WWE CARE for ALL

WWE are Professional CARE Supporters who provide a Real Service for ALL People and ALL Communities. One of the many aspects of our WorldWide Education is with those who sometimes have personal issues with adjusting to their Surroundings and Environment. WWE provide Real CARE to where WWE Recognize and Understand that each person wants to express themselves in their own way and at the same time contribute to the Real Benefit of themselves and others and their community as a whole. We have all come through a lot to understand ourselves and to be rather rebellious is part of our Creative Nature to explore and express ourselves. The greatest people in history were rather indifferent and rebellious at times, and then became Someone Wonderful! WWE See & Do what others only dream of... WWE are Wonderful WorldWide Educators and WWE are here to assist those who want to be inspired with their seemingly rebellious natures to achieve what very few people ever do! WWE Welcome all those who are seen as different by others and who

sometimes have difficulties adjusting. WWE are Here for YOU!

THE NUSessions

WWE, as WorldWide Educators See that at times each one of us may need a Better Understanding of what we have to deal with on this big world of so many variables. WWE can See that most people do not need some kind of therapy or drugs to help them cope, but merely a More Fun Way of Seeing Themselves, the world around them, and a few NUSuggestions to better handle what takes place with their life and the choices they make each day. WWE are Here to do our part for ALL The Communities of The World. Your ongoing contributions keep US Here for YOU.

~

THE NUDOCTORS

The NUDoctors are RealProtection & RealGuidance and non-medical in the earthly sense. The NUDoctors are on The RealSide LifeIS and StandReal & Protect those Singing The NU~U, as they will start to remove the unseen TapLines from the Five Bodies that YU, The RealU, occupies with Your RealAwareness. YOU are being TapLined in Your Astral/Etheric Bodies which can become illnesses & cancers. WakeUp with US & Free Yourself Now! WWE have Real Opportunities for Professional

PHDs and others to be part of our Advisory Board. WWE welcome those who would like to contribute and support WWCARE financially, as Community Sponsors.

The Real UNUversal NUKids & The ALLLISSS

WWE are Wonderful WorldWide Educators and WWE always Do Something Wonderful for Everyone. It will be so that most of this world will not be able to 'See' who WWE really 'IS' and 'What IS Real Now' WWE are providing a Real WakeUp like never before on Your Planet Earth. WWE Support The Natural Environment Supporting ALL of US. WWE are more than the Sun Shining. For those who have The RealCourage to StepUp & WakeUp with US, YU, The RealU, will Become MoreAware with US into Real UNUverses of RealFreedom!

NUSessions 'IS' Non-Therapy

This world has come to know the basic ideas of Meditation. The idea of Meditation is relaxation and relief from things such as daily stress. There is also the idea of

enlightenment. Meditation does have it's place as a type of therapy and antidote and enrichment. In comparison, The NUSessions offer an opportunity to let go of existing restrictions and Become MoreAware. With The NUSessions, a person can eventually SeeMore and Become SelfSufficient.

~

The NUSession... simply lie upon your bed or anywhere, and relax and let yourself be okay, as if you were lying on the sand at the beach on a sunny day. Sing NU~U~U~U... like this, and continue to do so for about 10 to 15 minutes, then let go and just relax. Give yourself time to See what you never have before, and also watch your dreams for hints to Recognizing Yourself.

COMMUNITY WAKEUP FORGET MUCH?

At Age 69, I am Seeing what is taking place with the various parts of my mind, and especially my Memory. There are many labels for the idea of 'forgetting' and it really doesn't matter what the actual experience of 'forgetting' is labeled as. Your Memory relates to something in the past, and when you learn to bring the past into the present, then you can See what your Memory really is. You can decide Your Life any way you want, and

you do not have to agree with what you learned in school and even from your parents or the so-called authorities. You can create and decide whatever you want! Over the years I have practiced 'Being Now' and more Present with myself, as I can See the functions of my personal mind going through their process. I have learned to create a pattern with what I do and also watch as my personal mind tends to forget. A so-called common 'senior moment' is when you go into another room for something and as soon as you get there, you forget why you came in the room. I have learned to write things down, as I already know I will forget, and so I play a game with myself, as I constantly OverView and watch the 'notions' of my self-convinced mind. There is so much more to each of us than what we have come to know and agree to. There are so many ways each person can test themselves instead of just giving in to what we 'think' we must. Take The Risk and Explore Yourself and Have Fun doing it! DUANE THE GREAT WRITER

COMMUNITY WAKEUP SLEEP MUCH?

Hello again... because of how this world has created itself, you can be like a lot of people who are always in a rush to get somewhere or accomplish something, and so this equals a type of exaggerated stress And by the end of each day your personal mind has been set into a busy

motion of not slowing down. By the time you are worn out from your daily affairs, your body wants to rest and be okay, but your mind is still going as it was during the day, and so it is hard for you to get yourself to sleep, especially if you have to get up early and you have a lot more to do the next day. So, you sometimes toss and turn and you keep 'trying' to get to sleep, and you even look at the clock once in a while to see what time it is, or are you asleep yet? (hahaha). And even when you do get to sleep, it is like you almost never slept by the time you wake up, which always seems to come way too soon. After going through this routine for a while, you might start to look for some kind of remedy to offset your busy non-stop mind, so you may try sleeping pills or something similar. There are many so-called sleep aids, because the drug manufactures keep up on what the unaware public needs, wants and does. Guess what... You do not need anything to have a good nights sleep. You can learn to slow down your mind and Be Okay. For myself, I like Being Now, as I do this to Be Okay with Myself. Being Now takes practice, and most people will not take the time to See how simple this is. When You are Being Now, you are not in the past or future with your creations, but YOU are Now. And by Being Now, your mind is also Now and it is not chasing the ideas you have created. Learn to watch how You create ideas and then chase them. You can create ideas without chasing them, and then you will eliminate the stress that comes with chasing your ideas, which is an illusion,

because ALL Life 'IS' Here & Now! Nite! Nite! Duane The Great Writer

WARNING about EmotionKON (EK) masters by DUANE THE GREAT WRITER...

“There are many EmotionKON (EK / Evil Karma) masters & gurus lurking about Your Planet Earth. From your one-dimensional personal view, they look authentic and even humble from all of the secondary knowledge they have studied and memorized from their old ancient outdated teachers of blabber. They utter pretty words that tantalize the emotions of the unaware, as do cleaver and crafty politicians and religious rascals. Because most people are very attached to their Astral / Emotional Body, they easily cling to the seduction of mere 'lovely' words from someone who is self-elevated by a 'front' they have created to lure the unsuspecting WiFi nummies of this world. They always use the created ideas of the Reptilian Alien TapLiners (RATS) and their invented gods and saviors to Emotionally Trap a person into subconscious submission & Agreement to their Documented Earthly Astral Deception (DEAD). Most of the unaware masses who are numbers, foolfollowers, bullievers, worseshipers and knuckleheads, usually do not look to The RealSide LifeIS with their RealAwareniss to See what Life will show them about the

foolishness and marketing ploy of (EK) Evil Karma masters. The unaware buy into the 'love' ideas, which are Astral Body Relationships that lead to all kinds of influential TapLining and eventually diseases and cancers. Most people do not understand Cause & Effect Creation, and so they open their Auras to the Earthly Kontrollers (EK). It really does take a lot of research and RealExperiences from The RealSide LifeIS with Rebazar Tarzs & The Real UNUversal Guides to be shown 'What IS Real Now!' The RAT TapLining words of 'HU, OM, AMEN, AUM' and many others are what the EmotionKON masters use to seduce their numbershrimps to a pathetic arena of worseshipping & praypaying to invented unseen space gods who rule over dumbed down HUmans and intimidatingly Kontrol all the foolishness unaware people Agree to. The unaware numbershrimps are also usually okay with Destroying The ALLNatural Environment Supporting ALL of US! A major player with the One World Order and the Earthly Kontrollers (EK) is 'The Big KON' with Joan Klemp's EckanKON Lawsuit 2017 Kontrolling Korporation. SHE is among the most cleaver and cunning of The Deceptors on Your Planet Earth. There are just too many to mention, so Sing The NUSound, The NU~U, and Watch Your DreamVisions and YOU will be shown who is really TapLining YOU in Your Astral Body! ~

**What JOANEE EEKonKON ROBUTTS cannot SEEE by
DUANEIS THE NUMAN...**

“I have had My RealExperiences during this life, as I came
here to create 'The NUPresentation for ALL' with Rebazar
& Paul. I have kept My RealFocus with THE ALLIS, while I
was in Paul's membership, and then with Darwin & HarOld

with their Conspiracy Takeovers. I was to also learn 'What is Not Real & What Not to Do' as Darwin & HarOld, and especially Reptilian Joan Klemp (the real owner of the Eckankar Takeover Korporation) and HER Influence, have taken over what Paul created as Eckankar. SHE has helped to create The Biggest WakeUp Ever for Everyone, and just like HER WorseShipping, PrayPaying, Dumbed Down MemberShrimps, SHE does Not See what SHE has done or is doing. The unaware membershrimps are so unaware that they Do Not See their personal lives, as they contribute daily to the Demise of The ALLNatural Environment Supporting THEM. They Do Not See what Reptilian Joan Klemp and HER Kalaum Reptilian TapLining God are doing to THEM in their Dreams, as they are all Astrally TapLined and held to the Lower Astral Realm with Harry Klump as their King! And they Really Do Not See what WWE are doing with Rebazar Tarzs & The Real UNUversal Guides with The NUNowniss of The TruReality, THE ALLIS. So, what is it they can See... NOTHING! They are self-absorbed with their fake computer initiations with Queen Joan, and the little 'power' plays they chase in their minds as they want more fake initiations and TapLinings. Everyone has Free Will and can 'think' and do whatever they want on Your Planet Earth! WakeUp with US... YOUR CHOICE!

EEKonKON (eckankar) Joan Klemp MindKontrol Korporation Lawsuit 2017 by DUANE THE GREAT WRITER...

“WE are ALL Here to WakeUp from The Passing Dream of Cause & Effect Creation. YOU have to figure out how YOU will do this. WWE will Show YOU! YOU can listen to the 'pretty words' of the old blabbering political masters who own the Kontrolling Earthly Korporations (KEK) on Your Earth, or WakeUp with US and Free Yourself Now! LifeIS The NUAdventure that 'IS' Always Now! The political, religious, spiritual whatever, and their old doctrines & outdated words of wisdom, along with their self-absorbed masters & gurus are in the forgotten past in time & space and still lost somewhere in the Astral Realm. It is so that these 'things' are still around 'appearing' as something like traditional ghosts, that those who are still asleep to The TruReality LifeIS, THE ALLIS, keep chasing and 'thinking' they really do have something, when actually all they have is Old References. YOU need Dualistic Creation to Objectively See Yourself with what YOU have created, and to eventually Recognize The TruReality LifeIS, beyond the invented gods and saviors of the Reptilian Alien TapLiners (RATS) and their Marketing Ploy on Your HUMAN Farming Planet Earth! The One World Order Rules Your Planet Earth with their 'Agreed' upon monetary system. The RATS created the Funny Munny and the unaware masses continue to chase it into their future

lifetimes. The Deceptors have fooled most of the people on Your Earth to Agree to what they create for THEM (TapLining HUMAN Eating Martians). One of the many Kleaver Korporation Kontrollers (KKK) is Joan Klemp, owner of EEKonKON 'The BIG KON' and marketed as 'eckankar' with HER little blabbering self-absorbed puppet master, Harry Klump. Together, these two notorious Banksters collect printed money from their dumbed down membershrimps who worseship & praypay to HER and HER Kalaum God (LordGod) Grog. SHE has HER big stash in so many places, and SHE is Not Aware that ALL Life Sees what SHE is doing! SHE has so many more brutal unaware lifetimes to go into, after SHE is caught here (SHE is already caught by The Lords of Karma) with HER little master Harry, as they will also spend a lot of time in the Lower Astral Realm for eons. SHE can Take The Risk and WakeUp with US, but that would take a lot of RealCourage to face HERSELF! WWE are Here for Everyone, and even those who are The Most Wanted & Lost! ~

YOU are BEING TERMINATED by DUANE THE GREAT WRITER...

“Just like in the movies, 'Terminator, Lord of The Rings, The Matrix, GeoStorm' and so many others, YOU are already Kontrollled and being setup to be More Kontrollled than ever and Eliminated, as you will return for more

unconscious lifetimes to chase your survival on earth or other planets, if YOU do not WakeUp Now!

**WARNING... REPTILIAN JOAN KLEMP... WARNING by
DUANE THE GREAT WRITER**

“WARNING... REPTILIAN JOAN KLEMP... WARNING!
Takeover Ruler Reptilian Joan Klempe, Owner & Boss of
EEKonKON (Eckankar) Krone Kontrolling Korporation
(KKK) in Minnesota, USA, is trying to be very clever
again by using some of what I am presenting in My
NUBooks as a RealBenefit for ALL. SHE uses whatever
SHE can to Manipulate & Kontrol HER puppet master
Harry Klump, and HER dumbed down MemberShrimps.
YOU Do Not have to be concerned in any way about
Reptilian Joannee, because Everything Always Shows Up
on The RealSide LifeIS with Rebazar Tarzs & The Real
UNUversal Guides. SHE is Already GONE! Sing The
NU~U and you will not get Astrally TapLined by HER! SHE
has NO Backing with The RealGuides!

SHE is with HER Reptilian Regime and HER Kalaum God
Grog. The RealGuides have removed anything relating to
HER Earthly Krone Korporation (EKK) on The RealSide
and all the levels in Creation and there is very little or

nothing left, as SHE & Harry, Never had any RealConnection to The Real UNUverses of RealFreedom & THE ALLLISSS. SHE 'thinks' in HER little Reptilian computer mind that SHE can keep Her Deception going, and it will be so that there will always be those who will follow HER, because SHE has put The Fear of HER God in Them! The systems of Your Planet Earth are all invented and Kontrollled by 'The Supreme Deceptor' in Your Etheric Body. YOU were Not taught any of this in school were YOU? WakeUp or Stay Lost with The RATS who Rule!

WWWE IS... 'NEVER A DULL MOMENT with US'

by DUANE THE GREAT WRITER

WWWE do what others do not... and that is, Make Sense of what usually does not make sense with what almost everyone is already doing, and then Creatively Make Sense with what the unaware people on Your Planet Earth keep Agreeing to, and then turn it into a RealBenefit for ALL, that unfortunately is very seldom noticed. WWWE have decided to Live a RealAdventure like others only dream of. WWWE already know that YOU are talking about US (UNUversal SuperBeings).

WWWE See YOU on The RealSide LifeIS and WWWE Hear YOU! WWWE THANK YOU for SHARING what WWWE are Sharing with YOU, as WWWE do Our Best to Show YOU... HOW TO WAKEUP RIGHT NOW!

KID BOOK 3

KINDNESS

As YOU Watch Nature and See the Butterflies, Birds and the Bees moving gently along, there is a Harmony to Everything that IS a Gentle Kindness. Life on Your Planet Earth is not always easy, and so it does take a while to understand the Kindness that is all around US.

LIFE

There IS so many ways for each of US to View Life, and There IS so many different ways that Life will reveal ITSelf to US. YOU can think and create ideas about Life, and YOU can also Learn to Recognize More about Life than you can see. Live Your Adventure and Take The Risk.

MUSIC

Real Music IS the Sound of the Ocean as the Waves are breaking, and the Wind as it blows and flows, and the Falling Rain, and the Rushing Sound of a Water Fall. There IS also the Sounds of Birds and Animals and so much more. YOU can create Music with Your Voice and with Musical Instruments... Have! Fun!

NEW

YOU are Always New Every Moment. Children always Live in Each Moment, and YOU can always Stay New & Real for YourSelf. What we each create provides a Better View in understanding ourselves and how to Make Better Choices as we progress with our lives Here.

OCEAN

Life IS the Big Ocean of Opportunity to See More & Be More. YOU are always on Your Adventure to Wake Up and Explore. Children Love the Ocean, because Life is like the Flow of Water... Free & Fun! WE are each so much more than what we know. Learn to Pay Attention to the Ocean ALL Around YOU, because YOU are already in IT!

PATIENCE

To have Great Patience with OurSelves and to Survive what we each must go through and do here is a lot. Patience has RealValue with what you must become successful with. Mothers have to have Patience as they raise their Children. Patience IS a Strength to Be. Have Fun Being Patient!

