLNatural Environment Supporting ALL of US. Because we have each come thru many lifetimes to get to this very moment, WWE are in The NUNowniss LifeIS, and WWE Recognize this! ALL LIFEIS NOW.. and from this RealPosition of Recognition, YU, The RealU, learns to SEE Beyond the Kontrolling Authoritarians (RATS) and their invented gods into Real UNUverses of ALLAliveniss & Wonderful BeingISniss. It will take some time before most people WakeUp to this, as many people are still stuck in a one-dimensional time and space warp with past and future Creation. Creation has it's place and reality, but LifeIS Bigger. Beyond the limitations of Creation, IS The Real UNUverses of RealTruth & Real Freedom! Singing The NUSound, NU~U, makes The RealConnection with The Real UNUversal Guides and Your DreamVisions. Your Dreams are the first step into NUWorlds & Real UNUverses beyond the Matrix Restrictions of Creation and the Gods of Man, who Kontrol the HUMAN Farming in the Five Levels of Creation. The unaware masses have been taught a lot of 'sound-good stories' over the lifetimes they have been here that were created by the original invaders, the Reptilian Alien TapLiners (RATS). The ALLALiveniss LifeIS, is beyond the Astral 'ideas' of spirit & light' which is a step beyond the earth for sure, but far from The Real UNUverses of The SoundLight TruReality LifeIS, where YU, The RealU, IS a FreeBeing of RealLight brighter than any sun you have ever seen!

## **Friday Fasting from TAPLINING...**

"There are spiritual teachings that sometimes do Friday Fasting or other types of Fasting, but none of them really do Fasting from the Reptilian Alien TapLiners (RATS) who Kontrol this planet. This is because many, if not all the so-called 'spiritual paths' and their masters and gurus have been commercially 'bought off' by the One World Order and their Fake Gods. I suggest to Sing The NUSound, The NU~U, and then Watch Your DreamVisions and Life will show YU, The RealU, 'What IS Real Now!' The old words of HU, OM AUM, Amen and many others are with the RATS and YOU are being TapLined in Your Dreams without You knowing it! More Big Karma for THEM (TapLining HUMAN Eating Martians) and many more unconscious lifetimes for You with all Your TapLines! You Decide!

## **CONSERVING WATER...**

"There is more than enough clean clear water for ALL of US on this planet, but because we are all in a Designed Matrix of HUMAN Farming and Abusive Government Kontrol to eliminate most of the population, there 'seems' to be a water shortage in many areas. WWE See what is taking place here and WWE are doing our part for Everyone. Conserving Water is just one of the many projects WWE have that benefits Everyone. The unaware masses like to waste their time watching and taking part in the Fake Political Debates of hired 'actors' who play their roles very well and dramatically fool those who do not have the awareness to SeeThru all the baloney they are acting out. When in fact, they could use their time to create Aware Communities to all the challenges we each face everyday. The Deceptive Deceiving governments have seduced most people into being so passive and dumbed down that people actually 'Think' their governments do something for them. No matter what the authorities do, and sometimes they actually do something that makes sense for the moment, overall their only interest is to get You to Agree with THEM (TapLining HUMAN Eating Martians). Look at human history and those who have ruled others, there is no difference Now, except we have ChemTrails, Mind Kontrolling Microwaves, Lethal Vaccines, FEMA Camps, HAARP, Harmful Drugs, Smart Meters and so much more. WakeUp with Us, as WWE are Very Real & Aware with what WWE are Sharing!

## **GOD HATES YOU...**

"This is a 'truth' on the earth! For those who have read the 'good book' which is really The Holy Drible, they can Really WakeUp when they decide. All the Doctrine Drible that the masses worship and pray to was originally written by the Reptilian Alien TapLiners (RATS) who are ShapeShifters, and disguise themselves as HUMANS for their HUMAN Farming of this planet. WakeUp Time! They are the politicians, religious and spiritual masters and gurus and many others. Watch Your DreamVisions, and You will Learn to See what is really taking place here and in Your Other Worlds. You can 'pretend' that this is not so, and even use the superstitiously created idea of "I don't 'Believe' what Duane is saying and writing!" When You have The RealCourage to investigate Real History, You are going to See a completely different picture than the Distorted Deception that has been created over Your Entire Life, just for You and Everyone, while on earth. The 'Authorities' are purposely doing the ChemTrails, Lethal Vaccines, GMO TechStuffings, Mind Kontrol Microwaves, HAARP, and so much more... TO KILL YOU! WakeUp with US, or Stay Lost and infected for more lifetimes on this dying planet!

## **YOUR LIFE YOUR CHOICE...**

"Each one of us have come from some kind of support, that of our parents, our friends, and the invented systems such as politics, religion, educational and spiritual teachings. These 'ideas' and many like them are the 'BabySitters' we have known. Just like our

parents did with us when we were young, they took care of us, and for the most part made our decisions for us. We liked being taken care of and coddled. Then at some point, we had to get going with our life and make our own decisions, so we 'Thought' at the time. As we entered society and the already 'formed structure' of what we 'Think' is a real life, we began to see things as more complicated and many times not wanting to deal with certain aspects of what has already been created and what someone else already decided that we must Agree to. Some of us take on the adventure of living on earth, and some people look for more BabySitters to take care of them. Like everyone, I had my share of BabySitters, until I WokeUp and could SeeMore than before. I have not had the 'normal' childhood and adulthood as many do. I decided to come back into this life to do what no one else would or could do... Bring The NUNowniss, The NUNOWW (NUOne WorldWide) to the people on this planet. Of course, there is a Lot More to this simple explanation, and as You Read The NUBooks, You will start Your RealAdventure like never before with The Whole of Life, moreso that what You have known with those BabyBrain BabySitters that are still lost in their traditional past. Respectively, they 'did' have their time and place. THE NUONE IS HERE NOWW... THE NUWAVIS THE NUMAN! WWE are Wonderful WorldWide Educators, and WWE are Here NOWW for Everyone to BE Successful & SelfSufficent & MoreAware! WWE are Fun & Real & WWE show YU, The RealU, how to Stand with US and have RealFreedom like never before! WWE are The NUWay for Everyone!

## **ETERNAL KARMA (EK)...**

"What the unaware people of this planet do not yet realize is they are in a Designed Matrix that was originally created by the Reptilian Alien TapLiners (RATS) who also invented HUMAN Farming. Yes... This includes YOU! You are in the Eternal Karma (EK) of Creation, until You can figure your way out into The Real UNUverses of RealTruth & RealFreedom! WWE are The NUWay Out of Cause & Effect Creation. I am guessing that You, like so many others 'Think' that religion, gods, saviors and spiritual paths will free You... Wrong! The political, religious and spiritual paths are all Kontrollled by the Authoritarians, presidents, kings and queens, masters and gurus, who worship and pray to The Lord God, Reptilian Kalaum. The Kalaum God originally sent his Reptilian Regime to the RoundWorlds in time and space to infect all the planets. It is more than obvious that this is taking place with the ChemTrails, GMO TechStuffings, Mind Kontrol Microwaves, Lethal Vaccines, Smart Meters, Toxic Water, land and air, Legal & Illegal Drugs and so much more the RATS are doing. All the government agencies are in on this and including the Red Flag Bombings around the world as takeovers! EK means 'Evil Karma and Eternal Karma' for those who worship and pray to the invented gods and doctrines of the RATS. The RATS have infected almost everything on this planet by TapLining people in their Dreams! YU, The RealU, can protect yourself by Singing The NUSound, The NU~U. When You Sing The NU~U, the Real UNUversal Guides will be with You. if You are chanting HU, OM, AUM, Amen or any other words or ideas, You are being 'TapLined' and held prisoner by the Fake Gods and Fake spiritual masters on

earth! Sing The NU~U and Watch Your DreamVisions!

## **THE DEVILS ADVOCATE MOVIE...**

"The general public is marketed with the idea that the movie, 'The Devils Advocate' starring Keno Reeves and Al Pacino, is about the character that was originally created by the Reptilian Alien TapLiners (RATS) known as the 'Devil!' Most people have been so dumbed down and seduced with what the Political and Religious Kontrollers have always created and infected this world with. In a way, it is rather humorous how the unaware public actually likes being fooled and Agreeing to the Deception that is non-stop in the business world. For those who are able to get to The Real History of this planet, which I See in The UNUversal Files in The Real UNUverses beyond Creation, they will discover that the RATS were the first invades here and they created everything, including the HUmanoids as their slaves, and the doctrines like the Holy Drible, to keep people Agreeing for lifetime upon lifetime to their HUman Farming Matrix on this planet. In this movie, there is the 'idea' of what most have come to know as the Devil, but actually, for those who are MoreAware, they can easily See that Al Pacino's role is the Lord God himself! When a person is able to move into the Astral and Mental Realms, which are known as The Two Heavens of Man, they can meet their so-called gods, then they will See for themselves that these gods are not gods at all, but maintenance workers in Creation for The Lords of Karma. Their official titles are 'GovernorLords' who manage the different realms in time and space. Just like the Deceptive Politicians of earth, the Gods of Man are also Politicians of Kontroll! You can Stay Lost here with all the Endless Deception, or WakeUp with US and Learn to BE Wonderful & Free Now!

## **WOMEN ARE SO PRECIOUS...**

"Women have a Great Passion that men do not always have, and when they WakeUp to Their TruPotential, they Become MoreAware & Wonderful, moreso than what they are experiencing with all the 'Emotional Love Attachments' that most people are Trapped & TapLined with on this earth. There IS so much more to Life than what is experienced with the creations of this life. Those who take the time and Take The Risk to SeeMore, always do! You do not have to be Restricted to this world anymore, YU, The RealU, can WakeUp beyond what is known here and stand in RealTruth & RealFreedom, but You must BE The Real RiskTaker and do what You have never done before. Very few have the Courage or Heart to do this, but those that do have a RealPosition of TruSuccess, where others will continue to recycle and stay as unaware slaves to the invented systems. The Authoritarians of the earth and the Gods of Man, Kontroll the Designed Matrix that keeps You a prisoner here. WWE as Wonderful WorldWide Educators have The NUWay Out of Cause & Effect Creation, and into NUWorlds and Real UNUverses of RealFreedom!

## **ASTRAL TAPLINING MASTER...**

"Harry Klump, the 'ASTRAL TAPLINING MASTER' is the Grand Nobody of Krones EEKonkon Korporation... HAHAAH! He loves being possessed and TapLined by HER, as it is a 'seductive thing' for him! Joanny Klump, Reptilian Spy and TapLining Witch for the Kalaum HU-OM God, is always busy TapLining the unaware MemberShrimps for the One World Order of the Cabal on earth. Their fate is sealed with The Lords of Karma for many lifetimes to come, but they like to 'Think' in their little brains that they know more than Life! The Dumbed Down and Seduced members are Agreeable to all the Restrictions, Worshiping and Pray Paying, SHE has created for them to Stay Stupid for a lot longer! The EK (Evil Karma) Temple looks so good to those who are lost on this planet, as what they see is a spiritual path that will lead them to a god they will never know or really understand. 'Look Behind The Curtain' on The RealSide and See what Harry and Joanny are really doing with those who are unaware. Have Fun Deciding!

## **REALHERO REALCOURAGE...**

"What makes a RealHero? Is it standing behind a podium on stage with a presidential seal and security guards all around, as the so-called official person gives Deceptive Lip-Service to the unaware and inflicted dumbed down people who are subject to Fluoridated Water, ChemTrails, GMO FakeFood, Lethalized Vaccines, Mind Kontrolling Microwaves, and whatever else the bought-off official traitor to mankind can do? While spewing out all the phoney 'pretty words' to the unsuspecting audience and Manipulated News Media, he is also heavily paid by the BlackHearts who rule this planet to deceptively destroy women and children of other countries in the name of his Demon God as takeovers. Is this what a RealHero is? Look at how many Literalized and Robotized people 'Think' so! Is a RealHero someone who claims to be a 'spiritual master' with a big temple and thousands of worshipers and followers, as he sits on stage looking down upon others and also uses old pretty words of so-called wisdom to seduce his audience, when in fact his Reptilian Wife is behind the scenes drugging and Kontrolling him and the membershrimps, as SHE is TapLining them in their Dreams with HER Band of Witches?

"Is a RealHero a person who bounces a basketball, picks up a bat and hits a ball, or one who kicks a ball into a goal? How about a person who runs a race and wins, or is an Olympic Medalist? What about the faster swimmer in the world or the first person to fly around the world? And there is the Royal Families that look so good in their outlandish dresses and uniforms with all the fake medals on their chest, as they pose so eloquently with all the stolen goods they have acquired over the centuries that have been handed over from their bandit ancestors? The unaware and brainwashed masses continue to support and Agree to all the Deception these people can create and the crowd loves THEM (TapLining HUman Eating Martians). These so-called 'heroes' and many more like them are merely 'marketed' to be something they are Not! Those who Do Not 'Look Behind The Curtain' will Stay Lost on Planet XYZ, here for many more lifetimes, until they become Real RiskTakers with RealCourage and WakeUp to what is really taking place and learn to sort out all the Deception. The unaware masses are in a Designed

Matrix by the Reptilian Alien TapLiners (RATS). You are in Cause & Effect Creation and being used as Stupid Slaves! The RATS have created all the Deception, rules, regulations, restrictions, doctrines, sacrificial ceremonies of worshiping and prayer and what-ever else they can think of to Kontrol YOU! YOU keep Agreeing to almost everything they decide for YOU! You will just get old again like You have for lifetimes!

“Who IS a RealHero with RealCourage, and to do what no one else can or will do? Is it someone who will present what cannot possibly be commonly understood Literally, or by the Hostile Authoritarians and their Kontrolling unseen gods in outer space, and the unaware dumbed down masses who worship and pray to the fake ghostly gods that have been created by the RATS? A RealHero that SEES what others cannot and actually provides Something Wonderful & Real like no one else! A person who has risked everything they have, and including their life, to make sure that others will become Successful & SelfSufficient in The TruSense. Someone who does not cater to the uselessness and immature ideas of what others create as 'thrills, emotional attachments and destructive inventions' to The ALLNatural Environment that Supports ALL of US. Do the Movie Stars that are so idolized really do anything for mankind, or do they just like to parade themselves about as they steal the money from their unsuspecting onlookers? Are they RealHeroes with RealCourage, or are they see-thru people who pretend to be something they are not? Everyone has the right to decide whatever they will, and what most people Agree to is their own demise of returning to this earth unconsciously and not remembering they were ever here! A RealHero with RealCourage will do 'What IS Real Now! He will provide what no one else can, and for the most part be misunderstood and hated and eventually destroyed! This is the fate of The RealHero who is not afraid to be hated and ridiculed for Sharing his RealExperiences from what most people will never know, because they will not Take The Risk to See Beyond the 'appearances' of this simulated world. WakeUp to 'What IS Real Now' or miss The Greatest Opportunity YU, The RealU, will ever have IS Right Now!

## **WWE KNOW WHAT WWE ARE DOING...**

"WWE are Wonderful WorldWide Educators Supporting The ALLNatural Environment that Supports US! WWE provide RealGuidance and a RealEducation like no one else! WWE know what WWE are Doing! It is understandable that most people do not know what WWE are doing, as ALL of US who are Sharing Our RealExperiences with Life have come from many different avenues to get Here & Now. NaturlS Our RealSource and is always demonstrating what Makes Sense as each of us survive on this planet. Trying to outsmart The TruReality of The Natural Environment, as many KEK Systems are doing, is not working and never will, but most people are still asleep to What IS Natural & Real Now. WWE are The NUWakeUp for Everyone. BE a Real RiskTaker with US Now!

## **Who are YOUR RELATIVES...**

"Family members 'Think' they know their Relatives, but they really do not! Everyone has their own Secret Worlds they go to when they leave their body at night. Not all people are aware of this, but there are still RealSide Dream Experiences taking place. Also, so much has happened with people who know each other from lifetime to lifetime and so much is forgotten and hidden. Each person drags their emotional and mental attachments with them into each future lifetime. ALL LifeIS Now, but most people cannot See this, so they are on the merry-go-round of reincarnation and Cause & Effect Karma in Creation. ALL LifeIS Your RealAwareness, and not what people 'Think' it is according to the invented marketing ploy systems that have been created on the earth. The Social Systems were created by the Reptilian Alien TapLiners (RATS) who Kontrol this planet with HUman Farming. You are 'told' what they want You to hear, and that is that this life is all there is and You must make the best of it. What they do not tell You is, that the Belief Systems they have created, along with the 'holy doctrines' are to bring You back here for more unconscious lifetimes of the same 9 to 5 drudgery forever! There is a way out of Their Designed Matrix, but YU, The RealU, must BE The Real RiskTaker and do what You have never done before, and that is to surpass Your Agreements with Their Restrictions! As long as You keep Agreeing to the invented social ideas that only 'sound good' then You will be returning in deformed bodies in the future. It is always Your Choice to Take The Risk and Discover NUWorlds & Real UNUverses of RealFreedom!

## **Waiting for JESUS...**

"The 'Waiting for Jesus Tradition' is thousands of years old, and the ideas that the Gods of Man will save people from themselves is even older! You have the right to wait for as many lifetimes as You want for Jesus or the Gods of Man to fix what You have been doing here! While You are waiting with the Marketing Ploy of the Reptilian Alien TapLiners (RATS) who are the original invaders of this planet, My NUFriends and I are having RealSide Experiences with The Real UNUversal Guides, who are direct with The TruReality LifeIS, THE ALLIS, in The Real UNUverses of RealFreedom beyond the Cause & Effect Matrix of Creation! YU, The RealU, can stay here lost and wait for Jesus, or WakeUp Now and Free Yourself from all the doctrine 'ideas & old stories' You have been told.

## **Reincarnation HU-OM GOD...**

"The Reptilian Alien TapLiners (RATS) have done an excellent Marketing Ploy to the masses for thousands of years. The RATS have convinced people there are gods in the sky who watch over people and they created mankind. The GovernorLord of the Mental Realm, Reptilian Kalaum, also known as The Lord God, always laughs when the unaware people of the lower realms pray and worship him. Every moment of his existence he gets begging requests from the Physical and Astral Realms. Most people

do not know who they are praying to, as the RATS originally created the idea of gods and the earthly doctrines to supposedly prove the gods really do exist. The earth is Politically and Religiously Kontrollled for Human Farming & Sacrifices and that's it! Those who 'Think' there can be some kind of LA LA Land here are only fooling themselves. The RATS & the Gods of Man will let people play in 'their' big sandbox, until the time comes when they will EAT YOU! Those who chant HU, OM, AUM, Amen and other religious sacred words and phrases are being Astrally TapLined into future lifetimes as slaves like this lifetime. The RATS Kontroll all the KEK (Kontrolling Earthly Korporations) Systems, and are doing the ChemTrails, Mind Kontroll Microwaves, Smart Meters, WiFi, Lethal Vaccines, Subliminal Messages on TV and in Movies and so much more!

## **HARRY & THE REPTILIANS...**

"Harry and Reptilian Joanny and HER Gang of RESAs (Reptilian Eating Satanic Aliens) Witches are out TapLining the innocent dumbled down MemberShrimps every night. Their EEKonkon Korporation Business is all about Reptilian Joanny and what SHE can take from others and hide away. Fake dead Harry who is not really living, has been Kryptnotized by Rep Joan and HER Witches. What the unSeeing members do not See while they are looking at fake munster Harry Klump on stage is what he really has become from all the years in the Lower Astral Realm. Ask Rebazar Tarzs & Paul Twitchell & The Real UNUversal Guides Now!

## **WAKEUP MAN IS HERE...**

"LifeIS ALL About Waking Up! Many 'think' it is having a job and getting married and buying a house, along with other 'things' that seem proper in society to fit in. Then there are those who follow the ideas of politics, religion, spiritual this and that's, science and so on. Then... There IS Something Else that is not easily Seen. IT IS... 'THE WAKEUP MAN!' "HA HA" many would say, as they do not have The RealAwareniss to SEE The Whole of Life, but only their little world of personal phenomena. You can 'Think' whatever you like, but it has nothing to do with The Whole of Life, only your life as you see it on this planet. The RealSecret to The WakeUp Man IS, that he can See Beyond Cause & Effect Creation, and how most people are still asleep with themselves. Waking Up to The Whole of Life is The RealAdventure everyone is looking for, but in all the wrong places! The days of masters and gurus is gone, along with presidents, queens and kings and their old wisdumb! But those who are still asleep and unaware keep Agreeing to the old rulers of this old world of dust!

## **BEINGS from OTHER WORLDS...**

"There is so much going on with this world that is moreso unseen than seen. What people have Agreed to as 'society' is a place and consideration and that's about it. Very few people can See Beyond what is in front of them or even Truly See what is right in

front of them. Life IS Bigger than you 'Think' it is and your 'Thinking' keeps you from Seeing what Life IS. I have meetings everyday with Beings from many worlds and dimensions, but most people will not See this, as they are too conditioned with their Social Kontrolling Agreements to notice. Life on earth today is like a Cell Phone Heaven, a Mechanical Matrix of phenomena that has TapLining Agreements with it. The Authoritarians who rule the earth and the Heavens of Man, do not want people to See past their One-Dimensional Designed Matrix of Captivity. They want you for many more lifetimes as their slave and you keep Agreeing with THEM! WAKEUP or STAY LOST HERE!

## **'Thinking' or BEINGREAL NOW**

"You have been taught and educated to 'Think' you know more than Life ITSelf. You have been purposely indoctrinated to look to Your Egotistical Literal Side and Agree with being Deceived by those who always Kontrol you! Of course, they never really taught you how to be 'objective' about yourself, so you just keep going as you are and 'Thinking' that you know more than Life. You cannot really 'See Yourself' because you are too self-absorbed with the 'little person' you created and who you 'Think' is really You, but it is not! Do you want to stay unconscious for more lifetimes as you already have in Cause & Effect Creation, or do YU, The RealU, want to WakeUp Now? BeingReal IS like the Sun Shining Always! Your RealAwareness is greater than the Sun Shining in the sky! You are in the Designed Matrix of the Reptilian Alien TapLiners (RATS) and they own and rule this planet! Are you having fun with Your Life here? It is only a matter of time until they eat you again as they have in your past lives!

## **I SEE YOUR AURAS...**

"I can See the Auras of people and so much of the time I can See the TapLines they carry in their backs. Most of these people are what they 'Think' of themselves as 'spiritual and holy' with the Astral Light around them. The political, religious, spiritual, scientific systems on this earth and their workers and followers are all TapLined by the Reptilian Alien TapLiners (RATS). This world has been 'sucked down' by the old words of OM, AUM, Amen, HU, Omen and so many others. When a person looks into their Third Eye, the light they first See is from the Astral Realm. The Astral Light is a 'reflective' secondary limited light that has manifested in Creation from The TruReality Life IS, THE ALL IS. YU, The RealU needs The RealConnection to The SoundLight ALL Aliveness of THE ALL IS, to Free Yourself from The Designed Matrix of the RATS. Most people are only aware of Creation and not Their RealAwareness & The Real UNUniverses of RealTruth & RealFreedom. WakeUp or Stay Lost!

## **REALSIDE SEEING IS The NULanguage...**

"The 'world' that is seen with your eyes and heard with your ears is the 'old world' of ideas that are no longer working, and actually adding to the Demise of this planet and The ALLNatural Environment Supporting ALL of US! WWE are Wonderful WorldWide Educators with a RealPurpose of Waking Up people to See what is really taking place on Your Planet Now! The First Step is to See what is actually taking place with The Deceptors who own the governments and monetary systems, then Learn to See What LifeIS Showing YU, The RealU, Your RealAwareness, in Your DreamVisions with Singing The NUSound, The NU~U. Most people are 'one-dimensional' and only 'see' with their Literalized Mind and no further. LifeIS So Much Bigger than what we are each experiencing on the earth. Learning to Read The NULanguage allows You to Become MoreAware and eventually surpass Cause & Effect Creation and the Gods of Man. Beyond the Poisoned Prison of Creation, IS The Real UNUverses of RealFreedom!

## **FAMOUS FAILURES... <https://youtu.be/xMDnsjofhiU>**

"There will always be those who 'only see' with their eyes and mind what they 'Think' others are or should or could be. These are the unaware and asleep 'One-Dimensional Rock People' of this earth who are usually very educated with the MiliTerrorized Literalized KEK Systems. They have been taught that what they have accomplished is 'success' and others who have not been taught or learned what they have are really nowhere according to their Literalized Definitions. I SEE Everyone as a FreeBeing of RealLight, and what they decide for themselves is their affair with themselves. I SEE The Real & Full Potential of every person, but each person must decide to Take The Risk and do what they never have done to See Beyond the Designed Matrix of Cause & Effect Creation. The Distorted Educational Systems are Kontrollled by the Reptilian Alien TapLiners (RATS) and those who worship and pray to the Gods of Man are the slaves of this world for more lifetimes to come.

Take The Risk and WAKEUP and BE Real with US Now!

## **SOUND-GOOD IDEAS THAT ONLY SOUND-GOOD...**

"This world is Kontrollled by Manipulated Marketing Ploy! It all 'looks so good' but is it really good for You? When the Presidents speaks and says 'this and that' is he really telling people the actuality of what is taking place, or is he just lip-serving his own truths for others to Agree? When You see a product on TV or at the store and the front of the box shows what's in it, is that all there is to it? When the preachers and soothsayer masters blurb out their ancient words of wisdumb, which we have all heard for lifetimes, have they really studied The RealTruth LifeIS? This and so much more does 'sound-good' and looks good on the surface, but once YU, The RealU, learns to See Behind The Curtain, then YU See a Different View that is Demonstrated to YU. Do You have The RealCourage to See What IS Real Now, or do You want to keep 'pretending' You already know more than Life ITSelf? Your Choice! When You decide to See Beyond the

'fronts' in Creation, then You are on your way with 'A Journey Like No Other!' But if You decide to stay the same as everyone else who are still sleep, then You will be returning unaware in a new body once again. You are always Deciding Your Fate and Destiny! WAKEUP!

## **WOMEN ARE WONDERFUL...**

"Women are Wonderful and when they WakeUp with a RealAwareness, they will BE Terrific with ALL of Life! Women have always been oppressed in this world by Men... How Ridiculous! It is not the Women of this world that are Kontrolling the HUMAN Farming and Destroying The ALLNatural Environment, it is mainly the Men. Most Men Think' they are more special, smarter, intelligent, capable, privileged than Women. I SEE The Heart of Women and they can BE Wonderful for ALL! WWE are Wonderful WorldWide Educators and WWE Recognize The RealValue of Wonderful Women who have The RealCourage to WakeUp and BE Real Now! WWE are Here for YOU, so Step Up and Be Heard! Duane&Eva

## **ARE YOU FOCUSED...**

"Almost all of the people on this Purposely Poisoned Prison Planet have been Literally MiliTerrorized by the KEK EduKational Systems. They are taught to 'Think' with their Komputer Kontrolling Minds and Not to See Beyond this 'world of appearances!' Cause & Effect Creation has its place for Your Real WakeUp, but at the same time, if You keep postponing your TruWakeUp, then You will Stay Lost here! ALL LifeIS Your RealAwareness Now, and YU, The RealU, is here to Recognize The TruReality LifeIS, THE ALLIS! Until You Recognize 'What IS Real Now' then You will continue to reincarnate into future lifetimes, until You do! There is living in the Now, and then there IS The Real NUNownness LifeIS. The NUNownness LifeIS, is far moreso than just 'living now' as Eckhart Tolle would say, as he is into the 'spiritual' ideas and the Gods of Man.

WWE as Wonderful WorldWide Educators are Real RiskTakers, and WWE get our own RealExperiences from The Whole of Life and The Real UNUiversal Guides and share them. WWE show You how to get Your Own RealExperiences, so You can Free Yourself from the Designed Matrix of Cause & Effect Creation and the Fake Gods who have held You as their slave for untold lifetimes! But, if You insist to stay lost with your created LA LA Land here, then You have the free will to do so. For lifetimes YU, The RealU, has been searching for The RealKnowledge of THE ALLIS, and Duane The Great Writer was chosen by The RealGuides, because Duane has Recognized THE ALLIS, where almost no one else has. The so-called masters and gurus, presidents, kings and queens and so many other 'notables' have not Recognized THE ALLIS, so they will stay stupid and return here in deformed bodies again. The purpose of Creation is to Wake You Up until You can See & Recognize THE ALLIS. You Decide! FOCUS on What IS Real Now, and understand 'what is not real!'

## **WWE ARE HERE FOR YOU...**

"WWE are Wonderful WorldWide Educators with The ALLNatural Environment Supporting ALL of US. WWE are Here for You like no one else! WWE are Very Specialized with Seeing what others cannot. WWE are The Complete Benefit for this world Everyone has been looking for! WWE are The RealConnection with The Whole of Life, and WWE show YU, The RealU, how to get 'Your Own Answers' for RealFreedom Now!

## **TRUCOMPLETENISS COURSES...**

"WWE provide 'The TruCompleteniss Courses' for You to Become MoreAware & SelfSufficient. WWE share with Real RiskTakers, those who can See Beyond the 'standard & ordinary' ideas and inventions that are taking place in Creation. The Whole of LifeIS so much bigger than You can imagine, and WWE show You how to Recognize Yourself as a FreeBeing of RealLight. Creation is a 'Place in Life' and it is Not what people 'Think' it is. There are Real UNUverses of Purity, RealTruth & RealFreedom beyond the Cause & Effect Matrix of Creation.

## **IT ISSS...**

"Life Already IS! To Realistically understand this, YU, The RealU, must have RealExperiences with The Real UNUversal Guides. Many people have experiences with their masters, angels, space people, saviors and saints, and even the Fake Gods of Man, but these and others like them are mainly physical/astral people who are still lost in Cause & Effect Creation. The Wholeniss LifeIS, IS AN ISNIS! Creation is a 'Place in Life' and Not The Whole of Life. There is a Huge Difference from Creation into The Real UNUverses of The TruReality LifeIS, THE ALLIS. But of course, the unaware (thinking they are all-knowing) Authoritarians and their invented Kontrolling gods, have kept people Distorted and Konfused with their 'Devil and Kalaum God' ideas for eons, along with worship and prayer. The unaware masses keep 'Agreeing' to their own demise, lifetime after lifetime, and the old gods laugh and laugh, and so do The Deceptors of the earth who Kontrol the Monetary System and HUman Farming.