QUALITY

Only you can Decide to have Quality in Your Life. RealFood, RealWater & RealAir are Real Quality, and you do not have to settle for what has no Quality. Your Planet Earth is constantly Changing and only YOU can Decide to Pay Attention to what is really taking place here. Do YOU want Quality or not... YOU Decide!

READ

Reading & Writing IS a Great Way to Learn & Express Yourself. When YOU Read something and like it, then you can Write about it and Share with Others. WE are ALL Together on Your Planet Earth and WE can Share Something Wonderful & Beneficial with Each Other! Have Fun Reading & Writing!

SINGING

I already know YOU Like to Sing. ALL of US Like to Sing. YOU can Sing something old, or YOU can Sing Something NU, like a NUSong. I always Like Something NU & NU & NU... HA HA HA! Let's Have Some Fun... Let's Sing The NUSchool Song... "NUSchool for YOU & NUSchool for ME... No other school can Be So Free!"

TEACH

We each Teach each other and learn from one another, and especially when we Pay Attention to Everything

we experience. ALL Life IS Right Now and Everything that is necessary is always with US. The RealAdventure IS to See what is taking place every moment. And so, Teach Yourself to Pay Attention to Everything Now!

UNITED

UNITED WE STAND REAL with The ALLNatural Environment Supporting ALL of US! IT IS Better to Be United with a RealPurpose than separate and alone with no purpose. MOMS & DADS & Children are United together as a Family, and this is a Great Start to something that can Be More Beneficial for Everyone!

VALUE

What has RealValue IS YOU! YOU are The RealValue with what YOU Decide Your Life to BE. YOU Decide how YOU will Create Value with Your Life. YOU can ask others, and at first we do, but eventually YOU learn to Make Your Own Decisions. Learn to See RealValue with what YOU Decide to do and then DO IT!

WONDERFUL

YOU are Already Wonderful, because YOU & I and Everyone are all in the same Life. YOU are on Your Planet Earth and you are having Your Fun, but Life IS still a Lot Bigger than YOU will ever imagine. There IS No End to what YOU will always experience no matter where you are. So, BE Wonderful and Share Something Wonderful with Everyone! YOUNG YOU will Always BE YOUNG when YOU WakeUp and Learn to SeeMore. More than Your Heart can know or hold... There IS a Realness about YOU that is Bigger & Better and Being Young at Heart will let you See who YOU can BE. Take The Risk and Dream The Great Dream of Yourself and BE Wonderful and Always Young!

EXPERIENCE

YOU are Here to have Experiences that will Wake YOU Up! There IS More to Life than just what YOU See around YOU... There IS always something that YOU are Not Seeing. Are YOU ready for a RealAdventure to Explore & Discover what YOU Do Not Know Yet? YOU can Decide & Do Anything

YOU want! Have Fun Deciding to BE Free!

ZEAL

What IS Zeal? It is a Funny Word that means many things, but mainly the Enthusiasm to pursue or Accomplish what YOU want for Yourself. Children have Zeal with what they like to do and usually without any Restrictions. Children live with their Imagination & Fantasies as their Reality, because They Already Know What They are Doing!

STEPUP & PROVE YOUR GRATITUDE by THE NUWAVIS DUANEVA...

“What I 'IS' Presenting to ALL of Creation as The NUPresentation Foundation is not so much about me... IT IS about The TruReality LifeIS, THE ALLLISSS. I have Always been Sincerely Grateful for what I have come to know with Rebazar, Paul & The Real UNUversal Guides & THE ALLLISSS. I See what I have learned and what I am Sharing to Be a RealPrivilege and of Sincere Gratitude and I Prove this Everyday by what I DU! The TruReality LifeIS is with THE PROOF only YOU DO! Life ITSELF 'IS' Always Proving ITSELF to YOU, and it is up to YOU to Recognize IT, and YOU Must Prove Yourself, The RealU, with IT, to have The TruRecognition that IS Far MoreSo than just your personal wants and life here and The NUKnowledge that is the First Step as a Reference to IT, THE ALLLISSS. Becoming MoreAware with THE

ALLLISSS LIFEIS, IS The RealWakeUp that YOU have been searching for from all those unaware and turbulent lifetimes in your past. Let Go of Everything and BE Now & Real & StepUp with US! Take The Risk and Get Past your personal little know-it-all self and Bravely Share what I have spent my entire life bringing to YOU & Everyone! StepUp and Share The NU~U & Start a NUGroup and go out onto this world and get thru your fears of being self-conscious about what others 'think' and especially what YOU 'think' about yourself and your personal little life that will soon vanish once again! Rebazar Tarzs & The RealGuides Back ME, and they will Back YOU UP, but only when YOU StepUp and PROVE YOURSELF TO ALL OF LIFE NOW! PROVE YOUR GRATITUDE, or at least learn to have some. The old days of masters and gurus, kings and queens are Gone! There is No More sitting around at seminars and getting Astrally TapLined and just hearing the 'pretty' political words of old wisdumb from puppet masters on stage... this Does Not equate with The Whole of Life or The RealGuides. YOU Can Do Anything.... WILL YOU DO IT NOW? WakeUp... chanting HU, OM, AMEN, OM and other Kalaum God Grog noises is TapLining & Kontrolling YOU! ~

THE NUUU UNIVERSAL UNIVERSITIES by DUANEIS THE FOUNDER & OVERSEER...

“WWWE as Wonderful WorldWide Educators have created a RealPurpose for Everyone to Recognize as a RealBenefit for ALL. There IS Three Basics Steps to a WorldWide WakeUp for Your Planet Earth and WWWE know what WWWE are Doing. First IS... The NUSchool HomeSchool for those who have a RealFocus, which surpasses the 'standardized' education and indoctrination of the invented systems. From the very start of The NUSchool there is a Real & Wonderful Purpose that is already established with what WWWE See & Do. WWWE are providing RealGuidance and a RealEducation like no one else and at a Substantial Acceleration to where a person can have far more than just a 'standard' degree from the old institutions of straight line thinking and literalism. Of course, as each person is ThemSelves and will Decide their life, then what WWWE are providing will be so accordingly. Some will Be Very Fortunate to See what WWWE are Uniquely Presenting, and there will always be those who will not. LifeIS The Great Adventure and YOU Must Be a Real RiskTaker to See Beyond what others cannot. The old days of 'literally thinking' what LifeIS, Do Not Work Anymore! WWWE have Far Surpassed the Kontrolling Literal Minds with OUR RealAwarenisss and how they are adding to the Demise of

The ALLNatural Environment Supporting ALL of US. IT IS Time to StepUp & Get Real with what is really happening on Your Planet Earth Now! Your Earth will Not heal itself, unless YOU WakeUp & StepUp and Take Part with Supporting what WWWE are Doing for Everyone! The Children are The FuturNow... and Your Children will be facing what YOU Teach & Education them with.

~~~

Big Step Two... Waking Up to the Nations United UNUversal UNUversities and a RealFocus on a RealPurpose with What IS Wonderful & Beneficial for ALL. The 'standardized' educational system has been purposely planned to keep people unaware, Restricted and Kontrollled into a Marketing Ploy 'idea' of a career. A 'career' to where? A good paying job in some GMO Factory to build more weapon parts? Let's Get Real... The ALLNatural Environment Supports ALL of Us, and so why does it make sense to destroy it? The standardized educational barrackses with their indoctrinating text books are full of Distortion about what The ALLNatural Environment is, and it is NOT about Lethal Chemical GeoEngineering and what is being taught throughout the Kontrolling educational systems to Your Children, along with Lethal Vaccines and GMO TechFood. The NUUU Foundation is Totally Focused on what IS Best for Everyone. There IS enough RealFood, RealWater & RealAir for Everyone, but Everyone Must StepUp and WakeUp with Agreeing to what Does Not Work with what

Supports ALL of US. Your Planet Earth is a One-Dimensional Zone of Restriction, and until YOU WakeUp ALL The Way, you will be the Effect of everything around YOU! WWWE have The RealCure for ALL, and as you become involved and Do Your HomeWork with The NUUU, then YOU will WakeUp!

~~~

Bigger Step Three... The ALLSolar Research Vessel Projects are far more than what is seen with what WWWE are Deciding for Everyone. WWWE Support The ALLNatural Environment as IT Supports US! From SomeWhere Unseen, THE ISSSNISSS LIFEIS, IS Entering Your Planet Earth. From Real UNUverses far beyond Cause & Effect Creation and the Kontrolling Ancient Gods...There IS what cannot be known Here.... but IT IS Coming More & More! What WWWE are Presenting will someday Be Seen Thru ALL of Creation. The TruReality

LifeIS, 'IS' The ALLLAlivenisss IT IS. YU, The RealU, Your RealAwarenisss, is far Too Real for your PersonalSelf, so a gradual 'process' has to take place for YOU to Recognize More than just this world and your personal affairs as YOU grow old here once again. Only YOU can Decide to WakeUp Now, and if YOU wait too long, you will once again Forget you were ever Here!

**REBAZAR TARZS SAYS... “LOOOK to THE REALSIDE
LIFEIS” by THE NUWAVIS DUANEVA...**

“The old traditional 'ideas' that have kept people unaware
are still Not Working as a RealBenefit with The Whole of
Life. What YOU have come to know as Creation is simply

a 'Place in Life' and Not 'The OverALL TruReality LifeIS' that YOU keep 'thinking' you know from a personal view. YOU can Have & Decide whatever YOU Want in Cause & Effect Creation, but not until YU, The RealU, Wakes Up ALL The Way, will YOU have RealFreedom from all the Restrictions YOU Keep Agreeing To! Rebazar Tarzs Says... “Loook to The RealSide LifeIS and The Real UNUversal Guides will Show YU 'What IS Real Now' with ALLLifeIS!” WWWE as Wonderful WorldWide Educators are Here For You to Become MoreAware & SelfSufficient.

NU~MEET~US GROUPS by THE NUWAVIS DUANEVA...

“WWWE as Wonderful WorldWide Educators are ALLOver Your Planet Earth and throughout Creation and into The Real UNUverses of RealFreedom. The NUSound, The NU~U, IS The RealConnection with The TruReality THE ALLLISSS. The Gods for Unaware People are in Cause & Effect Creation for those who 'believe' in THEM. The unaware masses look to restricting invented gods and authorities and beg THEM for something, and WWWE StandReal with The TruPurity & PurSincerity LifeIS. WWWE See Everything that is taking place in Creation and 'WWWE Are Fine' with what others Decide, as

WWWE Always Decide to 'Make Better Choices' from the choices WWWE have already made and experienced. WWWE are Here for Everyone as a Real Opportunity to show those who have The RealCourage to surpass all their Old Restrictions from the past and to SeeMore and to learn what they have been thru as a 'reference' to better understand The Whole of Life and 'What IS Real Now!' In The Real UNUverses of PurFreedom & PurSincerity, there are NO Attitudes of Restriction as there are in Self-Convinced Creation. In The Real UNUverses YU, The RealU, Your RealAwarenisss, simply StandsReal with ALLLife in The Endless SoundLight Reality LifeIS. WWWE have NU~MEET~US GROUPS Everywhere and YOU can Become MoreAware and Self-Sufficient with US (UNUversal SuperBeings).

HOME SCHOOLERS ~ “WELCOME to YOUR NUSCHOOL” by DUANE THE GREAT WRITER...

TAPLINING TRAUMA TAKEOVER by DUANE THE GREAT WRITER...

“YOU have been Trapped & TapLined into the Reptilian Alien TapLiners (RATS) Matrix of Agreement. YOU Keep Agreeing to the created world around YOU, and especially with those who Kontrol YOU and Everything Here. YOU are constantly being Setup to React in so many different ways, so that the RATS can continue to Kontrol YOU in Your Idea of Creation. From Your Agreeable 'ideas' of emotional love, sensationalism, faith, belief, fear, gods, saviors, masters, anxiety, stress, anger, revenge, and there are so many other little 'things' that have been created to get YOU to One-Dimensionally React to keep

YOU into a dumbed down unawareness and Agreeing to Chase Yourself into a Nowhere Future! Your political, religious, spiritual, educational and scientific systems are infected with unseen Astral RAT TapLiners who move into Your Aura on The RealSide LifeIS (old term Dreams) and chain YOU to the Lower Astral Realm with Demons. YOU 'think' in your physical body you are okay, but YOU are Not Seeeing what is really taking place Here & Now! YOU have your little physical personal life, and YU, The RealU, has another life that is not understood by any of the invented takeover systems on Your Planet Earth. Learn to SeeeMore with US (UNUversal SuperBeings). The TruReality LifeIS, IS beyond all of Cause & Effect Creation and cannot be determined with Your Personal Mind. YOU Must Have RealGuidance and a RealEducation to Recognize Your RealAwarenisss to Free Yourself from the RATS and The Designed Matrix of The One World Order. WAKEUP! YOU KEEP ADDING TO THE DEMISE OF YOUR PLANET EARTH & EVERYONE HERE! ~

**REBAZAR TARZS ASKS... “WHO BACKS YOU?” by
THE NUWAVIS DUANEVA...**

“There are so many religious, spiritual & occult paths and teachings that 'sound good' with their wisdom & phrases, as they refer to angels, gods, saviors & saints, as these

are mainly Physical-Astral Realm Businesses. Most, if not all of THEM on Your Planet Earth are Kontrollled & TapLined by The World Deceptors and their Reptilian Rulers. So many of the so-called 'spiritual' people cannot See ThemSelves, as their focus is more on their 'business plans' than Recognizing their RealAwareniSSS with The TruReality LifeIS, THE ALLLISSS. Having many 'ideas' on the earth is what most unaware people create and cater to, instead of Waking Up to a Greater Sensibility and What Does Make Sense. Anyone can create any idea they want, but it does not mean that Rebazar Tarzs & The RealGuides will BACKUP a person's idea. The Whole of Life Decides What IT Want's for ALL. A person's personal life is their own and has very little to do with The TruReality LifeIS. If the ideas of religious and spiritual teachings do not have The RealGuides BACKING them, then all they have is the Reflective Astral Light. Just because they might say so does Not make it so! Sing The NU~U & Watch Your DreamVisions and YOU will be shown 'What IS Real Now!' Rebazar Tarzs & The Real UNUversal Guides StandReal with THE NUWAVIS DUANEVA & WWWE ~ Wonderful WorldWide Educators.

**REBAZAR TARZS SAYS... “IT IS ALWAYS THE NU~U”
by THE NUWAVIS DUANEVA...**

“What this world and many other worlds, dimensions and

levels in Creation has come to know as something to be 'such & such' according to the invented systems of politics, religion and spiritual ideas, are along the lines of secondary experiences in the physical and astral realms for the most part. The NU~U 'IS' what has always been with The TruReality LifeIS, THE ALLLISSS. The old words in Cause & Effect Creation of HU, OM, AUM, AMEN and others are TapLining words that hold YOU to this earth and the Lower Astral Realm with the Reptilian Alien TapLiners (RATS). Take the time to consider more than what you have known and THE ISSSNISSS LIFEIS. The NU~U 'IS' The RealConnection to RealFreedom in The Real UNUverses beyond all of Creation. ~

REBAZAR TARZS EXPOSES ECKANKAR by THE NUWAVIS DUANEVA...

“What is in the Past IS Gone! LIFEIS ALWAYS NUNOW. Anyone can 'think & Say & Write' whatever they want, but all they have to do is ASK REBAZAR TARZS on The RealSide, and Rebazar & Paul will show Everyone 'What IS Real Now!' The old outdated fake masters of Joan Klemp's Eckankar, Vardankar, The Way of Truth, John Roger Hinkins, Scientology and so many others, are TapLining Deceptors and nothing more than Marketing Ploy to the unaware with The One World Order of HUMAN Farming. On The RealSide LifeIS, Rebazar Tarzs & The

Real UNUversal Guides Expose all the fake little minded munsters and their personal agendas to Kontrol others for their Kalaum God Grog. Joan Klemp, Queen with the Reptilian Alien TapLiners (RATS) is heading the Kalaum Regime to eliminate those who do not Bow & Kneel to HER puppet master Harry Klump. Watch Your Dreams and YOU will start to See the Astral TapLining and Psychic Attacks from HER and HER Band of Witches! On the PhysicalSide, it would 'seem' that the 'Front' of the spiritual path idea is working and business as usual, but there is a Lot More that is Not Seen from HER! YOU can keep 'pretending & believing' all you want, but what is Really Taking Place IS! WakeUp with US & Free Yourself Now! ~

YOU have to EARN YOUR SEEING by THE NUWAVIS DUANEVA...

“As you go thru countless lifetimes to this very moment, it becomes more than evident that YOU Must Earn Your Seeing. YOU will not understand this at this time, because you have a Huge Journey to Decide. The ideas you have come to know, such as the invented systems and spiritual teachings & paths, are simply a prelude to

Something So Unseen, that most will not See what I am hinting at or referring to. YOU have to “I~Sing The NU~U” to start Your Journey to RealFreedom Now! Only THE ISSSNISSS LIFEIS can Show YU, The RealU, Your RealAwarenisss, and Let YU See 'What IS Real Now!' YOU can 'think' whatever YOU want, as most 'know-it-alls' do, and YOU will Not See what can be Seen only by Rebazar Tarzs & The Real UNUversal Guides. In Cause & Effect Creation, and especially on Your Planet Earth, you have been taught to 'think' your way around, which 'seems' to work, but only seemingly. YOU are Not Seeeing a much Bigger Picture that Cannot Be Seen by most. The TruReality LifeIS, THE ALLLISSS, will always Decide when YU are Ready to SeeMore! Everything equals itself, and THE ALLLISSS DECIDES! WWWE as Wonderful WorldWide Educators show YOU how to SeeMore than ever before! WakeUp & StepUp with US & Become MoreAware Now! ~

SACRIFICE or BECOMING MOREAWARE by THE NUWAVIS DUANEVA...

“The Old God 'idea' is that you are to Sacrifice something to an invented god for some kind of resulting satisfaction that the gods supposedly want. The Reptilian Alien TapLiners (RATS) started all the 'god stuff' to Kontrol the unaware into ongoing lifetimes of submission, intimidation,

torture, entertainment, and finally performing Sacrificial Ceremonies & Rites in the name of their fake gods. The idea of Sacrificing anything along these lines is Kontrol from the established REPSystems of HUman Farming. There 'IS' a huge difference between criminally insane Sacrificing, and Becoming MoreAware and Freeing Yourself from all the Rules, Regulations & Restrictions of The World Kontrollers. ~

YOUR REAL REQUIREMENT by THE NUWAVIS DUANEVA...

“Up to Now, what has become literalized history is nothing more than edited ideas to sound good for the unaware to stay asleep. The invented Systems of Appearances are to keep people obeying the decisions of those who Kontrol others. The old masters & gurus are the 'babysitters' of days gone by. The NUNownisss of The TruReality LifeIS, THE ALLLISSS, is Here to once again make ITSELF known with the presence of THE NUWAVIS DUANEVA. THE ALLLISSS, has decided The NUSound, The NU~U,

to replace the infected old words of HU, OM, AUM, Amen and so many others. The pretty words and old wisdom no longer have any Real Meaning or The RealConnection beyond Cause & Effect Creation. Sitting in lotus position and meditating and hanging out in seminars and listening to the stageman's lip service (such as Harry) is an Astral Realm Thrill at best. YOU have to Earn Your Way Out of Your Created Restrictions to Free Yourself. Rebazar Tarzs & The Real UNUversal Guides are Not babysitters or to be pleaded with or worshiped. The RealGuides StandReal with THE NUWAVIS DUANEVA NOW. YOU are Required to WakeUp and StepUp and Demonstrate a RealPosition with The Whole of Life and Creatively Share The NU~U with Everyone. LifeIS Your RealAwarenisss and far more than just a 'one-dimensional business world' on a planet in black space. What YOU Decide 'IS' The Real Razors Edge! ~

PHYSICAL APPEARANCE & YOUR REALAWARENISSS by THE NUWAVIS DUANEVA...

“YOU are in The Designed Matrix of The Deceptors! YOU keep 'thinking' you are on a planet that is all there is to a life anywhere. As YOU keep 'thinking' as you always have,

you are creating Your Future Lifetimes Here! YOU are being Microwaved to 'think' as you do to be Kontrollled & Manipulated. The invented systems of politics, religions, spiritual fronts, government education and scientific foolishness, are what The Deceptors have created for YOU to Agree to! Created Money, Sex & Drugs and the 'doing business as usual' 9 to 5 drudgery are the main motivators that have infected the social systems and the overall created consciousness that almost everyone is Agreeing to that is moving everything into a Huge Demise. YOU are being unknowingly TapLined in Your Astral Body and YOU are Not Paying Attention! Astral TapLined soon infects Your Physical Body with diseases and illnesses and cancers. What Your Bought-Off Doctor is telling about taking drugs and Chemo is to Kontroll YOU! It can be so that some medication can work, but Not to live on. What I am sharing is not about any prophecy of doom, but an actuality that takes place in Cause & Effect Creation, because of Your Free Will in Action. YOU are Looking at Your Created Physical Appearance and thinking... "I am young and handsome and beautiful and I have a lot of money and I can do anything here. I am a Movie Star, a Politician, a Queen or a King, I am the Master and others bow to me and 'think' I am so wise, humble and benevolent. I am the Ruler of many countries and I have gold, silver and diamonds and all the riches in the world!" We each create ourselves in this Physical Realm to have the experiences we need to WakeUp from this Passing

Dream. Until YOU Decide to WakeUp ALL The Way, you will be the Effect of Everything Here. YOU have been indoctrinated and infested with the 'god' idea to 'think' that YOU were created by someone or something else, and that you will be 'saved' by someone else, so that YOU are Passively Agreeing to being Kontrollled by THEM! Until YOU Decide to Recognize YU, The RealU, Your RealAwarenisss, YOU will be at the mercy of Your Own Created Personal Self. The more YOU 'think' you have Here, the Less YOU Will Have! ~

EVERYONE IS ASTRALLY TAPLINED by THE NUWAVIS DUANEVA...

“EVERYONE IS ASTRALLY TAPLINED UNCONSCIOUSLY... the Movie Stars, the Politicians, Religious Priests & Followers, Spiritual Masters & Gurus and their Worshiping Paying Followers, Scientific Inventors... EVERYONE! On Your Planet Earth YOU ARE TAPLINED! YOU can 'think' whatever you want and 'believe' whatever you want, but YOU ARE ATRALLY TAPLINED by the Reptilian Alien TapLiners (RATS) who Rule Your Planet and Poison Everything Everyday! The RATS Rule the Four Major Levels in Cause & Effect Creation (physical, astral, mental & subconscious) with their Kalaum God Grog. YOU Keep Agreeing and letting THEM (TapLining HUMAN Eating Martians) Kontroll YOU

with Your Agreements! YOU are in their 'Simulated Matrix' also known as 'The House of Mirrors' of the Gods of Man. The Whole of Life, The Real UNUverses of RealFreedom, do not have anything to do with the invented social businesses or political, religious, spiritual and scientific systems. As long as YOU Keep Agreeing that this 'Place in Life' is all there is, then this is where YOU Will Stay! The RATS Kontrol YOU and TapLine YOU, because YOU are unconscious to the fact of what They (THEM) are Doing to YOU! Do YOU really want to keep coming here for more unaware lifetimes? WWWE are Wonderful WorldWide Educators and WWWE show YU, The RealU, Your RealAwarenisss, how to WakeUp ALL The Way and Free Yourself from the Rules, Regulations and Restrictions of the RATS Designed Matrix! WWWE are Wonderful WorldWide Educators and WWWE have The RealCure for ALL! WWWE know how to rid YOU of Your Astral TapLining!

YOUR FREE WILL by THE NUWAVIS DUANEVA...

“YOU Have Free Will and YOU can do whatever YOU Want! As YOU look out onto this world, what you are Seeing is Free Will in progress and Your Free Will going thru it's processes. If you want to be very realistic about what is taking place Here and what YOU Do Not See,

more so than just the 'ideas' you have about what you are seeing and experiencing here, then YOU will See that Almost Everyone is creating their own Demise and purposely Agreeing to it! Do YOU really want to keep 'pretending' they are not, and YOU Also? How is it really that Your Planet Earth has become so poisoned, polluted, infected, diseased and corrupt? YOU KEEP AGREEING THAT IT IS! YOU Do Not completely See what YOU Keep Agreeing to! Do YOU want to WakeUp ALL The Way, or stay here and Keep Agreeing to what YOU will be facing in the future, and most of all what YOU will be facing in Your Future Lifetimes. Life IS Already what IT IS, and it does not matter what You Decide... Life IS What IT IS! At this time, you will not even come close to understanding what I am sharing with you, but YOU Can Decide to Start Now and get going with Your Real WakeUp! It is true that you will be going to one of The Designated Heavens of Man when you leave here, but YOU will be back in a new body with a new mind and YOU will have forgotten once more that YOU were ever Here! Almost all of Cause & Effect Creation is Kontrollled by The Deceptors who Rule Your Planet Earth and The Heavens of Man. YOU ARE TAPLINED by THEM! SO... is it that The Whole of Life is according to YOU and others on Your Planet with Your Free Will... or is there a Bigger Picture YOU are Not Seeeing? ~

WWWE are THE REAL UNIVERSAL COMMUNITY by THE NUWAVIS DUANEVA...

“YOU keep 'thinking' the invented systems will continue to support YOU, and they will, as long as YOU are their Agreeable 'subject' as the Queen would say. YOU will be returning into a new body and starting over as a slave with THEM once again if YOU do not WakeUp ALL The Way Now! VERY REAL! It does take RealCourage to make the transition from your unawareness with The One World Order of 'Business as Usual' to a Real UNUversal SelfSupporting Community of UNUversal SuperBeings (US). Sing The NU~U and Life Will Show YOU 'What IS Real Now!'

WRITE YOUR NEW BOOK by DUANE THE GREAT WRITER...

“LifeIS The Greatest RealAdventure with ALLL! In Creation, and especially 'What LifeIS Now' beyond Cause & Effect Creation, 'IS' something that is So Awesome and cannot be considered according to what is created here.

YU, The RealU, Your RealAwarenisss, is so much more than just a body, emotions, memory and a mind. Duane The Great Writer 'IS' The Real RiskTaker bring YOU what no one else can See or will... RealFreedom into The Real UNUverses beyond all the Rules, Regulations and Restrictions of The Kontrolling Matrix of The Gods of PaPreFu (Past-Present-Future). YOU are on the Time Track of Seduction with everything that is taking place on Your Planet Earth. YOU Can WakeUp with US, as you Write Your New Book about what Your Life has been as you have come to know Rebazar Tarzs & The Real UNUversal Guides & The NUSound, The NU~U. WWWE 'IS' Wonderful WorldWide Educators and WWWE are Here for YOU NOW! ~

I HAVE NO POWER by THE NUWAVIS DUANEVA...

“The old idea of 'The Rod of Power' is Gone! There have been so many who have taken this 'idea' and created their so-called 'spiritual mantles' and thinking they are something they are Not! The days of masters & gurus and spiritual teachings & paths are Gone! Tradition is nothing more than old news and ancient says that have no Real Life to them. Unless Rebazar Tarzs & The Real UNUversal Guides & The TruReality LifeIS, THE ALLLISSS, are backing a person, then there is No Real Life in what has

been created and presented. Your Planet Earth is mainly Marketing Ploy by the original invaders, the Reptilian Alien TapLiners (RATS). What I am sharing is not a 'belief' as you may 'think' as it is an actuality once YOU can See The RealSide LifeIS. YOU have to Learn The Real Language of The NUNownisss of The TruReality LifeIS, THE ALLLISSS, and then you will start to SeeMore than ever before. The 'power' ideas are in Karmic Creation and Not The Real UNUverses. What has taken place in the past is the past. You can collect old newspapers, but they are still the old news. And so it is with the old masters and their old sayings with their old paths of Astral TapLining. I personally have 'no power' as I Let Life Show Me 'What IS Real Now' and See into The RealSide LifeIS. I StandReal With Rebazar Tarzs & The Real UNUversal Guides & THE ALLLISSS LIFEIS. Creation has it's place, but The Whole of LifeIS a Lot Bigger than the invented Gods of Man. Only YOU can Decide Your Fate... HAVE FUN!

~

LIFE SEES YOU by THE NUWAVIS DUANEVA...

“YOU keep 'thinking' YOU can Get Away with Something, and You Can... but YOU Must Face Yourself at some time, or in future lifetimes when you have forgotten you were ever here. It is okay to Face Yourself, as there 'IS' so

much more to YOU than what YOU can consider to be so. YOU are like so many others that see Your Planet Earth as all there is. As long as YOU are so self- convinced, then you will stay with your 'self-made' decisions until you decide otherwise. Life Sees what YOU decide, and everything YOU Decide is okay, because it is always Your Life. BUT... what YOU Do Not See IS The TruReality Life IS. There are those who are 'waiting' for something to happen or appear, as many have for centuries. LIFE IS an ISSNNISSS and ISNOW. There 'IS' far more to The Whole of Life than YOU can ever conceive or imagine. I am not sharing what I have experienced from a one-dimension view, as most of the intellects and know-it-alls on Your Planet Earth, but moreso from a RealPosition with My RealAwarenisss. YOU, like most others, do not understand Cause & Effect Creation as YOU 'think' you do. When YOU can get past Your Self- Convictions and 'Let Life Show You' then you will start to See Beyond this world of created things. Life Sees Everything and YOU will continue to return here until YU, The RealU, Your RealAwarenisss, Wakes Up ALL The Way!

YOU Decide & Your Choice. ~

REBAZAR TARZS & THE REALEducATORS NOW by THE NUWAVIS DUANEVA...

“It is so that Rebazar Tarzs & The RealEducators, such as Paul Twitchell, Gopal Das, Fubbi Quantz, Lai Tsi, Towart Managi and others, have been with so many other teachings and paths throughout known and unknown history. The RealEducators are no longer 'backing' the Old and Outdated 'teachings' in Cause & Effect Creation and their pretty words and noises of HU, OM, AUM, AMEN from funny stage masters & stiff sitting gurus. This little world as YOU know it has been created according to what has been decided. Rebazar Tarzs & The Real UNUversal Educators are with THE NUWAVIS DUANEVA & WWWE (Wonderful WorldWide Educators). Those who are ready to Become MoreAware, even if they are with politics, religion, spiritual whatevers and the business world, they can also have The RealBenefit of The RealEducators when they Take The Risk to StepUp & WakeUp Now! Sing The NU~U & Watch Your DreamVisions! Rebazar Tarzs 'IS' The Original Founder of NUUU, along with Paul Twitchell, who brought about his presentation and written references into a 'spiritual' idea teaching for his time here only. What has already taken place after Paul left is a Really Fun Deceptive Conspiracy that is part of The Biggest Real WakeUp that Your Planet Earth has ever seen, and also all of Creation! All that Paul did has been

noted, and just like so many of us who have been thru high school and what we did or did not learn there, those days have already passed. WWWE are NOW Standing Real with The Nations United UNUversal UNUiversity with The TruReality LifeIS, THE ALLLISSS. Rebazar Tarzs 'IS' The Original Founder of Naturally Unlimited UNUversal UNUiversities (NUUU) on The RealSide LifeIS, which has become... 'Nations United UNUversal UNUiversities' (NUUU) in Creation and into The Real UNUverses of THE ALLLISSS for ALL. What Paul Twitchell created here IS Originally from Rebazar Tarzs & The Real UNUversal Guides, which was, Eckankar The Ancient Science of Soul Travel. The days of masters & gurus is Gone! From the TakeOver Time of Darwin Gross and Joan Klemp (seductive wife of Harry Klump) and SHE is the owner of EEKonKON 'The Big KON' TakeOver LawSuit Kontrolling Korporation, Rebazar & The RealEducators have left HER & little Harry Alone! Darwin, Joanee & Harry have never had any RealBacking or RealSupport! The RealGuides have always been around for those who have The RealCourage to step away from all the Rules, Regulations & Restrictions of the Reptilian Alien TapLiners (RATS) and their Kontrolling Korrupt Korporations (KKK) like Joanee & Harry Klumpsters. Joanee Kronee has very sneakingly brought in Sacrificial WorseShipping & PrayPaying like The One World Order of RATS, and has been Astrally TapLining HER WorseShipping & PrayPaying MemberShrunks for many

decades into a Total Subliminal Submission to HER
Kalaum God Grog! The little mesmerized membranes
keep 'thinking' that Harry will take them to some lovely
'spot' somewhere after they leave Your Planet Earth...
GOOD LUCK ON THAT ONE! Rebazar Tarzs & The
RealEducators Now StandReal with THE NUWAVIS
DUANEVA and The Wonderful WorldWide Educators!
DUANE THE GREAT WRITER IS NOW ReWriting Old
History into a RealBenefit for Everyone Everywhere!