"THE ISNIS LIFEIS... IS REALFREEDOM NOW! There is NO Freedom on this old rock in black space! When You have The RealCourage to Step Forward and Take The Risk... WWE as Wonderful WorldWide Educators will show You how 'Escape The Designed Matrix' of the Reptilian Alien TapLiners (RATS) who have always held You a Prisoner Here!

## **WOMEN LUV ROMANTIC ADVENTURES...**

Women Are Wonderful and ALL Women have the right to BE Wonderful & Real! WWE show YU, The RealU, how to BE a FreeBeing beyond the useless discrimination that is always taking place on this planet. WWE as Wonderful WorldWide Educators show You how to 'WakeUp and BE Wonderful and Become MoreAware!' WWE ARE ALWAYS FUN! There is so much more to this life on earth than what You see with Your Eyes, and Now... You can have a RealLife when You are willing to See Beyond all that You have known!

## **WOMEN SPEAK OUT!**

"There has only been SUPPRESSION for Women on this planet. This has purposely been done by the Reptilian Alien TapLiners (RATS), because Women can have a Very Special Connection with The Whole of Life that men cannot always have. The Male Vehicle known as the physical body with its Literal Mind, has continued its domination over Women for eons. I can See how Wonderful Women are, and Now IS The Time to WakeUp with US! WWE are Wonderful WorldWide Educators and WWE have The RealKnowledge every Wonderful Women is looking for! Take The Risk with US, and WWE will show You how to get all Your Own Answers!

## **YOUR REALPURPOSE NOW...**

"YU, THE REALU... You are here for one reason only, and that is to Discover Your RealPurpose with The Whole of Life. If You do not WakeUp Now, then You will Stay Lost with more unconscious lifetimes in Your Future. While You have been here for many lifetimes, You have also been marketed to Agree with the Deceptors who rule this planet. If You do not decide to Take The Risk and go all the way with Your RealPurpose Now, then You will be back trying to find The Real UNUversal Guides once more, which will be very hard to do! Your RealPurpose IS, to WakeUp and SEE what is beyond the Kontrolling Gods of Man and The Matrix of Cause & Effect Creation, then to Recognize The TruReality LifeIS, THE ALLIS! YU came here to complete Something Wonderful with THE NUMAN & The Real UNUversal Guides, and if You hesitate or become overly emotionally involved with 'fake' relationships, then You will return unaware that You were ever here in an even worse environment and body type! Your Choice!

## **DARKSIDE LOVE...**

"For untold lifetimes You have collected so many 'ideas' about what You 'Think' is Love, which keeps bringing You back here unaware and unconscious to try and WakeUp once again. These ideas are along the lines of the Astral Emotional Body and all the 'sensations' You can generate from it. You call this Love, when in fact it is more along the lines of Your Feelings, which You decide is Love and what You 'Think' Love should be. What You decide is fine, but there is so much more that You are Not Seeing! In today's world of purposely planned mass confusion and political and religious Distortions, Your Love 'ideas' are being marketed against You by the Reptilian Alien TapLiners (RATS) who suck on Your Astral Body while You Dream at night. If You are with politics, religion, spiritual masters and gurus, government educational systems, outer space people and most 9 to 5 jobs, You are TapLined by the RATS, because You are giving THEM (TapLining HUMAN Eating Martians) Your Agreement to unconsciously TapLine You! You keep 'Thinking' You are Loving the world, but in fact You are spreading Reptilian TapLining to others! WakeUp Now and discover RealFreedom or Stay Asleep!

## **SOUNDLIGHT ISSNISS LIFEISSS...**

"SoundLight ISNIS, IS The TruReality LifeIS. To the Literal Mind, this seems strange, as we have all been taught so many Distortions that 'seem' to be Real and 'seem' to make sense with our material life here. ALL LifeIS Light, and The TruSourceIS, The Sound ISNIS LifeIS. From The TruCenter LifeIS comes The TruSound, and as IT does, The RealLight LifeIS Becomes So. This IS THE ISNIS LifeIS. The NUSound, The NU~U, IS The RealConnection with THE ALLISINIS LIFEIS, as IT, THE ISNIS, has decided this, but not in a Literal Sense as people try and figure out. As The SoundLight ISNIS comes into the Six Levels of Cause & Effect Creation, a 'reflective light' is produced and this is what the human mind sees first and not The RealLight of THE ISNIS. From the Astral Realm, which is closest to the Physical Realm, the Astral Light is 'Thought' to be The RealLight LifeIS, but it is merely the 'knowledge' from that level in Creation. The Astral Light has its place, and with the creativity of the personal mind, there becomes Distortions with material ideas that start to fill the darkness of time and space and eventually show up as something. For the longest time, which is many lifetimes, many keep 'thinking' the Astral Light is The TruSource, SoundLight ISNIS, and so we have all the Distortion & Deception that is taking place on this planet today!

## **THE NUWAVIS THE NUMAN NOW...**

"THE ALLISNIS LIFEIS & The Real UNUiversal Guides of THE ALLIS, have chosen Duane The Great Writer as THE NUMAN, to bring forth the NUPresentation as The Best Reference & Hint as to 'What IS Real Now!' The days of master and gurus are gone and so is all the Old Rhetoric WisDumb Distortions they keep drowning people with, which are nothing more than words and a little Astral Light. The old marketed fallacy of bringing 'heaven to earth' is a Distortion with the Lower Astral Light, which so many people are infected with, such as the 'love' ideas and the sensations that go with their 'bumper sticker' ideas. The Reptilian Alien TapLiners (RATS) love people being unaware and DAH, because then the RATS can TapLine and suck the energy out of people and keep them herded into HUMAN Farming for future meals. THE NUMAN IS The Real Connection with The Real UNUiversal Guides & THE ALLIS. The fake masters, kings, queens, presidents and other Kontrolling diplomats, are nothing more than HUMAN Farmers working as slaves for the Reptilian God Kalaum, also known as the Lord God of Creation. If the unaware masses want to bow and kneel, worship and praypay to Reptilian Lizards, they have the right to do so! Most people 'Love' the Restictions they have come to know from lifetimes of death and torture by the RATS. YU, The RealU, can decide to Stay Lost & Restricted with the RATS for more stupid lifetimes, or WakeUp with US and BE Free in The Real UNUverses!

## **BLACKMAN WHITEMAN BODY TYPES...**

"YU, The RealU, decided the color and body type you wanted for this lifetime. From Your RealAwareniss, which you are not aware of, YU decided what you 'Think' you are on earth. YU already know that the Gods of Man did Not create you, because YU are a FreeBeing of RealLight from The Real UNUverses of The TruReality,LifeIS, THE ALLIS, beyond Cause & Effect Creation. When YU are ready, YU will SEE this! And to do so, you must BE The Real RiskTaker or stay lost on this planet for more lifetimes Kontrollled by the Reptilian Alien TapLiners (RATS).

## **THE NU~U NUSOUND...**

"The NUSound, The NU~U, is a Real WakeUp for YU, The RealU, Your RealAwareniss, to Become MoreAware and Free Yourself from all the Restrictions you have made for yourself and the ones you have Agreed to with this world. The NU~U Sound is The RealConnection with The TruReality LifeIS, THE ALLIS. Simply Sing The NU~U like this for about 5 to 15 minutes... "NU~U~U~U... NU~U~U~U... NU~U~U~U... and so on, and then Watch Your DreamVisions and learn to remember Your Dreams. In Your Dreams, which is the first part of The RealSide LifeIS, The Real UNUversal Guides will provide RealGuidance and a RealEducation for you to eventually have RealFreedom & RealTruth!

## **REAL RISK TAKERS OF THE ALLISSS...**

"There are many RiskTakers on this earth who know they have to be creative to survive. Creation is a huge challenger for all of us, and the biggest challenge is Not Knowing there is more to Life than just the earth and Creation and to WakeUp to this. This earth has its benefits with The ALLNatural Environment that supports us, but with the enormous Kontrol of the Reptilian Alien TapLiners (RATS) who have been here the longest, the survival rate of people is vanishing rapidly. Taking Risks to survive here is one thing, but it all soon disappears as one gets older and feeble and unable to care for themselves. All the so-called 'thrills' are gone and all that is left are memories like those of pastlives that most people cannot remember. So the routine of rebirth continues for those who Do Not Become The Real RiskTakers to See Beyond this world and Cause & Effect Creation. Seeking thrills here is one thing and Becoming MoreAware & SelfSufficient is a much better position to stand in. From the personal view and mind of most people, they cannot See what lies beyond this world and all the unlimited possibilities that already exist, so their imagination and attention is moreso focused on that they see in front of them, which they do not always consider will soon vanish and becoming nothing. The Real RiskTaker, one who has been guided and educated with The RealKnowledge of The TruReality LifeIS, THE ALLIS, they will step forward and take on The RealAdventure of Life and expose themselves to whatever it takes for The TruReality LifeIS to be known and understood. Very few people will do this, because most people are too afraid for themselves and the so-called 'social' position they 'Think' is more important than their RealAwareniss and RealFreedom. The masses 'pretend' there is some kind of freedom here, but there is None! The Political and Religious Kontrollers will drown people in 'pretty words' to convince the unaware that the so-called freedom they are wanting will soon take place and that they are to hold onto their 'hope' for this event to happen, which it never will, because it never has! Duane The Great Writer is providing what no one else has The RealCourage to do... The NUWay Out of

## CHASING FREEDOM...

"You have the free will to decide whatever you want according to your situation on this world, and also 'chase' whatever you want. Each person's position will be different and they will many times make their choices according to their environment. Just because you have the Freedom or right to decide your choices does not mean you have RealFreedom. There is a Real Difference between Freedom of Choice and RealFreedom. There is No Freedom in any sense here when it comes to the Restrictions of the physical body, emotions and mind. You can carry the 'idea' of Freedom with you, but you are still Restricted by what is created here. You have the Freedom to pay taxes or not, then you deal with what happens if you do not. Where is Your Freedom now? You have the Freedom to decide, but that is all. You are 'told' in a Literalized Sense you are Free here in some way. That this country is based upon some kind of Freedom. With what has become so with all the creations on this planet, from the political, religious, spiritual, educational and scientific systems, there are more Restrictions than ever! You are fed the 'ideas' of Freedom and also to become prosperous, as you chase your so-called Freedom and also the created money that others Kontrol. You have free will, but free will is not RealFreedom!

"RealFreedom does not exist in Cause & Effect Creation. RealFreedom already exists in Your RealAwareness, and this is where YU, The RealU, learns to Recognize it, then at some point in your experience with Creation, you are able to surpass everything that has Restricted you to the limited fallacies you have created for yourself here. Until you take the time to SeeMore than you ever have, then you will continue to Restrict Yourself to Cause & Effect Creation for more lifetimes of staying unaware of The Whole of Life. There are NUWorlds & Real UNUverses for YU, The RealU, to explore and discover, but you must Take The Risk to See Beyond all that you have ever known! WakeUp Now or Stay Lost Here!

## DUANEIS THE REAL MOTIVATOR...

"Duane The Great Writer & UNUversal Seer, IS The Great Motivator with The Real UNUversal Guides & THE ALLIS. The unaware masses, which is the majority of people on this planet, keep Agreeing to their own Demise and cannot See this! Most people 'Think' they know more than Life, and it is demonstrated with what they are doing here. Everyone has the right to do whatever they want, and it would Makes Sense to take to heart what The ALLNatural Environment does so Naturally. DuaneIS The Real Motivator for 'What IS Real Now & What Makes Sense Now!' Take the time to Read The NUBooks and Sing The NUSound, The NU~U, and YU, The RealU, will begin to have Your Own RealSide Experiences where 'Life Will Show YU, What IS Real Now & What Makes Sense Now!'

## **ALL~AWARENISS ACTIVITIES for THE REALU...**

"The world around us is full of activities, and it would 'seem' that we can do almost anything, but from what is taking place, how much of these activities really Make Sense? LifeIS Survival, RealSurvival! The animals and birds in The ALLNatural Environment Demonstrate RealSurvival every moment! The over-creative people on the earth have given their Agreement to Deception moreso than RealSurvival with the existing political, religious, spiritual, educational and scientific systems, to where everything and everyone is Purposely Poisoned, Dumbed Down and Kontrollered! Does this Make Sense Now? YU, The RealU, who has taken on another Physical Body for this lifetime. You have been under the Iron Fist of the Authoritarians and their invented sacrificial gods for eons of lifetimes! Life on earth is getting worse everyday, and YOU keep Agreeing to You Own Demise! WakeUp and Get Real Now, or Stay Lost & Unaware for many more lifetimes of even worse embodiments as you enter Your Agreed Upon Future! There is so much more to Life than what we are each experiencing here, and it definitely supercedes any of the invented systems that are Kontrolling you! You have been taught to Emotionally Trap Yourself with 'beliefs & sacrifices' with what the Reptilian Alien TapLiners (RATS) have marketed you to Agree with. WWE as Wonderful WorldWide Educators can show you how to have Real Activities for you to Become MoreAware! Do you really want to stay unaware, even though you 'Think' you are aware? You are aware of this world and some of what is taking place, but the earth is just a 'Place in Life' and not a RealLife.

"There are NUWorlds & Real UNUverse waiting for YU, The RealU, to Discover & Explore that are far more Fun than what is taking place on this planet. On this earth you basically have a one-dimensional literalized awareness. WWE will show YU, The RealU, how to have The ALL~Awareniss with THE ALLIS. There is so much more to you then what your eyes can see. WWE will show YU how to SEE 'What IS Real Now!' Read The NUBooks and Contact Kelsey Brown, Tanya Quarterman, Chris Courage, Mariam Elbou or Eva Shari on Facebook. Have Fun Deciding!

## **NU~U IS RIGHT ON...**

"The World IS Waking Up to The NUSound, The NU~U. The NU~U, IS Pure & Real Now! It is more than evident that most people are still Trapped & TapLined with HU Howling, OM, AUM Chanting and Amen Worshipping & Praying. The Gods of Man and the Authoritarians Kontroll the HUman Farming in Creation and most people Agree. HUman Farming includes all 'species' of embodiments, like animals and other aliens, as they are all over this planet. The NU~U, IS The NUWay Out of Cause & Effect Creation and into The Real UNUverses of RealFreedom! From what has been seen and learned in history to this very moment, it is more than obvious that all the common emotional ideas of love, worship, prayer, belief, faith, hope and so many others that people have lived with for lifetimes are not working, as this world is more poisoned than ever! The unaware masses continue to use all the old common ideas and 'Think' they are working, and at the same time keep Agreeing to the Destruction of The ALLNatural Environment that Supports ALL of US.

"The NU~U, IS The RealConnection with The TruReality Life! IS, THE ALLIS. THE ALLIS, IS not Deception like the political, religious, spiritual, educational and scientific systems that have been invented on this planet. YOU are one of the many unaware who keeps Agreeing to your own demise, as this lifetime passes very quickly for you. The time will come when you will have tears for others and then yourself, as you once again pass into an unknown area that you have been to many times before! The NU~U, IS The Real WakeUp everyone is looking for. You will stay afraid in this Passing Dream, until YU, The RealU, has the courage to Become a Real RiskTaker and See Beyond this world and the Marketing Ploy of the invented systems and their invented gods. There is nothing with Nature that worships anything, and so until You get out of the 'idea' You know more than Life, then You will be coming back here unaware once again!

## **AGREE with BEINGREAL...**

"Agreement IS Real. Whatever you Agree to IS Real. Most people have already Agreed to the Planned Deception on this earth! The invented political, religious, spiritual, educational, and scientific systems are all based upon Deception, but YOU do not See ALL of IT! You may 'Think' the Deceptive Insidious Entertainers (DIE) are a little inaccurate about what they are doing, as they 'seem' to pretend to make mistakes they admit to from time to time, but what is really taking place with THEM is a lot more than you can imagine. You can 'Think' in your mind that whatever you 'Think' will remedy the TapLines you have in your Astral Body that effects your physical body are okay, but when the Effects from what You Have Agreed to start showing up, You will not know why! Do You really want to Stay Asleep, Lost and in the Dark for more unconscious lifetimes on this Purposely Poisoned Prison Planet, or do You want to WakeUp and have RealFreedom Now? Maybe You 'Think' the invented god or the old saviors will save you and take care of you, but have you found their heaven yet, or have they returned, and will the space gods fix what people have done to this planet? Does Life Make Sense or does it not? Do You want to Learn to Be Real, or just stay with the old stories you have heard for lifetimes that You keep Agreeing to, that keeps You a Slave & Prisoner here with the Reptilian Alien TapLiners (RATS)?

"AGREEING to BEINGREAL is a Lot More Fun than just 'believing' you will 'hopefully' be okay after 'YOU DIE' with your good book and faith. YU, The RealU, can actually go to any Heaven you like, as there are many of them, and also meet your supposed god in the Mental Realm. There is no 'mystery' about the invented gods who are really just managers on their respective realms. YU, The RealU, is actually a FreeBeing of RealLight beyond all the minute ideas that exist in Cause & Effect Karmic Creation! Do you like living in Karma, or would YU like to Escape the Designed Matrix of Karma permanently? Are you HU Howling, OM, AUM Chanting or Amen Worshipping & Praying? Then YOU are being TapLined by the RAYS in Your Dreams! WWE can show YU how to get Your Real Answers from Life and Have Fun doing it! Agreeing to

Deception only equals Being Deceived, Trapped & TapLined for a lot longer! WakeUp with US by Singing The NUSound, The NU~U and Be Free Now!

## IT IS YOU!

"YES! IT IS YOU... and it has been YOU all along! YU, The RealU, Your RealAwareness, that has been thru an incredible journey for lifetimes to BE Right Here Right Now! YOU have ALL The Answers for Your Life and WE have The RealKnowledge, YU have been Looking for! There is so much more to YU than You will ever imagine! You do not need Old Restrictions from presidents, queens, masters and gurus... YU Are The Answer Now!

## HAPPY WOMEN'S DAY

"Hello, I am Duane The Great Writer, and this is for all you Wonderful Women to WakeUp and BE Free for Yourself! As you Sing The NU~U, you will begin to See Beyond all the Restrictions that have been placed upon you, because YU, The RealU, Your RealAwareness, is going to discover Your TrueSource as a FreeBeing of RealLight! What I am presenting to you is not just some 'pretty words' like the Political, Religious and Spiritual Matrix Deceptors, those who have persuaded you to be 'secondary' to those who Kontrol this planet. There are men who respect women as their equal, but for the most part, the egotistical men of this world have dominated women to the point of making them like animals, when in fact The RealHeart of a Woman is So Wonderful! Of course, each woman must WakeUp to this or be a slave to the male egos who are destroying this world. It is also true that women can be very notorious and seductively clever, and as you read My NUBooks, you will learn a lot. It is not that men are better than women or vice-versa, it is that all of us are FreeBeings of RealLight and we stand 'Being to Being' in The Real UNUverses, those Endless Awesome Positions that exist beyond Cause & Effect Creation and the Kontrolling Gods of Man. To have this RealLife, you must learn to Recognize what you have never known, as this is a huge journey like no other. So, simply Read this NUBook and Have Fun Singing The NU~U, as you will start to have Your Own RealSide Experiences with Rebazar Tarzs & The Real UNUversal Guides! I personally adore women, as I have met so many who have great insights and can See what very few people can. Women have a very special way about them that most men cannot See, but I can, and when I See certain women who have this, I take the time to show them how to BE Wonderful for Themselves! Women actually have a Real Advantage over men, but for those women who are caught up only with the 'social order' of things, they will not See what is so Wonderfully Possible for them. YOU, the woman you are, this is Your Time to WakeUp and have RealSuccess like never before! Have Fun!

## THE REAL MESSIAH

"Even before the idea of Messiah there was the Deliverer, which was what Moses was called. These two ideas and events and so many others like them in human history have taken place according to the times they were in. It is like you and I when we went to school and the grades levels we went thru. As we became older, we also became a little more aware of ourselves and our surroundings. This is how what we have all come thru for untold lifetimes and what took place 'then' has brought us to NOW! The past can be a 'good reference' but it is not alive anymore and it is really gone! Because we have a mind and emotions, we can 'Think' whatever we want to and then add emotional attachments to these ideas, which is a stimulation, so that whatever we 'Think' seems to come alive. This is some of the fun people have with themselves who are not yet aware enough to See Beyond their mind and senses. Those who were 'labeled' by the existing systems or the masses in the 'traditional' past to be the Messiah or Deliverer or whatever, they usually did not write anything down or have personal secretaries taking notes, or many times even profess what the onlookers kept 'Thinking' and saying they are. Of course we need to 'label' things or people and events, as this is part of the Literal Mind to identify itself, but YU, The RealU, can See so much more!

"If Jesus or Moses and some of the other 'traditional saviors' and saints were to return here, chances are they would not be Recognized, because times Now are different. Actually, this does not matter, because ALL LifeIS Now! There can be no event in history that compares to LifeIS Now. To truly understand and grasp what I am 'hinting' at here cannot be Literally Defined! YU, The RealU, must first Recognize Yourself. YES YU! WakeUp and Learn To SeeMore than you ever have before. Until you do, you will be returning here unaware and unconscious for more lifetimes of drudgery. Take The Risk and Decide to WakeUp Now! The TruReality LifeIS Now, IS Already providing Everything YU need! But again, it cannot be Seen with Your Literal Mind... IT Must Be Recognized by Your RealAwareness. Beyond all of Creation and the Invented Ghostly Gods of Man, there IS Real UNUverses that are Pure & Real! The 'Direct Representative' with The RealConnection with The TruReality LifeIS, THE ALLIS, IS Already Here, but YU must Learn to Recognize Him here and on The RealSide LifeIS, in Your DreamVisions. In many of the old ancient writings there are many 'hints' as to how to do this, but the outdated wisdom of the ages has become so 'Literalized' that very few can get anything from them. In Your DreamVisions, as in all of history and all the lifetimes YU have been thru, Your DreamVisions IS The NUWay to NUWorlds & Real UNUverse of RealFreedom Now! WakeUp & SEE!

## STAYING LOST

"The masses seem to enjoy 'Staying lost' with what the Reptilian Alien TapLiners (RATS) have created as the KEK Systems (Kontrolling Earthly Korporations) of the Kalaum Lord God. Religion & Politics are the Deceiving Deceptors Marriage for the unaware Submissive TapLined Slaves who keep Agreeing to the invented religions and politics of this world. Who is it that is Destroying this Purposely Poisoned Prison Planet? The

religions and governments that are in bed together to keep YOU as their Supportive Slave, Now and for lifetimes to come! Do YU, The RealU, want to WakeUp Now or Stay Lost and unaware for thousands of more years in your futuristic deformed bodies? Read My NUBooks and Take The Risk and do what YOU have never done before!

## **REAL RISK TAKERS OF THE ALLISSS...**

"There are many RiskTakers on this earth who know they have to be creative to survive. Creation is a huge challenger for all of us, and the biggest challenge is Not Knowing there is more to Life than just the earth and Creation and to WakeUp to this. This earth has its benefits with The ALLNatural Environment that supports us, but with the enormous Kontrol of the Reptilian Alien TapLiners (RATS) who have been here the longest, the survival rate of people is vanishing rapidly. Taking Risks to survive here is one thing, but it all soon disappears as one gets older and feeble and unable to care for themselves. All the so-called 'thrills' are gone and all that is left are memories like those of pastlives that most people cannot remember. So the routine of rebirth continues for those who Do Not Become The Real RiskTakers to See Beyond this world and Cause & Effect Creation. Seeking thrills here is one thing and Becoming MoreAware & SelfSufficient is a much better position to stand in. From the personal view and mind of most people, they cannot See what lies beyond this world and all the unlimited possibilities that already exist, so their imagination and attention is moreso focused on that they see in front of them, which they do not always consider will soon vanish.

"The Real RiskTaker, one who has been guided and educated with The RealKnowledge of The TruReality LifeIS, THE ALLIS, they will step forward and take on The RealAdventure of Life and expose themselves to whatever it takes for The TruReality LifeIS to be known and understood. Very few people will do this, because most people are too afraid for themselves and the so-called 'social' position they 'Think' is more important than their RealAwareniss and RealFreedom. The masses 'pretend' there is some kind of freedom here, but there is None! The Political and Religious Kontrollers will drown people in 'pretty words' to convince the unaware that the so-called freedom they are wanting will soon take place and that they are to hold onto their 'hope' for this event to happen, which it never will, because it never has! Duane The Great Writer is providing what no one else has The RealCourage to do... The NUWay Out of Cause & Effect Creation Now!

"The NUSound, The NU~U, is a Real WakeUp for YU, The RealU, Your RealAwareniss, to Become MoreAware and Free Yourself from all the Restrictions you have made for yourself and the ones you have Agreed to with this world. The NU~U Sound is The RealConnection with The TruReality LifeIS, THE ALLIS. Simply Sing The NU~U like this for about 5 to 15 minutes... "NU~U~U~U... NU~U~U~U... NU~U~U~U... and so on, and then Watch Your DreamVisions and learn to remember Your Dreams. In Your Dreams, which is the first part of The RealSide LifeIS, The Real UNUversal Guides will provide RealGuidance and a RealEducation for you to eventually have RealFreedom & RealTruth!

## **REPTILIAN TAPLING WORSHIPPING & PRAYPAYING TO REPTILIAN JOANNY KLUMP EVERY SUNDAY FOR THE KALAUM GOD WHO NEVER RESTS FROM DECEPTION**

Welcome Everyone to another Planned & Premeditated Reptilian TapLining Service! I will ALWAYS be your Host Director (Dictator) for lifetimes to come. Fake master HarOld and I are always so pleased everyone takes the time from their 9 to 5 Boring Jobs of Drudgery that was originally created by the god you are worshiping! As everyone Howls HU and fills the EK (Evil Karma) Temples with noise and TapLining Vibrations, our hearts (which HarOld & I do not have one) go out to each of you (actually the TapLines we send out to keep you as our PrayPaying Slaves for more lifetimes). You no longer have to make any effort to 'look to the inner' as Paul mentioned, because this 'inner' idea just confesses you, and we know this. So, HarOld and I have made it easy for you, as we will do all your Thinking & TapLining for YOU!

### **President Putin Claims Queen Elizabeth “Is Not Human”**

Putin has told senior staff and close associates that he believes Queen Elizabeth II shapeshifted while greeting him as a show of strength and a warning to not mess with the dominant reptilian-Illuminati bloodline. Brave Vladimir Putin has told senior staff and associates that Queen Elizabeth II is not human but is a 'reptilian that shapeshifts between human and reptile form' and according to sources close to the President he has witnessed her shapeshift 'in the flesh, before his very eyes, and in his opinion, as a warning to him personally.' Putin met the Queen at the 70th anniversary of the D Day landings in Normandy, France in 2014. He was widely criticised by the Western media for failing to help the monarch up the stairs, and keeping his distance from her in general. It has now emerged that Putin stayed as far away from the Queen as possible because he witnessed her shapeshift moments earlier. 'The Queen has a long reptile face, almost like a beak, and she is a sickly grey dish water color.' She shifted between this form and her human state 'three or four times' while greeting Putin. He also saw her shapeshift later while she was being helped to her position for the world leaders photo op by Barack Obama and New Zealand's Governor General Jerry Mateparae. Her hands turned into reptile hands while they helped her up the stairs. When she smiled her teeth changed into sharp reptile teeth and glistened.' Putin has told senior staff and close associates that he believes she shapeshifted while greeting him as a show of strength and a warning not to mess with the dominant reptilian-Illuminati bloodline of which she is a high priestess. Putin's first hand experiences with the reptilian-Illuminati chime with my own research and second hand accounts. I have

dedicated the last five years to researching the elusive, tyrannical powers that rule our world, travelling to over 80 countries, and it never ceases to amaze me how many people from very different walks of life have told me stories about seeing 'people' briefly turn into reptilians before their very eyes. I've been told this by Californian news anchors, Ethiopian goatherds, and Australian Aboriginals, just to name a few. A Danish taxi driver described driving past a group of VIP guests at the 2014 Bilderberg meeting in Copenhagen and seeing some of their faces turn reptilian and some of their hands and feet take on a reptilian look. In Peru a respected psychic told me she sees people in power, like Obama, David Cameron and Hillary Clinton, turn into reptiles whenever she watches an international news channel.

The world's ruling class have tyrannical control over the mainstream media, as well as our food, water, and air supply, and they are actively dumbing down the masses. The evidence against them, ancient and modern, is enormous and continuing to grow. 'Her hands turned into reptile hands while they helped her up the stairs. ## **ASK MOTHER TERESA on FACEBOOK...**

DUANE THE GREAT WRITER interviews DEAD MOTHER TERESA on THE REALSIDE...

"Hello Mother Teresa, thank you for showing up in this lovely Astral World setting. You seem to be doing fine here," said Duane.

"Hello Duane, nice to See you again. I have been Singing The NU~U, and I am having many RealExperiences with The RealGuides. They have introduced me to the Lord God. I finally See thru all the silly stories on earth and what you have told me about the Reptilian Alien TapLiners (RATS) creating the Bible and such scriptures. From The RealSide here, I can See so much more! I want to get to The Real UNUverses from here, but The RealGuides told me that I must return to earth for several more lifetimes before i am ready to Recognize THE ALLIS," she said.

"You will be fine. I can See that when you return to earth The RealGuides will be with you. You will learn about them in Your DreamVisions when you are still very young. Your mother will 'Think' you are telling stories, but you will remember being here and with The RealGuides. Life is Bigger than what we learn on the earth, but we must first go thru Creation to Compare & Recognize what is Not Real, to then See & Recognize

"What IS Real! It is a Huge Journey and you have the heart for it, Mother Teresa!" Said Duane, as the Giant Sun shined on them.

"All that matters to me is I am Not Dead, and The RealGuides are with ME!" Said Mother Teresa, as Duane and her looked at the Shining Sun.

"WAKEUP WITH US or STAY LOST HERE! READ THE NUBOOK!"