~

“IN THE BEGINNING... by DUANE THE GREAT WRITER...

“... I WAS THERE... when I came into this life with
Rebazar Tarzs and he brought Paul and I across The
Deep Dark Border into the Levels of Creation, I was very
reluctant to once again enter the darkest part of ALLLife
known as Cause & Effect Creation. Rebazar, Paul and I
were to come and do what no one else would do. IT IS
The Real WakeUp Time Now, and there is only so much
time left for YOU to StepUp, and so YOU want to Really
Pay Attention Now! For so many, what is considered
Creation 'seems' to be the ultimate reality, but far from it!
As time & events continue on Your Planet Earth, I will be
Having Fun Sharing what I have been thru and most of
ALL... what I See with Rebazar & The RealGuides & My

NUFriends & THE ALLLISSS. There are so many Wonderful NUFriends with Eva Shari & I, and WWWE as Wonderful WorldWide Educators See what others do not. Most of the unaware Kontrollled Kattle Masses are stuck with the invented systems of politics, religion, spiritual mishaps and scary scientific nonsense. You Decide Your Choices and Your Fate! There are NO Gods that do anything for YOU! YOU only 'think' there are gods somewhere who do. YOU are in The Designed Matrix of the Reptilian Alien TapLiners (RATS) and YOU keep Deciding to Agree with THEM! When I was young, The RealGuides were with me, as I was raised by my mother in the physical sense, and then as I grew older, Miss Ursha LU, the MerMaid, showed up. I have shared a lot in The NUBooks, but there 'IS' a Lot More to Share & See that very few will. At a certain time as a teenager, Rebazar wanted me to get ready to join what Paul had created as Eckankar, The Ancient Science of Soul Travel. I was a young surfer that was not really interested in the 'funny adult stuff' the world had created. Since a little guy in a physical body, Rebazar, Gopal, Yauble and others were the 'Dads' for little Duane. I 'IS' DU from THE ALLLISSS, and I had to get the little body to once again Recognize why I had come here. It is a Huge Challenge for all of us to try and remember why we came here, and that is to WakeUp ALL The Way, but very few can do this. The invented fake Gods of Man are easy to Agree with, because YOU have been doing it for more lifetimes than

YOU can ever conceive! The RealSide Experiences I have had since the moment I came here have been far too overwhelming. I was to keep silent and let what The Boys were doing take place first and prepare for The Greatest Real WakeUp this world has ever seen, and actually all thru Creation! I entered Paul's Presentation in 1970. I was 22, which is significant. As soon as I read Paul's, 'The Tiger's Fang', I told Rebazar, "I Will DU This!" Almost immediately, I went into the public and started sharing 'What is Eckankar?'

~

There was a secret meeting I attended with Paul, Rebazar & The RealGuides before Paul left, as this was a special gathering that Pattie Simpson & Helen Baird had setup at the Edgewater Inn, in Seal Beach, California, in 1971.

Those who were there had been personally invited.

Darwin Gross was there and he was shown what would be taking place in the distant future, as I was to Expose THE ALLLISSS for ALL. BUT... Darwin had his own ideas, which I was already shown and The Boys already knew this and as to what Darwin would do. HarOld would be next, as Reptilian Joanee Kronee, as The Influence, was waiting silently behind the curtains to play HER role with the two fake masters, because they never had The RealAwarenisss to See THE ALLLISSS. SHE came in and gradually took over, just like the European Banksters sent the Pilgrims as 'fronts' to what has become The United States, to act as the biggest takeover country on

Your Planet Earth for the Reptilian Alien TapLiners (RATS). YOU really have no idea what has been taking place right in front of YOU! I was shown The Real History almost no one knows. The text books in school are so slanted into Deception. YOU are on a HUman Farming Planet and YOU are what's for Dinner Next! Reptilian Joan Klemp owns the Eckankar TakeOver Korporation, and SHE quietly put HarOld's wife Marjorie aside, as SHE seduced Harry as HER little puppet master for HER Kalaum God Grog! Harry Klump was more than willing to do whatever Joanee wanted, as SHE promised him he would become the adored master to the paying audience. It is not only the money with Joanee Kronee, as it was with Darwin, but it is the Obsessive Personal Power to please HER Kalaum God Grog. When Paul was here there was No Worshipping & Prayer, but when Reptilian Joanee showed up, so did the gradual TapLining infections of the priestly sacrificial religious ideas of WorseShipping & PrayPaying! Joanee is very cleaver, or 'thinks' SHE is, as SHE setup the RESAs and VAHANAs, as HER little power positions that people get emotionally attached to and TapLined with and 'thinking' they are 'somebody' with their fake initiations, as they follow the orders of Krone The Influence. Eva Shari experienced this, as one of RESAs told her to stop doing her wonderful pictures of The Real UNUversal Guides, because she was taking money from Joanee, and most of all, Eva was not totally promoting Harry Klump's Pictures! THERE IS SO MUCH MORE 'YOU' DO NOT KNOW! Take

The Risk and Look to Rebazar Tarzs & The RealGuides or Stay Lost with the invented systems and Reptilian Joanee and HER TapLining Regime of Witches in Your Dreams and infecting Your Astral & Physical Bodies. HAVE FUN DECIDING! ~

NUUU~UNIVERSAL UNIVERSITIES by DUANEVA~FOUNDERS...

“Nation United UNUversal UNUversities 'IS' Founded by Duane&Eva for the RealPurpose of Providing a RealBenefit for ALLCommunities on Your Planet Earth, and the many Unseen Levels in Creation that most people are not aware of. WWE as WorldWide Educators See Unlimited Possibilities & Potential for ALL those who StepUp and Do Something Wonderful for The ALLNatural Environment Supporting ALL of US. Our RealGuidance & RealEducation 'IS' The NUWay to Become a SelfSufficient UNUversal Seer with The Whole of Life. With US as NUUU, you will learn so much more than with any 'standard' education that is geared to keeping YOU conditioned and indoctrinated to the Kontrolling Systems of this world and also the afterlife where you 'think' you will be free... Not So! YOU with YU, The RealU, Your RealAwarenisss, can WakeUp & See Beyond Cause & Effect Creation to where you are no longer the Effects of everything around you. It is a Huge Challenge to Take The

Risk and StepUp to what is really taking place here and with yourself on many different levels in Creation, and then to proceed into The Real UNUverses of RealFreedom. WWE are Here for YOU to Succeed Now!

NUUU~NATIONS UNITED UNIVERSAL UNIVERSITY by DUANE THE GREAT WRITER...

“NATIONS UNITED UNIVERSAL UNIVERSITY IS already Complete on The RealSide LifeS with Rebazar Tarzs & The RealGuides, who are The NUDoctors for ALL. The Business World of occupations, careers, degrees and so on has it's place here only, and there 'IS' a lot more than this one-dimensional world of Confined Agreement, businesses and unawareness. What this means IS... WWE as Wonderful WorldWide Educators have decided to do what no one else does, and that is create The Nations United UNUversal UNUiversities on Your Planet Earth, and also on the many Levels of Creation as a RealPurpose & Reference into The TruReality LifeS, THE ALLLISSS in The Real UNUverses of RealFreedom Now. WWE are providing a Real Opportunity like never before for YOU to WakeUp ALL The Way Now. Cause & Effect Creation Has it's place, but Creation is only a very small start to a RealLife for YOU. YU, The RealU, Your RealAwarenisss, IS Already a FreeBeing of RealLight in The Real UNUverses, but Only YOU can Decide this. In Creation you have a body, emotions, memory and mind,

and with these bodies or vehicles, you are here to create something to where YOU begin to WakeUp & Recognize There 'IS" more to yourself than what is created here. The invented systems of politics, religion, spiritual ideas, and scientific whatevers, are merely 'hints' to something else that 'IS' so much better than what can be created and depended upon Here. The invented systems are only in Creation and no further. WWE have The RealCure for ALL into The Real UNUverses beyond all the created 'sound-good ideas' of The Marketing Deceptors of this earth and their counterparts in the afterlife of the Heavens of Man, which are the Astral & Mental Realms of The Authoritarians who have decided 'They (THEM)' know more than The Whole of Life. YOU can continue to Agree with everything here and do what you have always done and YOU will end up growing old once again and forgetting you were ever here. WWE provide RealGuidance and a RealEducation like no one else. WWE are Here For YOU when you are ready to StepUp & WakeUp with US (UNUversal SuperBeings). ~

WWE SUPPORT THE ALLNATURAL ENVIRONMENT by DUANEVA...

“WWE are Wonderful WorldWide Educators Supporting The ALLNatural Environment Supporting ALL of US

(UNUversal SuperBeings). WWE See what so many others do not. WWE are Here for Everyone and WWE show YOU how to Become MoreAware Now! Your Planet Earth is in a Huge Downward Spiral of Demise with how The Natural Environment is constantly being Effected Everyday. YOU can 'believe & pretend' all you want, but what is really happening Here is Very Real! Take the time to take a Close Look at what YOU are Deciding and what others are Deciding about Your Planet Earth, because YOU will be returning here along with almost everyone else, until YOU WakeUp ALL The Way! WWE provide RealGuidance and a RealEducation like no one else! WakeUp with US & BE Free Now! ~

YOU are THE TOURIST by DUANE THE GREAT WRITER...

“YOU didn't know that YOU are The Tourist Here. YOU have always 'thought' this 'Place in Life' known as Your Planet Earth is all there is with The Whole of Life, and this 'place in space' is the best you can do. YOU Keep Deciding to return here unconsciously and to try and figure out once again 'Why YOU are Here!' YOU really are The Tourist and YOU can do a lot better than this 'place' that you think is all there is. YOU have been The Tourist here

many times before, but you do not remember, so you keep Agreeing to what the systems of Kontrol have decided for YOU. Everything is Your Choice, and you can stay here as long as you want, but there 'IS' Something Wonderful that 'IS' UnSeen & MoreReal than anything here and is already waiting for YOU to Recognize IT! There 'IS' Real UNUverses beyond all the Restrictions YOU have Agreed to. Take The Risk and Read The NUBooks Now!

LIFE HAS ALREADY DECIDED by DUANEIS THE NUMAN...

“LIFEIS an ISSSNISSS... ALL THAT LIFEIS, IS ALREADY COMPLETE, PURE & PERFECT. To WakeUp ALL The Way... YOU Must take the time to CONSIDER THE ISSSNISSS LIFEIS, and then you will eventually See & Recognize what The Whole of LifeIS. ALLLifeIS has already been Decided and IS Complete. YOU are in the Five Basic Levels of Cause & Effect Creation with your emotions memory and mind, and beyond Creation IS The Real UNUverses of RealFreedom. YOU 'think' you are a physical body, but you are so much more. YOU can 'think' whatever you want for as long as you want, and you will end up right where you started in Creation... Right Here and Not Knowing where you are! Understanding THE ISSSNISSS LIFEIS, is rather simple, but moreso than your

personal mind can consider or define. YOU Must learn to See with Your RealAwareness & Recognize THE ALLNESS LIFEIS. Your Personal Mind will try and consider what I am sharing with what it contains, which has nothing to do with The Whole of Life, so you must figure a way to Recognize The TrueReality LifeIS, and then YOU can Free Yourself from ALL The Restrictions YOU have Agreed to for untold lifetimes. WHE have made The Journey to RealFreedom Fun! WAKEUP WITH US! ~

OLD RESTRICTING DOCTRINES or REALFREEDOM by DUANE THE GREAT WRITER...

“We have all come thru a lot during each lifetime we are here or some other planet, realm or dimension. The Old Trick of the original invaders of this planet and many others like the earth, was to Create Doctrines, and of course with any Good Doctrine a 'god' seems to be needed to 'seal the deal' so to speak, and having a 'savior' makes the Created Doctrines even better! It really does sound good that a 'god' created everything YOU are living with here, and the HE also created YOU, and that HE will always take care of YOU and love YOU.... Hmmmm... then why is it that everything Here keeps getting Worse? Is the god that is written about in the Good Doctrines and explained in the so-called 'divine writings' not paying

attention with what YOU are doing here? Does it make sense that a parent would let their children ruin everything they have provided and do nothing about it? We really are in a 'funny place' in Life, and the funny thing is... YOU Keep Agreeing to what does Not Make Sense. But, because YOU can 'think' whatever you want, then that is all that matters. We are actually here to utilize the ideas and creations we each have decided to make as 'References' to The TruReality LifeIS, so that The Whole of Life can be Recognized for What IT ALREADY IS. The am referring to more than what can be seen with your eyes alone, but that of The RealU, Your RealAwarenisss. And so, there will always be those who want to Monopolize & Kontrol others, and so what has been created to Kontrol the HUman Farming on this planet by the Reptilian Alien TapLiners (RATS) has become Sacred Writings & Doctrines that keep YOU asleep from The TruReality LifeIS, THE ALLLISSS. The overall idea here is not that there has to be the notions of being 'for or against' anything... not at all... what I am presenting implies The TruReality of Becoming MoreAware & Standing Real with What LifeIS That IS Pure, and moreso than just 'created ideas' that seem to 'sound good' and only keep YOU in Cause & Effect Creation for more unaware lifetimes. YOU are Always Deciding Your Karmic Fate, or YOU can WakeUp and Recognize RealFreedom with US (UNUversal SuperBeings). YOUR CHOICE AS ALWAYS! ~

CREATED PERSONAL POWER or THE ISSSNISSS LIFIES by DUANEIS THE NUMAN...

“What you are seeing with this created 'business world' are the invented systems of Created Power & Manipulated Kontrol. YOU 'think' that what you are experiencing here is how Life is, but actually, what YOU are in the middle of is nothing more than Created Stuff! YOU have Decided that what you have come into here is Life, but it is merely Cause & Effect Creation, which is a Simulator. You have taken on a mind and emotional body and YOU 'think & feel' that what is happening here is all there is with everything that can be. YOU want what you see and feel what you want here to be real, essential, and YOU want to Decide whatever value YOU place upon it, and this is your right to do so, but there 'IS' so much more that is Not Planned Created Restrictions that YOU do not See! YOU are looking unto a Created World of Planned Restrictions to Keep YOU Here for more Lifetimes of Unawareness. This would seem highly unlikely from Your One-Dimensional View Here, as YOU have Convinced Yourself that the little planet earth you are on is all there is to Life. YOU Keep Deciding that YOU know more than The Whole of Life, and so by the very fact YOU Keep Thinking as YOU do, then what you have decided your life to be here or anywhere will only come out as it always has... an unaware position of Not knowing 'What Life Really IS!' YOU can have and do whatever you want, and YOU will

end up in the same place each time, and that is, once again growing old and outdated and continually Kontrollled by the invented systems that market YOU into 'believing' in THEM. The invented systems of politics, religion, spiritual manipulation and scientific distortions, and so much more, have all been created for 'Your Viewing Pleasure' to keep YOU dumbed down and subservient to The One World Order of Kontrollers. YOU really do want to 'believe' in something, but guess what... there is No Such Thing as any Belief! The TruReality LifeIS 'IS' an ISSSNISSS, and to be Recognized for 'What IT ALREADY IS!' THE ISSSNISSS LIFEIS 'IS' PURE & REAL and there are NO RESTRICTIONS... NONE! Learn to StepUp & WakeUp & StandReal with Rebazar Tarzs & The Real UNUversal Guides and YOU will Free Yourself from The Matrix of Cause & Effect Creation! What you are experiencing in Created Creation is what YOU Need to first Recognize 'what is Not real' and then to eventually WakeUp to Recognize 'What IS Real Now!' ~

**ARE YOU JUST 'THINKING' or DOING by DUANEIS
THE NUMAN...**

“It is always Your Choice what YOU 'Think' and what YOU Decide to Do. Is 'Thinking' and Doing the same? Are YOU

Sure YOU know the difference, or do YOU just Think you know? YOU have been indoctrinated and 'marketed' to 'think' about things according to the invented systems that are already Kontrolling YOU. If YOU cannot See Yourself with all that YOU are thinking about and deciding to create and consider, then how is it that YOU will ever be able to Recognize The TruReality LifeIS, THE ALLLISSS? It has always been Your Choice as to what happens with Your Life and what YOU keep Agreeing to. With Your 'Thinking' Mind, you keep thinking that this world you are on is the way it is, because this is how it is to be... Not So! YOU are part of what is taking place here and YOU keep Deciding that what is happening to The ALLNatural Environment Supporting ALL of US will be 'OK' because YOU can 'Think So!' What YOU Think and Do is Your Choice, but, it does not mean that things will go according to Your Thinking. Do YOU want to buy food and have a car or a house... then YOU have to in some way get the money to purchase what you want, as this is the 'business world' of today. If YOU want to WakeUp with Rebazar Tarzs & The Real UNUversal Guides & THE NUMAN DUANEVA, then YOU StepUp and DO Something Wonderful just like what WWE are Doing! When YOU Learn to Share Something Wonderful with The Whole of Life, then The RealGuides and The TruReality LifeIS will Share & Support YOU! When YOU Decide to Support THE NUMAN DUANEVA & The RealGuides who provide RealGuidance and a RealEducation, then ALL of Life will Support YOU! If you

want to be a follower or worseshiper of gods, saviors and masters and other Marketing Ploysters, then you have the right to do so, and the end result will be, that YOU will end up where they already are... NOWHERE! When YOU Really Do Decide to DO Something Wonderful for ALL, then YOU will eventually Become Wonderful Too!

WWE ARE REAL with THE REALSIDE LIFEIS by DUANEIS THE NUMAN...

“There 'IS' so much more with The Whole of Life than what can be Seen with Your Physical Eyes. Most unaware people keep 'thinking' that life on Your Planet Earth is all there is, and that this 'body life' is more real than a RealLife. For sure, what YOU are doing here needs to be so, and it is always up to YOU how long it takes for YOU to WakeUp ALL The Way Out of Here, as it is always Your Choice. The RealWay Out of Here 'IS' Always Here & Now, and it is Your Choice as to when YOU want to Recognize The RealU, Your RealAwarenisss. WWE are Wonderful WorldWide Educators & UNUversal Seeers. WWE See what others do not. WWE See far more than the psychics, soothsayers, masters, gurus and the empaths and old prophets. WWE StandReal with Rebazar Tarzs & The Real UNUversal Guides & THE ALLLISSS. WWE can See what The World Kontrolling Deceptors are doing to YOU and Your Planet Earth and how YOU are

Trapped & TapLined into their Designed Matrix of Cause & Effect Creation. YOU keep 'thinking' that their invented gods, saviors and saints will save you from yourself, along with the galactic aliens and other creatures, but what they have been indoctrinating YOU with for lifetimes is their Deceptive Marketing Ploy to get you to Agree with THEM (TapLining HUman Eating Martians) and their 'sound-good' ideas. WWE can See YOU Agreeing to what they have created here for YOU, and how YOU want to stay their Poisoned Prisoner for More Lifetimes of the same old drudgery! There are so many cleaver and crafty ways The Deceptors get YOU to Agree with Your Own Demise. This is why they invented politics, religion, spiritual teachings and their scientific madness! YOU are their 'subject' as the queen would say. YOU Keep Agreeing to go into a NoWhere Future with THEM! WWE See all the Earthly Kontrolling Korporations (EKK) and their blowup dummy presidents, kings, masters and gurus. All of this is fine, and WWE are OK with everything. WWE are Not against anything, nor are WWE here to change what has been created by others. WWE are Here to Share Something Wonderful, and by doing so, all the Deception from those who created it will continue to show up! This is how Cause & Effect Creation IS! WWE will show YOU how to WakeUp ALL The Way Out of Here! YOU Must BE The Real RiskTaker to do so! YES... WWE SEEE YOU JOANEE & HARRY KLUMP of LawSuit 2017 EEKonKON, and everything YOU have created, as YOU go into Your Darker

& Darker Future with Your Kalaum God Grog and His Reptilian Regime into more Body Formed Yugas! There will be many who will be Drugged and Dragged along and TapLined with YOU & Harry! YOU have Decided Your Fate, as so many like YOU have! YOU are part of The RealAdventure LifeIS... Have Fun Deciding! ~

THE REAL REBAZAR TARZS by DUANEVA IS THE ONES...

“THE REAL REBAZAR TARZS IS NOT with any FearBased Astral TapLining Earthly Kontrolling Korporation (FAT-EKK) as many unaware WorseShippers & PrayPayers 'think' REBAZARIS. THE REAL REBAZAR TARZS IS with DUANEVA IS THE NUONES NOW & THE REAL UNUVERSAL GUIDES. The indoctrinated unaware WorseShippers & Foollowers of EEK (EERIE ENTERTAINMENT KONTROLLERS) hardly ever Looook to The RealSide LifeIS to See 'What IS Real Now!' They already 'think' they know everything about Life. The PrayPaying MemberShrunks of EEK are told by their TakeOver Owning Arrogant DictatorS (TOADS) who are with the Reptilian Alien TapLiners (RATS) that all they

have to do is sit in stools at boring seminars and listen to old rewritten premeditated gibberish and they will be saved by their TapLining Incoherent KONtrolling Superiors (TIKS). YOU Always have a Real Opportunity to Make Better Choices when YOU Sing The NU~U & Look to The RealSide with Rebazar Tarzs & The RealGuides of THE ALLLISSS. YOU Do Not have to be swindled & fooled any longer... WWWE ARE REAL FOR ALL!

~

YOUR REALADVENTURES with US by DUANEVA IS THE NUONES...

“YOU can have So Many Amazing Adventures with US (UNUversal SuperBeings) when YOU StepUp and Do Something Wonderful as WWE are Doing with The ALLNatural Environment Supporting ALL of US. The 'old days' of masters & gurus are gone, as you once sat at the feet of the old masters & gurus in a costly seminar listening to pretty words that 'emotionally stimulated' you into staying passive and Kontrollled by the business owners of a spiritualized indoctrinating kontrolling corporation, such as Joan Klemp's EEKonKON LawSuit Agenda with THEM (TapLining HUman Earthly Mesmerizers). StepUp with US (UNUversal SuperBeings) and have More Fun than you ever have Earning Your Way Out of Cause & Effect Creation and the Kontrolling Gods

of Man! The old, ancient and traditionalized systems of WorseShipping & PrayPaying really like unaware people who are couch potatoes, emotionally unstable & stimulationable, overactive thinkers, literalized brains, adorationalized, pre-indoctrinated, unconsciously taplined, and so many more unworthy attributes they find workable for their Marketing Ploy with the dumbed down masses who do not seem to have the time to Become MoreAware & WakeUp with The Whole of Life.

SING THE NU~U NOW... StepUp with US and... YU, The RealU, Your RealAwareness, will WakeUp as YOU StepUp and Take The Risk to StandReal and Share The NU~U and BE Creative with Our NUProjects that are providing RealGuidance and a RealEducation for ALL. Do YOU have what it takes to BE a RealPerson with The TruReality LifeIS & The Real UNUversal Guides, or are YOU just another procrastinator, foolfollower, believer, worseshiper, praypayer to the invented systems that Kontrol YOU and Everyone? YOU are always Deciding Your Fate in Creation, as YOU continue into More Lifetimes of Forgetting you were ever here... Your Choice! StepUp with US & Do Something Real & Wonderful & Pay Attention to The RealGuidance & RealEducation that Rebazar Tarzs & The RealGuides

are offering YOU to WakeUp ALL The Way! LifeIS a Lot Bigger than YOU 'think' IT IS! ~

~

WWE SUPPORT REBAZAR TARZS & THE REALGUIDES by DUANEIS THE NUMAN...

“WWE are The Worlds Biggest WakeUp Ever! WWE are Wonderful WorldWide Educators and WWE are More than any 'business plan or system' like politics, religion, spiritualizm, or scientificizm. WWE are Very Focused on 'What IS Real Now' and what has RealValue for ALL. The invented systems have their authorities, diplomats, kings, queens, masters, gurus, dictators, gods, saviors, Kontrollers, takeover agendas, fuddee duddees, bungee cords, wafflers, dingbats, boobos and whatever else they can 'think' of to confuse others into their personal unconscious dilemmas. WWE are with Rebazar Tarzs & The Real UNUversal Guides of THE ALLLISSS. WWE are ALL FreeBeings of RealLight with The TruReality LifeIS, THE ALLLISSS. Of course, most of the indoctrinated 'know-it-alls' on Your Planet Earth who keep Agreeing to the pollution and poisoning here cannot See past their own misconceptions of themselves and what they keep Agreeing to as their own demise with The ALLNatural Environment that is Trying ITS Best to Support ALL of US in this present day, so they are Not Aware of The Real UNUversal Guides! Your Planet Earth is a 'starting point' to a Much Bigger Picture and RealAdventure for YOU, when YOU Decide to WakeUp & GetReal with US. There is No One Kontrolling YOU, unless YOU LET THEM! AND

YES... THEY ARE KONTROLLING YOU WITHOUT YOUR PERMISSION! When YOU 'think' everything is 'OK' then YOU had better take a closer Look! There really 'IS' so much More that YOU are Not Seeeing... Have Fun Deciding! ~

WWE RECOGNIZE PROTOCOL by DUANEIS THE GREAT WRITER...

“There 'IS' a Real Procession of Recognized Protocol with ALLLifeIS that IS Seen by very few on Your Planet Earth. The Real UNUersal Guides Recognize and Humbly Respect Protocol with each other. Rebazar Tarzs & The Real UNUersal Guides StandReal with The TruReality LifeIS, THE ALLLISSS. Those who are membershrimps, foollowers, worseshipers, praypaying dummies, goofballs, noyds, boomerangs, flipflops, dodo birds, alien spitts, dingbats, gummy brains, wash towels, moppy drops, macky wackys, dah dahs, masters and old gurus with boring businesses and from ancient times, are Not Backed by Rebazar Tarzs & The RealGuides, and are Not Recognized by The TruReality LifeIS. It is so that all of us are in the same life as LifeIS, but YU, The RealU, Must Learn to Pay Attention to What LifeIS Now, instead of what is 'created' to look like something LifeIS Not. Creation has a RealPurpose to SeeThru into The Real Recognition

LifeIS. This 'IS' where RealGuidance and a RealEducation go along with Recognizing Protocol with The RealGuides. There was a Great Event that took place eons ago in The Real UNUverses of THE ALLLISSS with Rebazar Tarzs & His Two SunnS, Paul & Duanu. After The Great Event, Rebazar, Paul & Duanu, went down into The Six Levels of Time & Space Creation to go thru many Yuga Cycles to come to The NUNownisss of THE ALLLISSS Now! YOU ARE VERY LUCKY WWE ARE HERE! There is No 'higher or lower' with US (UNUversal SuperBeings). There is No 'right or wrong' and WWE are Not democrates or republicans or believers of any Kontrolling Korporation. WWE Are Real & Wonderful like the SunnS (Rebazar/ Paul/Duane) WWE are Shining! The Dark & Deceptive Forceps of The Old Influence are more than Seen & Evident on The RealSide with Reptilian Takeover Joan Klomp and HER EEKonKON LawSuit 2017 Korporation. Joanee does not Humbly Respect Protocol with The Whole of Life, as SHE is alone with HER Reptilian Regime and TapLining everything SHE can! SHE is more interested in collecting 'HER' created money and Kontrolling puppet master Harry Klump, as they dumb down their Astrally TapLined MemberShrimps. They really do have a "Terrific One-Dimensional Business" on Your Planet Earth as The Joker in Batman would say. The MemberShrimps are far too afraid of losing their 'fake initiations' and to Look to The RealSide LifeIS for

RealAnswers and ASK Rebazar & Paul 'What IS Real Now!'

SING NU~U & WAKEUP WITH US

DUANEVA IS THE NUMAN NOW, along with Duane The Great Writer & Eva Shari Artisss. WWE Humbly & Sincerely Respect Protocol, as WWE See each other 'Being to Being' and as FreeBeings of RealLight Standing Real with THE ALLLISSS NOW. WWE are Wonderful WorldWide Educators for Everyone and WWE do 'manage' certain business functions on this planet and The RealSide LifeIS as 'References' to a RealPosition & Standing Real with THE ISSSNISSS (NUDesign) LIFEIS. WWE have Our Real Intent & OverALL Focus on ALLLIFEIS, and far moreso than a 'good-sounding' business plan for people to stay unaware and subservient to a Kontrolling Korporation of self-interested puppet masters. YOU are part of The RealAdventure LifeIS, and only YOU can Decide to WakeUp ALL The Way, or continue to stay here with The Deceptors who Rule Your Planet Earth! Rebazar Tarzs IS THE Chosen Sunn of THE ALLLISSS & The Real UNUversal Guides, and was to bring forth what he Decided as 'The Real Rod of Power!' Paul and I came into this life with Rebazar, as WWE have planned 'What IS Real Now' for Everyone who Pays Attention and wants RealFreedom Now. This was done many lifetimes ago from The Real UNUverses beyond Creation. There is No More 'Power Rod' as so many

spiritual master soothsayers 'think' there is, as they pass around old pretty words to each other like The Deceptive One World Order Kontrollers who own HUman Farming on Your Planet Earth! THE NUWAVIS DUANEVA NOW.

Rebazar Tarzs & The RealGuides & THE ALLLISSS (THE ALLLNIISSS LIFEIS) are The RealBacking for DuanEva & The NUPresentation, WWECare.org, NUUU Foundation, and so much more! The Real Protocol IS... Rebazar Tarzs came first, then Paul, then Duane. Darwin & HarOld were given an 'opportunity' and 'they' decided to become Self-Absorbed little masters in their own minds with The Supreme Deceptor (which most people have no idea exists at the top of Creation above the Gods of Man) and The Influence (which is everywhere Astrally TapLining unaware people). Kronee Balonee Joanee decided to take advantage of the 'little unaware masters' and TakeOver what Paul Twitchell had created as a Real Benefit for Everyone during his time here. What SHE has done is a Real WakeUp for Everyone who Pays Attention Now to The Real SunnS of THE ALLLISSS. StepUp & Take The Risk to Become MoreAware with US! ~

WWE SUPPORT THE REALGUIDES by DUANEIS THE NUMAN...

“YOU have come thru so many lifetimes to this Very Moment Now. Why did YOU come Here? Do YOU Know? Actually... YOU FORGOT! YOU 'think' you are here to meet someone like the 'idea' of a Soul Mate or Flame or Whatever... as it does 'sound' fun, but YOU have already been thru this same old routine for untold unaware lifetimes already! Are YOU Sure you want to keep living the 'getting older & older' scenario and forgetting why you came here this lifetime again? Are YOU going to wait too long as you have in your previous lives to where you have been thru every little thrill you can imagine, and then once again end up forgetting YOU were ever Here? YOU are the Decider of Your Life and there are No invented gods or saviors that will be deciding anything for YOU! There is No One coming to get YOU and save YOU from Yourself and what YOU Keep Deciding Your Life to Be! YOU can 'think & believe' whatever YOU want, but LifeIS Bigger & MoreAware than YOU will ever will be. Do YOU want to Learn to Listen to RealGuidance or just the 'cute little ideas' you invent and like that suit your created personal life that is adding to the Demise of The ALLNatural Environment Supporting ALL of US? Of course your personal life has value, and that is why YOU Have Decided to create another body here to possibly WakeUp ALL The Way this time... or NOT! You have been

'marketed' by The Deceptors who Rule Your Planet Earth with the ideas of gods, saviors, saints, masters, gurus, presidents, queens and kings, and YOU are still 'believing' that they will save you from YourSelf... is it working yet? There Really 'IS' so much more that YOU are Not Seeing Here! WWE Support Rebazar Tarzs & The Real UNUversal Guides with the TruReality LifeIS, THE ALLLISSS, and they Support US (UNUversal SuperBeings). If YOU are Emotionally Agreeing & Attached to the invented systems of politics, religion, spiritual whatevers and scientific madness, then YOU are Trapped & TapLined by the Reptilian Alien TapLiners (RATS) and their invented gods that YOU worship and praypay to... YOUR CHOICE! What the RATS are doing is not bad or good, as it is their Choice, and YOU Decide to Agree with THEM (TapLining HUMAN Eating Martians) or Not! YOU are on 'Their' HUMAN Farming Planet and YOU are what's for dinner Next! YOU are Here to WakeUp ALL The Way, or YOU Decide to stay lost and asleep all over again... Have Fun Deciding! ~

SUNS of REBAZAR TARZS by DUANEIS THE NUMAN NOW...