## **ASK THE FEARED GOD ON FACEBOOK...**

DUANE THE GREAT WRITER INTERVIEWS THE KALAUM LORD GOD of THE EARTH WORLDS VODOO RELIGIONS...

"This is an Amazing Adventure I have to tell... One night Rebazar and Paul came into my room while I was ready to go to sleep... "Stay Awake with US, Duane! We are going on a NUAdventure with you to the Mental Realm and the Lord God, Kalaum! You have been there many times and this will be something fun for you." Said Rebazar, as him and Paul went up into my ceiling and I could feel them pulling me along. We were soon above my house and flying upward into the vast and dark nightly sky. I could sense the suspense of what was about to take place. I knew the Kalaum God did not really like what I was doing on the earth with The RealGuides, but in his own way he was fine with me, because he had an unlimited number of dumbled down unaware souls as his slaves for more ongoing lifetimes. We first went thru the Astral Realm and flying above the the palace of the Astral God, who just happened to see us from the ground. He shook his fist at us, as Paul laughed and we continued upward. We soon entered the Causal Realm and flying above the huge scenery. The fake god of this realm, Brahman, was outside speaking with a bunch of his worshiping followers when he saw us... "Come down here and pray with us!" He said, as we waved and kept flying higher.

"I could feel the tension mounting as we were leaving the borders of the Causal Realm and into the Mental Realm of the Fierce and Bothersome Kalaum God! The predominate noise of the OM was everywhere, as we entered this Forbidden Heaven of Man. I began to laugh within myself, as I have been here many times before to hear the Noise of God. We flew across the huge vastness of the Mental Realm, until we came to the Giant Castle of the DevilGod Kalaum! I could feel the hate he was emanating as we approached. All of us landed on the front steps of the Kalaum Castle, as the guards looked at us funny. They let us pass, as we walked into the huge hallway entrance and soon to the main auditorium of The Lord God Himself. Most blind worshipers of Kalaum do not know that he had to fight his way into his position to proclaim himself the KingGod. I sensed his presence as we entered the giant area where in the distance in front of us was the huge Throne of God. There were giant curtains behind his throne that went miles into the sky. As I looked closer, I could See him looking at us from a small slit in the curtain. Rebazar looked at me and nodded with a smile, as he and Paul saw the Kalaum God being silly. He then came out and walked majestically to His Throne. We stopped and waited for a moment, then walk slowly

towards him. He was a large figure, as Kalaum can take any form he likes, but he has already did so many different forms when I was here before, so I figured he was not going to try and fool me anymore. He watched us closely as we moved to him. Kalaum is the Reptilian DevilGod unaware people worship.

"Come to me Children of The Light. You are welcome here in my humble place of worship! Rebazar and Paul, you know me well. I see you brought THE NUMAN. He is a lot of trouble for me! He is too much of a RiskTaker! I like HarOld, because he is so stupid and easy to get along with. HA HA HA...Krone Joanny has drugged and beaten Harry into a silly boring fool! SHE has done well and I will reward HER well!" Said the Kalaum God, as he smiled with delight! "You are fooling yourself again, Kalaum Grog! Duane and The NUWorldWide Educators will be taking over the planet earth with The NUNowniss of THE ALLIS! Everything Phoney Joanny has done is being exposed very rapidly and people are Waking Up to The NUSound, The NU~U!" Said Rebazar firmly.

"WAAAAH... WAAAAH... WAAAAH!" Cried Kalaum, as tears like a flood came pouring from his eyes and all over the floor. "I Hate ALL of YOU! You are destroying all that I have worked for! I Hate to admit that what you are doing is Nice, and that... NU~U IS RIGHT ON!" Said God!

## **REALSIDE EXPERIENCE FROM A FRIEND**

In April there was a Springtime gathering of people that come from around the world on my former spiritual path and I've been to worldwides over the years. But I learned of Duane the Great Writer and started singing NU-U instead of attending the seminar this year. That seminar weekend I dreamed of a large spacious room and when I opened the door to enter, rats of all sizes flooded out. They couldn't wait to get out! They were all sizes - very large and then some real tiny ones like babies. Some moved slowly and aged while others were young and lively. I didn't fear them but just stepped aside and observed them sprawling all over the place. Upon waking from this dream I knew that it represented RATS of my spiritual path and that I didn't want to be around THEM.

## **ASK JOHN LENNON on FACEBOOK...**

DUANE THE GREAT WRITER interviews John Lennon...

"Here I am once again in some area of the Astral Realm. I have never met John Lennon, and I was Seeing that this is where he is at. I approached a house I knew he was in, and as I did, a young lady came to the door and greeted me...

"Hello, can I help you?" She asked.

"Hello, my name is Duane, and I still have a body on the earth. I am looking for John Lennon, would he be here with you?" I asked, as I could see John coming to the door.

"Hello, I am John, what can I do for you?" He asked.

"Hello John, I am known as Duane The Great Writer on earth, and I was wondering if I could speak with you for a few moments?" I asked.

"Duane The Great Writer, of course! I have read a few of your books here. Yes, I would be glad to talk with you," he said, as we both walk a bit and sat under a nearby tree.

"While you were on earth, I heard that you and your friends were into meditation for a while," I said.

"Yes, we looked at many things as part of our adventure there. I also read a few of Paul Twitchell's book and tried the HU word for a while. I followed the ideas of the others who were into OM and god, and so we used the OM and Amen with god," he said.

DUANE THE GREAT WRITER interviews JOHN LENNON...

"Here I am again in a nice part of the Astral Realm. It took me a while to find John Lennon, as he was in a remote area inside a house with some of his friends here. I had never met John, and so this was a first for me. I approached the house, and as I did, a young lady came out to greet me...

"Hello, can I help you," she asked politely.

"Hello, my name is Duane, and I still have a body on the earth. I was wondering if I could speak with John Lennon?" I asked her, as she called John to come to the door and he walked over to greet me.

"Hello, I am John, what can I do for you?" He Asked.

"Hello John, My name s Duane, and on earth I am known as Duane The Great Writer. Would you have a few moments to do an interview with me?" I asked, as he immediately nodded yes.

"Yes of course! I have heard of you Duane The Great Writer! I have actually read one of your books some time ago. While I was on earth, Paul, and the rest of us did some meditation and we were able to do Astral Projection, but as we continue we noticed a lot of negative influences were starting to take place in our lives, so we stopped," he said.

"Yes, I understand, John. Most people are not aware enough to know that Astral Projection and things like Remote Viewing can be fun, but there is also the possibility of opening up holes in Your Aura that allow negative forces to enter and do a lot of damage. I let people know about TapLining, which is all over the earth with the Reptilian Alien TapLiners (RATS). What words did you use when you did your meditation?" I asked.

"We would use the OM word and some other ancient chants and verses. We knew about the HU with Paul Twitchell, but we rarely used it. We mainly used the OM with god," he said, as he smiled.

"I suggest you stay clear of the OM, Amen, HU and other words in Creation, because the RATS will TapLine anyone using them," I said.

"I am not all together sure where I am at here, and I did assume that I would come to a much better place, but here I am. I know what you are saying, Duane. All of us here have Seen the Reptilians here many times and what they do to people who come here in their Dreams. I have a completely different view of what is taking place on earth and other places like it from the time I have been here! How can I find a better place than here to have a better life?" He asked me.

"Very simple, John. Start Singing The NUSound, The NU~U, and The Real UNUversal Guides will provide RealGuidance and a RealEducation for you to eventually Be in The Real UNUverses of RealFreedom!" Said Duane.

"I Like that, The NU~U! We will all starting Singing The NU~U, together here! Thank you, Duane! It is so great to meet you, and please stop by again!" He said joyfully, as I flew up into the Sun Shining in the sky!

## **ASK KITTIES on FACEBOOK...**

DUANE THE GREAT WRITER interviews THE KITTIES...

"I have many Kitty Friends, and the ones in the picture here posed for this interview. These Kitties can leave their bodies and go to NUWorlds of Adventure. They like to share their stories of what they have done, and so this is what this interview is about.

"Hello Miss Charlotte, will some of the other Kitties be joining us soon?" I asked.

"Of course, they are just getting up from their 15 hour nap," she said.

"I like my naps and I thought an hour or two was long," I said.

"People are different than Kitties. People are in a hurry to go nowhere. I remember my past lives with the Indians and how they worked with Nature. They really didn't harm anything. When the white people came, they started to tear apart the earth to where we are today on a totally poisoned planet!" Said Miss Charlotte, as some of the other Kitties began to slowly show up.

"I have had many lifetimes here too, and my last one before this life was where I was an Indian. I wrote about this in NUBook One," I said.

"I know, I read that book on The RealSide. I cannot read to well here, but when I am in My RealAwareness, then I can do anything. We have both been with Rebazar & The RealGuides for many lifetimes. I am not interested in going into a silly human body, because people are too unaware in their body forms. They collect all kinds of arrogant attitudes that chain them to the World Controllers and they stay lost and unconscious for ongoing worthless lifetimes of being slaves. People today are destroying this planet so rapidly and they do not See this, not at all," said Miss Charlotte.

"Yes Miss, that is why I created the Wonderful WorldWide Educators (WWE) to try and Wake People Up, but it is not easy," I said.

"People on this planet love their Restrictions, they love being part of the Human farming they are Controlled with. They say they care about the earth, but they decide differently," she said, as the other Kitties around her began to Meow and agree.

"Where do you usually go in the other worlds when you leave your bodies?" I asked.

"We like to go play with the other animals that are nicer than the ones here. The Kitties on the higher levels are so much more aware and fun! There are not a lot of Kitties on earth like us, that is why we stay together as friends. We take naps together and leave our bodies together," she said.

"I have always loved cats, and I am so glad to know you, Miss Charlotte. Thank you for speaking with me. I will put this on Facebook for other Kitties to read,, Ha Ha Ha...

## **ASK PEE WEE on FACEBOOK...**

DUANE THE GREAT WRITER interviews PEE WEE HERMAN...

"I fell asleep and went to The RealSide in My DreamVisions. The first person I saw was Pee Wee Herman playing basketball by himself in a park like setting. I walked over and said, "Hello Pee Wee, can I play?"

"Duane The Great Writer! Off course! You are My Hero, Duane. I have read all your books and I am having a great time dreaming and flying around the different realms you described. The NU~U, IS Fantastic and it works for me all the time! I have met Rebazar & Paul and many of the other RealGuides here! I Just LUV The NU~U!" He said.

"It is Your Heart Pee Wee! You have a Great Heart and Life Sees this! I have taught so many people for more than 40 years, and many of them do not put their heart into this, nor do they do anything, but want something from The RealGuides. Each person has to earn their own way," I said.

"I am telling everyone about The NU~U!" Said Pee Wee.

"Eva & I share The NU~U everyday. Let's play basketball and we will soon be back to our physical bodies on earth," I said, as we played.

## **ASK TESLA on FACEBOOK...**

DUANE THE GREAT WRITER interviews TESLA on THE REALSIDE...

"I am once again on The RealSide with Rebazar & Paul, as we are planning what will take place on the earth to Wake People Up! Tesla has been here for years with The RealGuides and doing his part to Become MoreAware. The RealGuides assisted Tesla while he was on earth, and Tesla is now with THE NUWAVIS THE NUMAN, and with The ALLSolar Research Vessel Project, which is actually completed in the Astral and other realms. I have been with Tesla for many years, as I introduced him to Rebazar when he crossed over from his physical life on earth. Life IS Bigger than The Ideas of Man!

"Hello Tesla, are you having with what you are doing here," I asked him.

"Of course, Duane! Since you introduced me to The NUVessel Project, I have been on it night and day... HA HA HA... as there really is no night here, unless I want it. I can See So Much More than I did while I was on the earth. The earth people are so dumbed down by the political/religious systems. When I was there with JP Morgan, I could Not See everything that was going on, and so he took advantage of me. I did what I could during those times, but where I am Now with You & The RealGuides is the

best and keeps getting Better!” He said.

“WWE as Wonderful WorldWide Educators, LUV you Being With US, Tesla. Everyone is welcome to Be With US, who have The Great Heart to Do Something Real with ALL Life. Since you started with The NUVessel Project, you have had a lot of NUVisitors in their dreams,” I said.

“Yes I have! There have been hundreds of Dreaming People from the many RoundWorlds in the physical realm that have been coming here to See what WWE are doing. Some of them are Waking Up and Singing The NU~U, and most of them cannot remember they were here, because their minds are so Literalized by the EK (Evil Karma) Kontrolling Systems,” said Tesla.

“This is a short interview for now, Tesla. I will have to get back on earth with Eva and continue to Share The NU~U... Have Fun here Tesla!” As I returned to the earth and woke up from this RealSide Experience.

## **ASK THE MASK on FACEBOOK...**

DUANE THE GREAT WRITER interviews THE MASK...

“As I was having a RealSide Experience after going to sleep a while ago, I suddenly saw a green colored tornado coming my way. As it slowed down and unraveled, my first impression was that it was... ‘THE MASK!’

“Hello Duane, we meet again! I have been Singing The NU~U, and I must say for me it has been incredible! I am Becoming MoreAware of other dimensions and NUWorlds that you have told me about. I am learning that My Life IS My RealAdventure! I am telling all the funny characters I meet in this place and the other realms you have described in your books about how Great The NU~U, IS! I have met Rebazar and Paul and many of the other RealGuides, and we have the best time, as I share some of My RealExperiences and tell a few jokes. They are great and they like to Have Fun! I would suggest to anyone to Sing The NU~U and Watch Your DreamVisions, then Take The Risk, like Duane says, and then have the courage to Creatively Share The NU~U... YOU WILL LUV IT!” He said as he suddenly spun off again like a green tornado! WOW!

## **ASK ARNOLD on FACEBOOK...**

DUANE THE GREAT WRITER interviews ARNOLD...

“I went to The RealSide, as I put my body asleep. I was flying around a part of the Astral Realm, when I spotted some people on the beach, so I flew down to take a look. I immediately noticed that the Arnold who is the movie star in the physical realm was here. I landed close to him and walked over...

“Hey You!” He said to me as he pointed.

“Hello Arnold, you look just like you do on the earth,” I said.

“That is my other body that ‘Thinks’ it knows something. I have seen you somewhere before! What is your name?” He asked me.

“I am Duane The Great Writer, and I have a body on earth like you,” I said.

“I have heard of you!” Said Arnold “I have heard of others talking about what you are doing here and how you can go in other dimensions. Can you show me how to get beyond this place, I have been here a long time and it is starting to get very old for me!” He said to me.

“Of course! It is rather easy to do. Start Singing The NUSound, The NU~U, and Your RealAwareness will begin to See Beyond this realm and into better ones. You will still be in Cause & Effect Creation for a while, and then YU, The RealU, will begin to Recognize The Real UNUverses and eventually The TruReality LifeIS, THE ALLIS.” I said.

“NU~U~U~U, like this?” He asked.

“Yes! Have Fun with this and you will meet The Real UNUversal Guides. They will provide RealGuidance and a RealEducation for Your Journey to RealFreedom Now!” I said.

“I LUV This! Thank YU, Duane. I will try and tell my other self on earth about this,” he said.

“That will be your challenge to do so, Arnold! Have Fun,” I said, as I flew off to See what else there was here.

## **ASK EINSTEIN on FACEBOOK...**

DUANE THE GREAT WRITER interviews ALBERT EINSTEIN...

“Eva & I fly into the Mental Realm to find Albert Einstein. I had to look into The UNUversal Files to find him. It was another brilliant day in the world of the Kalaum DevilGod of Man in this upper PsycRealm. We saw a huge building that immediately knew was a huge library, like that of the Astral Museum. Eva & I flew down to the surface and entered the large building. As we entered, we could see many different body types all over this place. It was like a scene out of the movies! We looked around and then spotted Mr. Einstein in a distant corner as he had a big stack of books on the table he was sitting at. Eva giggled, as we walked over to greet Albert...

“Hello Mr. Albert Einstein, my name is Duane and this is my lovely friend, Miss Eva,” I said, as he looked up at us.

"I am not Einstein here, sonny," he said with a dry face. "What are you looking for?" He asked.

"Do you remember the earth, sir?" I asked.

"Of course I do! A stupid place with stupid people who like to pollute and destroy their own planet and love controlling others!" He said with a funny face.

"I know what you are saying, sir." I said, as he motioned for us to sit with him.

"Tesla and I tried to do something wonderful for the world, but the money power people stopped anything we tried to do. They loved us if we made bombs and weapons, but for people to have endless free energy was not going to happen according to them. I am looking for something else to do that has nothing to do with science and the madness it creates," he said to us.

"That is why we are here, sir. We have something, You Will LUV!" I said, as I Shared The NU~U with him and he liked it. Hahaha...

## **ASK KEANU REEVES on FACEBOOK...**

DUANE THE GREAT WRITER interviews KEANU REEVES...

"On The RealSide LifeS, the lifestyle is a bit different. As I am Reporting The RealNUWS, I am have My NUAdventures with many people who are Waking Up to Singing The NU~U. The Keanu Reeves on the earth is not aware of what he is doing on The RealSide, as most people are not. There is always a much Greater Awareness that can be Seen & Recognized with the personal self that each of us have created here. The dumbed down masses have been taught by the EK (Evil Karma) Systems, that Your Dreams are an illusion or fantasy. Actually, what you are always deciding becomes Your Dreams and then YU, The RealU, begins to experience Your Creations in other dimensions and NUWorlds. You are always the decider of Your Life. The EK Systems have made you 'Think' they know everything and have told you there are gods in the sky who created you. It is on earth that the real illusions exist with The Deceptors who created all the Distortions you have come to know and who rule this planet!

"On The RealSide, Keanu is playing his roles as all of us do, and so I will see if he will take a few moments to speak with me... Hello Keanu, I see you are still practicing the martial arts," I said.

"Duane The Great Writer, yes I am. Just like you with The NU~U, I am keeping busy. Many of my friends here Sing The NU~U and meet with The RealGuides. The body and brain I have on earth is starting to respond, but it will still take some time," he said.

"There is never any hurry, as we each go along at our own pace. Is there anything you would like to know and ask?" I said.

“Since I have been in what I Now Recognize as the Designed Matrix, I want to know how to get beyond it like you have. I have read The NUBooks, and I am still not sure what you are referring to as THE ALLIS. How you describe the Gods of Man and who they are is very good. I have met the so-called god or GovernorLord in the Astral Realm. He is very impressive, but as I read your books, I began to See him in a new light, as to who he really is. I want to meet the Kalaum DevilGod, like the one in the movie, ‘The Devil’s Advocate’ I was in. Kalaum seems pretty scary!” He said.

“He can be very scary, but you can handle this. You will learn to Recognize THE ALLIS, as you take time to See The TruReality LifeIS. Creation has its place, which is moreso based upon the Literalized Mind Concerts. The Real UNUverses are a RealPosition of TruRecognition & PerSeeing The Trulanguage of The Whole of Life. LifeIS an ISNIS, an ALLAliveniss, unlike the Embodiment Realms (ER) in Cause & Effect Creation. Have Fun Living Your NUAdventures, Keanu,” I said.

“Thank you, Duane, I will be flying off to my next training. See you again,” he said, as he leaped into the sky and fly very fast. WOW!

## **ASK MIB on FACEBOOK...**

DUANE THE GREAT WRITER interviews MIB...

“The Men in Black know what the unaware people on this earth do not know. Most people want their LA LA Land Life here, and do not really See what is taking place on this Purposely Poisoned Prison Planet. There is No Succeeding with anything here, except to WakeUp and Free Yourself Now! The MIB know this, as they are dealing with all the Alien influences on the planet. Funny thing is, they are working as a private agency to control the Aliens, and at the same time the people they are working for are bringing in the Aliens to Trap & TapLine people! I decided to go to the first area of The RealSide and speak with the MIB Agents. I first entered a dark and gloomy area that reminded me of where fake master HarOld Klump of EEKonkon and his Reptilian wife Joanny live in the bowels of the Lower Astral Realm. I could smell the stench as I knew they were here on another dangerous mission for their big bosses. Suddenly I spotted them behind a huge dead tree. I walked over... “Hello fellows, would you have time to talk?” I asked, as they turned and made the motion to be quiet!

“SHHHH... we are on a stake out for illegal Aliens that are planning to come to earth and cause a lot of trouble!” One of them said, as I looked around at all the dark gloom.

“Okay,” I said as I whispered.

“What are you doing here and how did you find us?” One asked.

“My Adventure is to interview you. I can See You from wherever I am at,” I said.

“What do you mean, you can See US?” One asked.

“It’s simple... Sing NU~U with me and I will show you,” I said, as I started to Sing NU~U softly to them.

“That is a nice sound, but we have to watch what happens here,” One said.

“Just try it and you will See,” I said, and so they Sang NU~U very softly together for about five minutes. And because we were away from the earth, The NU~U would work faster in this realm.

“Hey!” One of them said as he looked at me, “Something is happening to me! I can See Thru the wall of that building where the Aliens are hiding. I can faintly See them and what they are doing. This NU~U really works,” he said continuing to Sing NU~U, as his partner looked at me with a thumbs up, because he was also Seeing Thru the building. I figured it was my time to go, as I See Aliens all the time with the Krone Korporation MemberShrimps and how TapLined they are from HarOld & Joanny Klump! I flew off into the sky and into other levels.

## **ASK BOND on FACEBOOK...**

DUANE THE GREAT WRITER interviews BOND...

“I have always liked the 007, James Bond Adventures. Bond IS The Real Risktaker! The NUBond has woken up to the fact that the Queen he served is one of the head Deceptors and Reptilian Alien TapLiners (RATS) on the earth. The dumbed down public still worships the Personal Icons who have established themselves as ‘something special’ for themselves. The NUBond IS Focused on “What IS Real Now!” He Sees what is taking place with the EKK (Evil Karma Korporations) and how they are destroying The ALLNatural Environment Supporting US. There were many actors playing the role of James Bond in the movies, and this idea starts me off with My RealAdventures. I go to The RealSide LifeS, which many people ‘Think’ is their Dreams. The physical realm and the RoundWorlds is ‘The Passing Dream’ and when YU, The RealU, goes beyond this realm, you are going into the first part of The RealSide that many people are familiar with, the Astral Realm. It is YU, The RealU, Your RealAwareness that is making the journey to a NUPosition for Your TruSelf in NUWorlds & Real UNUverses that are unseen to the physical eyes. I have been had a RealEducation with The Real UNUversal Guides for lifetimes, and My RealAdventure is to Share what I have learned. I am going to interview The TruSelf of Sean Connery while his body is asleep and he is in the other worlds and having his Dream Experiences. As I am flying around one of the many areas of the Astral Realm, I See Sean having a confrontation with Reptilian Aliens. As I fly closer, I can See that they are trying to capture him. My impression is the Aliens want to keep using him for their marketing purposes and Sean does not want to have anything to do with them. On the earth Sean is older now, but the RATS want to keep using him for their own Kontrol of others. I flew down to him...

“Hello Sean, can I be of service,” I asked him.

“Yes you can whoever you are! I have been fighting off these pests for years and I cannot seem to get away from THEM!” He said, as he was struggling to loosen their grip with him.

“NU~U~U~U~U~U...” I said several times, and the Aliens let him go and then ran away as fast as they could!

“WOW! What was that Sound you just used on THEM?” He asked very surprised.

“The NU~U! The NU~U gets rid of Reptilian TapLining. What the Aliens were trying to do is put more TapLines in you. Your physical self does not Recognize what is taking place, as disease and illnesses will start to show up in your body, and even cancers!” I said.

“What about backache’s, that too?” He Asked.

“Oh yes, especially backache’s, because that is where the Rats like to TapLine you where you cannot See what they have done. Start Singing NU~U at night before you sleep and in Your Dreams, like where we are now, and the RATS cannot bother you anymore!” I said, as he smiled.

“Thank you so much... what was your name and how do I find you?” He asked as I began to fly in the air.

“Duane The Great Writer... We will meet again!” I said, as I went up in the Endless Skies.

“WWE are Wonderful WorldWide Educators with a Special Mission for YU, The RealU, to WakeUp and See Beyond Your LA LA Land Life on this Purposely Poisoned Prison Planet. WakeUp Now and Join US!”

“SING NU~U TO WAKEUP YOURSELF”

## **“NOT THIS LITTLE BLACK DUCK!”**

“Are YOU Paying Attention to what is really going on with The ALLNatural Environment on this planet? Do YOU like eating, breathing and sleeping in toxins that are in everything? NOT THIS LITTLE BLACK DUCK! I live here and I want RealFood, RealWater, and RealAir to live with! It is Not about Asking ‘What, Where, When & How!’ It is about... ‘WILL YOU DO SOMETHING REAL NOW!’”

## **“WWE are DOING SOMETHING REAL NOW!” WONDERFUL WORLDWIDE EDUCATORS**

“YOU can WakeUp with US Now, or take your chances coming back here unconscious in future lifetimes in a deformed body and in an even Worse Environment than Now!”

“WAKEUP SINGING NU~U or STAY UNAWARE”

### **ASK CLINT EASTWOOD on FACEBOOK...**

DUANE THE GREAT WRITER interviews CLINT EASTWOOD...

“As I was entering The RealSide, I saw a huge movie set where Clint Eastwood was making a movie. On The RealSide is where everything is created before it becomes a solid reality in the physical realm. Most people ‘Think’ only in material terms, and that everything falls from the sky from the invented Gods of Man onto the earth. I watch as Clint was acting in the movie and also directing it. After a while everyone took a break, and so I walked over to him to see if he would talk with me...

“Hello Mr. Clint Eastwood, I am Duane The Great Writer from the earth, and I was wondering if you had a few moments for an interview?” I asked, as he looked at me.

“Duane The Great Writer! I have heard of you. You are on Facebook with a woman named Eva, right?” He said.

“Yes, we both do a lot of Sharing The NUSound, The NU~U,” I said.

“I have seen some of your pictures. I was a little curious as to what you two do, but I am always so busy. Send me one of your books and I will look at it, possibly for a movie,” he said.

I can do that. I suggest you try Singing The NU~U, as you are going to sleep and Watch Your Dreams. Life will have some Fun Surprises for You,” I said.

“Okay, I will try The NU~U, and I will let you know what happens with an email on earth. I will get back to making my movie now, see you again, Duane The Great Writer,” he said, as he walked away and I flew up into the big skies.

“It was about a month later and I did receive an email from Clint. He spoke about meeting strange aliens in his dreams and also meeting a man with black hair and a black beard that gave him a lot of knowledge he could not remember, Rebazar Tarzs. Clint said he liked Singing The NU~U, and that he would write me again.”

“Look for The NUBond in Your DreamVisions! This world is changing very fast and there is not much time to understand what The NUBond is presenting! WakeUp or Stay

Lost with all the unaware!”

“SING NU~U and BE AWARE of SPECTOR”

“My mission is to See YOU WakeUp! I no longer am with the agencies that once hired me as their fool! I am with The Real UNUversal Guides & THE NUMAN NOW!”

“WAKEUP & SING NU~U TO SURVIVE!”

## **ASK DAVID ICKE on FACEBOOK...**

DUANE THE GREAT WRITER interviews DAVID ICKE...

“I highly respect the fact of what David Icke and John Wilcox are doing with exposing the Reptilian Alien TapLiners (RATS) on this planet. What they present is well document and to the point. It is good to know what is really taking place here. What they do not know at this time is that everyone can get beyond Cause & Effect Creation into The Real UNUverses of RealFreedom during this lifetime. It is true that many people are Seeing Past the ‘Conspiracy Theory’ idea created by the government to make people ‘Think’ there can be no such thing as Deception and Corruption in politics, religion, spiritual teaching, and education and scientific inventions, when in fact it is all Deception and Corruption beyond what most people can ever imagine! The masses are so dumbed down and saturated with Marketing Ploy, that they really do not have any idea what a RealLife IS. I always meet people on The RealSide, because their physical personal self usually does not See past their nose, even though they ‘Think’ they already know more than Life! So, I went hunting for the real David Icke...

“As I flew into what I would call a middle class section of the Astral Realm, I saw David Icke speaking with a group of people, so I decided to fly down and have a chat. As I landed on the ground, David was speaking about the RATS on the earth and in this realm. When I had the chance I caught his attention and asked him a question...

“David, are you aware there are more levels beyond this one that people can escape from the RATS?” I asked.

“He looked at me for a moment and hesitated, then said... “Tell us what you know, sir,” he said.

“I am very aware of the RATS and what they are doing, and this is very good to know, but even with all the knowledge you have on the earth, you are still on the earth! When you Read My NUBooks and Sing The NUSound, The NU~U, Life will show you, ‘What IS Real Now!’” I said.

Everyone just looked at me for a moment, and then one of the people who was standing with this group said, “I have heard of The NU~U. Someone I know who was with HarOld Klump was chanting the HU for years and began to have many physical problems with their health. He discovered The NU~U and began to heal himself. You just reminded me of this and I am going to start Singing The NU~U, thank you. What is

your name?" He asked.

"Duane The Great Writer," I said.

"Duane, can I ask you more about the other levels?" Asked Davis Icke.

"Of course, that is why I am here, to Share The NU~U for RealFreedom Now!" I said.

"I spoke with David and the others for several hours and told them how to contact me. This was another Fun Journey to NUWorlds Beyond!

## **THE NU~U SESSIONS NOW**

The NU~U Sessions have a RealHistory very few people know about. The people on this planet have come to know the words AUM, OM, Amen, HU and many others. These words and ideas have had their place and become 'traditional', just like each one of us has grown up with our parents and then we soon have our own lives. The days of masters and gurus are gone! These people are still around, but what they are giving the unaware masses has become distorted and out of date, and also very infected and diseased by the Reptilian Alien TapLiners (RATS) who Kontrol this Purposely Poisoned Prison Planet. This may seem like science fiction to most, as there is huge agreement to the old ideas of politics, religion, spiritual paths and so on. Life IS an ISNIS, moreso than Cause & Effect Creation that YU, The RealU, has been going thru for untold lifetimes of unconsciousness. Creation has its place, but it is only a 'simulated life' we are living here. A RealLife IS in The Real UNUverses beyond The Six Levels of Creation. I do suggest to Read The NUBooks and study what I have written and also the many Facebook Groups I have created and get into one of the many Skype NUGroups, WWE as Wonderful WorldWide Educators are all over this world. Like school, do your homework and Learn to Be Free!