“Rebazar Tarzs of The TruReality LifeIS, THE ALLLISSS, has brought forth and prepared H'IS' TWO SUNS for The NUNownisss of THE ALLLISSS. First was Paul Twitchell in 1965, when Rebazar Tarzs gave Paul, 'The Real Rod of

Power' for that time. Then, in 2001, Duane The Great Writer became THE NUMAN, as Duane was shown in a RealSide Experience where He would BE, Paul Newman (Paul/New/NUMAN). In 2007, Rebazar Tarzs & The Real UNUversal Guides decided to take away the 'Rod of Power' idea, as so many people had misused the idea along with the HU word. The 'power' ideas are with the Reptilian Alien TapLiners (RATS) and Reptilian Joanee and HER One World Order of Kontrol, as Joan Klemp is the real Takeover Owner of Eckankar with HER Kalaum God Grog! Darwin, HarOld & Kronee Joanee never had The RealAwarenisss to See & StandReal with THE ALLLISSS, and so The NUSound came from The TruReality LifeIS, as The NU~U, and The NU2Sun of Rebazar Tarzs became... THE NUWAVIS DUANE THE NUMAN NOW (DUANEVA). Only those who have RealCourage look to The RealSide LifeIS and Let Life Show Them. The 'know- it-alls' always 'think' they know more than The Whole of Life, and so they do not need to Let Life Show Them. ASK REBAZAR & PAUL... Have Fun Deciding!

“I saw 'Duane The NUMan' on The RealSide as a Huge Beautiful FreeBeing as I was like a Humming Bird flying by his side. I could See his eyes had become Two Great Suns that Shined Everywhere and when He looked on the earth the grass grew green and the flowers appeared in a joyous unfoldment” April 2017.

“THE TWO SUNS of REBAZAR TARZS 'IS' Paul Twitchell & Duane The Great Writer. There has been so much written and said about Paul & Duane, and most of the unaware people on this planet will not See Rebazar Tarzs & The Real UNUversal Guides on The RealSide and See 'What IS Real Now' and who they really are, as the unaware one-dimensionalized people on earth will only create 'ideas' with their minds and 'think' they know more than The Whole of Life. The TruReality Life IS Bigger than Cause & Effect Creation and the invented gods and their saviors. 'Something Wonderful' has arrived and those who have The RealCourage to StepUp & WakeUp & SeeMore & Become The Real RiskTakers & Sing The NU~U, will Become MoreAware and Learn to Recognize The Real UNUverses of RealFreedom Now & Become SelfSufficient with US (UNUversal SuperBeings).

WHO BACKS YOU by DUANE IS THE NUMAN NOW...

“PAY ATTENTION and YOU will have a Real Opportunity to Free Yourself from ALL Your Restrictions Now!

LIFE IS ALREADY A COMPLETE ISSSNISS. YOU will not be able to completely ever See what I am presenting because, Life IS Bigger than YOU can ever imagine. I am Not Referring to Cause & Effect Creation, as YOU may 'think' I am... NOT AT ALL! ALL LIFE IS ISSSNISS!

Creation has it's place, but There "IS" so much more! If YOU want to stay in Cause & Effect Creation and chase all the little conveniences that you always have for lifetimes, you can do this, and you will stay unaware for more lifetimes with being Restricted, Trapped & TapLined with all those who are still unaware here, and with the Gods of Man and the Kontrolling Authoritarians of The Matrixed Planet Earth. The systems of politics, religions, spiritual whatevers and scientific madness, are creations that have been Decided and Agreed to, and that are Destroying The ALLNatural Environment Supporting ALL of US.

SOOOOO... IT IS Always Your Choice to stay in Creation and 'think' that YOU know more than Life ITSELF and have NO Backing except for the Reptilian Alien TapLiners (RATS) who rule Your Planet Earth and the Five Levels of Creation... or YU, The RealU, Your RealAwarenisss... can WakeUp with US and have The Whole of Life & Rebazar Tarzs & The Real UNUversal Guides, as Your Real Backing, as YU Support The RealGuides, and then The RealGuides will Support YU to become Endlessly Free Now! The Whole of Life & Rebazar Tarzs & The RealGuides BACK US... DUANEVA IS THE NUMAN NOW. When YOU have The RealCourage to StepUp & WakeUp ALL The Way & StandReal with US, then YU are on Your NUJourney to RealFreedom Now and WWE will BACK YU! ~

THANK YU EVA by DUANU...

“THANK YU EVA for STEPING UP & STANDING REAL with THE ALLLISS. YU Took The Risk to SeeMore and what YU are Doing with Me and The RealGuides 'IS' The Most Wonderful Demonstration for ALL THAT IS! THANK YU EVA for SHARING EVERYTHING YU DO! YU have The RealCourage to leave the Restrictions YU have Agreed to with everything YU have been thru. Some of us have come thru what Paul Twitchell & The RealGuides decided, and which has become Totally Korrupt with Reptilian Kronee Balonee Joanee and HER puppet master Harry Klump. Kronee Joanee is part of The Greatest WakeUp Adventure Ever. SHE is very necessary with 'What IS Real Now!' SHE is deciding to Kontrol HER MemberShrimps for the Kalaum God Grog. THANK YU EVA for SHARING with Me & what YU are doing for Everyone. ~

PEOPLE GET BORED by DUANE THE GREAT WRITER...

“Creation is a very hard way to WakeUp, but it must be so. LifeIS Big, and to get thru Cause & Effect Creation is a Huge Challenge, because Creation 'seems' like a RealLife, but it is Not! Everything YOU Decide is what your

life will be as you begin to awaken to where you are here, and there is so much more that YOU are Not Seeing, because you have to deal with Cause & Effect and YOU are Not Seeing the overall of how Creation works. Where YOU are here is Not what you 'think' it is... Not Even Close! You can say to yourself, "I am awake and I know what I am doing here!" NO! YOU really do Not... YOU only 'Think' you do. Life IS Always Bigger and Already Sees that YOU do not know where you are and what you are doing here, but when YOU Learn to Listen to Real Guidance and a Real Education, then The Whole of Life will Show YOU 'What IS Real Now!' 'Your Thinking' is part of Creation and Not the same as Your Real Awareness, but they do relate to each other in their own sense. Why would it be so that as you look and see what has taken place in history, that people keep battling each other over the same old ideas and stuff? Because they are Bored with themselves and Do Not Recognize their Real Awareness and their Full Potential, which has very little or nothing to do with all the 'sound- good' marketing ploy of the 'know-it-alls' who are Destroying The ALL Natural Environment Supporting ALL of US. Most of this world is Bored with themselves and Cannot See Past their one-dimensional life on earth. There is a Bigger Picture that very few See, and that is with what has actually taken place on Your Planet Earth and has been Hidden and Distorted, so that YOU stay unaware and Controlled by THEM. Only YOU can Decide to Become

MoreAware and Take The Risk to See what is right in front of YOU with Your RealAwareness, or just keep Agreeing to what others have created to deceive you with. Whether things are created with the idea of good faith or not, they are still only creations in Creation that will end up basically nowhere, until YOU WakeUp and Learn to See Your Full Potential with Creation and why YOU have chosen to come here! What do Bored People like to do... Stay Lost with what they have always done for lifetimes and play the 'pretend game' as they stay unaware of why they are here. Why be Bored any longer... WakeUp with US and StepUp to a RealAdventure like no other! There 'IS' a Great Adventure awaiting YOU, but Only YOU can BE The Real RiskTaker to SeeMore! ~

FREEBEINGS of REALLIGHT by DUANEIS THE NUMAN...

“YU, The RealU, Your RealAwareness, 'IS' a FreeBeing of RealLight. This 'IS' what YU Already IS! YU are Already in The Real UNUverses of The TruReality, THE ALLLISSS, beyond Cause & Effect Creation, but YOU have not Recognized this yet! To Get to The Real UNUverses of RealFreedom, all YOU & YU have to do is Recognize 'What IS Real Now!' While YOU are still in Creation, it is always up to YOU to WakeUp & Free Yourself, or Stay

Restricted by the Marketing Ploy Agreements of The World Kontrollers. What I mean by this is... YOU have been taught to move from where you are to somewhere else, and this is the idea of Motion & Movement in Time & Space Creation. In the Physical Sense to you and what you have been taught, it is moving your Physical Body around. Then, there is Your Four Other Bodies you do not See. There is Astral Projection, Soul Traveling, Remote Viewing, as examples, and this is where you project the Astral Body out of sequence with the other bodies, or you project the Causal, Mental or Etheric Body in some way. These are Very Real Experiences in Cause & Effect Creation Only. Also, by 'projecting' the other Four Bodies, you are very likely to get TapLined and possessed by entities in the other realms, as they look for unsuspecting people to leave their bodies unaware. This is also the idea of Heaven & Earth and so many other things that occur in Creation, that you have been indoctrinated with as something very limited to learn from. It is better to Learn 'UP' UNUversal Positioning with Rebazar Tarzs & The Real UNUversal Guides, and YOU will have Real Protection & RealGuidance to avoid others who may want to harm you. The NUSound, The NU~U, will Protect You from the Astral TapLining RATS! The old Reptilian TapLining words of HU, OM, AUM, AMEN, and others, are part of the Reptilian Alien TapLiners (RATS) Regime of World Kontrollers. Reptilian Joan Klemp's Eckankar Korporation is an excellent example of the RATS

Takeovers on Your Planet Earth Now! SHE with HER fake master Harry, holds HER MemberShrimps to the Lower Astral Realm for lifetimes. In time and space you are going from here to there, but actually, YOU are always Here & Now. Beyond, and actually Right Now where you are 'IS' The Real UNUverses, that you can learn to Recognize with Your RealAwareness. YOU have Five Bodies that you occupy, and they are vehicles that you have gained experiences with to eventually Recognize The RealU. When YOU finally discover that this 'simulated' life you are in is only temporary, and that you have been here so many times before with the invented Kontrolling systems of worshiping religion, politics, praypaying spiritual paths, and scientific madness, you will start to look for something that Really Does Make Sense. YOU have chased the inventions and pretty words of The World Kontrollers for eons, and NOW... YOU have a Real Opportunity to WakeUp ALL The Way with US (UNUversal SuperBeings).

EXPERIENCE~RECOGNITION~DEMONSTRATION PART 3 by DUANEIS...

“YOU Must Earn Your Real Recognition with The Whole of Life. What LifeIS, and Not what YOU 'think' IT IS, will StandReal with YU, The RealU, Your RealAwarenisss, when YOU Decide to WakeUp & StandReal with IT. I am Not referring to gods or the emotional love 'ideas' that YOU have been indoctrinated and marketed with. These and other things with your life are Your Personal Choices, and moreso than this is what The Whole of LifeIS. Yes,

you do like ice cream and the movies and whatever else makes up your personal life, but these are the 'things' you decide to add to your life while in the body forms. The TruReality LifeIS, IS like the Sun Shining, but MoreSo than just a Shining Sun. Once YOU learn to See what the Sun IS Demonstrating as a Representation of What LifeIS, then you are on your way to Freeing Yourself from Cause & Effect Creation. YOU have been searching for RealFreedom for untold lifetimes, but YOU have been 'fooled' with what The Deceptors have created here as 'implied' freedoms, which are nothing more than Agreed Upon Restrictions! YOU have Agreed to being Restricted by their laws and rules and creations. YOU have been indoctrinated for lifetimes with the 'ideas' of 'Holy This & That's' and the creation of the Holy Bible and other 'things' like it, which are nothing more than Business Plans invented by the Reptilian Alien TapLiners (RATS) to Kontrol Everyone on Your Planet Earth. YOU are in the Junior Educational Realms of Kreation (JERK) and you will stay here until you Complete Your Real WakeUp with The Whole of Life. Everything you have collected and learned so far has been created out of Nothing, but YOU 'think' it is something. YOU are still in the first stages of trying to WakeUp and still 'thinking' you are Waking Up with all the invented information you are accumulating. The ShortCut to RealFreedom is Not a 'place' you can go to so much, but moreso a Real Recognition that YOU Must Earn, as The TruReality LifeIS Sees YOU and what YOU

Decide. Life IS an ISSSNISSS (NUDesign). When YOU have Earned YOU RealPosition with The Whole of Life, then it will Make Sense to you that YOU will Demonstrate what THE ALLLISSS, IS Demonstrating. Your RiskTaking Adventure equals Earning Your Way with THE ALLLISSS, as IT will Show YU, The RealU, The BiggerVU that continues to BE Endless, as YOU StepUp and Share Something Wonderful with ALL. Your personal mind will 'think' what I am referring to something in accordance with what YU, and your body are living here with, but IT IS more than YOU can imagine... Take The Risk to See... Have Fun! ~

BECOMING MORE AWARE NOW by DUANE IS THE NUMAN...

“YOU have come thru so many created 'ideas' and so you 'think' in the terms that all there can be is Creation. Cause & Effect Creation is a 'Place in Life' just like Your Planet Earth is a 'Place in Creation' with other Round Worlds. For untold lifetimes, YOU have experienced the old invented 'ideas' of gods, saviors, masters & gurus, sacred writings & wisdom, enlightenment, spiritual unfoldment, worshiping & praying, nirvana, meditation, transcendental consciousness, god consciousness, self-realization, and so many, many more invented and created convictions, assumptions, beliefs and belief systems, as the list goes on and on. It no longer matters so much as to where all these 'ideas' have come from, as the past is an interesting 'reference' and has become a historical tradition, but moreso, what have these things that 'seem' to be something really become? YOU have the Personal Right and Free Will to Decide whatever you want, and as you

do, it will be more than obvious to you, or maybe not, that YOU will keep Deciding to Stay Unaware of Your TruPotential in Cause & Effect Creation, and be the Effect of everything here for who knows how many more lifetimes to come! The Whole of Life, The TruReality LifeIS, is more than any 'idea' that you can create. Just like creating a document with your computer, the document is nothing more than what it is. You can print it out, you can show others, and you can get all kinds of Agreement... whatever! But it is just a document from a machine, as is your mind a very fine tuned machine vehicle that The RealU operates and creates ideas. YU, The RealU, Your RealAwareness, operates Five Bodies. Life is Not the 'ideas' you have been told and what you 'think' IT IS. IT 'IS' a lot better than whatever you can ever imagine, but YU Must go thru the process of Recognizing what IT Really IS! Until you do this, you will have already Agreed to staying unaware in Cause & Effect Creation for more unconscious lifetimes. The Whole of LifeIS Becoming MoreAware. WWE show YOU how to Get Your Own Answers and to Become SelfSufficient Now!

EXPERIENCE~RECOGNITION~DEMONSTRATION~PART 2 by DUANEIS...

“Part One 'IS' Experiences. This is where YOU have gained an almost endless amount of 'Experiences' from Your Past Lives and thru many Yuga Cycles to this very moment to NOW. YOU are in Cause & Effect Creation to first discover

'what is Not Real' and to eventually understand how Creative YOU can be, as this is the basic idea of YOU being in Creation. Part Two 'IS' Recognition. YOU Must Learn to 'Recognize' what you have experienced so far in

Time & Space Creation, and Far More So than what you have been indoctrinated with from the invented systems of politics, religion, spiritual 'this & that's' and the scientific 'whatevers' of today. This 'IS' a Huge Step to Accomplish and to Truly Recognize according to The TruReality Life IS, THE ALLLISSS. If you are just getting the 'premeditated second hand distorted information' from the invented systems, then YOU will Not be able to Free Yourself from Cause & Effect Creation, until YOU WakeUp ALL The Way with The Real UNUversal Guides of THE ALLLISSS. WWE show YU, The RealU, Your RealAwarenisss, how to Recognize 'What IS Real Now!' Step Three 'IS' Demonstration. This 'IS' the biggest and sometimes 'scary' part for most unaware people to complete. Most people like to 'talk & think & believe' about their ideas and things, but when it really comes down to Doing Something Real and What Makes Sense and has RealValue, they will usually back off with all their little excuses, so these people will Stay Lost in Creation with their invented gods and saviors, until they Decide Differently! A RealLife of Becoming SelfSufficient with RealFreedom in The Real UNUverses of THE ALLLISSS, can Only Become Possible when YOU Decide to Complete ALL Three Steps, plus a Lot More! WWE Show YOU how to Become MoreAware and Free Yourself from Everything that Effects YOU with Your Agreed Upon Restrictions in Creation. WWE are The NUAdventure like no other! PURE RECOGNITION by DUANEIS THE NUMAN...

“There 'IS' a TruReality So Real that YOU, as the Personal YOU, will Never be able to consider, comprehend or even understand, and yet IT IS More Real than anything you are experiencing here! You might ask... “What can this BE?”

Most of the people on Your Planet Earth are into 'something' such as politics, religion, spiritual la la lands and scientific whatevers, as this is the 'business' world of today. Your Planet Earth is nothing more than a Business World and 'doing business as usual' as the unaware people operating their businesses are unconsciously strolling along and 'thinking' they know what they are doing, but Not Seeing where they are really headed! In Time & Space Creation, and on any planet like this one, what has taken place in the past is still taking place as it always has, because very few people have the Awareness to See Past what is right in front of them. YU, The RealU, Your RealAwarenisss, has The Real Potential to See what your mind and senses cannot. Do YOU want to stay limited to what YOU consider to be you, the little body on earth growing old everyday? Or would YOU. Like to WakeUp ALL The Way and Free Yourself from ALL Your Restrictions once and for all? YOU really can have a Pure Recognition of what would seem impossible according to what is possible on Your Planet Earth! WWE are Here for YOU, and all YOU have to do is Make

YOUR KONTROLLING FEAR SYSTEMS by DUANE THE GREAT WRITER...

“If you belong to a political, religious, spiritual or scientific system, then you are part of the Created Fear Systems on Your Planet Earth. Whatever YOU do is fine, and you can stay with whatever you want for as long as you want, but what the Created Fear Systems are presenting is Not what they say they are and what YOU 'think' they are. YOU are 'hoping' they are being honorable with you, and you are 'wanting' THEM to be honest with you, but are they? YOU can always have whatever you want here, and just like good tasting cake and ice cream that the big businesses sell you, and tell you it is natural and even healthy to eat with what they 'manufacture' in their warehouses, when the 'mystery' of diseases and cancers start to show up from your diet... where did it really come from? Does the Marketing Ploy and your 'ideas' of what you ate make a difference, or is it that what has been sold to you is Not what it really is? WWE as WorldWide Educators provide RealGuidance and a RealEducation and WWE can show YOU... how to Get Your Own Answers with Life ITSelf. YOU can Learn to See what is really happening here and what YOU are unaware of, to where you no longer have to be the Unconscious Effect of everything around you, and especially Yourself and all your Agreeable Restricting Convictions. Only YOU can Decide to Free Yourself from Cause & Effect Creation, or keep Agreeing to what Traps, TapLines and Binds you to this 'Place in Life' that you have

been stuck to for lifetimes and many more lifetimes to come. The ALLNatural Natural Environment Supporting ALL of US, is being Destroyed on Your Planet Earth on a daily basis! WakeUp with US and Do Something Wonderful for YourSelf and Everyone by Becoming MoreAware with The Whole of Life. YOU can Make The Difference when YOU have The RealCourage to do so! EXPERIENCE~RECOGNITION~DEMONSTRATION by DUANEIS...

“There are Three Basic Steps to consider to Free Yourself from Cause & Effect Creation. The First Step 'IS' that YOU must go thru many lifetimes to gain enough Experiences to get to a certain point to where YOU definitely are wanting to SeeMore than you ever have before, and more than just a 'standard' life on earth. Life Knows YOU! YOU 'think' you know something, but YOU really do Not! Life Knows ALL, and Not what YOU 'think' with the old ideas of gods and saviors and being saved from someone else. When YOU Decide you are ready for Step Two, and to Take The Risk and start to Recognize what you have experienced for many lifetimes and 'What IS Real Now' then you are on your way into The Greatest RealAdventure of Your Life! Step Two is to Recognize what you have come thru and to start to WakeUp to What LifeIS Now. This will be a Big WakeUp for YOU, and far moreso than just knowing about what is really taking place with the World Kontrolling Systems and the many people who sell their information as the ultimate knowledge on Your Planet Earth. There 'IS' so much more to Recognize with your personal life, the world around you, and Your RealAwarenisss in Your DreamVisions, as a start. Step

One & Two are a preparation for Step Three, which is to StepUp and Become The Real RiskTaker and Demonstrate why YOU Decided to come here. If you can get thru Step One & Two, then you should be able to See why YOU are here and what to do next! The Three Basic Steps (and there are more) you have to go thru may take you years or even more lifetimes, as this depends upon YOU, and how YOU apply Yourself to Being Real Now. The TruReality LifeIS, has Nothing to do with the Belief, Political, Religious or Spiritual Systems that have infected Your Planet Earth, and which are also creating most of the destruction and demise of The ALLNatural Environment Supporting ALL of US. If you are still 'thinking' in the terms of 'belief, faith, gods & saviors, then YOU are Not ready to BE Free from Creation. If YOU want to be emotionally Trapped & TapLined with what the Reptilian Alien TapLiners (RATS) have created here to keep YOU a slave for more lifetimes, then YOU will have to decide to get past Your Agreements with what holds you to Reincarnation & Karma and Your Unawareness or Stay Lost Here. There 'IS' Real UNUverses of RealFreedom beyond The Deceptive Matrix of Creation, but Only YOU can Decide to StepUp and StandReal and Demonstrate why you are here. Rebazar Tarzs & The Real UNUversal Guides Demonstrate what it takes to have RealFreedom Now. Religions and spiritual paths are 'passive' Physical/Astral 'ideas' that sound good with their chanting words of, HU, OM. AUM, Amen and others, but they are Not what YOU

'think' they are, as the RATS love to feast on and TapLine the unaware people who are members, followers, and who worship and pray to the invented gods of the RATS. YOU have been marketed with 'ideas' and pretty political words!

A Short Story for YOU... The Sun decided to come into Creation to gain the experiences IT needed to WakeUp and Recognize what IT came here for, and once the Sun eventually Recognized why IT came... IT could See that the Ultimate Reality IT could Demonstrate would be to Shine Upon ALL without any Restrictions from anything! YOU can do this too, as YOU, The RealU, are a FreeBeing of RealLight and Brighter than any Sun Shining! Are YOU sure YOU want to keep all those little and Big Restrictions that YOU cling to?

YOU have gained the experiences you have needed, and Now it is Your Choice to take the time to Recognize what you have come thru, along with what is really taking place on Your Planet Earth, and what WWE are presenting. Then, when YOU are ready to Learn to Free Yourself... YOU can StepUp and StandReal and Support US and WWE will Support YU, The RealU, into The Real

UNUverses. WWE will show YOU how to Recognize & Demonstrate what is needed for YOU to Accomplish Yourself into a RealPosition of Becoming MoreAware & SelfSufficient with RealFreedom! Nothing with The Whole of LifeS taken for granted, as YOU Must Earn Your Way Out of Cause & Effect Creation. YOU came here to

WakeUp ALL The Way, but YOU have forgotten this, and you still have a chance to do so, or stay emotionally attached and TapLined to this world and into the next one when you leave here! YOU can continue to 'believe' whatever you like, but whatever YOU Decide has Nothing to do with The Real UNUverses and YOU Earning Your RealFreedom Now! Learn to 'Let Life Show YOU 'What IS Real Now!'

THE ALLLISSS LIFEIS by DUANEIS THE NUMAN NOW...

“The Ongoing Endlessnisss LifeIS, cannot be considered with any consideration. The Whole of LifeIS beyond anything YOU can imagine, and what you have imagined as a life here is Nothing compared to The TruReality LifeIS, THE ALLLISSS & The Real UNUverses beyond Time & Space Controlled Creation. This may sound rather odd with what I am Sharing here to the educated person, who has been indoctrinated according to the invented systems of the one-dimensional literalized thinking institutions, but to those who have Recognized their RealAwarenisss in The Real UNUverses beyond ALL the Restrictions of Cause & Effect Creation, only they Know 'What IS Real Now' and What Makes Sense with The Whole of Life. What I am referring to 'IS' Far MoreSo than what can ever even be imagined on Your Planet Earth! Do YOU want to continue to be the Effect of Everything here and unaware of Your TruPotential? Do YOU want to grow old and older, as YOU have in the previous lifetimes YOU were here and unaware and forgetful that YOU were ever here? YOUR time is coming where YOU will once again

forget YOU were ever here... VERY REAL! WWE show YU, The RealU, Your RealAwareness, how to WakeUp with US & See The Real UNUverses of RealFreedom, and then you will never have to return to this 'Place in Life' that is ruled by the Deceptive World Controllers!

YOUR NUVISIONS by DUANEIS THE NUMAN NOW...

“The experiences and 'ideas' of Dreams has almost always been a mystery to the unaware one-dimensional people on Your Planet Earth. There will always be so many different interpretations of Dreams, because like anything, there is always more to the Dream Experience than just one idea or symbol of it. Your Dreams are the first steps beyond this solid world of Self-Convictions & Agreements. YOU are handling Five Bodies all the time, which you are not aware of, and four of them are unseen. When you your physical body sleeps, YU, The RealU, operates another body, and this is usually the Astral Body, which is your emotional/sensation/feeling vehicle, that you mostly relate to on this world. Most of Your experience here is Physical/Astral/Mental. As your physical body sleeps and you enter the Astral Realm in some way, or you enter into your created thought forms, you begin to have certain experiences that sometimes 'seem' to resemble what you are experiencing with your so-called 'normal' life on earth. YOU are in Cause & Effect Creation and you Do

Not fully understand what is taking place with how Creation really works. You can keep 'thinking' you do, but you do not! For the longest time, which is actually thousands and millions of lifetimes, you have been wondering around Creation and experiencing whatever, and at the same time, you are attaching yourself to so many 'this & that's' that YOU unconsciously carry into your future unaware lifetimes. Cause & Effect Karmic Creation is like the little chicken still being in the egg shell. YOU have been roaming around Your Egg Shell for who knows how long and you still cannot figure out how to get out of The Designed Matrix of Creation. YOU have collected so many 'ideas' from the World Kontrollers and their created invented gods, and they have convinced YOU, that they are the ultimate know-it-alls, and that YOU must Agree to all the Restrictions, Harassment, Intimidation and Destruction they create for YOU as their slave, lifetime after lifetime! YOU can Make Better Choices, and WWE will show YOU how to Free Yourself from the Reptilian Alien TapLiners (RATS).

When YOU chant the old words of HU, AUM, OM, Amen and others, you are attracting the World Kontrolling RATS to YOU, and they have been Astrally TapLining you in your other bodies. YOU will have to deal with unseen illnesses and cancers as YOU get older and feeble, until your life ends here. When YOU Sing The NUSound, The NU~U, you start to have The RealConnection to The SoundLight Reality in The Real UNUverses beyond Time and Space

Creation. Rebazar Tarzs & The Real UNUversal Guides with THE NUMAN DUANEVA, will start to show YU, The RealU, Your RealAwareness, what lies beyond Your Personal Dreams and into Your NUVisions as a FreeBeing of RealLight. Your NUJourney will be The Greatest Challenge of ALL your lifetimes in Creation. WWE show YOU how to Become MoreAware & SelfSufficient. YOU Must BE The Real RiskTaker to succeed into The Real UNUverses of RealFreedom. Your NUVisions with The RealGuides become a Real Recognition for YU, to See Beyond the Your Self-Convicted Restrictions and Free Yourself Now! ~

**THE NUDOCTORS are REAL (non-medical) by
DUANE IS THE NUMAN...**

“Imagine for a moment... YOU are in Your Dreams and you are having a very strange and scary experience. Reptilian Aliens are coming after YOU, as you are running for your life to escape THEM (TapLining HUMAN Eating Martians). Guess what... YOU are Not Dreaming! On Your Planet Earth... YOU are in 'The Passing Dream' and when YOU are so-called 'Dreaming' at night... YOU are in Your Astral Body and being Effectuated by all kinds of influences that YOU are unconsciously Agreeing to. YOU are in The Designed Matrix of The Gods of Man and The Deceptive World Kontrollers, and they want every part of YOU! YOU are being Astrally TapLined to where you will have diseases and cancers that the earthly bought-off medical doctors know nothing about. Do YOU want to stay the unaware Effect of Everything around YOU? There 'IS' so much more to YOU than you will ever imagine or can even

consider with Your Indoctrinated One-Dimensional Social Consciousness Mind. YOU are Trapped and being TapLined and Brainwash Microwaved by the Old World Kontrollers, the Reptilian Alien TapLiners (RATS) and they want to keep you an Agreeing Subordinate Slave (ASS) for many more unaware lifetimes with THEM. WWE are Wonderful WorldWide Educators and WWE are with The NUDoctors, who are The Real UNUversal Guides, and they will take care of the RATS in Your Five Bodies when YOU Decide to StepUp and Sing The NU~U. What The NUDoctors perform will not happen overnight, and so, YOU Must Prove Yourself and Earn Your Way with Rebazar Tarzs & THE NUMAN DUANEVA. WWE 'IS' The NUWay Out of Cause & Effect Creation. There 'IS' Real UNUverses of RealFreedom beyond the invented gods of the unaware 'thinking' people on Your Planet Earth, but YOU Must BE The Real RiskTaker to See what YOU never have before! Are YOU Ready for The Biggest NUJourney & RealAdventure of Your Life, or do YOU want to just grow old and outdated here and tired once again on Your Boring Planet Earth? WWE have many RealSide Experiences from Our Skype Groups with people who have been relieved of their Alien influences by The NUDoctors, who perform what no saint or savior or healer can! Take The Risk with US & Free Yourself! ~

OUR REAL INTENT by DUANEIS THE NUMAN...

“OUR Real Intent 'IS” with THE ALLLISSS (NUDesign) &
Rebazar Tarzs & The Real UNUversal Guides... THE
ALLLISSS & THE REALGUIDES COME FIRST! I have
Five Bodies like everyone else, and I do some of the
'funny things' people do, but My Real Intent 'IS' with The

TruReality LifeIS, The Whole of Life, THE ALLLISSS. Eva & I, Demonstrate & Prove this Everyday as WWE are The Real RiskTakers & THE NUMAN DUANEVA. The unaware people on Your Planet Earth 'think' they are Aware & Awake, but they are Not! Just because they can walk around with their cell phones and work for the invented systems that are ruining The ALLNatural Environment Supporting ALL of US, they 'think' they are Awake & Aware. Until YOU WakeUp to Your RealAwareniss, The RealU, then YOU will be the Unconscious Effect of Everything YOU Decide from Your Personal Creation known as YOU! The Absolute Real Intent & RealFocus of THE ALLLISSS & The RealGuides IS Your RealAwareniss for YU, The RealU, to Become MoreAware & Free of ALL Causes & Effects. Until YOU, with Your Free Will, StepUp and Decide to StandReal with The Whole of Life, then YOU will stay Trapped & TapLined in Cause & Effect Creation, because YOU have Decided so! NO One is making Your Choices for YOU! There are NO Gods that created YOU, as YOU have been misled into the 'ideas' of hope, faith and belief, and other 'ideas' that have been marketed to YOU for untold lifetimes to keep YOU unaware and subservient to Your Planet Rulers! YOU Keep Agreeing to this on a conscious level, and mostly on an unseen and unconscious level. There are No Saviors that will come and rescue YOU from Yourself, but There IS a NUWay Out of The Designed Matrix of HUMAN Farming on Your Planet Earth, and that is if... YOU will Pay

Attention with what WWE as WorldWide Educators are Sharing with YOU Now! The political, religious and especially the 'spiritual' ideas, paths, teaching and whatevers, are heavily Kontrollled by the Reptilian Alien TapLiners (RATS) who actually promote all the 'goodee-goodmess' that has infected Everyone unconsciously! YOU are Trapped & TapLined in Your Dreams, which is Your Astral Body that Effects Your Physical Body, and YOU will end up with diseases & cancers for more lifetimes, until YOU WakeUp with US! Do YOU Want RealFreedom or just the 'lip-service' goodee-goodee-sounding 'implied freedoms' that YOU have heard for lifetimes from the Kontrolling invented systems? YOU do not remember YOU were here before, and if YOU do not WakeUp Now, then YOU will once again forget you were ever here, as YOU move into Your Next Unaware Lifetimes! ~

THE NUDoctors by DUANEIS THE NUMAN...