The NU~U Sessions are very simple and there is no concentrating on the Third Eye or worshiping and praying to anything. YU, The RealU IS a FreeBeing of RealLight, and by Singing The NU~U, YU will Become MoreAware & Real with Your TruSelf. The NU~U, IS The RealConnection with The TruReality Life IS, THE ALLIS. The old outdated ideas of masters and their gods is something that was invented long ago for people who

want to be babysat and stay a slave on this Human Farming Planet. THE ALLIS, The Whole of Life, IS like the Sun Shining, as IT IS Always Pure & Real, and there are No Restrictions, such as rules, regulations or laws. WWE are not religious, political, spiritual, or any of the other old invented systems. WWE are Direct with THE ALLIS. Simply sit, lay down, or whatever you want to do, and Sing, “NU~U~U~U... NU~U~U~U... NU~U~U~U...” and so on for about 15 minutes, and then Just Be Now. You can listen for The Real SoundLight Reality of THE ALLIS, and you may have an experience or even leave your body and explore NUWorlds. I suggest to Sing The NU~U Sessions at least twice a day and Watch Your DreamVisions at night. The NU~U Sessions are not a ritual to anything like religious or spiritual ideas that Restrict people to the Lower Astral Realm of TapLining. If you feel better saying something upon the completion of Your NU~U Session each time, you can say “Rebazar Tarzs” or one of The Real UNUversal Guides names. HarOld Klemp or Darwin Gross are not with The RealGuides, they are with the RATS, along with Harold’s wife Reptilian Joanny. Saying HarOld’s name or god brings in the TapLines to Your Astral Body. Sing The NU~U and Free Yourself Now!

## **ACE VENTURA ALIEN DETECTIVE**

“ALRIGHTY THEN! You might want to ask yourself, “Am I really TapLined by ShapeShifting Aliens who have ruled the earth for millions of years and look like everyday people who shop at the Mall? I would say ‘YES!’ YOU really are TapLined more than You Know! You have to figure, you are the average dumbed down HUMAN that only ‘Thinks’ you know something. WakeUp and Become MoreAware with US. WWE can See the Aliens and you can too when you have The RealCourage to do so! Sing The NU~U and Watch Your DreamVisions... ALIENS are TAPLINING YOU!”  
WWE are WONDERFUL WORLDWIDE EDUCATORS for ALL

“MAKE MY DAY... SING NU~U!”

## **MR BUSINESSMAN and YOUR PLAN...**

"I speak with people all over this world who are involved in one business or another. Most people are so indoctrinated into what their business or job is, and this is all they can see. Did the Indians have jobs and produce harmful products to The ALL Natural Environment that ALL Supports US? Of course they did not, but it is so important that people keep Agreeing to what is destroying this planet on a daily basis. The Unaware Masses like to justify their 'careers' as something essential to their lifestyle and survival,

when in fact, almost everything the public has come to know has been Psycho-Logically Marketed to them without their Real Understanding of what is taking place. Each person has the right to decide their life. An example is, a 'big-shot' business man I recently spoke to, as he delivers huge tankers of oil country to country. His 'only' concern is the money he makes and the Agreements he gets from those he does business with. There are a lot of people who want the oil to keep flowing, because they want to drive their cars and have fun. What the Psycho-Logical Businessman does not See, or want to See is, the oil he is making a lot from is 'created from the Fed' and is going to Planet Poisons for the ChemTrail Jets, Monsanto who creates GMO FakeFood & Toxic Products, Lethal Pharmaceutical Drugs and Vaccines, that do more harm than good, and of course the average citizen that drives their car and poisons themselves and everyone around them and so much more!

"I suggest to each person to take a look at their life and decide if they really want to be involved with what they have decided so far. Duane IS a UNUversal Seer, and 'Seeing' the Businessman I refer to here, he will be back in future lifetimes 'living' in the Poisons & Toxins he is a part of Now with his new Deformed Body, but of course he does Not See this and he will not remember he was ever here! All he sees is the fake created money the EKK (Evil Karma Korporations) have Psycho-Logically indoctrinated him and others with. Life IS ALL About Choice! Lifetime after lifetime, YU, The RealU, is given the opportunity to WakeUp to 'What IS Real Now' or Stay Lost with the created social systems of the Reptilian Alien TapLiners (RATS). Mr. Businessman, is the money worth it?

## **YOUR REALFAMILY...**

"Unknown to most, we have each come from an Astounding & Amazing Position that can in no way compare to what we are each experiencing here from all the lifetimes we have spent getting to this very moment in Creation. Creation can be a fun place like a playground is to children, but The Real UNUverses beyond Creation are So Extremely Endless and Vast and Beyond any wonder imaginable. This is why The TruReality LifeIS, decided to have each of us go thru the Process of Creation, because Creation becomes the comparison for what is not real! We have come from where you cannot even imagine, and then we gradually begin to See what we have been going thru as a Process in the 'simulator' known as Creation, which was created for the sole purpose for each of us to WakeUp when we are ready to decide to! Creation does 'seem' like the reality LifeIS, but it is Not! Creation and everything we are doing here and mostly on unseen levels has its place and is part of the OverALL Picture The Whole of LifeIS. We first go thru lifetimes making families and friends, who are really Not out RealFamily and RealFriends, but only shadows, as we have created our own bodies and situations for each life as others have created theirs. The invented 'story' from the Reptilian Alien TapLiners (RATS) who first invaded the earth created the fake doctrines and fake gods and have convinced those who are prisoners on this HUMAN Farming Planet, that it is the Ghostly Gods who created you. At some point in your history here you decided to Agree with THEM (TapLining HUMAN Eating Martians). And so you are still here and Agreeing to all the Restrictions they create for you and marketing you to once again Agree to your own Demise! As long as you keep Agreeing to what is created and 'looks' to be so real here, you will continue to return unconsciously, until you Really Do WakeUp! Your so-called family and friends here are the First Steps for you to WakeUp, but not the ultimate or end result, that is unless you want to stay in Cause & Effect Creation forever, which you most certainly can if you decide to! From this life, just like

all the others ones YU, The RealU, has lived here, you will soon be going to the RATS Designated Heavens, where they already have a place for you, as they continue their Savior & God BrainWashing Techniques on you... VERY REAL!

“The RATS have already marketed you into 'believing' in their invented gods and saviors, and they will continue to bombard you with their Marketing Ploy of politic, religion, spiritual paths, education and scientific systems. This is what they do best. They (THEM) have already destroyed the atmosphere on numerous planets, such as Mars and others like it! These are their trophies and examples. The RATS who Kontrol this planet are proud of what they do, as they are doing the ChemTrails, GMO FakeFood, Lethal Vaccines, HAARP, Fake Presidential Elections, Smart Meters, Fluoridated Water, Mind Kontrol Microwaves, and so much more! Almost everyone on the earth is bought off by those who Kontrol the main monetary system, the Federal Reserve! The main headquarters for the RATS on this planet is Ratican City in Rome, where resides the Dope (old term Pope). People like to bow and kneel to the Reptilian Gods who rule Cause & Effect Creation, from the earth to the Liberalized Heavens of Man.

“Of course, you like and emotionally love Your Simulated Family on the earth, but there is a Greater Reality and RealExperience awaiting you when You Decide to Take The Risk and See Beyond Creation into what you have never Seen before! Your RealFamily is waiting for you, and I do not mean what the Reptilian Religions have told you about their gods and saviors and you going to their heavens to be a 'subject' like you are with the Queen here on earth. I mean Your RealFamily that is waiting for YU, The RealU, to complete Your RealPurpose while you are here, so you can Free Yourself from all the illusionary Restrictions you have Agreed to. Do you want to keep Agreeing to the Restrictions the RATS have made for you and then be Trapped & TapLined once more in their Designated Heavens, then return here for more drudgery and unconscious lifetimes of an even worse environment hat will be showing up in the future here? WWE as Wonderful WorldWide Educators will show YU, The RealU, how to WakeUp Now and Free Yourself into The Real UNUverses with The ALLAliveniss LifeIS. WWE have The RealConnection with The TruReality, THE ALLIS, that is like the Sun Always Shining, Pure & Real! You can keep all the Restrictions you have come to know with the RATS, and grow old again and watch those you love pass away and get lost somewhere in Creation, or YU can WakeUp and Learn to See Your RealFamily & RealFriends and live in The Real UNUverses of RealLUV as a FreeBeing of RealLight! It is always Your Choice! DUANE THE GREAT WRITER

In the beginning of your process with the various body types you had help from others, until YU were able to make your own, just like you would make your own cloths. “REPTILIAN JOANNY and Fake master Harry are always in the EK (Evil Karma) News! EK News is reported from the Lower Astral Realm where Reptilian Alien TapLining (RATS) is the main business. On earth, it is the EKK (Evil Karma Korporations) that are a part of the One World Order (OWO) and rule the Human Farmed dumbled down unaware masses. In other words... it is ‘business as usual’ with RJ & fake master Harry Klump of the EEKonkon, ‘Fright & Noise of Kalaum God’ Krone Korporation. RJ & Harry make sure their membershrimps stay one-dimensional and literalized according to the MiliTerrorized Systems of the DarkBrats and the OWO. The RATS have actually convinced people that their Purposely Planned Poisoned Prison Planet is some kind of ‘LA LA Land’ to make a Happy Home on! The unaware masses keep reincarnating and not remembering how many lifetimes they have been slaves to the RATS and the Authoritarians!

“WWE are Wonderful WorldWide Educators Reporting The RealNews Now. ## **OH! HOW I LOVE MY RESTRICTIONS!**

“The so-called average person who wants to be thought of as ‘okay’ and tries their best to fit into what others in society have created as their reality, do not See beyond the Restrictions they have created and come to Love! The unaware HUMAN Farmed like to pray to gods that do not exist and be preyed upon, they like to ‘believe’ in something that is what they have created in their minds, they like ‘taste’ more than health, they like to listen to Deceptive Paid-off Doctors who give them toxic pills and Chemo instead of RealFood, they like to ‘think’ the Authoritarians who rule and destroy them are actually really nice and not bad at all and do care for them, they like to ‘think’ that the ‘boy meets girl’ idea is the ultimate experience in Life and they also like to Stay Unaware as long as possible and keep their LA LA Land Lifestyle going on a Purposely Poisoned Prison Planet! This and a lot more is what the unaware masses keep chasing to make sure they keep coming back here unaware once again! WWE are THE REAL WAKEUP NOW...

“This is a very small planet and what is taking place here is more than Humorous! People are waking up all over this world to the HUMAN Farming Evil Kontrollers (HUEK) and what they have done for eons to the lost souls who keep reincarnating over and over again on this Purposely Poisoned Prison Planet! Do you really want to keep coming back here with the Reptilian Alien TapLiners (RATS) and their VooDoo Religions and sacrifice yourself once more to their invented Space Gods of Worthless Worshiping

and PrayPaying? You have followed their 'Loving' ideas for many lifetimes and you are still here! You are taught to 'Love Everything' and you will go to their Designated Heavens in the Astral Worlds and then return unconscious here once more, because 'their way' does not work to get YU, The RealU, out of Cause & Effect Karma Creation. The Whole of Life IS Bigger than Creation and a lot more fun! Some of this world is experiencing a certain amount of waking up, but it is not a Real WakeUp with Your RealAwareness and to The Real UNiverses beyond Restricted Creation and the Human Farming Authoritarians and Fake Gods who rule Creation! The idea that there are gods who created you is a fallacy story to keep you subservient and a slave forever with the RATS. You have been embedded with Fear and not given a RealEducation about Your RealAwareness, as YU are a FreeBeing of RealLight and not just a Human Body that grows old! Stay as you are and 'Think' whatever you want to and you will end up the same way you always have, right back here and knowing nothing! Or, Take The Risk and Sing The NU~U and Watch Your DreamVisions for RealGuidance and a RealEducation... It is always Your Choice!

## **THEY only Hire the Dumbed Down & Unaware...**

“THEY are the TapLining HUman Eating YAliens who rule this Purposely Poisoned Prison Planet! Also known as the RATS (Reptilian Alien TapLiners). These are the political, religious, spiritual, educational and scientific systems that have set themselves up as the ‘official’ Authoritarians with their ‘Rules & Regulations & Restrictions’ to keep YOU as their slave with the Gods of Man who Rule Over the Human Farming on earth. THEY cannot hire people who are Awake & Aware & Real, with what THEY are really doing, because that would expose them to their Dumbed Down & Unaware Supporters, and then their EK (Evil Karma) Deceptive Kontrol would not work as well, or not at all! The same is with those who Vote for the Deceptive Democratic Processing Programing, which is really a bunch of Knuckleheaded Paid Actors who Deceive others into supporting THEM (TapLining Human Eating Martians). Deception Rules This Planet! Those who Deceive others and whatever they else they do, THEY will meet themselves during this life or the many future lifetimes THEY will be returning here unaware and the Effect of Everything! THEY keep ‘Thinking’ THEY know more than Life ITSELF! THEY are in Cause & Effect Creation and THEY will learn the hard way to WakeUp Now, or possibly Never!

“An Excellent Example of a Komplete TakeOver and Planned Deception is, EEKonkon “Fright & Noise of The Kalaum God’ spiritual programing & processing path to nowhere Staring, fake master master Harry & Reptilian Joanny Klump. ## **TAPLINING WARNING!!!**

### **WORLD ORDER REPTILIAN TAPLINERS (WORTS)**

"Astral TapLining is Very Real and the unaware masses are infected with it. This entire planet is in a Designed Matrix by the One World Order Kontrollers, the Reptilian Alien TapLiners (RATS). WakeUp and See what is really taking place here or Stay Asleep and be the Effect of Everything in Cause & Effect Creation. An example of Astral TapLining is, EEKONKON, Fright & HU Noise of The Kalaum God, with fake master Harry and Reptilian Joanny Klump as the Regimented Religious Rulers. This is one of the many spiritual paths Astrally HUng with the RATS. Like many others, Harry and RJ, use the HU word to entice people, then TapLine them into future lifetimes with the RATS. The religions use HU, OM, AUM, Amen and other seductive words to lure the unaware into their Astral TapLining! WWE are Wonderful WorldWide Educators and WWE are The NUWay Out of Cause & Effect Creation! Sing The NUSound, The NU~U and Free Yourself Now!

## **SHINING LIKE THE SUN...**

“WWE are Wonderful WorldWide Educators and WWE are FreeBeings of RealLight, Brighter than The Sun Shining! You can continue to consciously and unconsciously Agree to the World Order Reptilian TapLiners (WORTS) who invented their ‘Officialness’ as Authoritarians and the Gods of Man most people worship and pray to, along with all the Restrictions, Rules and Regulations they Astrally TapLine you with, or YU, The RealU, can WakeUp and Take The Risk to Free Yourself Now!

“Beyond all of Cause & Effect Creation, IS Real UNUverses that are Pure & Real and there are No Restrictions and No Gods to worship! You can Stay Lost on this earth for as long as you want and it is Always Your Choice! Be Free Now or Stay TapLined and Poisoned here!

## **EARTH IS NOT WHAT YOU 'THINK' IT IS!**

DO YOU KNOW WHICH PLANET YOU ARE ON?

“To most unaware people, the earth is their PlayGround LA LA Land Extraordinaire! In a funny way, this does make sense to those who do not know what they are really doing here. The LA LA Land idea here is to be raised by unaware parents who keep Agreeing to a Deformed & Deceptive One World Order Political & Religious System of Kontrol, and then going thru a MiliTerrorized Educated Programing, designed by The Deceptors who rule this planet. Step Two is to further ones brainwashing occupation and distorted education into a college or university to where a person can go thru more unnecessary torture to get ‘their’ degree to chase the invented Kontrolling Money that was invented by the Reptilian Alien TapLiners (RATS). Then once let loose into the public, the Completely Conditioned Creature can then work for a Kontrolling Earthly Korporation (KEK) and continue on with Destroying The ALLNatural Environment that Supports ALL of US! Are you sure you want to keep doing this lifetime after lifetime? WakeUp with US or Stay Lost here for a lot longer!

## **WWE SUPPORT YU, WHEN YU SUPPORT USS!**

You will be back here again if YU do not WakeUp Now! If YU are too afraid to StepUp with USS and Share Something Wonderful & Real, then you are on your own with the Authoritarians and their Reptilian Gods. Have Fun Deciding!

WWE GIVE THE REALU THE HINTS

"WWE are Wonderful WorldWide Educators (WWE). WWE are UNUiversal SuperBeingS (USS) with The Real UNUiversal Guides & The TruReality LifeIS, THE ALLIS. Beyond the invented Gods of Man there are Endless Real UNUverses of RealFreedom! Are You the everyday person that 'Thinks' You know more than Life ITSELF and this life on earth is all there is, and that whatever has been invented here by the KEK Systems (Kontrolling Earthly Korporations) is the absoluteness? WWE Share what no one else can, because WWE are Real with TruSincerity & Honor! You can stay as You are, or Take The Risk and Sing The NUSound, The NU~U, and Become MoreAware with US!

## **ASTRAL ANGELS or REAL UNUVERSAL GUIDES...**

ASTRAL ANGELS & DEMONS...

"Many people are aware of the reality of Angels with their Wings. Artists throughout history have depicted those from the other worlds with wings who are supposedly of an angelic nature. The Angel People are those who were once on the earth and have 'earned their wings' so to speak. They are in the Astral and Mental Realms, or what I refer to as The Two Heavens of Man, which are in Cause & Effect Creation. The Angel People 'appear' to be the ultimate and have huge knowledge, but they are really about the same as unaware people on earth who are struggling to find The TruReality LifeIS, THE ALLIS. The Real UNUiversal Guides do not need the 'training wheels or wings' of the Angels with the Fake Gods in Creation. The Demons many people worship also have wings like Bats. Astral Angels and Lower Astral Demons have Not Recognized their RealAwareness, and so they are subject to Cause & Effect Karma in Creation. Creation is a 'simulator' of a ReaLife in The Real UNUverses of THE ALLIS. Deception

Rules Cause & Effect Creation and the Gods of Man and the Authoritarians on the earth, as they are very cleaver and mischievous with Deceiving people everyday.

Deception leads to Demise, and this is what is happening with The ALLNatural Environment Supporting ALL of US. The unaware masses are continually contributing to this Purposely Poisoned Prison Planet! The Angel People cannot save anyone, nor their 'appointed saviors' who are nothing more than Marketing Ploy to the dumbed down and drugged public. It is a 'sweet' idea with the Astral Emotional Love most people TapLine each other with, but it will lead to diseases and cancers and more unconscious lifetimes on earth, as this planet gets more contaminated everyday! WWE as Wonderful WorldWide Educators with The Real UNUversal Guides, provide RealGuidance and a RealEducation like no one else!

## **CHEMO THERAPY VOODOO...**

"The so-called doctors and medical practitioners who 'strictly' recommend artificial drugs, and especially Chemo Therapy, without giving people the option of Natural Therapy, have a lot of TapLining Cause & Effect Karma in Creation with many more lifetimes to come. This is Not a case of 'good or bad' anything, it is merely Being Real with Cause & Effect Karma that involves everyone with what they create for themselves and others. The basic idea is... if they do not WakeUp Now, then they will be 'Living' the same nightmares they are administrating to others! People have been Warned throughout the ages about Cause & Effect Karma and most people use the fallacy of 'belief' to cover over what is actually taking place in Creation. There is no 'belief' that can outdo the process of Cause & Effect Karma, only Singing The NUSound, The NU~U, and The RealConnection with The TruReality LifeIS, THE ALLIS, can! Learn to Sing The NU~U and Watch Your DreamVisions and Life will Show YU, The RealU, 'What IS Real Now!'

## **DUMBED DOWN TAPLINED & UNAWARE...**

"People who Support & Vote for the Political & Religious Systems are the Dumbed Down TapLined & Unaware, because if they had any RealAwareness, they would be able to See Behind the False Fronts and what is actually taking place with the Political & Religious HUMAN Farming Systems. It is more than evident that most people like to Support Deception and to be Deceived. And even after they do WakeUp to some degree, they are still afraid to Be Real with ThemSelves. Any type of Fear will hold a person to Cause & Effect Karmic Creation for more boring lifetimes. There will come a day when each person must first face themselves and then start their RealJourney Beyond Creation. Until YU, The RealU Decides, then you will be Trapped & TapLined with the Authoritarians of the earth and the fake invented Space Gods! The religious, political, spiritual, educational, scientific and medical Kontrollers like to 'feel good' about themselves with all the unaware and marketed supporters they have. They put on the 'appearance' of being proud to know those who do not really know what The Deceptors of the KEK (Kontrolling Earthly Korporations) Systems are actually doing to everyone. It is all a 'fake & false' pride like patriotism that is used to Psychologically Kontrol the

military and other government workers who have a false security idea of what is really taking place here. Those who 'think' they know more than Life ITSELF, and what they are doing with Agreeing to Deception, will just grow old again and forget they were ever here! It is a lot more fun Being Real & Wonderful... Give it a try!

## **FEAR GETS YOU NOTHING...**

"Of course, a soldier going into battle is afraid, but he still does it. Stepping up to the plate to hit the ball when everyone is watching can be nerve racking, but if don't, you will never know. When I first went out into the public with what I had learned from The Real UNUversal Guides, I was very nervous, but I still did it! There are so many Wonderful People who know 'What IS Real Now' and they still hold back, because they are afraid and unsure of themselves, and the biggest fear is what 'others' will think about them. So many hold 'near & dear' their personal life and ideas of what they are doing here on earth. After millions of lifetimes of living on so many different worlds and dimensions, is it really so important to live the same distorted life you once lived? With what is really happening on the earth Now, is there realistically any future here, except more lifetimes of the same drudgery and struggle with the Reptilian Alien TapLiners (RATS) who rule this planet? Hide for as long as you want, but you will never See The Real UNUverses and have The RealFreedom you want, until YU, The Real, is ready to Completely Expose Yourself to Standing with The RealGuides who know The NUWay Out of Cause & Effect Creation. Stay afraid of the Authoritarians and their invented gods and play with the Astral Love & Light so many do, and you will stay Trapped & TapLined for more of the same Deception you are Agreeing to Right Now... Have Fun Deciding!

## **YOUR BIGGEST CHALLENGE IS...**

"...RECOGNIZING YOUR REALAWARENISSS! From Lifetime to lifetime, YU, The RealU, has been searching for The NUWay Out of Cause & Effect Creation. You have been marketed and fooled for eons by the FearMongers, the Authoritarians and their invented gods! This is how real the 'simulator' of Creations seems to be so. You have always dreamt of there being more, and Now YU Will See what YU never have before!

Simply Sing The NUSound, The NU~U, and Watch Your DreamVisions. You Must Decide to Be The Real RiskTaker and enter The Endless Unknown LifeS, or Stay Lost with the Reptilian Alien TapLiners (RATS) who rule this planet! Beyond what has ever been known on this earth, from the political, religious and spiritual systems, there IS Something Wonderful & Real to Be Discovered Now! Have Fun Deciding!

## **WORLD TAPLINING ALERT...**

"The unaware outnumber the Aware People on this planet. Even those who are Aware more than others often know nothing about Astral Taplining. As long as the majority of people are without RealGuidance and a RealEducation, then this world will continue its demise. There is a world collective consciousness that keeps Agreeing with those who

are destroying The ALLNatural Environment that Supports ALL of US. People can pretend and 'believe' there are no ChemTrails, Mind Kontrolling Microwaves, Lethal Vaccines, GMO TEKFood, and so much more that is infecting and poisoning everything, including Astral TapLining, but it is all still happening and each person on this planet is the Effect for this lifetime and more to come. Almost everyone is Astral TapLined by the Reptilian Alien TapLinners (RATS) who rule the earth. The LA LA Land Play Yard idea that many people 'think' is a really good lifestyle here, is nothing more than a setup for HUman Farming. The Authoritarians on the earth with their invented Space Gods, Kontrol everything here. No matter what policies are made and broadcasted to 'look good' are nothing more than Marketing Ploy to hypnotize people into Agreeing with those who will continually rule over others.

WWE as Wonderful WorldWide Educators have The NUWay Out of Cause & Effect Creation. You have been misled by the KEK (Kontrolling Earthly Korporations) Systems to 'believe' that being Kontrolled in Cause & Effect Creation by officials on the earth and Space Gods in the sky is all there is with The Whole of Life. Beyond Creation there IS Real UNUverses of RealFreedom. WWE provide RealGuidance and a RealEducation like no one else! Simply Sing The NUSound, The NU~U, and Watch Your DreamVisions and Let Life Show YU, The RealU, 'What IS Real Now!'

## **YOUR REALPURPOSE NOW...**

"The Mass Majority will always be in the Dark (and very realistically) as to what Creation is. The know-it-alls on the earth (those who are doing the most damage to the planet and The ALLNatural Environment that Supports ALL of US) have convinced themselves they know what they are doing here and what LifeIS all about. They profess to know more than Life ITSELF. For those of YU, The RealU, who want to BeMore & SeeMore than the Social Gathering Systems of Earth, such as the political, religious spiritual, educational and scientific inventions... Simply Sing The NUSound, The NU~U... Watch Your DreamVisions... Let Life Show YU 'What IS Real Now!' Then when you are ready, get involved in one of our Skype Groups and Become MoreAware and eventually Free from Cause & Effect Creation. WWE are Wonderful WorldWide Educators and WWE will show YU how to Discover Your RealPurpose!

## **Do You Like YOUR ASTRAL TAPLINING FRIENDS?**

"YOU have been One-Dimensionalized with The Designed Matrix all over this world that was created by the Reptilian Alien TapLinners (RATS). Life in Creation is Cause & Effect, and You have Agreed to be the Effect of everything around You! Because You have been so Cleverly & Creatively Conditioned to everything that has been invented for You to Agree to, it is very easy for You to Agree to whatever is marketed to You that so many other unaware, dumbed down and One-Dimensionalized People Agree to. This does sound funny, and You are doing this everyday as You are contributing to The Ultimate

Demise of The ALLNatural Environment that Supports ALL of US! Until You decide Something NU & Wonderful, then You will be heading into more unconscious lifetimes and deformed embodiments of even worse conditions that already exist Now.

## **“Why are some people So Afraid to Sing The NUSound, The NU~U?”**

There are many ‘reasons’ for this, and a few example would be... “What will my friends think of me?” or “What about my ‘social status’ among the community?” or “I could lose my friends!” HAHAA... Of course You will lose your Old TapLining friends, the ones who are Astrally TapLined with the Ruling RATS of earth! Do You really want to stay ‘bonded’ to THEM (TapLining HUman Eating Martians) when You now know they are infecting You? At first You will, because You have created Emotional TapLining (ET) with THEM, and this can be so sacred to You. This then becomes the difference between RealFreedom Now with The Real UNUiversal Guides & The TruReality LifeIS, THE ALLIS, and Agreeing to Restricting Astral TapLining Bondage... You Decide! Are your friends and family into politics, religion, spiritual paths, standard education, scientific hazards, or just your day to day business pollution? Then, Your Friends are Astrally TapLined and they want You to Stay TapLined with THEM! Of course Your Literal Conditioned Mind from Your MiliTerrorized Education will not Agree to what I am presenting, because it does not make sense according to all the Deception & Distortion You have already Agreed to with your life on earth. It really does ‘seem’ to be okay to poison & pollute everything and then expect everything to keep working as it has. WakeUp Now or Stay Lost & Asleep for more lifetimes of 9 to 5 Drudgery! Have Fun Deciding!

## **HEALTH RANGER WATER WARNING...**

(NaturalNews) We really have reached a point of such insanity across human civilization that governments have become the terrorists who actively seek to harm and kill off the people. The latest example demonstrating this very point is the fact that the EPA just announced its plan to allow gigantic increases in the allowable radioactivity in drinking water... increasing it by over 3,000 times in the case of radioactive Iodine-131... while calling it "safe" to drink even though it's almost certain to give you cancer. In this public EPA document, the agency says it was ordered by President Obama's Executive Order 12656 (section 1601(2)) to "[d]evelop, for national security emergencies, guidance on acceptable emergency levels of nuclear radiation...."

In this report, the EPA warns that a nuclear "incident" may strike the United States, and if people are going to drink the radioactive water, somebody needs to decide how much radioactivity Americans will be allowed to consume. From the EPA report: A large scale radiation contamination incident could impact the United States, driving the need for a pre-established drinking water PAG. EPA is proposing a two-tiered intermediate phase

drinking water PAG of 100 mrem projected dose in the first year for infants, children and pregnant or nursing women and 500 mrem projected dose in the first year for the general population. 250 chest X-Rays per year, directed at your thyroid gland. For the record, the allowable exposure now being pushed by the EPA is equivalent to 250 chest X-Rays in a single year, says ECO Watch. That's a dose that's almost certain to cause cancer. Allowable levels of specific radioactive elements would also be raised to obscene exposure levels. As reported by ECOwatch.com:

For example, radioactive iodine-131 has a current limit of 3 pico-curies per liter (pCi/L), in water but the new guidance would allow 10,350 (pCi/L), 3,450 times higher. For strontium-90, which causes leukemia, the current limit is 8 pCi/L; the new proposed value is 7,400 pCi/L, a 925-fold increase.

Even more astonishing -- and surprising to those who think Obama is good but Bush was bad -- is the fact that Obama's new EPA levels are vastly higher than the limits established under President Bush. From ECOwatch.com: The Bush Administration proposal for strontium 90 was 6,650 pCi/L; the new proposal is 7,400 pCi/L. For iodine-131, the Bush proposal was 8,490 pCi/L; the new proposal is 10,350 pCi/L. For cesium-137, the proposal was for 13,600 pCi/L; Obama "beats" Bush with a value of 16,570 pCi/L.

Under Obama's new rules, the EPA can tell entire cities it's "safe" to drink deadly radioactive water that's almost certain to kill you. What's the point of raising these allowable radioactivity levels to obscene new heights? It's all about creating the "official science narrative" whereby incompetent, arrogant government officials can tell entire cities of nuclear terrorism victims, "Go on! Drink the water! The EPA says it's safe!" If you believe even one tiny scrap of "science" coming out of the EPA, you're a fool. The EPA is a widely discredited anti-science propaganda ministry that eradicated nearly all legitimate scientists decades ago, back in the 1990's. The only scientists that currently work for the EPA today are those who are willing to abandon real science and distort all their research and findings for political purposes. Privately, they will all tell you that no real science is tolerated at the EPA. With this radiation decision, the EPA cements its position as the Environmental POLLUTION Agency which now systematically pollutes the air, water and soil, poisoning hundreds of millions of people and even labeling as "safe" toxic water that just might kill you. It's now so bad that even the pro Big Government environmentalists are freaking out and decrying the EPA's sheer stupidity. When even the environmentalists are horrified by the EPA's actions, you know the agency has really gone off the rails.

## **YOU CAN AGREE to BE FREE NOW...**

"You can Agree with 'Your Mind' to Be Free, but you are not really free, you just 'Think' you are. You have been taught and conditioned to 'Think' with your mind and 'Believe' that whatever you 'Think' will be so. Can you build a house from what you think only, or is your imagination along with your thinking merely part of the process to have the house built? Of course you use your mind to think and consider building the house, but you also need the materials and the knowledge to build it. So, when people 'Think' they

are Free, they really are Not! RealFreedomIS, not the 'implied' freedom that is marketed to the unaware and dumbed down public from the political, religious, spiritual, educational and scientific institutions, and is moreso than you can ever imagine, and it takes RealCourage with YU, The RealU, to where YU must Be The Real RiskTaker to accomplish RealFreedom Now! It will be so much easier for you to just 'Think' you are free with the Reptilian Alien TapLiners (RATS) who rule the earth with their Marketing Ploy to Deceive you! The Deceptors are the WarLords of the Physical & Astral Realms.

They can ShapeShift and 'appear' to be like you. When you Agree with all their Deception, they like you, but when YU, The RealU, starts to WakeUp and Become MoreAware, then they will be watching YOU! When you Sing The NUSound, The NU~U, YU will begin to have The RealConnection & RealProtection with The Real UNUversal Guides & The TruReality LifeIS, THE ALLIS. WakeUp with RealGuidance and a RealEducation or Stay Lost & Asleep for more unconscious karmic lifetimes with the RATS who Rule... YOUR CHOICE!

## **CHEMTRAILS USA, GERMANY, EUROPE, EVERYWHERE...**

"CHEMTRAILS ARE EVERYWHERE... Most people do not know that ChemTrails are for the Elimination of most of the populations on this planet! WAKEUP... YOUR CHILDREN DO NOT KNOW THIS! Your Children are The Future Now! If YOU Do Not know this then YOU are DAH! Actually, YOU are Dumbed Down Stupid, because whether You know this or not, You are Totally Effectd into more unconscious lifetimes with Deformed Bodies! The Reptilian Alien TapLiners (RATS) who rule this planet are the ones who are Astrally TapLining YOU in Your Dreams! The United States Deceptors are doing the ChemTrails and ISIS all over this world! There is so much more to this, so WWE as Wonderful WorldWide Educators strongly suggest YOU Do Your Homework and WakeUp Now or Stay Lost... Your Choice!

## **EVERYONE IS A FREEBEING of REALLIGHT...**

"EVERYONE IS ALREADY A FREEBEING of REALLIGHT... The difference between each of us is the Realization & Recognition of who we really are. It is not a matter of creating something that makes us who we are, it is a matter of creatively using what Creation is and what we are experiencing here to eventually WakeUp to who we are, a FreeBeing of ReallLight. What we are each experiencing in this very moment with what has already been created is mostly Distortion according to something that aligns itself with The Whole of Life and is a RealBenefit for us to WakeUp, and at the same time, when YU, The RealU, are able to Recognize the Deception that has been created here, then you have a better chance to See Beyond Cause & Effect Creation into The TruReality LifeIS, THE ALLIS.

“You have purposely been taught Distortion & Deception to keep YU, The RealU, reincarnating into more lifetimes of the same old drudgery that exists Now. You have Agreed to this Deception, because you do not know The Whole of LifeIS moreso than what you have come to know as Creation. Life Makes Sense, and what you are experiencing here on earth is a ‘simulation’ of a life, a Designed Matrix of Purposely Planned Restrictions to trick you into Agreeing to the Reptilian Alien TapLiners (RATS) who Kontrol this planet! You can ‘think’ what I am sharing is science fiction and conspiracy theory, but you are right in the middle of it! You can Stay Lost as a follower of the Gods of Man, who were invented by the RATS, or a member of a master or guru, as this is always Your Choice. Everything in Creation implies Restriction! There are NO RESTRICTIONS in The Real UNUverses of RealFreedom with THE ALLIS! YU ARE A FREEBEING of REALLIGHT ALWAYS!

## **YOUR REALJOURNEY and YOUR RELATIONSHIPS...**

“We are ALL in the Same Life... This IS Real. We each decide whatever we want to while we are here. We are in Creation, a ‘fabrication’ from The TruReality LifeIS, THE ALLIS. Most people have Not come into the Recognition of their RealAwareniss, so they consider Creation to be the ultimate as a child would consider what they are experiencing at a young age with what is really taking place on this world. The unaware masses do not know The RealHistory of this world, as they have been Deceived and Marketed by the Reptilian Alien TapLiners (RATS) who first invaded this planet. The RATS have created the political, religious, spiritual, educational and scientific institutions. The Gods of Man and worshipping and praying are originally sacrificial ideas that the RATS implanted in people’s minds and their other unseen bodies to Kontrol them, and these distorted ideas are more than evident today and the effects they have had, which contributes to the Demise of The ALLNatural Environment Supporting ALL of US. Politics and the others institutions I have named are like VooDoo to people who are unconsciously Astrally TapLined by the RATS in their Dreams. The DevilDemon Gods have been invented to scare people into a Subliminal Submission of Slavery of Fear for untold lifetimes. To most, this is like science fiction and conspiracy theory. WakeUp and Learn to See what is taking place right in front of YOU and Watch Your DreamVisions!

“Your RealJourney is to discover The TruReality LifeIS, THE ALLLISSS, and then Learn to Recognize What ‘IT’ IS. Those who are still asleep can only see what has been created on this earth as something bigger than The Whole of Life, as many people have become the know-it-alls and consider they know more than Life ITSELF! The know-it-alls demonstrate themselves every day, as these are the people who are doing the most destruction to The Natural Environment. Along with our experience in time and space, Cause & Effect Creation, is what we have come to know as Our Relationships. We have decided to label Our Relations as fathers, mothers, sisters and brothers and so on. This does make sense in its own way with what we each experience here, and there is also a Bigger Picture that most people do not See, and that is YU, The RealU, is already a FreeBeing of RealLight, which only YU can decide to Explore, Realize and

eventually Recognize along with THE ALLISSS. The PerfectPosition for YOU that is possible is a RealRelationship of Being to Being, without the over-emotional attachment to what does not make sense with Your RealJourney to RealFreedom Now. It is Not the Fake Gods that decide Your Life... YU DO! You have been taught Distortion, and as long as you Agree to it, then you will stay here unaware. What brings you and others back here for more unconscious lifetimes is mainly your distorted ideas with the Relationships you have created and Your Emotional Attachments with Your Relationships. It is not about 'good or bad' as it is about Choice. Only YOU can decide to have Your RealAdventure with The Whole of Life and Become MoreAware and Stand in RealFreedom in The Real UNUverses beyond Creation, or Stay Lost and Emotionally Attached to body forms and the ideas with them in the PsycRealms of Cause & Effect Creation. It is Always Your Choice!

## **THE REAL STORY of REBAZAR TARZS & PAUL TWITCHELL...**

“Paul Twitchell & Rebazar Tarzs & The Real UNUversal Guides... Never advocated any type of Worshipping and Prayer to the Space Gods of Man. Paul started off with the ‘god’ idea to babysit people along as the first step with what he was presenting. There is so much more to this RealAdventure and I will be sharing this in NUBook Nine, ‘REBAZAR TARZS & PAUL TWITCHELL THE REAL STORY’

For now, I will say that Darwin Gross and Harold Klemp were supposed to implement the next stages into what I, as Duane The Great Writer, have created with The NUPresentation. The first stage was babysitting the members with the ‘god’ idea, then with the ‘Sugmad’ idea, and finally with THE ISNESS, Paul had written about and Rebazar referred to in Paul’s books. Darwin and Harold have been taken over by what I refer to as ‘The Influence’ which is a Kontrolling Consciousness Agreement thru all the Five PsycRealms of Cause & Effect Creation and the Mistress of the Kalaum DevilGod most religious and spiritual people worship and pray to. When Reptilian Joanny married HarOld, the RATS moved right into the Astral Bodies of the membershrimps and TapLined all of them. This is why so many are getting illnesses and cancers. Beyond Creation IS The TruReality LifeIS, THE ALLIS. Darwin and Harold never had The RealAwareness to Recognize THE ALLIS, so they have become ‘self-absorbed’ Kontrollers with the One World Order (OWO) and the Reptilian Alien TapLiners (RATS) who Kontrol this planet with their Designed Karmic Matrix. They both stole Paul’s Title and never earned it. Ask Rebazar Tarzs & Paul Twitchell & The RealGuides on The RealSide LifeIS, as you Sing NU~U, and You will be shown in Your DreamVisions! The HU, OM. AUM, Amen, words are VooDoo Reptilian Religions with the RATS and the DevilGods!

## **ASK DR. EKorcism on FACEBOOK...**

“Hello, I am Dr, EKorcism with the Kontrolling Krone Korporation (KKK). I am sure that many of you ‘unaware subjects’ out there have heard of Exorcism, which is supposed to remove ‘Demons’ from a person. Well, I have to admit that this has been a Marketing Ploy with VooDoo Religions for centuries. Along with Astral TapLining, which I am an expert at, and with Harry and Joanny Klump of EEKonkon, we actually put the ‘Demons back into YOU!’ Just like your doctor who gives you Dangerous Drugs, Chemo Therapy and Lethal Vaccines, we are doing our part with the One World Order (OWO) and the Reptilian Alien TapLiners (RATS) to make sure ‘Everyone’ is Infected with Worshipping and Praying to the DemonGods of Man! Do Not Watch Your Dreams or You will WakeUp and See what we are doing! We Are Scary!”

## **OLD RELIGIONS can BECOME~NU...**

“The NUSound, The NU~U, IS For Everyone! The NU~U, IS The NUWay & The RealConnection with Rebazar Tarzs & The Real UNUversal Guides beyond Cause & Effect Creation. People have been burdened and tortured for untold lifetimes with the Space Gods who rule over everyone with their HUman Authoritarian Ruling Manipulators (HARM). Yes it is so, there is a ‘Good’ side to the Gods of Man, as they still keep YU, The RealU in Agreement with reincarnation and karma for ongoing lifetimes! There is also the DarkSide to the Worshiped Gods with those who HARM others with the HUman Farming on this earth! Most unaware people who follow earthly religions and the invented gods and their ‘savior promises’ keep coming back here as this planet gets worse and worse! Sing The NU~U and Watch Your DreamVisions and Life Will Show YU... ‘What IS Real Now!’ WWE are Wonderful WorldWide Educators and WWE are here for Everyone to Be Free Now!

## **SING NU~U at YOUR NEXT FUNERAL...**

“Do you want to Be The Star of Your Next Funeral? Then Take The Risk and Sing The NUSound, The NU~U! When You Sing The NU~U, The Real UNUversal Guides will escort the person crossing over to their first place on the Astral Realm. As they learn to develop themselves they can continue onward to The Real UNUverses of RealFreedom Beyond Cause & Effect Creation!

## **DID GOD WILL THE DEVIL THE EARTH?**

“It is more than evident in the last two hundred years or so that, The ALLNatural Environment Supporting ALL of US has become so poisoned and polluted and destroyed! Is this Gods Will or did the Devil do this? And who is going to fix everything? Will God and His Saviors come back soon? Most people are so unaware of The Whole of Life and that the Gods of Creation are not what people ‘Think’ they are. LifeIS Bigger than Creation and what is taking place on this planet from all the Choices & Agreements people have made for themselves. Most people want to ‘pretend’ some sort of lifestyle here that has nothing to do with The Actuality LifeIS. Learn to WakeUp and See what You are Agreeing to! The Gods of Man are fine with themselves in their heavens and it is up to You to find them! But guess what... There is so much more than the gods and their little heavens, there IS The Real UNUverses of RealFreedom beyond Cause & Effect Creation!

## **OLD KONTROLLING POLITICIANS can BECOME~NU...**

## **THE REAL CANDIDATES NOW...**

“WWE are The Real Candidates Now of Free Choice! Hello, I am Duane The Great Writer and I am in The United States of America, which ‘seems’ to be a Democracy and has the appearance’ of The Land of The Free, which is really HUman Farming like the rest of this planet. When it comes to Elections, the ‘idea’ is that you have a choice between ‘supposedly’ two different candidates or political parties, and then there is also the Independent Candidates, who are usually frowned upon by the Political Kontrollers of the ‘supposed’ Democratic Vote. All this Deception is fine, as it is all part of The Real WakeUp Now for Everyone! Not Everyone will ‘See’ what is really taking place on this Purposely Poisoned Prison Planet, and so they will continue to reincarnate unconsciously into future embodiments, until they do WakeUp! The Really Great News IS... WWE as Wonderful WorldWide Educators are Here & Now for YU, The RealU, to WakeUp and Be Free from Cause & Effect Creation! WWE are The Candidates of RealChoice & RealFreedom Now! WWE are Not with any political party, WWE are Wonderful FreeBeings of RealLight with The Whole of Life and what WWE are presenting to this world as Our RealAdventure. YU, The RealU, can WakeUp with US, or stay in Agreement with what has been created as mostly Deception on this earth. YU really do have Your Choise Now, as this has always been so!

## **WWE are THE REAL WAKEUP NOW...**

“WWE are who Everyone is looking for, but most people do not know this yet. After thousands of lifetimes being suppressed and set into hard labor from the Kontrolling Systems as subjects & slaves, those who are ready to ‘Earn Their Way Out’ of Cause & Effect Creation will Find US! Some people are waking up to the HUman Farming the political and religious systems have create on this planet, but what they are discovering is only the first steps on this One-Dimensionalized Matrix World. Most people still blindly worship and pray to the Space Gods and are still awaiting their saviors to return,

as these are the 'ideas' the Reptilian Alien TapLiners (RATS) have invented centuries ago to keep the unaware masses dumbed down. WWE are here for Everyone. Everything that is taking place on this earth is for YU, The RealU, to WakeUp. YU always have the choice to do this, or Stay Lost here for more lifetimes of an even worse environment to come!

## **WWE are DreamGuides for ALL...**

"TELL US YOUR DREAMS... WWE are DreamGuides for ALL! Everyone is having RealSide DreamExperiences, which are The First Steps to Waking Up in Cause & Effect Creation. ## **Queen Elizabeth Caught 'Shape Shifting' On TV...**

Sighting of the queen shapeshifting into a reptilian caused chaos on Twitter on Saturday as she celebrated her 90th birthday. YNW reports Alleged sightings of Queen Elizabeth shapeshifting in reptilian form exploded across the UK on Saturday as the oldest and longest reigning monarch in British history held official celebrations. The trooping the colour parade in Whitehall – attended by the Royal family, British politicians, and dignitaries from around the world – honoured the nonagenarian Queen and her close ties with the armed forces. However it was during BBC2's evening coverage of the parade that shapeshifting reptilian sightings peaked across the country, with the hashtag #ReptilianQueen briefly entering Twitter's top 10 trending topics. There were multiple accounts of seeing Queen Elizabeth with 'green, scaly claws,' and one account of seeing her 'black snakelike eyes with a yellow stripe down the middle,' while others claim to have seen the monarch in her full-blown reptilian form. A user who wishes to remain anonymous for fear of losing his Twitter profile – a business account with over 20,000 followers – says that he clicked on the hashtag and watched in real time as hundreds of tweets and user accounts got deleted. He saved copies of as many new tweets as he could before they were also deleted. Tweets were lasting 10, maybe 20 seconds at most before getting removed. Twitter was right on it, it was a serious operation, nothing was getting past them.'Tweets that were deleted before he could copy them described the Queen shapeshifting for 'a span of maybe three seconds' and having a 'sick grey face like a lizard mated with a vulture.' Another tweet mentioned 'scaly protrusions' – with the Twitter user fearing that people 'just won't ever believe' what she had seen. According to historians there have been sightings of reptilians around the world at regular intervals throughout history, however it is widely believed that we are now in a golden age of reptilian sightings. There is a belief that the world is

gaining consciousness, waking up, and that the veil is slowly lifting. Experts are saying that more people than ever before have developed the ability to witness shapeshifting.

Two people watching the same scene will not necessarily both be able to discern the shapeshifting reptilian. It is said that Queen Elizabeth, a high priestess of the dominant reptilian-Illuminati bloodline, is the most commonly sighted shapeshifting reptilian in the world. Twitter have not responded to enquiries about why they removed the tweets and permanently deleted the accounts, or if they were acting under outside orders.

## **FACEBOOK in YOUR DREAMVISIONS**

"Millions of people are on Facebook from all over this world. Facebook is the CIA's easy answer to keeping an EYE ON YOU! Then there is also the FunSide of Facebook, and this IS US, as Wonderful WorldWide Educators (WWE) with The RealCure for ALL. This whole world is under surveillance with the Reptilian Alien TapLiners (RATS). Watch Your Dreams and who YU, The RealU, speaks to in Your DreamVisions, because it could be US with The Real UNUversal Guides. WWE have The RealConnection, The NUSound, The NU~U, for The NUWay Out of Cause & Effect Creation.

## **ARE YOU SPAM?**

"When I was very young there was a Processed Meat Product called SPAM. This processed product is still around like baloney, hot dogs and so many other ground-up animals. The Question IS... ARE YOU SPAM or ARE YOU GOING TO BE SPAM? For those looking at Facebook in the Astral Realm, they may have went through the Commercial Meat-Grinder and their bodies became SPAM, because maybe they were part of the takeovers with the Reptilian Alien TapLiners (RATS) who do not like witnesses around. In the old days with the Mob, they usually stuck people into cement and dropped them into the river. Today, it is a lot easier to make people disappear in the SPAM Meat-Grinder. YOU are on a Purposely Poisoned Prison Planet and there is No LA LA Land here, only HUMAN Farming with the RATS, and YOU ARE NEXT!

## **"SOUL EXISTS BECAUSE GOD LOVES YOU...**

### **HARRY KLUMP fake TAPLINING master...**

"The old, old Reptilian invented idea of Soul, is nothing more than a reference to an unaware and unconscious entity who is lost with the invented 'god' ideas created by the Reptilian Alien TapLiners (RATS). Harry Klump, fake TapLining master of EEKonkon, Krone Kontrolling Korporation, is a perfect example of what NOT to do, if YU, The RealU, wants to have RealFreedom Now! The reference to 'god' here is that of the Kalaum God of Cause & Effect Creation who is Reptilian, because Harry's wife, RJ (Reptilian Joanny) and HER Band of Witches, are Astrally TapLining Their PrayPaying Members in their Dreams. HER (RJ) MemberShrimps are still mostly unaware of Astral TapLining and they will end up as SPAMM (Spiritual People Aliens MindKontrol & Mutate). So, if YOU are one of the many Lost Souls who like 'pretty words & Old WisDumb from Old & Outdated TapLining masters, then you will really like Harry & RJ Klump! Yes, the Kalaum God does Love YOU, because you will be coming back for

more lifetimes of the same old drudgery you are going thru Now! Have Fun Deciding!

## **ENJOYING YOUR STAY ON EARTH?**

“You are on a Purposely Poisoned Prison Planet! Are you sure you want to keep coming back here? The earth is a ‘Place in Life’ and nothing more. There are millions of planets like this one where the Reptilian Alien TapLiners (RATS) have their HUMAN Farming. Each and every lifetime you are here, you are what’s for dinner! This sounds funny to you? But, all the pollution, poisons, political and religious Deceptions are okay with you, right? It is Your Choice to keep coming back here unaware for more 9 to 5 drudgery!

## **SOUL EXISTS because GOD HATES YOU - HARRY KLUMP...**

“Let’s have some fun here... If you only have the Karmic Konsciousness of a HUMAN with Five Bodies, then this statement of Harry Klump fake TapLining Master does work, because this Purposely Poisoned Prison Planet is for HUMAN Farming with the Reptilian Alien TapLiners (RATS) and Harry and Krone Klump are with THEM (TapLining HUMAN Eating Martians). The Karmic Konsciousness of politics, religion, spiritual paths, standard education, and scientific TEK (TapLining Earthly Kontrollers) is a Deceptive Fallacy created by the HUMAN Farming RATS. Soul is an ‘idea’ in most people’s minds and nothing more, as the RATS originally planted the idea of ‘soul’ to Kontrol the unaware masses, just like the fallacy of the ‘belief, hope & faith’ ideas. The Real Identity of each of us IS, UTUN (Your RealAwareness) with THE ALLIS, which was taken away and hidden many centuries ago, even by the so-called ‘spiritual’ teachings that have now dominated this world along with their VooDoo Religions. UTUN IS the hidden meaning, and when reversed it becomes NUTU, and is The PerSeevd TruLanguage of THE ALLIS, which means NUYU. In Creation I refer to Your RealAwareness as UTUN, and in The Real UNUverses, YU IS, NUYU, a FreeBeing of RealLight.

“Harry and Krone Klump of EEKonkon TapLining Korporation, are using ‘Subliminal Messages’ to Kontrol their membershrimps. Harry and Krone do not have The RealAwareness to Recognize THE ALLIS, because they are too self-absorbed! Like most VooDoo Religions, Krone was sent by ‘God’ to takeover those Korporations that do not comply with the Dictates of The Kalaum God and The Influence on earth. There are No Gods in The Real UNUverses of RealFreedom beyond Cause & Effect Creation! So, when fake master Harry Klump states, “Soul exists because God hates you,” he is not kidding! The Gods of Man want YU, The RealU, here for as many lifetimes as they can as their prisoner and slave! The God of Creation says he loves you, but actually demonstrates the opposite! You can stay stagnant with the old masters in Collapsing Creation, or learn to Free Yourself with US!

## THE OLD MASTERS...

“The old masters of politics, religion and spiritual paths have their little formulas for keeping their paying members Subliminally Sedated. They use ‘pretty words’ of wisdom to look like they really know more than Life. They drag out the traditional past and try and make it look like something it is not. ALL Life IS Now... This IS Real! The NUNowniss of THE ALLIS, is far moreso than what Eckhart Tolle refers to as his ‘Now.’

Eckhart’s ‘Now’ refers to Cause & Effect Creation and not The Real UNUverses of RealFreedom. He also refers to the ‘spiritual’ Gods of Man who are with the Reptilian

Alien TapLiners (RATS) on the earth. The days of masters and gurus are gone, because ‘THE NUWAVIS THE NUMAN NOW!’ The old masters are TapLined to the Lower Astral Realm with the RATS and their emotional ideas, but they do not See this, because their secondary personal consciousness is so low that all they can do is see themselves as something they are not. YU, The RealU, has your personal consciousness in Cause & Effect Creation, and Your RealAwareniis is in The Real UNUverses as a FreeBeing of Reallight that you must Recognize to Be Free with... YU Decide! Have fun for more lifetimes with the old know-it-all masters and their Kontrolling Earthly Korporations (KEK).

## PAUL TWITCHELL REALSIDE EXPERIENCES...

“Paul Twitchell is with Rebazar Tarzs & The Real UNUversal Guides. Paul started his presentation as mainly a babysitter for people to start their Journey to RealFreedom, but never meant that what he had created to be the End Result. Most people who knew something of what Paul was doing here have not kept up with The Whole of Life and what The RealGuides are Presenting Now. Duane The Great Writer has been chosen by The Real UNUversal Guides and The TruReality Life IS, THE ALLIS as THE NUWAVIS THE NUMAN, to create The NUPresentation For ALL. What Duane IS presenting is The NUNowniss of THE ALLIS, which has always been Here & Now, but very few can See IT. In NUBook Nine, Duane will bring forth ‘Rebazar Tarzs & Paul Twitchell The Real Story’ Have Fun reading some of the RealSide Experiences with Our NUFriends from around this world and other dimensions!

## YOUR PASTLIVES...

“YU, The RealU, have been here many times before, but for the most part you do not remember. Whether you remember or not, you were still here and also on other planets and in other dimensions. Some people who do have this knowledge sometimes become egotistical about their pastlives. All of us have been thru a huge amount of experiences for untold thousands of lifetimes. Cause & Effect Creation is decided by The TruReality Life IS, THE ALLIS. Most people ‘Think’ that Creation is the only reality there is, but this is far from being so. The Reptilian Alien TapLiners (RATS) who Kontrol this planet do not want you know about The Whole of Life, but only what they decide for you on this world as ‘Their’ reality to manipulate everyone with Their Human Farming

Matrix. Your pastlives are a 'reference' to eventually Recognize THE ALLIS. We each take on different bodies from lifetime to lifetime, and these are merely experiences to WakeUp OurSelves to The Whole of Life, and moreso than just getting a better job and making more money. This entire planet is based upon Deception, and until YU, The RealU, can WakeUp from this Passing Dream, then you will continually be the Unknowing Effect and Stay Trapped & TapLined here with the RATS!

## **ANOTHER DAY IN OUTER SPACE...**

"The unaware masses do not fully realize where they really are... in Outer Black Space! Outer Space is a deep dark place that is still a mystery to most. But of course, it is business as usual on the earth. Each person has their own 'ideas' of what life on earth is, and anyone can do and think what they want. What is taking place with what is created here is whatever comes to be and has NOTHING to do with The TruReality LifeIS THE ALLIS. Creation is a 'Place in Life' and nothing more! Creation is a 'simulator' and a prelude to a RealLife in The Real UNUverses of THE ALLIS. All the 'ideas' people have, including religious and philosophical ideas, have NOTHING to do with The Whole of Life. Like the Sun Shining, LifeIS and ISNIS! In Creation we 'Think' about what LifeIS, but that is as far as it goes, because LifeIS so much more than can ever be considered from a personal view or idea. Then there are the 'spiritual' ideas that some like, which are still in Creation and with the gods and saviors people have come to invent or experience.

"The TruReality LifeIS IS Unique ALL to ITSELF... THIS IS REAL NOW! Most unaware people will stay lost in Creation, and possibly forever, as each person has the Free Will to do whatever they want to and to be wherever they want. WWE are Wonderful WorldWide Educators with The NUWay Out of Cause & Effect Creation. WWE provide RealGuidance and a RealEducation with The RealConnection into The Real UNUverses of RealFreedom!

## **REALLUV IS DEMONSTRATED...**

"Like the Sun Shining... RealLUV IS Demonstrated! Those who have not Recognized The TruReality LifeIS, THE ALLIS, will not See what RealLUV IS, because they are using their emotional senses to define what they 'Think' RealLUV IS. RealLUV is not emotions and sensation with the Astral Body. Those who stand in RealLUV Shine Brighter than the Sun. Those who Share The NUSound, The NU~U, which IS The RealConnection with Recognizing THE ALLIS, will Recognize themselves as a FreeBeing of RealLight with The Real UNUversal Guides and eventually Recognize RealLUV. When the Sun Shines is there any emotion with it... NO! LifeIS Real and to Recognize IT, IS Huge! Pretty words and old wisdumb and making a person 'feel' emotional do not equal 'What IS Real Now' in The Real UNUverses of THE ALLIS. Most of the people on this planet are lost with their old religious and spiritual 'ideas' that were merely 'hints' to THE ISNIS LifeIS. WWE as Wonderful WorldWide Educators with The RealGuides of THE ALLIS, provide RealGuidance and a RealEducation for The

NUWay Out of Cause & Effect Creation. The old days of fake masters and gurus are gone and The Whole of Life no longer recognizes them as anything of a benefit. WakeUp and Free Yourself from your old emotional baggage or stay emotionally lost with the Kontrolling Systems of 'sound-good' ideas.

## **NO CONCLUSIONS with THE TRU~ISNIS LIFEIS...**

"The Marketing Ploy of the Reptilian Alien TapLiners (RATS) who Kontrol the HUman Farming on this planet has always been... "Confess your sins to Jesus and he will set you free!" This is one of so many examples of 'Fake Conclusions' that the unaware masses have 'believed' for untold eons and are still here after many unconscious lifetimes still searching for Jesus and other so-called 'saviors' to save them from themselves. What all of us have come to know as 'Creation' is mostly Deception from those who rule others in the Five PsycRealms. Another 'good one' is the master and guru, idea that your master will do for you what you cannot do for yourself. In other words... trust the fake master and he will take you to your happy place when you leave here, because you have some kind of 'computer initiation' that supposedly confirms this.

Again, here is another 'Conclusion' that people are marketed with and they openly Agree, because they want to stay Emotionally TapLined to their personal life for as long as they can, and then expect their savior or master to tear them from all their Emotional TapLines at the last minute of their departure. How many lifetimes have they already done this and it has not worked yet?

"Creation is a 'Simulator' and Not a RealLife. The emotional 'Love' idea to get you to a heaven is only with the Astral Realm, because the emotions, feelings and sensations a person experiences here are with their Astral Body and not Your RealAwareness. LifeIS so much bigger than feelings and emotions. When you look at the Sun Shining, are there any emotions or feelings coming from the Sun? But, the experience with observing the Sun Shining is Wonderful & Awesome! The Sun IS an Excellent 'Reference' to THE ISNIS LIFEIS, but YU, The RealU, must Learn to Recognize this.

There are NO CONCLUSIONS in The Real UNUverses beyond Cause & Effect Creation, because THE TRU~ISNIS LIFEIS, IS ENDLESS, PURE & FREE from ALL Restrictions! With RealGuidance and a RealEducation, YU, The RealU, can Learn to Free Yourself Now! Sing The NUSound, The NU~U, and start Your RealConnection with The Real UNUversal Guides on The RealSide. They will take YU step-by-step and show YU how to Recognize The FreeBeing of RealLight, YU Already... IS!

## **JESUS, GOD or HARRY will Not Save You...**

"The old traditional 'ideas' of Jesus, God or fake master Harry will Not Save You from what YOU keep deciding as Your Fate! You are Not Seeing what You are Deciding, and so You will continue to return here unaware until YU, The RealU, Wakes Up! You

can WakeUp Now or keep fumbling around with the invented systems that have marketed you into 'believing' that your emotional 'love' ideas will solve everything, when actually they are using what you 'think' is love to Kontrol you. Who really is Jesus or God, and especially... Who is Harry? Most people know about Jesus and their 'idea' of their god, but the unaware dumbed down public do not know about fake master Harry.

Harry Klump is an interesting and sneaky fellow who 'thinks' he's cleaver with his Reptilian wife Krone, when actually he is nothing more than a janitor like so many other people who are Deceiving the public. Harry and Krone have a business that 'looks good' to their unaware and Subliminally Kontrollled members, but when anyone really investigates and 'looks behind the curtain' at what they are doing they begin to See a totally different picture. Harry and Krone Klump are like so many other 'bought off' Karma Collectors who always think they are smarter than The Whole of Life. Is it that Life does not know what IT IS doing and that the little people of earth do? You know, all the little minds that are destroying The ALLNatural Environment that Supports ALL of US! Take a good look around at what is taking place on the earth Right Now... Does it really make sense to keep poisoning everything and take part with The Deceptors who rule this planet? Only YOU can Save Your Own Life, and WWE as Wonderful WorldWide Educators will show YU, The RealU, how to do this Now!

## **CELL PHONE BABIES on FACEBOOK...**

"Cell Phones are a way of life and are a fun way to communicate. It would be so much better if they worked with Tesla Technology than Mind Kontrolling Microwaves, and so I am assuming that some of the Smart Babies out there will figure a way this can happen so people are no longer harmed by Lethal Radiation! WakeUp and Be Creative and Join US in The NUEVAolution with Becoming MoreAware & Real!

## **SEEEING THE BIGGER PICTURE...**

"You have had more lifetimes here and other places in Creation than you can imagine. Of course, you have been purposely conditioned to not 'believe' this, because those who Kontrol this planet want YU, The RealU, to keep coming back as their support. There is so much more to you than just a physical body. YU, are actually a FreeBeing of RealLight in Real UNUverses of RealFreedom, but to SEEE this with more than just your literal mind, YU must WakeUp and Recognize The TruReality LifeIS, THE ALLIS with Your RealAwareness. YU can Take The Risk and Life will show you 'What IS Real Now' or stay lost in Cause & Effect Creation.

## **LIFE LUVS THE RISKTAKER...**

“There IS more to The Whole of Life than what is on earth and what is seen. Each lifetime you have been here the earth has become your comfort zone, and then you grow old and once again forget you were here. YU, The RealU, can do this for as long as you want, or YU can Take The Risk and See Beyond Cause & Effect Creation and not have to return here... YU DECIDE!

## **REAL RELATIONSHIPS...**

“From lifetime to lifetime we each create relationships and the drama that comes with them. Eventually, we are tired of the merry-go-round and look for something else. Relationships are fine and manageable when you know what is really taking place with The Whole of Life, but until then, it is a lot of Emotional TapLining. A Real Relationship is when YU, The RealU, can fully Recognize Your RealAwareness as Being-To-Being with others. Until you take the time to do so, you will continue to reincarnate unconsciously with your religions, gods, masters and gurus in Cause & Effect Creation.

## **DUANEVA NUBOOKS on FACEBOOK...**

“The Eight NUBooks of ‘THE ADVENTURIS SERIES’ are on Facebook with DUANEVA. WWE are Wonderful WorldWide Educators and WWE are The NUWay Out of Cause & Effect Creation. WWE show YU, The RealU, how to Recognize The TruReality LifeIS, that is beyond the invented gods and their authoritarian rulers on this earth. Take The Risk and Sing The NUSound, The NU~U and Watch Your DreamVisions... Life Will show YU ‘What IS Real Now!’

## **REAL RISKTAKERS SHARE THE NU~U...**

“The NUWay Out of Cause & Effect Creation IS The NUSound, The NU~U. Politics, religion, spiritual paths, standard education, mad science and whatever else that has been invented in Creation for the demise of this planet will not save you from more lifetimes of what you have already gone thru before. What you are doing Now, you have done for countless lifetimes! This is Very Real! There are no gods deciding Your Life. You are the Decider of Your Life! Sing The NU~U and Watch Your DreamVisions and Let Life Show You ‘What IS Real Now!’ Or, keep doing what you always have and you will end up where you have always been. The Whole of Life, moreso than Cause & Effect Creation does Make Sense. Take a good look around you... is this the life you want to come back to when it's a lot worse than Now? Only The Real RiskTakers will See THE ALLIS.

## **AFRICA AFRICA WAKEUP WAKEUP... AMERICA AMERICA WAKEUP WAKEUP...**

“For those who were in Paul Twitchell’s Eckankar, The Ancient Science of Soul Travel, there was NO RELIGION, NO GODS, NO WORSHIPING & NO PRAYING & NO REPTILIANS & TAPLINING!

“HELLO AFRICA & AMERICA... WAKEUP! You are being Deceived by Reptilian Joanny Klump and old janitor Harry Klump, who took over what Paul Twitichell created. Since the day Darwin Gross bought off the Eckankar Board of Directors there has been a huge Reptilian TapLining Conspiracy taking place. Joanny Klump is a VOODOO WITCH who possessed stupid Harry Klump who thinks he’s a ‘spiting master’ of HER EEKonkon Business Korporation. Sing The NUQound, The NU~U, and Watch Your DreamVisions with Rebazar Tarzs & Paul Twitchell Now! AFRICA AFRICA WAKEUP WAKEUP

## **THE NUWAVIS DUANEVA on THE REALSIDE...**

“To See DuanEva & The RealGuides on The RealSide, you must have a comparison to what is really taking place on the earth and the Six Levels of Creation. The unaware masses have been taught the earth is all there is and that there is a ‘spirit world’ beyond the earth, which is a heaven after this life. The next level or dimension is the Astral Realm, and this area is so vast and huge it would seem to cover eternity. This is the home of your Emotional Astral Body that looks like you on earth and is the body you usually dream in. The political, religious, spiritual, educational and scientific systems of this earth are Tied, Trapped & TapLined to the Astral Realm in so many different ways. Those who are religious or spiritual ‘think’ they are far beyond the earth, when actually they are no further than they can see for the most part. What I refer to as The RealSide, does start in the Astral Realm, and then proceeds for those who know UNUversal Positioning (UP) into the Causal, Mental, Etheric Realms of the Gods of Man, then past the sixth level of the Deep Dark Border into The Real UNUverses of The TruReality, THE ALLIS.

“There is more to The Whole of Life than just the ‘spirit’ idea that has been marketed and sounds emotionally lovely to most, which is no further than the Astral Realm where most people are Trapped & TapLined by the Reptilian Alien TapLinners (RATS) who rule this planet! The Real UNUversal Guides share their secrets of UNUversal Positioning with those who are The Real RiskTakers and who Share The NUSound The NU~U with ALL. The NU~U, IS The RealConnection with The SoundLight ALLAliveniss LifeIS. The old words of HU, AUM, OM, Amen and others are with the RATS and you will stay TapLined with THEM, even into your heaven after you leave the earth, unless you Free Yourself with The NU~U. See US on The RealSide Now!

## **AFRICA NULEADERIS MARIAM ELBOU...**

“THE NULEADERIS are those who have The RealCourage to Share The NUSound, The RealConnection, The NU~U of THE ALLIS, and THE NULEADERIS moreso than those who passively wait to be told how to be creative with their life. Rebazar Tarzs & The Real UNUversal Guides Stand with THE NUWAVIS THE NUMAN NOW. The days of old masters and gurus are gone. YU, The RealU, must Be The Real RiskTaker to See Beyond the political, religious, and astral TapLining spiritual systems of this earth, or you will once more be lost with the Authoritarians and the invented Gods of Man.

“THE NULEADERIS MARIAM ELBOU of AFRICA! See Mariam & Charles on The RealSide with Rebazar & Paul & The RealGuides! The NU~U IS The RealConnection Now to The SoundLight ALLAliveniss of THE ALLIS. Beyond the Gods of Man and the fake masters of the earth, IS Real UNUverses of RealFreedom!

The political, religious, spiritual, educational and scientific systems of this earth are Tied, Trapped & TapLined to the Astral Realm in so many different ways. Those who are religious or spiritual ‘think’ they are far beyond the earth, when actually they are no further than they can see for the most part. What I refer to as The RealSide, does start in the Astral Realm, and then proceeds for those who know UNUversal Positioning (UP) into the Causal, Mental, Etheric Realms of the Gods of Man, then past the sixth level of the Deep Dark Border into The Real UNUverses of The TruReality, THE ALLIS.

“There is more to The Whole of Life than just the ‘spirit’ idea that has been marketed and sounds emotionally lovely to most, which is no further than the Astral Realm where most people are Trapped & TapLined by the Reptilian Alien TapLiners (RATS) who rule this planet! The Real UNUversal Guides share their secrets of UNUversal Positioning with those who are The Real RiskTakers and who Share The NUSound The NU~U with ALL. The NU~U, IS The RealConnection with The SoundLight ALLAliveniss LifeIS. The old words of HU, AUM, OM, Amen and others are with the RATS and you will stay TapLined with THEM, even into your heaven after you leave the earth, unless you Free Yourself with The NU~U. See US on The RealSide Now!

## **REBAZAR TARZS & THE REAL RISK TAKERS...**

“Rebazar Tarzs brought Paul Twitchell & Duane Heppner into ‘The Rod of Power’ which ISNow, THE NUWAVIS THE NUMAN DUANEVA. Those who are The Real RiskTakers with Rebazar Tarzs & The Real UNUversal Guides can See The TruReality LifeIS Now on The RealSide and Your DreamVisions. Those who are still with their Living Alien Master Ego (LAME) are with Reptilian Joanny Klump and HER Human Farming Slavery Korporation. Most of the lost and unaware ‘spiritually LAME’ have not paid attention to what Paul wrote about THE ISNESS LIFEIS. Do you really want to keep worshipping and praypaying to RJK and the Kalaum God that is TapLining you in your Astral Body while you dream? WakeUp with US (UNUversal SuperBeings) and The TruReality LifeIS, THE ALLIS! Sing The NU~U, and YU will Seeel!

## **HUman HaKKing (HUman Farming)**

“HUman HaKKing is a term for Astral TapLining, which most people are not aware of. The unaware masses are held and Kontrollled unconsciously to this world, which is YOU! You are aware of certain parts of the environment you are with, but there is so much more you are not aware of, and at the same time you are the Effect of what you are not aware of. And so, you will keep returning here to be a slave for the invented systems as long as you decide to stay unaware of The Real UNUverses & The Whole of Life.

## **GOD NEVER USES ALGEBRA...**

“So much of what is taking place on this earth is a waste of time, effort and is destroying The ALLNatural Environment Supporting ALL of US! It is no longer the 1950s, to where we were ‘cool’ in those days and cruised around being Dah, which many people still are.

You keep up with The Whole of Life or you do not! I am providing The NUNowniss LifeIS, and YOU have a Very Special Opportunity like never before to WakeUp with US (UNUversal SuperBeings).

## **My first RealSide Experience with Paul Twitchell:**

It was the beginning of the semester in the university that I go to. The university's library arranges a common read each year by distributing one book to freshmen and whoever has the interest in joining the move. Later in the semester, the university invites the author for a university event, where they give a speech and have an open discussion with the students and the faculty members that read the book.

The book chosen this semester was *The Tiger's Fang* by Paul Twitchell. Since I was an orientation leader I was distributing the books to the new students. I was excited, they were excited, and it was an overall joyful experience. We would meet every 3 weeks to discuss few chapters of the book with whoever had the interest to keep reading.

The author's event was near in time, but the identity of the guest was remained a secret. Since Paul was dead, everyone assumed that a member of the Corporation or at least a spiritual leader would be presented. I was one of the organizers of the event, which gave me more access to the event's room, more than most people. Few hours before the event started, I entered the room. Surprisingly, Paul was standing in front of me, practicing his speech. He was very focused that he didn't notice me entering, so I did not interrupt. I was so amazed by his presence and took my time to focus on the awareness he brought into that room. After a while he looked at me for a moment then said, "I recognize you!" With his full hand pointed at me. The Real me.

Immediately after that, the audience came on time, and it was a full house. In his speech he stressed on the point that what we read was not purely his, and that his words were manipulated to serve an agenda that he does not approve. That made a lot of sense to me, and solved a lot of mysteries I struggled with while reading *The Tiger's Fang*.

He finally concluded by softly singing the NU-U. No one sang along with him at first, until I joined him, and the whole audience followed in a second. The room was full of light, shiny and bright. It was pretty hard to see faces, or recognize voices. We were all in sink, not just by the NU-U sound, but the heartbeats, and the breaths. I was lifted with the tenderness of the voices and the presence of Paul.

"IT IS MY PRIVILEGE TO TAKE THE RISK TO BRING YU WHAT I HAVE  
RECOGNIZED WITH THE TRUREAITY LIFEIS, THE ALLIS... DUANEVA

A HUGE DECEPTION HAS BEEN CREATED ON THE EARTH AND MANY PLANETS LIKE IT, THAT THERE ARE GODS IN THE SKY SOMEWHERE WHO CREATED YOU. AS LONG AS YOU HOLD TO THIS IDEA OF THE SPACE GODS, THEN YOU WILL CONTINUE TO RETURN UNAWARE TO THE EARTH. WORSHIPING AND PRAYING TO ANYTHING IS SACRIFICIAL RITUALISM AND VODOO RELIGION. ## **THE NULIFELEVELS NOW...**

“LIFEIS ALWAYS NOW... This world does have a history, which has been distorted by the systems that have been invented, but overall, what we are experiencing here is massive out-of-control Kontrol! The Reptilian Alien TapLiners (RATS) who first invaded this planet and created the Socialistic Societies and Deceptive Doctrines are the ones destroying The ALLNatural Environment Supporting ALL of US. YU, The RealU, can WakeUp Now and Earn Your Way into The Real UNUverses of RealFreedom, or stay for more lifetimes in deformed bodies with the DarkBrats on their Purposely Poisoned Prison Planet. “WARNING... WARNING... This and so much more is what I have been writing about and sharing for years about the Reptilian Alien TapLiners (RATS) of the Joanny Kroney Klump Corporation in Minnesota, USA! SHE and HER fake puppet master have been Astrally TapLining their membershrimps for decades, and it has all been showing up, just like what the governments of this world having been doing to unaware people for lifetimes! ## **REALLUV & THE REAL RISKTAKE**

The old saying, “Love makes the world go around!” is true in a way, as everything in Creation is a decided consciousness that forms thoughts and ideas, along with the feelings and emotions we each add. Most people are unaware they have more than just a physical body and only 'thinking' they are flesh and bones and what is known as human. “Surprise! Surprise!” as Gomer Pyle would say. There is more to YU, The RealU than you realize! You can stay as you are and just grow old and outdated as you have from all those lifetimes you have already forgotten, or you can WakeUp with US and supersede anything you have ever know before, but YU must BE The Real RiskTaker! What you have come thru for untold lifetimes is what you have decided with your mind and emotions, which is your astral and mental bodies. The love you have known so far is mainly from your emotional body, which moreso relates to your mind and your idea of

what love is. From the love 'ideas' you have formulated you have always kept yourself unaware and returning here and other worlds and dimensions in Creation.

To discover RealLUV & RealFreedom and to WakeUp from this Passing Dream Matrix you are in, which relates to The Real UNUverses beyond Cause & Effect Creation and the Invented Gods of Man, you must BE The Real RiskTaker and Learn to Recognize The TruReality LifeIS, THE ALLIS. THE ALLIS, is not a god or any idea that can be considered, as IT IS THE PURREALITY LIFEIS! IT IS THE WHOLE OF LIFE! With the personal love you have known comes all the drama, sensations, feelings, pain, happiness and so much more you have unconsciously gone thru since your unknown entry into Creation. Personal Emotional Love is a 'reflection' of RealLUV from The Real UNUverses and The ALLAliveniss LifeIS. There is no real explanation to RealLUV, as it is a Real UNUversal Position that cannot be considered with your mind and emotions, but must be moreso Recognized with Your RealAwareniss. The invented systems of politics, old religion, spiritual teachings, ancient wisdom, masters and gurus are nothing more than Restrictions in Creation and have nothing to do with the Whole of Life and RealLUV. Those who have The RealCourage to StepUp and Share The NU~U, will have RealGuidance into RealLUV with The Real UNUversal Guides. The 'love all' idea is not RealLUV, and is a personal idea many people create 'thinking' that what they decide from their little personal mind will solve whatever they create, as they also like to try and Kontrol their invented gods who do not listen to them. Take the Risk and StepUp and Sing The NUSound, NU~U, and Watch Your DreamVisions!

## **VOODOO RELIGION ALIEN ATTACKERS**

"I am often asked why I create so many funny and strange pictures about Reptilian Joanny and fake master janitor HarOld Klump of the EEKonkon Krone Korporation. The answer is very simple... These two imposters have been attacking me and the people I teach and share with on The RealSide (inner worlds & dreams) since the day I was given The Real Rod of Power from Rebazar Tarzs & Paul Twitchell in 2001, which IS Now, THE NUWAVIS THE NUMAN. They

do not want to be exposed for what they are really doing, as they have been involved in a huge coverup since Darwin Gross was announced as The Living Eck Master in 1971. I will be telling 'The Real Story of EEKonkon' in NUBook Nine. Most unaware people are very one-dimensionalized, and even when I suggest to check with Rebazar & Paul & The Real UNUversal Guides on The RealSide LifeIS, they resist and 'think' they already know everything, and even more than Life ITSelf! Reptilian Joanny seduced Old Harry Klump when they first met and he has been HER Puppet Puppy Dog ever since. When Harry Klump is on stage, he is reading HER Notes to the audience!

**SING THE NU~ & FREE YOURSELF NOW!**

RJ (Reptilian Joanny) and HER Band of Witches go out every night and harass and Astrally TapLine unaware people in their Dreams.

This is how they have gotten most of their sleeping dumbled down membershrimps to worship and pray to the Kalaum God on the Mental Realm. When Paul was here, there was no worshiping and praying to anything, nor other ritualistic ceremonies, as RJ has created to keep people with HER for more lifetimes in the Lower Astral Realm. Paul started off as the babysitter and the 'spiritual & god' ideas, and then Darwin and HarOld were to educate and expand upon what Paul started, but these two fake self-absorbed masters, who stole Paul's Title, never had The RealAwareness to See & Recognize The TruReality LifeIS, THE ALLIS. In today's world, this Purposely Poisoned Prison Planet is Kontrollled by the Reptilian Alien TapLiners (RATS) who were the first invaders here and created all the political and religious doctrines people are hypnotized with. Most of the masses are subliminally subdued with VooDoo Reptilian Religion, and they will continue to return here in future lifetimes in deformed bodies! The old words of HU, AUM, OM, Amen and others are with the RATS, and YU, The RealU, are being TapLined in Your Dreams! Sing The NUSound from The Pure & Real ALLIS, The NU~U, and Free Yourself during this lifetime into The Real UNUverses beyond Cause & Effect Creation and the Gods of Man! WWE provide RealGuidance and a RealEducation like no one else!

## **StandReal...**

What I am Presenting Now to this world IS Real & Direct with The TruReality LifeIS, THE ALLIS. Life Defines ITSelf, and it is not that people define Life, as most of the unaware masses 'think' they can. The Kontrolling Systems have educated people into a Literalized Box of Misunderstanding. Of course, this is part of the process to WakeUp, and at the same time it is a huge hurdle for most people to do so. To the unaware masses and those in the Belief & VooDoo Spiritual Systems, waging war, doing takeovers, polluting the planet, growing old, and a host of other nonsense that seems to make sense to those who are not aware of The Real UNUverses.

## **TOOTH SEEKERS of THE WORLD...**

"Some people cannot find their TEETH... and so WWE as Wonderful WorldWide Educators have a Great Plan for YU, The RealU, to Become MoreAware, so you can find anything you need for your life. Sing The NUSound, The NU~U, before going to sleep for about 10 to 15 minutes, and then Watch Your DreamVisions, and Life will Show YOU, how to WakeUp and Have More Fun!

## **DAVID ICKE-First Step to a Bigger WakeUp...**

"Respectfully, David Icke is providing a lot of information about the Reptilians and the Bankers, but what he is sharing is a very small one-dimensional picture of what is really taking place on this planet and what else is effecting this world and YOU! Behind the scenes of this 'surface world' of appearances is a huge takeover that most people are not aware of. The Reptilian Alien TapLiners (RATS) who rule the earth are Astrally TapLining YOU in Your Dreams at night and turning YOU into a Reptilian! You, like so many others are not aware of the Six Levels of Creation and how they work, and that there are Endless Real UNUverses of RealFreedom beyond the invented Gods of Man and the Authoritarians of this earth who have YOU in their Designed Matrix! There are a lot of people who can leave their body (OBE) and move into the Astral Realm, but what they do not know is that there are hundreds of levels, dimensions and planes in the Astral Worlds, to where it 'seems' like you are going someplace higher, but you are not! Astral Projection is where you have a Silver Cord attached to you, and therefore, AP is very self-limiting and can also puncture holes in your Aura, to where entities can influence and TapLine YOU in Your Dreams! There are Many Steps to a Real WakeUp, and WWE have The RealConnection with The TruReality LifeIS, THE ALLIS! Sing The NU~U and Watch Your DreamVisions Now! DUANE THE GREAT WRITER / WATCH

YOU also 'think' I am trying to take some of the membershrimps from Reptilian Joanny and TapLining Harry from HER Korporation. NONE OF THE ABOVE! The TruReality LifeIS, THEALLIS, has Decided I was to BE THE NUMAN, along with Rebazar Tarzs & The Real UNUversal Guides, because I CAN SEE THE ALLIS, and YOU CANNOT! ALL Deception Shows Up, and it has been showing up for decades on The RealSide, but YOU have Not been Paying Attention! YOU would rather Worship and PrayPay Reptilian Joanny and fake master Harry and give yourself to HER TapLining! ## **SPOTLIGHT–THE MOVIE-ASTRAL TAPLINING...**

"As part of 'The RealLearning Process' with WWE (Wonderful WorldWide Educators), I suggest to watch the movie, 'SPOTLIGHT' I remember when this event was happening several years after 911, and at that time I did not follow thru with any investigation. What the movie 'Spotlight' focuses on is what has been taking place with the church all over this world for thousands of years. The Ratican in Rome is head of the 'HUMAN Farming' on this planet! There are so many people who are in powerful elite positions that like their domination over others, but what they are Not Seeing is, their Huge Karmic Debt they must go thru for untold lifetimes after this one! They can 'believe' whatever they want to, but they are in Cause & Effect Creation and they will stay here until they WakeUp to The TruReality, THE ALLIS. These people are molesters of all ages, and on top of this, they are Astrally TapLining people in their Dreams! I have been raised by Rebazar Tarzs & The Real UNUversal Guides, and two of the Biggest DirtBag Molesters I have ever known is, HarOld & Joan Klemp of the Eckankar Korporation in Minnesota, USA. The 'Klump Heads' have destroyed so many people and made them ill and given them TapLining Kancers from their Kalaum Reptilian God, who Astrally suck the life out of them. Joanny is Reptilian and Harry is just plain stupid! These two bunglers are like so many other 'religious spiritual' frauds on this planet, and it is all about the printed money from the invented governments! BEWARE OR YOU ARE NEXT! DUANE THE GREAT WRITER / WATCH MISS KELSEY BROWN'S VIDEOS:

## **Well-to-Do Know-it-Alls...**

“The unaware masses, those who are the most socially-agreeable Well-to-Do Educated Know-it-Alls, are usually the ones who are doing the most damage to this planet. The World Elite Kontrollers have put their HUman Farming masses into categories, such as upper class, or first class, middle class and lower class, or a third world class. Most people are very proud of their accomplishments from their 'created' environment of fabricated whatevers, and usually 'thinking' they really do know something, and most of all, they seem to 'think' they know more than Life ITSelf. Everyone has the right to do whatever they want and think whatever they want, and as they do, they will continue to stay unconscious to The TruReality LifeIS. Everyone is having their own experiences according to what they see, think, know and decide. LifeIS Always Bigger! So, as we are all in the same Life, we each decide what we will decide and do in Life. Life does not decide our life, YOU decide Your Life. The Whole of Life, that which is far moreso than what we have been taught here and the ideas of gods and Creation, is ALL About Awareniss, Your RealAwareniss. When you make a decision that benefits Everyone, then Life backs you up and supports YU, The RealU. We each have Five bodies we must deal with while we are in Cause & Effect Creation. The unaware masses have been purposely taught a distorted eduction to Kontrol everyone. YOU have been taught that there are gods who created you and also Kontrol you. As long as YOU are in

Agreement with the invented ideas of the World Kontrollers, you will be returning for many more unconscious lifetimes with them. ## **Implied Freedoms or REALFREEDOM...**

“This world is saturated with 'implied freedoms' that sound good, but are nothing more than words for those who are being HUman Farmed. In America, one of the ideas is, “Home of The Brave and Land of The Free!” This is an example of good-sounding 'implied freedoms' that most people are very emotionally attached to. Those who Kontrol the earth want Your Agreement. This is how everything operates and 'appears' to be so, and that is with Your Consent & Agreement. The printed dollar bills you use as money are based upon Your Agreement and Not because the government prints them! YOU are in a Psychological Matrix that YOU keep Agreeing to be in! In Cause & Effect Creation there Cannot be any freedom! You can walk around and do what you want to some extent, but actually there is a law or regulation about 'everything' you are doing here, and when the Authoritarians want to enforce such laws, they will! They have tricked YOU into Agreeing that the more laws and Restrictions there are, the safer you are. Up until Now, you really have known nothing else, except for the Kontrolling Systems YOU have Agreed to. Beyond time & space Creation, there IS Endless Real UNUverses of RealFreedom! With the way this world is, and how long you have been here, and for untold lifetimes, it surely does 'seem' impossible there cannot be anything else anywhere, but this floating 'rock' in black space. The whole of LifeIS bigger than the Gods of Man and all you have come to know here. What IS Even Better than RealFreedom IS, UNUversal Positioning (UP) This is where YU, The RealU, decides to StandReal with The Real UNUversal Guides and The TruReality LifeIS, THE ALLIS! ## **What is an ATTACK?**

"It is rather Humorous that 'some unaware people' actually 'think' that what WWE as Wonderful WorldWide Educators are doing is 'Attacking' others. WWE are Reporting The RealNews, but not everyone is Aware Enough to Recognize what WWE are Sharing. Our RealPurpose is to show everyone 'How to Become MoreAware & SelfSufficient' but most people are so blindly emotionally attached to their VooDoo Religions and their fake masters and gods, who are contributing to the demise of The ALLNatural Environment Supporting ALL of US! ## **PASSING AROUND THE OLD OUTDATED & LOST STUFF...**

"If The Real UNUiversal Guides & The Whole of Life do not back what a person creates, then there is NO ALLAliveniss in it! The ALLAliveniss LifeS, is The SoundLight Reality of THE ALLIS from The Real UNUverses beyond Creation. Politics, religions, spiritual teachings and paths and other such 'things' are merely inventions of the emotions and mind in Cause & Effect Creation with the Brutal Authoritarians on the earth and the fake invented Kontrolling Gods of Man. The BabySitting Days of masters and gurus is gone and NONE of the so-called fake masters with their religious and spiritual teachings, paths and meditation goes any further than the Astral Realm, as many are in the Lower Astral Hells! Most, if not all of them are unconsciously Agreeing to the Reptilian Alien TapLiners (RATS). WWE See The RealSide LifeS and WWE See what is really taking place here with what is unseen and effecting most people! The average 'normal' person will stay one-dimensionalized and literalized to the social systems of Cause & Effect Creation, and is Trapped and TapLined in the Designed Matrix of the RATS for more lifetimes, unless they want to WakeUp Now! All the 'sound-good' political and religious words and speeches will not change the fact of what so many have created as their own demise. If The Real UNUiversal Guides and The Whole of Life do not Agree with what a person has created here, then what they have created is like an empty building with only emotional and mental ideas like ghosts! YOU are Not Aware of why YOU are Here! You have been told 'this and that' and you 'think' you know why you are here, but you really do not. YOU created Your Personal Self, and Not the marketed 'idea' that there are gods in the sky who created YOU. There is a Lot More that YOU are Not Seeing that is very vital to Your OverALL Survival! Do YOU want to keep 'thinking' you know more than The Whole of Life, or would YOU like Life to Show You, 'What IS Real Now?'

## **IT'S NOT WHAT YOU THINK... IT IS WHAT IT IS...**

“YOU have been taught to 'think' and decide 'What LifeIS' The 'ideas' of this created lifestyle are all around us, as most unaware people keep Agreeing to what ALL of Life is Not! When YOU have a physical Body, you are in a 'Place in Life' and Not Seeing The Whole LifeIS. YOU are in Cause & Effect Creation and you are here to WakeUp and Learn to See The Whole of Life, but YU, The RealU, must firmly decide to do this, or you will stay asleep and unaware of The ALLAliveniss LifeIS. The Whole of Life, that which IS MoreSo than Creation, IS Already Complete & Real Now! ## **WHAT IS A KULT?**

“Those who are usually involved in Kults like to label others as Kults! So, what is a Kult? There can be many definitions and YOU Decide! First off... IT IS The ALLNatural Environment that Supports ALL of US, and WWE StandReal with THE ALLIS. If this is too hard to figure out, please take the time to write me and I will send you a NUBook, and 'maybe' you will learn something! The idea of any Kult is originally from Sacrificial Religions, which were first introduced on this planet by the invading REPS, or Reptilians. The REPS (Reptilian Earthly Political Systems) invented and created all the Evil Kult (EK) Systems that cover this planet with their Designed Matrix. The average (normal) person is unaware of what is really taking place right in front of them here! The marketing ploy of the REPS is to blame others for what they are doing, as they 'think' they are very clever. The EKS (Evil Karma Systems) have intimidated, harassed, beaten, tortured, punished and put to death an untold number of people for eons. The REPS are the Religious, Educational, Political and Spiritual Systems that Kontrol the unaware masses. Most people are 'too afraid' to WakeUp and face their fears, and so they stay dumbed down and subservient to the Authoritarians and their invented gods of worshipping and praying. The Evil Kults Rule this Planet! The unaware masses like to 'think' there is some good in the Gods of Man, when actually it is the fake self-appointed gods who hold people unconscious to this HUMAN Farming Prison Planet! ## **ARE YOU GMO?**

"The old question was... what is your belief or political party? Today the question is... are YOU GMO? Many people still do not know what Genetically Modified Organisms (GMO) are. People who are in their own little 'LA LA Land' usually eat a lot of processed foods are not really concerned about what they are eating, because the Marketing Ploy of the 'pretty packaging' is just too tempting and inviting. Like the 'pretty words' of old politicians and fake masters and gurus, this is the GMO World of Today! GMO is also a Credential anyone can obtain like a Degree, which means Geek Master Orator. As more and more unaware people keep eating GMO TechFood, they are becoming 'something else!' The HUman Farming Kontrollers who rule the earth want YOU to eat GMO, because it will make YOU ill with cancers, and then YOU will be going to their brainwashed doctors, who will give YOU Lethal Pharmaceuticals for the rest of your life! YOU always have a Choice, but YOU Must BE a Real RiskTaker to See 'What IS Real Now' to surpass the TapLining Bondage that YOU Do Not See Yourself in! The unaware masses have not been aware of the fact that for untold centuries there has already been... GGMO! This has been a 'hidden fact' right in front of YOU... Genetically Godly Modified Organisms! The masses are still living in the 12<sup>th</sup> Century in their minds with the 'god' ideas. ## **IS DUANE&EVA SCARY?**

“Some people 'think' that what Duane&Eva are presenting is somewhat different, strange or even Scary! Okay, let's see what this equates too... Duane&Eva mainly refer to The ALLNatural Environment Supporting ALL of US, and how Wonderful and Important RealFood, RealWater & RealAir really are, and that Your Children are The Future Now! Maybe some people are right, as this does sound funny and a bit strange compared to the 'Unaware Mass Agreement' with the political and religious governments and Kontrollers who have created all the Deception, tyranny, rules, regulations, Restrictions, military oppression & takeovers, terrorism, massacring women and children, ChemTrails, MindKontrolling Microwaves, Lethal Vaccines, Fluoridated Water, GMO TechFood and so much more. WWE as Wonderful WorldWide Educators also provide The RealNews to Warn People about what is really happening on Your Planet, and for those still in their 'LA LA Land' ideas about what is taking place on this earth, what WWE are Sharing is very disturbing indeed! Of course WWE must be labeled as 'too radical' with what WWE are honorable with, while the Rulers of this planet can 'market' anything and 'say' anything and it becomes the 'absolute truth' to those who want to stay dumbed down for more unconscious lifetimes of the same slavery routine in this Designed Matrix! WWE Know What WWE are Doing! BUT... YOU can decide whatever YOU like, because YOU know more than Life ITSelf, as YOU are probably one of the many educated degree holding people that 'thinks' their way thru this life according to the invented systems that are Destroying The Planet! "YOU ARE BEING CHEMTRAIL TAPLINED! There are those who have decided to keep Dark Secrets from the public and 'thinking' they are immune with creating their Evil Karma (EK). Everything in Creation is Cause & Effect, and everyone, while they are here, is subject to what they decide. LifeS Bigger than all of us, but some people keep 'thinking' they know more than The Whole of Life. The Reptilian Alien TapLiners (RATS) have Planned Poisoning Programs that all the governments on this planet know about, but rarely let their public supporters know about. WakeUp and Be Heard, because this and so much more is happening at a very rapid rate! When YOU are awake here, YOU are being Purposely Poisoned from many different sources, and when YOU are asleep, the RATS come in Your Dreams and Astrally TapLine YOU in Your Astral Body to keep YOU sick and diseased, and to return their slave in future lifetimes! The political, religious, spiritual, educational and scientific systems want YOU as their unaware subject and slave for as long as they can! YOU are worshiping and praypaying to their invented gods! ## **PURPOSELY CREATED RESTRICTIONS TO KEEP YOU RESTRICTED...**

"To most people, Restrictions are a 'way of life' and very acceptable. Of course it makes sense to have a 'Stop Sign' at a corner where there is a lot of traffic and vehicles coming from all directions. This world is filled with Restrictions, and many of them are purposely and cleverly implemented to make people 'think' they are necessary and beneficial, when in fact it is planned to be the opposite to where people are unconsciously herded into HUman Farming! A Complete WakeUp is to where YU, The RealU, Sees Beyond all the Restrictions in Cause & Effect Creation, the Gods of Man, and what has been emotionally & mentally Agreed to as the only reality there is. Fear is the 'binding factor' that is hidden with all the invented systems on this planet. People are mainly unaware of how they are taught to Accept and Agree to Being Afraid of almost everything that does not 'seem normal' or socially Agreed upon. So, when Something Wonderful comes along from The TruReality LifeIS, THE ALLIS, it is usually met with huge opposition. The Whole of LifeIS Far Too Real! It is so much easier for the unaware masses to Agreed to all the drudgery and hardships, drama and emotional attachments that they create and love to cherish, as they go from lifetime to lifetime not knowing what they are really doing. The masses always take 'second best' as their choice and live with it for eons and whine and complain about what they have decided. What DuaneIS Presenting does Make Sense, but it is a Big Understanding to Accomplish, like a Masters Degree and all that silly schooling, but a lot More Fun! As long as YOU stay with what has been decided for YOU with all the Designed Matrix Restrictions, then YU, The RealU, will not See The Pure TruReality LifeIS, THE ALLIS. YOU may get a 'glimpse' of the Deceptive Gods of Man, but they can do whatever they want to YOU...

“There are so many VooDoo Religions on this planet from the Reptilian Alien TapLiners (RATS). The earth is infected with so many Alien TapLiners who abuse people in their Dreams. What is taking place behind the scenes, other dimensions, soon shows up as illnesses, cancers and then death of the physical body. WWE as WorldWide Educators do not like to deal with any of this, and WWE are not here to stop what is taking place either, as each person makes their own choices for their life. I have personally come thru a lot this lifetime and the fake masters Darwin and HarOld. Darwin started the downward motion of what Paul Twitchell created, and then janitor Harold with his Reptilian Kronee Joanee has done more damage to the unaware dumbed down membershrimps than anyone. They are unknowingly worshiping and praypaying to HER Kalaum God, who is the Conqueror of the Mental Realm since time began, and who has proclaimed himself as Lord God. The Gods of Man are fallacy ideas that have been marketed and sold to the unaware on many planets for HUMAN Farming!

“... YOU and many others have decided this! The 'god' or gods that are referred to by most unaware earthly people is the 'Management' on the Astral, Causal and Mental Realms, also known as The Heavens of Man. There so-called gods are Managers and nothing more, like politicians in the Unseen Realms that people have been marketed into 'thinking & believing' are gods, and that these fake gods created the people on the earth. The original invaders of this planet, the Reptilian Alien TapLiners (RATS) started the 'god' idea (dog) and actually it is 'Grog The Reptilian Ruler' who oversees the

unseen Reptilian TapLiners on this planet and many others, and up to the Mental Realm! He is also known as The Lord God by most religions and spiritual teachings, and his Reptilian Regime wrote the old doctrines and bibles for people to believe in THEM (TapLining HUMAN Eating Martians). Belief, hope and faith are the superstitious fallacies the RATS have Psychologically & Emotionally gotten most people attached to, so the RATS can TapLine people in their Dreams! Those who use such old Reptilian phrases such as, 'You exist because of God's love for You' and using worshiping and prayer as their marketing ploys, are doing so to keep YOU dumbed down on this earth for more unaware lifetimes of being slaves with THEM! THERE ARE NO GODS! Actually, the Gods of Man do exist, because YOU have decided they do! The RATS want YOU to 'believe' that these gods created you, and you are to bow and kneel to THEM forever! The RATS have destroyed anyone who brings forth Something Real, and after getting rid of these people, then sets them up as saviors and saints as marketing tools for their own takeover purposes. ## **BATTING PRACTICE IS ONE THING...**

"... and Stepping Up to the plate on the Playing Field in front of the world is another. How many people will do this and Share The NU~U? What I am presenting does 'look' a certain way, which is usually a little scary to many who do not fully understand what I am presenting, but once a person can Truly See what The NUPresentation IS, then they will know what I am providing IS Real & Wonderful! Most people are fine with the superstitious inventions of politics, religion and spiritual teachings that keep them Trapped and TapLined to the Astral Realm, and fake masters and their invented gods for untold lifetimes, because these systems have been intimidatingly shoved down the throats of people for eons, to where they have become 'socially acceptable' even though they are part of the overall demise of this planet! As many WakeUp to what I am presenting, they like The RealFreedom without Restrictions that is possible, and at the same time they still cling to their 'social behavior' and 'thinking' they will still be okay with hanging on to it, as it is their first preference with their life. Most people are okay with socially accepted VooDoo Religions that are creating TapLining Illnesses and future lifetimes in distorted bodies, but to StepUp and Share The NU~U, to show people how to 'Save Their Lives' is just too socially embarrassing! The political, religious and spiritual regimens with their big buildings and sacrificial temples 'look' so good to the unaware public, as these planned creations to Trap and TapLine people are always socially accepted, because people want to 'think' they are good in some way, which they are Not! The gods exist, because YOU Decide they do, otherwise there really are no

gods. Belief, hope and faith are ideas that people add to their mind and emotions, then 'think' they are real... whatever! ALL LifeIS an ISNIS... THIS IS REAL NOW! LifeIS an Endless ISNIS of Complete Perfection with ITSelf and YOU always Decide Your RealPosition (UNUiversal Positioning / UP). In Creation, we create, but with The whole of Life, ALLIS Complete, so all YU, The RealU has to do, IS Recognize 'What IT IS!' But first, YU are to go thru Creation to experience what The Whole of Life is Not, then YU have The Real Comparison YU need to BE Moment by Moment and to WakeUp & Recognize The NUNowniss I am presenting... ## **THE WHOLE OF LIFE DOES NOT CARE...**

"... if YOU do not Escape Cause & Effect Creation! YU, The RealU has to decide to Care for YourSelf and Learn to Escape the Designed Matrix of the Kalaum God Grog! Only Rebazar Tarzs & The Real UNUiversal Guides know The NUWay Out with RealGuidance and a RealEducation! IT IS THE ALLIS, that has decided The NUSound, The NU~U and Chosen THE NUMAN to Share The RealKnowledge of The TruSoundLight Reality IT IS! Most people will not get past The RealKnowledge and will 'think' they know what THE ALLIS, IS. YOU must have a RealHeart of PurSincerity to See The TruReality LifeIS! YOU must have an Absolute Adamant Intent without any consideration for your personal life and self to See THE ALLIS! ALL LifeIS Purity beyond any considered belief. YU, have this Real Opportunity Now, and it has taken YU thousands upon thousands of tormented lifetimes of deception to get Here & Now, and so are YOU going to still cling to what makes YOU old and forget who YU really are once more? Life can only Care when YU Care, this is how IT IS! If YOU do not Care or Decide, then it is as if THE ALLIS does not exist, and then all YOU have is the Deceptive TapLining Gods of Man and their Brutal Authoritarians on this planet... YOU DECIDE! ## **YOUR REAL LOYALTY & REAL HONOR...**

"ALL LIFEIS REAL... and I am not just referring to Creation, as most people assume and 'think' that being a body is all there is to The Whole of Life. LIFE SEEES ALL... and whatever YU, The RealU and the Personal YOU does, Life Sees ALL! What I am referring here is not about any guilt one should create about anything, as ALL LifeIS like the Sun Shining and there are No Restrictions! LIFEIS REAL INTENT... and to many this is still not understood, as The RealJourney to RealFreedom IS Huge and far moreso than any babysitting spiritual path with old words of wisdumb holding it together with fake computer initiations from the Lower Astral Realm Reptilians! Your Real Loyalty & Real Honor replaces the old term of 'responsibility' which for me sounds rather lame. What I am always referring to is Not Myself, but The TruReality LifeIS, THE ALLIS. THE NUWAVIS THE NUMAN NOW IS VERY REAL! I know the old and vanished term 'the rod of power' does seem cool to many who copied what Paul Twitchell & Rebazar Tarzs at one time did here, but it no longer exists and neither does Real Sincerity, Real Loyalty & Real Honor with most unaware people who still 'feel' their personal life is so much more important than Being RealNow with THE ALL ISNIS

LIFEIS! The old outdated fake masters want respect and create their fake 'fronts' and Reptilian Temples to try and hold together what they 'think' is some kind of integrity for people to bow and kneel to, and then the old baggers Trap & TapLine YOU in Your Dreams! Learn to SeeMore than YOU have ever before or stay lost with the 'sound-good' old ideas in Creation only. LifeIS Bigger than YOU, as YOU keep 'thinking' YOU are bigger than IT IS! Have Fun Deciding! ## **YOUR REAL COURAGE EQUALS YOUR REAL PROTECTION...**

“There are so many who 'feel safe' with their Korporation Alien TapLinings (KATS) and 'think' that WWE as Wonderful WorldWide Educators are something strange, when in reality, WWE are with Rebazar Tarzs & The Real UNUversal Guides who provide RealProtection for YU, The RealU! The RealGuides are not 'role playing' the master ideas anymore, as they StandReal with THE NUWAVIS THE NUMAN NOW, DUANEVA. Are YOU still 'thinking' the old Korporations with their old fake takeover dictators will protect YOU? WAKEUP! WWE are The Real Protectors for YU, but YU must Become The Real RiskTaker to See this, because Your RealProtection can only equal Your RealCourage to StepUp and Share The NU~U! WWE are with The TruSoundLight Reality LifeIS, The ALLAliveniss LifeIS. The religious and spiritual systems and teaching are the light and knowledge from the Astral Realm, and mostly Deceptive and very limited with their applications, rituals, and Restrictions with unaware people. They are Trapping & TapLining YOU with their Marketing Ploy! ASK The RealGuides on The RealSide who they StandReal with! Most people do need a 'crutch' to lean on, but what is not Seen is what is taking place on The RealSide in Your DreamVisions! WATCH MISS KELSEY BROWN'S VIDEOS:

## **SPIRITUAL (SPIRIT) TAPLINING...**

“The existing religious, spiritual transcendental teaching are mainly Astral Alien Attractions that keep YOU focused on Your Emotional Astral Body (your second body of five) while YOU are being TapLined in the back of Your Astral Body in Your Dreams at night! Just like 'Neo in The Matrix' and seeing his TapLines, them escaping, YOU are being 'setup' to be constantly Trapped and TapLined in The Matrix that YOU are Now IN! At one time some of what is on the earth did have a purpose, but those days are Gone! The Reptilian Alien TapLinners (RATS) are into Everything Here! Those who use the 'spirit' ideas and the Gods of Man have No RealProtection! There are a lot of 'good' people involved with many of the invented systems, but 'being good' Does Not Free YOU from time and space Cause and Effect Creation. The Ruling Authoritarians and the Space Gods do not want YOU free from this 'Place in Life!' YOU can collect all the information and old knowledge you want for centuries, and all of it Will Not Free YOU from the earth! WWE are The NUWay Out of Creation into The Real UNUverses of THE ALLIS! “What you are reading here is part of a Wonderful WorldWide Wakeup not everyone will See. It is not important about who 'wins or loses' the lawsuit, but that there becomes a Real WakeUp for those who are The Real RiskTakers from this as one example.

## **SO, YOU WANT PROTECTION...**

“The idea of 'Spiritual Protection' is very well known in the religious and spiritual path orders. The light of god (Astral light) and 'this light and that light' does sound good, but it has very little or nothing to do with RealProtection, and is usually sucking the life out of YOU, like the 'love' idea people pass around. This is also known as 'Bonding or TapLining' of the Emotional Astral Body to 'ideas' that are misleading! Everything in Life always Equals ITSelf, and when YU, The RealU, Stands Real with The Whole of Life, which IS The TruReality LifeIS, THE ALLIS, then RealProtection IS Automatic and

Always Real like the Sun Always Shining. This is known as RealRecognition or TruRecognition. Those who are with old fake masters and their marketing ploy 'words of wisdumb' and chanting HU, OM, AUM, Amen and other Reptilian words, are being

Trapped, Assaulted & TapLined in the lower Astral Realm, and are 'told' they are protected, when in fact they are being Assaulted, Abused and Deceived on all levels in Creation with their Five Bodies. The Gods of Man are The Deceptors, just like the political and religious systems on this earth! Fear is the Binder, and until YU, The

RealU, is willing to BE Brave & Bold and Become a Real RiskTaker, you will stay 'passive' with the sound-good religious and spiritual systems that are infecting YOU! SO, YOU WANT PROTECTION? Get out of your religious spiritual paths and away from your old outdated fake masters, gurus, worshiping, prayers and gods, and YOU will be so much better off! WakeUp and Sing The NUSound, The NU~U, and Watch Your DreamVisions with The Real UNUiversal Guides Now! WATCH VIDEO from MISS KELSEY BROWN... <https://www.youtube.com/watch?v=C-DZPoeEHuo>

## **SO, YOU WANT REALPROTECTION 2...**

“YOU, are probably part of the Socialistic System Statistics of unaware people who are NOT AWARE of the fact that YOU DO NOT HAVE ANY REALPRTECTION with your political, religious or spiritual teachings and paths with the presidents, queens and masters and gods YOU look to! YOU can 'pretend' all YOU want that YOU do, and burn candles and sing songs of praise to the Space Gods who Kontrol YOU, but YOU will still be Trapped and TapLined by THEM (TapLining HUMAN Eating Martians) for more lifetimes of even worse conditions if YU, The RealU, does not WakeUp Now with The Real UNUiversal Guides! WWE are Wonderful WorldWide Educators with The NUWay Out of Cause & Effect Creation. YU, MUST LEARN to EARN YOUR WAY OUT of Creation! If YOU want to be stubborn and worship and pray to the Kontrolling Earthly Korporations (KEK) and the invented gods and your fake masters, this is Your Choice! YOU can 'love' everything all YOU want and try and protect Your LA LA Land

here, and YOU will still be Trapped and TapLined by THEM! YU, must buildup Your RealCourage to enter The Real UNUverses of The TruReality LifeIS with THE ALLIS. Pretty old words of wisdumb will only get YU into the First Heaven of Man, the Astral Realm, and that is about it! The old Reptilian words of HU, OM, AUM, Amen and others will keep YU unconsciously unaware of Your RealAwareness and TapLined! When YU have The RealCourage to StepUp with Rebazar Tarzs & The Real UNUversal Guides & Share The NUSound, The NU~U, then YOU will be starting 'Your Journey To RealFreedom!' YOU must BE The Real RiskTaker and Totally Expose Yourself on ALL LifeLevels, as there are NO CHICKENS in The Real UNUverses! Those who like their 'comfort zone' on earth more than Being The Real RiskTaker with THE NUWAVIS THE NUMAN NOW, will be left behind in Creation, because of the Choices they have made. ## **FINDING YOUR WAY THRU CREATION...**

“For most, Creation is the ultimate reality. This is understandable, as our physical bodies 'seem' so real, which is true according to this physical reality and dimension we are in. It is more than obvious the body one has will not last long and anything can happen here at any time, then there will be heartaches for more lifetimes. It is a Huge Journey to get thru Creation to eventually find The Real UNUverses beyond Cause & Effect Creation. WWE are The NUWay Out of Creation and all the Restrictions that exist here. "Hello, WWE as Wonderful WorldWide Educators Do Not have 'followers or membershrimps' like fake masters and gurus. WWE Report The RealNews and Share Something Wonderful, which IS The NUSound, The NU~U. The old words of HU, OM, AUM, Amen and others are with the Reptilian Alien TapLiners (RATS) and people are being seduced and turned into Reptilians... WATCH YOUR DREAMVISIONS & ASK THE REALGUIDES! WakeUp with US (UNUversal SuperBeings) and The Real UNUversal Guides or Stay Lost for more lifetimes with the RATS! WATCH VIDEO: <https://youtu.be/v11wcN2jvk0>

## **ASK THE REALGUIDES...**

"Why are YOU so Afraid to ASK The RealGuides 'What IS Real Now?' Do YOU want to stay Trapped & TapLined by your old fake masters and invented gods and their Reptilian Kontrollers? They are the ones who Kreated the Kalaum God Fear in YOU, but it is up to YOU to get it out, or YOU will become Reptilian like they already are! YOU are contributing to the Demise of The ALLNatural Environment Supporting ALL of US by Agreeing to the REPSystems (Reptilian Earthly People) and YOU will return in deformed bodies on this dying planet if YOU do not WakeUp Now! The HU, OM, AUM, Amen, are Reptilian Alien TapLining (RATS) words that will keep YOU Afraid and in reincarnation and Cause & Effect Karmic Kreation. The Fear YOU have is from THEM (TapLining Human Eating Martians). WWE as Wonderful WorldWide Educators are FreeBeings of RealLight with The TruReality LifeIS, THE ALLIS. Beyond the Gods of Man and Cause & Effect Creation IS The Real UNUverses of RealFreedom, and WWE will show YU, The RealU, how to Recognize THE ALLIS NOW! The days of masters and gurus is gone... THE NUWAVIS THE NUMAN NOW!

## **STILL LIVING IN THE PAST?**

"Because most of the people on this planet have been so dumbed down and Kontrollled, they do not fully realize they are in a Time Warp and Still Living in The Past! For many lifetimes I was raised by The Real UNUversal Guides to bring forth The NUNowniss of THE ALLIS. Part of my education was to go thru the process of what Paul Twitchell first started as a 'spiritual' path to God. The RealGuides do not worship or pray, nor do they look to the Gods of Man, namely the Kalaum Reptilian God of the Mental Realm, also known as the Lord God, DevilGod, and by many other names. Paul babysat people to

get them to understand something more than the old hellfire and damnation religions had done to people for eons, so he creatively used the old ways and mixed what he wrote with what THE ALLIS was presenting to him. It is very hard to See Beyond this dark realm of literalized conviction, and with Great Compassion and Honorability, The RealGuides try and assist the unaware into a better understanding of themselves and eventually The Whole of Life. I was with Rebazar Tarzs, as he directed me to Paul, and as Paul left, Darwin Gross came in and then Harold Klemp. These two opened the door for the Reptilian Alien TapLiners (RATS). Fake master Harry is living in the 80's and in his LA LA Land as a 'king' in his mind, as this shows up on The RealSide LifeIS and Your DreamVisions!

## **ASK REBAZAR TARZS WHO THE REALGUIDES 'STAND REAL' WITH...**

"Many people 'Think' they know what LifeIS and what they are doing here, but until YU, The RealU, has RealGuidance and a RealEducation, YOU are being Deceived! The political, religious, spiritual, occult, educational, scientific systems and institutions, for the most part, are Deceiving people into Staying Unaware of The Whole of Life, because they really do not know The TotalNatural Environment Supporting ALL of US! Rebazar Tarzs & The Real UNUversal Guides Do! It is so, The RealGuides did 'play the roles' of babysitting masters in the past when Paul Twitchell first started his corporation, but since then, Reptilian Joanny and HER band of Witches have taken over with fake master Harry Klump of the Krone EEKonkon (Earthly Evil Karma) Korporation, and SHE is Astrally TapLining everyone SHE can in their Dreams and turning them into Reptilians! The more fake initiations from HER you get, the more TapLining YOU GET! All of what is taking place 'NOW' on the earth is for The Real WakeUp of 'THE NUWAVIS THE NUMAN NOW!'

“WARNING... WARNING... This and so much more is what I have been writing about and sharing for years about the Reptilian Alien TapLiners (RATS) of the Joanny Kroney Klump Korporation in Minnesota, USA! SHE and HER fake puppet master have been Astrally TapLining their membershrimps for decades, and it has all been showing up, just like what the governments of this world having been doing to unaware people for lifetimes! The HU word is VooDoo Religion and Kontrol with the RATS! Sing The NU~U and Watch Your DreamVisions and The Real UNUversal Guides will show YU, The RealU, 'What IS Real Now!' WAKEUP or STAY LOST!

## **YOUR FAVORITE VOODOO RELIGION...**

“HU WORD belongs to VOODOO RELIGIONS! OM, AUM, AMEN and other ancient words and sayings also belong to VOODOO RELIGIONS. WWE as Wonderful WorldWide Educators are fine with this. WWE are not here to protest or rebel against the existing Kontrolling Systems, as WWE are only Reporting The RealNews Now. If you want your VOODOO RELIGION, then you can have it for as many dumbled down drudgerous lifetimes as you want, along with all the Reptilian Alien TapLiners (RATS) and what they are doing to you! ## **HUNTINGTON BEACH SURF CITY NO CHEMTRAILS...**

“Do YOU want ChemTrails in Huntington Beach? Do WE need ChemTrails in Huntington Beach? Most of the masses are still unaware of the reality of Lethal Toxic Dangerous ChemTrailing in Our Skies! Many still 'think' all those unusual white lines in Our Skies are merely ConTrails or just funny clouds. WAKEUP! YOUARE BEING POISONED! Learn to Research on the Internet for YourSelf and then tell others before everything is Poisoned!

## **YOUR GOD IS NO MYSTERY...**

“As you have come into this world and from many lifetimes before, you have been 'told' what this lifestyle you are in 'supposedly' is here. You have been given 'ideas' and you have Agreed to most of the ideas given you, because you see others Agreeing to the same ideas. Little by little you are Waking Up to what you were originally told and educated with to where you are starting to SeeMore, but you have a long ways to go, because everything you are experiencing here is Not what it seems! YOU are in Cause & Effect Creation and on a planet that is merely a 'Place in Life' and Not the actually you 'think' it is. YOU want to 'believe' there is more to this life and The Whole of Life, but you do not know how to See it. Creation is constantly being filled with more 'ideas' that can become material realities, but created ideas and what can be invented is still Not, The TruReality LifeIS. The Gods of Man are No Mystery, as they are merely in other

dimensions or levels that already exist, and YOU can learn to meet them and See for yourself who they really are! Do you have The RealCourage to do this, or will you be using the old excuse of, "I don't believe so?" WakeUp with US, and Live a RealAdventure like no other! DUANE THE GREAT WRITER

"HarOld and Joanny Klump of the EEKonkon Reptilian Taplining Korporation in Minnesota USA, is another 'front' for the One World Order Kontrollers. ## **REBAZAR TARZS & PAUL TWITCHELL THE REAL STORY...**

"... THE REALSTORY OF ECKANKAR! From what Paul Twitchell created as 'Eckankar The Ancient Science of Soul Travel' to the present day of The HarOld & Reptilian Joanny Klump Kontrolling Kalaum God Korporation of today, a lot has taken place. Everything we are each experiencing here is a Huge WakeUp to Recognize The TruReality LifeIS, THE ALLIS. ## **YOUR LA LA LAND EXPOSED...**

"It is a fun time when a New Birth arrives on the earth and the family and friends celebrate. And as children are raised and watched what they become, because of their parents and the existing created social systems that soon take over a person's life, each person is making their own decisions as to what their life will be. I am sure that the parents of Adolph Hitler, Genghis Khan, Stalin, Mussolini, and many others in their

category, were a bit surprised at what their children finally had become. Even when the parents pass on into the Astral Realm, they can still See what is taking place in the physical Realm. Many who pass over tend to 'think' they are dead, but actually there is No Death! The RealAwareness operating the Five Bodies of Man are simply disposable vehicles from lifetime to lifetime. And so for the most part, the so-called 'average person' grows up according to what this world is in present time. And it is more than understandable that each person wants the best life they can have here, but what most people Do Not See is, there is a lot more to this life than what is personally considered with their Personal Surface World. What is actually taking place here is Not about 'good or bad, right or wrong' as you may think' it to be so. YOU really do not know why you are here, but you 'think' you may know, and this is fine, because you have Free Will and you can decide whatever you want! BUT, whatever you 'think' Does Not change what is actually taking place here and what you have decided Your LA LA Land Life to be. YOU can Stay Asleep for more unconscious lifetimes, or YU, The RealU, can decide to WakeUp Now and Really See what this world is, and then learn to BE Free of Causes & Effect Creation all together, as there are Real UNUverses of Endless Light & Purity beyond the invented systems and the Gods of Man. "WWE as Wonderful WorldWide Educators are Very Aware of the RATS and who they are. They do not have to be afraid of US, as WWE are here to provide a RealGuidance and a RealEducation for Everyone! The RATS need to WakeUp from what they are doing to The ALLNatural Environment Supporting ALL of US. WWE are here to Share

Our RealSide (DreamVisions) RealExperiences and Show Everyone how to 'Get Your Own Answers' and Become MoreAware & SelfSufficient with ALLLIFE. Those who are still stuck with their old past (references) and emotional attachments are being Astrally TapLined by the RATS on an unconscious level. The 'Love All' idea does not cover everything on this world of appearances, which is mostly emotional love with the Astral Body and not RealLUV with Your RealAwareness, as The Whole of Life IS a Lot Bigger! Creation is Not the ultimate reality as many have been taught and led to 'believe' with their indoctrinated minds. The RATS are 'thinking' they can outsmart the little people here, and they can to some degree, but they are also creating Huge Evil Karma (EK) for themselves, as we are all in the last Yuga Cycle, The Iron Age. There is only so much time left to Waking Up & See The TruReality, THE ALLIS, as most embodiments will go back to sleep until the next Yuga Cycles begins in Time & Space Creation. The RATS have created the Designed Matrix in Creation and with the Gods of Man to Trap & TapLine people with their HUMAN Farming, but they have also Trapped ThemSelves here for many more lifetimes. ## **THEY SUPPORT REPTILIAN JOANEE by DUANE THE GREAT WRITER...**

“The Planet Earth is Ruled by an unconsciousness consciousness that very few people See. The 'ideas' of gods, love, salvation, worship, prayer, hope, faith, belief, and so much more have been tried and still this 'Place in Life' keeps getting worse! Most people do not See what they are unconsciously Agreeing to! I was raised by Rebazar Tarzs & The Real UNUniversal Guides, and I use what I have come thru as an example of what is taking place all over this planet Now. Reptilian Joanee, along with Darwin Gross and Harold Klemp have Seduced & TapLined their MemberShrimps for decades! And like the HUMAN Farming Governments, SHE will continue HER Demise as long as SHE gets the unaware to Agree with HER! Just like the World Kontrollers, SHE keeps people sedated into a One-Dimensional Matrix of Appearances. WakeUp and Learn to See The RealSide LifeS, starting in Your DreamVisions! ## **WHO BETRAYS WHO by DUANE THE GREAT WRITER...**

“Throughout HUMAN Farming history we have all heard the basic phrase of, “There will be those who will BETRAY ME!” This statement does 'sound-good' for those who want to stay subservient slaves to presidents, kings & queens, dictators and masters & gurus, but what is actually being said on an unconscious subliminal level is, that there will be those who will not continue to Agree with what the person (actual BETRAYER / DICTATOR)is saying and created for YOU to stay unaware! In other words, YOU supposedly become a t'raitor' to the Abusive Kontrol the Actual Betrayer (the person creating the 'BETRAYAL' idea) has over YOU! The politicians, religions, spiritual masters, educators and scientific authorities create the 'BETRAYAL' idea to keep people sedated to their will. They do not want people to 'think' too much on their own, so they invent a system to where almost everything is decided for YOU, which usually 'seems' so comforting, but soon comes to a Dead End and more torture for YOU!! Again, what 'they' are saying is, they know what's best for YOU, and YOU are to Agree or else! This is the 'hell fire & damnation' idea that the religious church has always used to keep their unaware members Kontrolled! I was once with a Korporation that is still doing this, and fake master Dirty Harry and his Reptilian wife Phonee Joanee Klump use this same Marketing Ploy to intimidate and Restrict their praypaying dumbled down members to be obedient to their personal will in the Lower Astral Realm! The old and outdated

invented systems are proclaiming others are the terrorists and betrayers, when it is actually THEM (TapLining HUMAN Eating Martians). I already know that some people will take the NUKnowledge I am sharing and 'think' this is all they need for RealFreedom, but there 'IS' a lot more to Recognize & See! Everyone has the Free Will to decide their life without the false intimidation. WakeUp and Let Life Show YU, The RealU, 'What IS Real Now!' ### **by DUANE THE GREAT WRITER...**

“WWE as Wonderful WorldWide Educators have numerous Skype Groups all over this world every week. The Real RiskTakers are Singing The NU~U, and having RealSide Experiences with The UNUversal Guides. One such RealExperience was where Rebazar Tarzs showed a NUFriend the 'Chains' that were around the ankles of a Kronee HI MemberShrimp in the Astral Realm. The NUFriend pointed to the persons feet (which represent the physical mind & body) and said, “LOOK! YOU have Chains on your lower body!” The unaware member looked, but he could not 'See' the Chains, because he had been seduced to look to fake master Harry's picture and Agreeing to the Astral TapLining he was getting from Reptilian Joanny Klump! He was more interested in 'looking' to his own mind creations and those of Joanee Kronee, than Seeing what was really taking place with himself and the unseen parts! ## **Your Outrageous Unconsciousness (YOU)**

### **by DUANE THE GREAT WRITER...**

“YOU are Agreeing to the Demise of Planet Earth! YOU 'think' you know what you are doing, but YOU Do Not See what is really taking place from a vast unconscious level within yourself! YOU 'think' the 'surface world' you are seeing with your eyes is all there is, but there is a whole lot more to YOU than you can ever imagine! YOU See the created 'fronts & appearances' that are all around you, and you rarely if ever See the 'real intent' of those you are giving you Personal Agreements to! YOU are being Manipulated & Kontrollled beyond what your personal senses can consider! If YOU are too afraid to discover who you really are, then YOU will stay the Unconscious Effect of everything here for as long as YOU Agree! YOUR Unconscious Agreements will go on for untold lifetimes unless YU, The RealU, Wakes Up Now and Pays Attention to 'What IS Real Now!' ## **OLD DECEPTIVE BUSINESS PLANS by DUANE THE GREAT WRITER...**

“The world of today has become a Deceptive Business Mess of a lot of 'sound-good' ideas that keep adding to the Total Demise of The ALLNatural Environment Supporting ALL of US on this level (LEVEL ONE) in Creation. The unaware masses Kling to their emotional ideas with their Astral Body (LEVEL TWO) and keep 'thinking' that by adding their emotional concerns that what they want to take place here will, but it really will Not! There will always be those who 'think' that by changing what is already Agreed upon will make a difference, when actually it takes a RealPosition of Becoming MoreAware that Makes Sense with The Whole of Life, that will outshine the old traditional ways. ALLLifeIS The RealLight LifeIS. Life AlreadyIS What IT IS... This 'IS' your hint! YOU ARE a SITTING DUCK for the Marketing Ploysters who rule this planet! They want YOU here for as long as they can, and what this means is, YOU have already been here thousands of lifetimes and 'believing' in the invented systems of Kontrol, and YOU are Still Here doing the same old routines of 'traditional' nonsense they want YOU to Agree to! ## **TO YOUR SUCCESS**

### **by DUANE THE GREAT WRITER...**

"I have spent lifetimes getting to this very moment to present what no one else can or would. Anyone can start a business on this earth and have an artificial success that looks good, but very few if any can See Beyond the entire landscape of Creation into the very Heart of THE ALLIS. To the unaware and dumbed down on this planet who have been deceived for eons, it would seem so that their invented gods would be the ultimate to look to, but they are nothing compared to The Real UNUverses & THE ALLISNIS LIFEIS. The Real UNUiversal Guides StandReal as TruBeings of RealLight with THE ALLIS. The Real Challenge to See THE ALLIS, is greater than anything imaginable here. YOU are on a rock floating in black space and YOU feel that your arrogance means something. YOU are very special to yourself to where YOU gladly Agree to your own demise and that of others. Of course YOU will not admit this, because Your Ego is too important to YOU. I am Sharing a Real Opportunity for Your TruSuccess, but YOU must be willing to Take The Risk for your own life Now! YOU only have so much time to decide, as this world is highly manipulated and purposely planned to end. If you cannot see this, then YOU will stay lost here for more unconscious torturing lifetimes! The atmosphere on earth is being poisoned everyday and your source of oxygen is being depleted. This is all part of the HUMAN Farming Kontrol that YOU keep pretending does not exist! I am here to see YOU SUCCEED TO REALFREEDOM, and only YOU can decide to BE Free. Politics, religions and spiritual paths with their god loving 'ideas' are not working, because those who Kontrol this world are using everything they can against YOU! WakeUp and See what is right in front of YOU! READ THIS NUBOOK & WATCH KELSEY BROWN VIDEOS on FACEBOOK & YOUTUBE!

## **CHANGE or BECOME MOREAWARE**

### **by DUANE THE GREAT WRITER...**

"The 'idea' of 'Change' is in Cause & Effect Creation. Many people want a change with their life and anything can happen for anyone as they decide, but they will continue to eventually be disappointed, because the idea of changing something into something else can only exist with Your Personal Life, which only lasts so long. It is so that we each make changes with what we are doing here, but there is so much more that is possible as you discover what 'IS' beyond Creation all together. As things 'change' in Creation the more they stay the same, as this is how Creation actually works. It would seem that things are going to change for the better, as the political and religious systems keep telling people, when in fact this world keeps getting worse! So, what is really going on here when people keep looking for a change and 'hope' it will happen? The politicians use the ideas of 'change & hope' all the time, as they know that most people are 'thinking' that by the very fact they use the marketing ploy of change and hope, that the unaware masses will 'believe' things will get better, when in fact those who Deceive others already know the events they are creating will only get better for THEM (TapLining HUMAN Eating Martians) and worse for those who support The Deceptors! The earth is a HUMAN Farming Planet! As the unaware masses keep

looking for things to change, what they will get will soon become what they do not want. In Creation there will always be some kind of change and 'implied' freedoms, and in The Real UNUverses beyond Creation, YU, The RealU, learns to Recognize how to Become MoreAware & SelfSufficient with The Whole of Life. To most who have been 'literally' taught and indoctrinated according to the invented systems on earth, what I am referring to as The Real UNUverses could not possibly exist. There are no 'changes' in The Real UNUverses of RealFreedom, as Everything That IS, IS Already Complete & Wonderful, and so, with Your RealAwareness, YU Become MoreAware of What AlreadyIS! There AlreadyIS a True Endlessness with The Whole of Life that is Not Seen on this 'surface world' of minds and bodies. Some may think it is 'spiritual' in some way, but this is not so. The 'spirit or spiritual' idea is with the Astral Realm and the Emotional 'feeling' Body you have and is not The RealU, Your RealAwareness. YU, The RealU, operates Five Bodies that constantly change, and The RealU eventually Wakes Up to Recognize 'What IS Real Now' beyond what your personal mind can understand or consider. YU will always be 'The Decider' of Your Adventure, and YOU Decide the Changes or Becoming MoreAware! There IS a Huge Difference that YOU can Now Discover, as with implied freedoms, and RealFreedom with No Restrictions! READ THIS NUBOOK & WATCH KELSEY BROWN VIDEOS on FACEBOOK & YOUTUBE!

## **THE EXCEPTIONAL RECOGNITION of THE ALLISSS by DUANE THE GREAT WRITER...**

"The history on this planet is mostly based upon what the original invaders have decided for everyone. Most people will Gladly Agree to the Deception that has been created, but when it comes to Something Real & Wonderful, they will hesitate and step back and be afraid. And by doing so, they will 'think' in their minds they are safe, when in fact they have Agreed to be prisoners for lifetimes on Planet Agony! Very few will WholeHeartedly Recognize The Real Opportunity, Paul Twitchell & Duane The Great Writer are providing Now. Most people will stay under the Kontrol of The Influence that rules this world and the HUMAN Farming Reptilian Dictators! The TruReality LifeIS, THE ALLIS & The Real UNUversal Guides can only StandReal with The Real RiskTakers and those who's PurIntent is to BE Real with The Whole of Life. Those who SteUp and Share The NUSound, The NU~U, will See what THE ALLIS Shares with them. Those who linger around like 'seminar attendees' to listen to their TapLining masters speak will be exactly where they have decided. The Gods of Man, the 'savior' ideas and worshiping and praying, ancient doctrines and so much more ritualism, was all invented by the original Reptilian invaders who are still in Kontrol of YOU from a subconscious level. YU, The RealU, can WakeUp to THE EXCEPTIONAL ALLIS of TruPurity in The Real UNUverses beyond Cause & Effect Creation, or Stay Lost here with Your Emotional Attachments and the 'Love' idea of HUMAN Breeding into future lifetimes of even worse conditions than Now! YOU DECIDE! READ THIS NUBOOK & WATCH KELSEY BROWN VIDEOS!

“Duane was chosen by The Real UNUversal Guides to create The Worlds Greatest RealBenefit for ALL. Duane is focused on The ALLNatural Environment Supporting ALL of US! Not everyone will See what Duane is presenting, because they are too lost with their invented social consciousness to Recognize What Makes Sense Now. The planet earth is Kontrollled by Reptilian HUman Farmers who use people as experiments and food. YOU can pretend all you want what this place is, but the real evidence is all around YOU! ## **THE REALCONNECTION IS by DUANE THE GREAT WRITER...**

“THE REALCONNECTION IS... The NUWay Out of Cause & Effect Creation! Only Rebazar Tarzs & The Real UNUversal Guides can decide who will have The RealConnection with The SoundLight Reality of THE ALLIS. Politics, religions, transcendental spiritual paths and others have their traditions, initiations, rituals, ceremonies and old masters that only apply to the Astral Realm, and many times to the Lower Astral Realm of Demons and Hellish places. The old TapLining words of HU, OM, AUM, Amen and others cannot save you from your karmic destiny. Only The NUSound, The NU~U, can allow YOU to Become MoreAware & See what is really taking place right in front of you Now! The unaware masses have been kept in the dark about who their worshiped gods really are. The Planet Earth is HUman Farming Kontrollled by the Authoritarians and their Appointed Gods. It is more than obvious in human history who destroys who. You can keep 'pretending' all you want about the sweet stories of saviors and saints the Reptilian Alien TapLiners (RATS) have created for you to 'believe' in, or YU, The RealU, can WakeUp with US and Learn to Recognize Your RealAwareness and Free Yourself from all the Restrictions they have created for YOU to Agree to! ## **WHAT SOEVER A PERSON...**

"... DECIDES, SO IT IS by DUANE THE GREAT WRITER. This is an old old saying from the ancient invented writings of the supposed gods. It really does not matter who said this, because it is already so in Cause & Effect Creation. YOU are always Deciding Your Life and no one else is. And, you can 'believe' there are gods and saviors who decide for you, because you have Free Will and you can do whatever you want. Creation has it's purpose as a starting point for YU, The RealU, to WakeUp to The Whole of Life that 'IS' far moreso than anything with Creation. YOU have been raised and taught that where you are here on Planet Earth is what LifeIS, but you are merely in a 'Place in Life' and nowhere near The Whole of Life. RealLife 'IS' Beyond anything that can be considered or imagined, and so this is why most unaware people who are still asleep and keep 'thinking' that what they see with their eyes is all that Life can BE, but there 'IS' so much more that is not Seen. Oh yes, there are many heavens beyond this life, but they are only in the Astral & Mental Realms of Cause & Effect Creation, and after your little vacation there, YOU will be back here once again unaware and the Effect of Everything! If you like this old boring routine, then YOU can have it for as long as you want. Here is a 'hint' for you to consider, and that is... there is no such thing as the 'belief' idea, but you decide... Have Fun Doing So! READ THIS NUBOOK & WATCH KELSEY BROWN VIDEOS on FACEBOOK & YOUTUBE!

## **TOO MANY UNAWARE PEOPLE on EARTH by DUANE THE GREAT WRITER...**

"In The Beginning... (before the Reptilian Alien TapLiners (RATS) the 'god' creators) invaded this planet, the Planet Earth was doing fine. Who can say when this really was, and it really does not matter as much as what is really taking place on earth Right Now! History can be a nice melancholy thought, but it will never replace the Choices that are being made Right Now with The ALLNatural Environment Supporting ALL of US. The unaware masses, which YOU are part of, keep bypassing what is really essential here and with The Whole of Life. As the unaware mobs of socially embedded people roam this planet in search of their next thrills, they are Agreeing to the Demise of what really Supports ALL of US. The Planet Earth is a 'Place in Life' to learn from and then eventually Recognize The TruReality LifeIS, THE ALLIS, but instead, the unaware masses have decided to Agree to the Marketing Ploy of the RATS who rule this planet

with their politics, religions, spiritual teachings, militerrorized education, brainless businesses, and mad science. Everything that is being created here is going over the falls, and if YU, The RealU, does not WakeUp & Recognize THE ALLIS NOW, then it will be a lot more unaware lifetimes of huge struggle for YOU! The Whole of Life Makes Sense and Will Not make Your Choices for YOU! YOU have been misled into the 'idea' there are gods who decide for you and Kontrol your life. The only relationship you have with the Gods of Man is the 'consent' you have given THEM (TapLining HUman Eating Martians) to destroy what Supports YOU! ## **WORLDWIDE EDUCATORS REPORT 11.22.2016... YOUR TREES YOUR BEES...**

**"Trees Are Dying Off at an Alarming Rate With Little Public Attention and so are Bees!"**

Alex Pietrowski, Staff Writer Waking Times

In the background of modern life, as people go on debating politics and working for a living, something dreadful is happening to the eco-systems which support us. Major disasters like the ongoing radioactive leak at Fukushima, the apocalyptic fires burning throughout Indonesia, even bee colony collapse disorder, seem to fall out of view in day-to-day life, as we seem to have lost our power and will to directly participate in the stewardship of planet earth. A new crisis is now happening all around us affecting trees. It appears that millions, hundreds of millions even, of trees are dying in North America and around the world from a basket of reasons, promising to completely and permanently alter the landscape and environment around us. Trees are among the most abundant and the most critical organisms on planet earth, and only recently have we been able to assess just how many trees inhabit planet earth. A study published in 2015 gave us this picture: A new study published in Nature estimates the planet has 3.04 trillion trees. The research says 15.3 billion trees are chopped down every year. It also estimates that 46% of the world's trees have been cleared over the past 12,000 years. Now in 2016, alarm bells are ringing and in California alone, the problem has become incredibly severe: The U.S. Department of Agriculture (USDA) announced today that the U.S. Forest Service has identified an additional 36 million dead trees across California since its last aerial survey in May 2016. This brings the total number of dead trees since 2010 to over 102 million on 7.7 million acres of California's drought stricken forests. In 2016 alone, 62 million trees have died, representing more than a 100 percent increase in dead trees across the state from 2015. Millions of additional trees are weakened and expected to die in the coming months and years. A New York Times feature on trees in California warns us that many of the state's trees were already dead before forest fires moved in, thereby making the fire situation worse. Many of the tree deaths in Northern California have been linked to Sudden Oak Death in addition to an ongoing drought, but, the tragic die-off of trees is far from limited to California. In 2010, Hawaii's welo'i'a trees began to die on the Big Island due to a disease now referred to as oh'i'a disease, and scientists still don't understand its origins or how to treat it. These are just a few examples of many in a wave of issues killing trees in many parts of America and around the world. The plight of the oh'i'a is not unique – it's part of a quiet crisis playing out in forests across America. Drought, disease, insects and wildfire are

chewing up tens of millions of trees at an incredible pace, much of it driven by climate change. Entire mountainsides are dying off in short order, leaving a bleak future for wildlife and residents. Some speculate that the widespread loss of trees due to such a wide conflagration of issues is a sign that trees, the most rugged of all plants, are in general weakened from an environment under complex attack by pollution and even climate engineering projects. In California and in other parts of the world, many are making the connection between climate engineering ChemTrails, these tree die-offs. Also known as geoengineering, this is the modification of the earth's atmosphere with the supplementation of compounds and chemicals, ostensibly as a means of favorably influencing the climate, which is not so. Could be, although there is nothing like a consensus on the issue of why trees are in such a weakened state that so many are succumbing to so many issues. Natural ecosystems have been altered in various ways by nitrogen, sulfur, and mercury deposited in rain, snow, or as gases and particles in the atmosphere. Through decades of scientific research, scientists have documented how local, regional, and global sources of air pollution can produce profound changes in ecosystems. These changes include acidification of soils and surface waters, harmful algal blooms and low oxygen conditions in estuaries, reduced diversity of native plants, high levels of mercury in fish and other wildlife, and decreased tolerance to other stresses, such as pests, disease, and climate change. The web of life cannot be damaged in one area without the effects being felt elsewhere. Just as bees and other insects are dying off in masses by a number of causes, some known and unknown, trees are also harbingers of the health of our planet. With such little attention given to the state of this earth and so much attention given to the human and political dramas that occupy our attention 24/7, will the human race WakeUp and react in time to avert a major planetary crisis? THIS IS A WORLDWIDE WAKEUP FOR YOU!!!

"There are Endless NUWays to WakeUp, and what is happening on the earth with the access everyone has to invented world events is a coming out of the sleep that the unaware masses have been seduced into for untold centuries. There are many pioneers who have bravely come forward to share what they have discovered about the political, religious, spiritual, educational, business and scientific systems. These are the REPSystems, and they have Kontrolled the supporting public for eons. YOU have been here many times before and have Agreed to what has been created to rule over YOU. YOU have always made the Choice to Agree with whatever the Authoritarians have told you, and when you did rebel they got rid of you. There is a much better way to Free YourSelf than protesting what is taking place on this HUMAN Farming Planet! The unaware indoctrinated people of earth are only in the first stages of Waking Up. Many 'think' that some invented religion and gods will save them, which YOU and others have considered for many lifetimes and the old traditional 'ideas' are still not working. Whether you know this or 'believe' this or not, you are still in a very well Designed Matrix to keep you here thru your Agreements. Children are free to imagine and experience

“YOU have been raised to 'think' you know more than The Whole of Life, and it shows by what you are doing with your life. YOU 'think' you can do anything you want and whatever you decide will turn out for you no matter what. YOU have no idea of where you are and what Cause & Effect Creation is. YOU are one of the many arrogant people who are adding to the Demise of Planet Earth and not fully conscious you are doing it. YOU are only interested in the 'surface world' you see with your eyes and not at all into 'Listening to Life' as you have your attention and desires scattered all over the place and chasing nothing! ## **THE REAL ROD OF POWER by DUANE THE GREAT WRITER...**

"In 1965 Rebazar Tarzs had prepared Paul Twitchell & Duane for 'The Biggest WakeUp Ever' for this planet and all of Creation. Paul was given The Real Rod of Power, because he had The RealAwareness to See THE ALLIS. Paul started off with the 'BabyBrain' god idea, because of the vast unawareness of most people to See Past their Emotional Religious Attachments. Paul set the 'foundation' and IS The RealGuide with The Real UNUversal Guides. Rebazar & Paul gave Duane, The Real Rod of Power in 2001, and in 2007, the 'old rod' idea became, 'THE NUWAVIS THE NUMAN NOW!' The Whole of Life with only your mind or what you can imagine is very limiting and distorted. Most people look to the professional invented systems for their answers to their life and What Life IS. As long as you keep 'thinking' you are just a body and mind with emotions, then this is all you will ever be. There 'IS' so much more to a RealLife than can be seen from your personal view. ### **by DUANE THE GREAT WRITER...**

“We have all come thru numerous lifetimes on many different planets and from many other dimensions that are always around us. What we have been experiencing here so far is mainly from the many positions that exist in Cause & Effect Creation. Creation is Huge, and it would 'seem' that Life is all about creating something, which would 'seem' to be the ultimate and all there is. But, there is So Much More that is Not Seen.

Creation has it's place, but with the invented authoritarians on the earth and the invented Space Gods in the sky somewhere, most people are still unaware that there IS Real UNUverses of RealFreedom that can be Recognized to StandReal in. Where are the Heavens of Man and the Gods that are supposed to be somewhere? These 'ideas' and many other have been purposely cloaked to Kontrol others into a slave submission for ongoing unconscious lifetimes into being a 'subject' for others! ALL LIFE IS an ISNIS, and until YU, The RealU, Wakes Up and Sees & Recognizes this, you will Stay Lost in Cause & Effect Creation! This is very real, but most of the over-educated-literalized HUMans cannot See what SHE is doing, because they are so emotionally attached to the Marketing Ploy of Worshiping and PrayPaying to HER and the Kalaum God and the funny picture of fake master HarOld Klump. The Dumbed Down MemberShrimps MUST look to HER for their next computer initiation or they will cast out! ## **OLD MASTERS & UNAWARE WORSHIPERS by DUANE THE GREAT WRITER...**

"It would 'seem' that the old masters and their funny ancient wisdumb have a relationship somewhere on this planet. As a 'business plan' to get people to support them does make sense, until they and their followers pass over into the Astral Realm and discover what they have done on earth really meant nothing. The only 'thing' that can be taken from a person following a fake master and their fake initiations is the fact that 'maybe' they did learn what is FAKE! Otherwise, it will be more unaware lifetimes until each person discovers that there 'IS' only One TruReality, THE ALLIS. The Whole of LifeIS Real and has nothing to do with politics, religion, spiritual teachings, indoctrinated education, gods and saviors, nor the angels that assist the unaware people struggling on the RoundWorlds in time and space. The unaware masses have been taught to live with their 'emotional sympathy' and thinking this idea and others like it will lead them somewhere, when in fact it will not. Simply observe the birds in Nature and it is more than obvious they do not cater to the Whims of Deception like people do! Birds Do Not destroy their environment, but the 'know-it-all' people do! The first order of business on the earth is HUMAN Farming, and most people are still living in the dark ages when it comes to what is happening right in front of them! WAKEUP & SEEE

## **YOU ARE ON PLANET AGONY...**

YOU 'think' you are on the Enchanting Earth World you have been told about from all the Marketing Ploy that paints a lovely picture of what supposedly is taking place here. It is true, there are many beautiful things here, but what is really behind all of it? YOU have the right to stay unaware for as long as you want and continue to create 'ideas' in your imagination and mind as to what you want here, but what is really taking place here is right in front of YOU and has become a 'standard' to go by with all the Poisons & Pollution. Oh Yes, you want the earth to be fine for your future LA LA Land to survive, and you keep thinking that by the very fact you can 'think' that it will be so... Good Luck!

The Demise that is actually taking place on this planet is Huge, as The ALLNatural Environment Supporting ALL of US, is being Terra-Formed specifically for those whole Kontrol Planet Agony! ## **WORSHIP & PRAYER**

### **by DUANE THE GREAT WRITER...**

"On this little planet that is Kontrollled by Religion & Politics, I have been asked, "Do you Worship & Pray?" One of my answers has been... "IF" (IF) I were to Pray, it would be for PURITY! Because with PURITY, I can See Thru all the Dimensional Deception of this Designed Matrix on earth and the invented systems with their Rulers & Gods, as I StandReal with The TruReality LifeIS, which I already do! And for the 'Worship' idea, it would be so that I would worship The TRUE PURITY LIFEIS, as IT IS a RealPosition I StandReal with! I am also sometimes asked, "Do you 'Believe' in this or that?" I am fine with everything, as I decide to Make Sense of the ideas I use to express myself and those that do apply to The Whole of Life. The 'idea' of belief has it's place when fully understood and for the realistic benefit for ALL. And so, each person makes their own choices, and that is, to pray to the 'ideas' of invented gods and masters and all the 'sound-good' ideas that are Marketing Ploy to the unaware, or Learn to See Beyond the ideas, feelings and assumptions of the personal mind into a RealAwareness of RealFreedom with No Restrictions Ever! Beyond Cause & Effect Creation, IS The TruReality LifeIS, THE ALLIS, which is like the Sun Shining with No Restrictions! There IS Real UNUverses that are Endless Wonders moreso than any person can imagine, and with RealGuidance and a RealEducation with The RealConnection to The Sound Light Reality, then YU, The RealU, can WakeUp to The Whole of Life Now! HAVE FUN DECIDING! READ THIS NUBOOK & WATCH KELSEY BROWN VIDEOS!

## **YOU MUST BE SPECIFIC by DUANE THE GREAT WRITER...**

“When you plan a trip somewhere, you decide where you are going, even though you may not have been there before. And it is so, that just taking off from where you are, you will end up somewhere. If you are Not Specific, then you are wherever. Ending up 'wherever' may seem okay for a while (like thousands of unaware lifetimes) but after a lot of trial and misgivings about where you keep ending up, you start to look for a better solution with Your Life. With the one-dimensional reasoning that most unaware people use such as, “I believe in this and that, or love conquers all, or I have planned my heavenly place, and there are so many more that are Not Specifics, and actually Keep YOU in Cause & Effect Creation, even though you 'think' otherwise. YOU can decide whatever you want, but it has nothing to do with The Whole of Life and The Real UNUverses beyond the Restrictions of Creation. In Creation, you move about from 'place to place' lifetime after lifetime, and with The Whole of Life, The Real

UNUverses, YU, The RealU, Your RealAwareness, learns to Recognize & Perceive what cannot even be considered with your indoctrinated logical mind and emotions. YOU, like so many others live a 'surface life' and Not A RealLife. YOU moreover decide with what you see with your eyes and senses and overlook the unconscious Kontrol you are TapLined to. The Whole of Life IS SPECIFIC About ITSELF. The True Reality Life IS, has nothing to do with the invented Gods of Man or the Restrictions of the invented systems of politics, religion, spiritual teachings, education and mad science. YOU Keep Agreeing to Restrictions, because YOU have been indoctrinated and marketed to 'think' that you need Restrictions to survive. It is Always Your Choice! You can WakeUp and Learn to Make Sense of Your Life, or just keep 'glazing over' your personal life and what you 'think' will take care of YOU! YOU MUST BE SPECIFIC, or you stay here with all the unaware and live the Effects of what has been decided by others. If you want the gods, then you will stay in Cause & Effect Creation, but if you want RealFreedom, then you must Learn to Earn Your Way and Recognize 'What IS Real Now' with The Whole of Life that 'IS' far more than Restricting Creation! WWE are The RealAdventure Life IS! READ THIS NUBOOK & WATCH KELSEY BROWN & CHRIS COURAGE VIDEOS on FACEBOOK & YOUTUBE!

## **THE GODS or THE ALLIANCE** **by DUANE THE GREAT WRITER...**

"Since before you can remember, you have been praying and worshiping to the 'ideas' of gods that have been created for you. YOU have decided to 'believe' that such gods exist and they have created you and you are to look to THEM as you were told and you decide. You have Agreed to the Restrictions that have been created for you to Obey THEM, the invented gods. Each one of us have Free Will, and you have the right to decide whatever you want with your life. For most people, they 'believe' in their gods, but they really do not know who or where their gods are. Some say their gods have spoken to them, as each of us has our own experiences with Life. It is not for me to say what the next person believes or experiences. I have my own RealExperiences with the various LifeLevels that are unseen from a physical view. I have met the Gods of Man, and anyone can do this. The invented gods Kontrol the Physical, Astral, Causal and Mental Realms in Cause & Effect Creation, and they keep you in reincarnation & karma. The gods are with the Lords of Karma and administer the 'good & bad' karma of each unaware soul in their created psychic matrix. Most praying and worshiping god followers do not investigate who their gods really are, as they just go along with the 'ideas' of belief and faith and do not pursue the adventure of finding out who they pray to. This is a Choice each person makes for themselves. From My RealSide Experiences with the Gods of Man and the Lords of Karma, I have discovered there is a Lot More to The Whole of Life than just gods in outer space and needless drudgery karma in the Five Levels of Creation.

"Beyond time & space Creation, there 'IS' Real UNUverses of RealFreedom, where there are NO RESTRICTIONS & NO LIMITATIONS of any kind with The RealU, Your

RealAwareness, as YU StandReal as a FreeBeing of RealLight and brighter than a thousand suns! The Real UNUverses are a Pure ALLAliveness of TruSoundLight Reality, far more so that the 'spirit' idea from the Emotional Astral Love TapLinings that most unaware people on earth cling to. REALLUV IS PURE & WONDERFUL beyond anything your mind and senses can consider. In Creation you use your mind to 'literally' consider what you 'think' LifeIS, but when YU, The RealU, learns to Recognize & PerSeive The Real UNUverses, then YU are Free from ALL RESTRICTIONS that you have created in the Body Form Worlds.