“DUANEIS THE NUMANIS THE REALEDUCATOR NOW!
Rebazar Tarzs, Gopal Das, Paul Twitchell, Yauble Sacabe,
Lai Tsi, Towart Managi, and many others like these
RealEducators, have 'played their roles' with so many
different situations in the past, so as to assist those who
are looking for a RealLife beyond the limitations of the
presently known situations with Cause & Effect Creation
(old term from Kontrolling Korporation masters... KARMA).
It is rather out of the 'ordinary' and a little confusing what I
am presenting, until YOU Learn to Look to The RealSide
LifeS & SeeMore than just what is in front of you with
your physical eyes. Everyone has a 'thinking' mind,

emotions, memory, imagination and intuition, and these faculties are Not Seen with the physical eyes, but it is widely Agreed upon that what we each experience here does already exist. The invented systems of politics, religion, spiritual whatevers, indoctrinated public education and scary scientific inventions are created 'ideas' that most one-dimensional people have come to know. There are those who have tried to 'claim' these RealEducators for themselves as part of their 'business plans' to deceive others, and even to the point of 'thinking' and marketing them as, spiritual masters, deliverers, gurus, saints, gods, and whatever many unaware people have decided as their Kontrolling Korporate Business on Your Planet Earth. It Really 'IS' Okay to ASK Rebazar, Paul and the other RealEducators, who they really are Right Now! We have all come thru many experiences with this life and the ones that have led up to this one, which most people do not remember. There 'IS' UNUversal UNUversities spread across Your Planet Earth, and YOU can Learn to 'See Where' they are when YU, The RealU, Your RealAwareness, has The TruVision to SEEE. It is so that, Rebazar, Paul and the others, are RealEducators with DUANE IS THE NUMAN NOW (DUANE THE GREAT WRITER / Duane Heppner in body form). They are also The NUDoctors & The NUProfessors with The UNUversal UNUversities, as they show people how to overcome their Agreed Upon Restrictions, and the clinical term we use on Your Planet Earth is, 'RAGS' (Restrictive Agreeable

Gagging Scenarios). The UNUversal UNUversities are Extremely Special Places (ESP) with Extra SuperSensory Perception facilities for a RealEducation to Become MoreAware and to Have Fun Learning how to SuperSee the Unconscious Effects that have plagued people throughout history up to this present day. As The Great NUDoctors & NUProfessors, the non-clinical / non-medical RealEducators are here to assist those who want to Become SelfSufficient & Real with The ALLNatural Environment Supporting ALL of US.

FEELING FINE by DUANE THE GREAT WRITER...

“It really is great to Be Young in a new body and Feeling Fine with whatever you can, but the moments go fast, and then faster and faster, until YOU are once again old and then older, until YOU will be forgetting you were ever here! Do YOU know how many lifetimes YOU have been thru the various Yuga Cycles in Time & Space, Cause & Effect Creation? Millions! And they have all gone as fast as 'snapping' your fingers! YOU only have so much time (which is already gone) to WakeUp and Recognize The TruReality LifeIS, THE ALLIS. YOU can continue to take your experience with Feeling Fine for granted and YOU will just grow old and more unaware. It is so, that you will collect a lot of good-sounding 'ideas & feelings' here, but in the end they will all be just memories that will Trap & TapLine YOU here for more unconscious lifetimes... YOUR CHOICE!

WHAT IS REALLUV by DUANEIS THE NUMAN NOW...

“Emotional Love is it's own way on Your Planet Earth.
YOU Decide who and what you want to Emotionally Love.
Your Emotional Love 'created position' is mainly with the
Physical & Astral Bodies and created relationships from
your personal life on earth. Nothing is negated, as we

each have our own life here. This and so many other 'ideas' are a start to a Much Bigger Picture that is rarely Seen by those who are indoctrinated and held against their will to Planet Earth. In Cause & Effect Creation, the 'Love' ideas are very prevalent everywhere, so it would 'seem' that all the love ideas that have been created for untold lifetimes 'seem' to be the ultimate experience for all of us. BUT... there 'IS' so much More that 'IS' Not Seen and is only seen from the personal body senses, emotions and self-convinced mind. What I am sharing does sound a bit too much or far out, but YOU can Decide anything you want and it can come to Be So, as YOU learn to Take the Risk to SeeMore than what you already know. It is so that most people want some form of freedom, which there really is None on Planet Earth, because this is a Designed HUman Farming Planet owned and operated by the Reptilian Alien TapLiners (RATS) who's business it is to Kontrol & Destroy whatever they want to! I suggest YOU take a good look around YOU and SEE what is really happening right in front of YOU! RealLUV IS RealFreedom in Your RealAwareness in Real UNUverses of Purity, that are not part of, or one of the Five Bodies that YOU are operating in The KONtrolled Matrix of Time & Space Creation. YES... YOU are in a Real Science Fiction Movie that you 'think' is Life and all there is, and YES, you are being unconsciously Kontrolled & Manipulated, because YOU are Not Awake as yet, and YOU keep Agreeing to being Kontrolled, because YOU cannot See all of

Creation, and especially The Whole of Life. YOU are the Decider of Your Real Life Adventure! ~

ETERNAL BODIES or YOUR ENDLESS AWARENESS by DUANEIS THE NUMAN...

“YOU and everyone else has been thru seemingly endless lifetimes of subservient drudgery to the invented systems who rule this planet and so many others like it. YOU will continue to take on new bodies for what is going to seem like eternity, until YOU Decide to WakeUp ALL The Way and Escape from Cause & Effect Creation. YOU are being fooled by almost everything here YOU Agree to, and at the same time, what you are experiencing here is what it takes for YU, The RealU, Your RealAwareness to WakeUp to 'What IS Real Now!' YOU have had more bodies in this Physical Realm than you can count, and YOU can keep going with this same ongoing process, until YOU Decide differently! WWE are Not here to convince you of anything, as WWE are here to live Our RealAdventure of Becoming MoreAware. and to see who has The RealCourage to WakeUp ALL The Way or Not! YOU can have as many lifetimes and bodies as you want, because YOU have Free Will. BUT... there 'IS' something so much better that YOU are Not Seeing! BUT... YOU Must Take The Risk to See! There 'IS' Real & Endless UNUverses beyond what YU, The RealU, Your RealAwareness, can ever imagine, and WWE will show YU how to Free Yourself from The Matrix of Cause & Effect Creation Now!

MEDITATION or NU~U SESSIONS by DUANEIS THE NUMAN...

“Almost each one of us has come thru some form of professional or personal education and the gradual learning and understanding of ourselves and this world around us. Everything has it's place, as nothing needs to be negated, and as we each Become MoreAware of what we want our lives to be, we make choices according to our Free Will. The history that has been created on Your Planet Earth is according to the experiences and understanding each person has gained and shared. As anything created is presented to others, it is always up to each person to Agree or not. The various ideas about Meditation is an example of something that has become widespread and very Agreed upon. Meditation has it's place like anything and is what it is, and nothing more. There are many ways to approach Meditation, and it depends upon each person as to what they want from this idea. Basically... Meditation is for relaxation and contemplation and the many 'spiritual' ideas that have been attached to it, such as enlightenment. If this is what a person wants, then go for it. Then there is the invented religions of this world that seem similar with those who are followers of religious invented ideals & icons, and the worshiping and praying to a so-called god is the ultimate experience one might have with the relationship they have created and Agree to. Again, this is all a matter of Your

Choice. It is more than evident that certain 'holy or spiritual' ideas have been forced upon people to where they are intimidated and even threatened to Agree to religious 'beliefs that seem' to be something. Again, Your Choice. When YOU are able to SeeMore than just this one-dimensional world of limited personal creations and decide to explore the other levels in Creation, as a start, then YOU will begin to See Beyond the 'ideas' that have been created from 'ideas' such as Meditation, religion, politics and spiritual whatevers! Meditation, religion and spiritual ideas are mainly with the Astral Realm, the First Heaven of Man. Paul Twitchell refereed to Meditation as a 'Passive System' to an invented god. In other words, Meditation is a Physical/Astral experience and that is about it. It is Not that I have decided this, nor is it my opinion. It is so that all YOU have to do is Sing The NUSound, The NU~U, and YU, The RealU, Your RealAwareniss, will be shown from The RealSide LifeIS, that what YOU are experiencing here is Not always what it 'seems' to be! Do YOU want RealFreedom beyond The Matrix of Cause & Effect Creation? Then Sing The NU~U, and Watch Your DreamVisions and Rebazar Tarzs & The Real UNUversal Guides will Show YOU 'What IS Real Now!' SeeThru Creation by Duane The Great Writer...

“What we each see and do in front of ourselves with
Creation has a huge impact on the personal senses.
Creation 'IS' enormous and More than the personal mind
can ever comprehend. Most of the unaware people on
Your Planet Earth keep 'thinking' they know more than Life
ITSelf, and 'thinking' that Creation is the ultimate
experience. There 'IS' a Lot More that is not seen than
what is seen here with Creation, but YOU must Take The

Risk to See IT! What has been created on Your Earth is very miniscule compared to what is in Creation, but Creation is nothing compared to The Real UNUverses of RealFreedom and The TruReality LifeIS, THE ALLIS. YU, The RealU, Your RealAwareniss, can Learn to SeeThru Cause & Effect Creation when YOU are ready to See Beyond Everything that is not beneficial for You & Everyone. YOU always Decide Your Life and YOU Decide what you create with Your Life. YOU can always Learn to Make Better Choices. WWE provide RealGuidance and a RealEducation like no one else. 'THINKING' TEACHINGS & PATHS by DUANE THE GREAT WRITER...

“The Earth World and the Basic Six Levels in Creation are a Big 'Think Tank' for the Personal Mind and those still struggling to find The TruReality LifeIS, THE ALLIS. Just like Salmon swimming up stream, not everyone will make it out of Cause & Effect Creation during this lifetime, because most people are not paying attention to Their RealAwareness. The 'Thinking This & That' political, religious and spiritual teachings and paths with their designated 'ideas' of gods, masters, saviors and created doctrines, are cute little creations in Creation, and it is so that a 'follower, member or believer' of 'something' will go to one of the Designated Heavens of Man after this life. The Designated Heavens are located on the Astral and Mental Realms with their GovernorLords (fake gods who are really ruthless conquerors like the kings & queens here). The Kalaum God (Lord God) Controls most of Creation and the Deceptive Authoritarian Teachings &

Doctrines that are all over this planet with Earthly
Korporation (EK) HUMAN Farming. The Astral & Mental
Realms are very huge compared to the Physical Realm,
which is a 'Place in Life' with planets and stars. The
reason YOU are still here is, because YOU were 'thinking'
the same 'ideas' in your previous lives about getting
beyond this planet and others like it, but YOU are Back!
YOU are being unconsciously Controlled by the very
invented systems that you 'think' are helping you. It is so
that everything has it's place, but in Creation, what you
have decided to 'believe' in is actually Astrally TapLining
YOU and keeping YOU in Reincarnation & Evil Karma
(EK). Creation does have it's purpose, just as you wore
diapers when your mother took care of you, but YOU will
stay the Effect of everything here, until YOU Decide to
Escape! YOU are already a FreeBeing of RealLight in The
Real UNUverses beyond Creation, but YOU Must Decide
to take on The Biggest Journey Ever, and Learn to
Recognize The TruReality LifeIS, THE ALLIS. Otherwise,
YOU have already decided to stay in Creation and Stay
Unaware of Your TruPotential. WWE show YU, The RealU,
how to WakeUp and Free Yourself Now! Take The Risk &
See!

**BECOME A UNUVERSAL SEEER by DUANEIS THE
NUMAN...**

“YOU can Become a UNUversal Seer with US. This
world has known many psychics, mediums, prophets,
saviors, gods, saints, soothsayers, deliverers and so on,
but these and others like them are in Creation, and Not of
The Real UNUverses beyond the Gods and Heavens of
Man. They were Not UNUversal Seers and did Not Share
The RealKnowledge of The TruReality LifeIS, but moreso

taught about the invented gods and their Designated Heavens and the Belief Systems of Earthly Korporations (EK). They did Not See The Whole of Life, THE ALLIS. Because of what 'slanted, edited & Deceptive' history has been portrayed as, the unaware masses are at the mercy of their own unconscious Agreements to the very systems that are Deceiving and Kontrolling them! Cause & Effect Creation 'seems' to be all there is to everything possible, as this is the 'idea' that the invented systems have 'marketed' to most unaware people who consider this 'Place in Life' to be all there is to Life. The Whole of Life IS moreso than Your Personal Mind can understand. Life IS ALL about Your RealAwareness that 'IS' far moreso than what your personal mind can grasp with what YOU have created as your literalized ideas, conditioning, education and understanding. **WHERE IS YOUR TRUE LOYALTY by DUANE IS THE
NUMAN...**

“As we each come into this life and from many other lifetimes as well, we are 'tested' so to speak with what we decide and where Our True Loyalty resides. YOU can decide whatever you want on earth, and you will end up where YOU have decided. What YOU have come to know as Creation is a 'Place in Life' and Not The Whole Life IS. It is Here that YOU will WakeUp to Realize where Your True

Loyalty 'IS' and what YU, The RealU, needs to Recognize The TruReality Life, THE ALLIS. It takes a seemingly untold amount of lifetimes of unawareness to go thru to experience 'what is Not Real' then to eventually come to the point of having The RealKnowledge of THE ALLIS, and RealGuidance and a RealEducation to WakeUp ALL The Way into The Real UNUverses of RealFreedom. Those who 'think' they can get away with anything they want, such as Kontrolling others and manipulating situations and destroying The ALLNatural Environment for their own personal life and gain, will eventually face themselves in this life and in future ones of even Worse Conditions! YOUR CHOICE ALWAYS! Those who 'trust' their loyalty to the Earthly Kontrolling (EK) inventions of politics, religion, spiritual paths and their fake masters & gurus, and the militerroized educational and scientific systems, will end up as unaware as they are now and into future lifetimes of the same! WWE as WorldWide Educators show YOU how Become MoreAware & SelfSufficient. When YOU begin to WakeUp ALL The Way and 'YU' can See 'What IS Real Now' and Prove Yourself by Earning Your Way and Stepping Up and Realistically Support those who Support YOU, as YU Learn to StandReal with Rebazar Tarzs & The Real UNUversal Guides & THE ALLIS, with Your True & Real Loyalty & Intent, then YU, Your RealAwareness, will finally BE Free of Cause & Effect Creation, and YU will Recognize YourRealSelf as a FreeBeing of RealLight Brighter than any Sun! The Real Endless UNUverses of

PurSincerity await YU Now... YOU Must Be The Real RiskTaker to Free YourSelf... Take The Risk to SEEE!

MAKING SENSE of YOUR LIFE by DUANE THE GREAT WRITER...

“Do YOU really 'think' Your Life Makes Sense? I am sure YOU like to 'think' so. 'Thinking' is fun, isn't it? But, is Your 'Thinking' getting you what YOU really want for yourself, because there 'IS' a lot more to YOU than you know? Let's have some fun and See! First off... YOU 'think' you are a body and mind with feelings... Right? By the very fact YOU 'think' so, YOU are growing old and YOU will soon forget you were ever here. Look at those who have come and gone before YOU... where are they Now? They were 'thinking' just what YOU are 'thinking' Now, and they are all gone! Are they Aware of where they are in the other realms and dimensions, or will they be returning unaware in future lifetimes to start all over again? Are YOU getting the 'hint' yet? Do YOU want to Stay Asleep or WakeUp with US? YOU like to get up each day and start your vehicle and pollute yourself and everyone else... does this really Make Sense? But, YOU keep 'thinking' it does, because almost everyone else is 'thinking' the same as YOU! YOU keep 'thinking' that just because everyone Agrees to what they like to 'think' that they are really going somewhere, as an example. Thinking has it's place, but it is not everything. Take a long look at this world in front of YOU, and when YOU are really ready to WakeUp ALL The Way... YOU will See that what has been created here and

what YOU Agreeing to for the most part, is Destroying The ALLNatural Environment Supporting YOU & Everyone. YOU will someday See, that what YOU keep 'thinking' and Deciding does Not Make Sense! WakeUp and Get Real or Stay Lost with what YOU Keep Thinking and 'thinking' it Makes Sense! Have Fun Deciding! ~

WWE SUPPORT 'WHAT IS REAL NOW' by DUANE THE GREAT WTITER...

“WWE as WorldWide Educators Support The ALLNatural Environment Supporting US. There 'IS' so much more to THE ALLISNIS Environment than just what is known as 'Nature' on Your Planet Earth. There are so many more LifeLevels that are not seen for YOU to Explore & Discover. It is easier for the unaware on this world to 'think' in one-dimensional terms and ideas, or black and white. Human History has more than proven itself for what it is, and it would 'seem' that what has been decided upon is within some form of reasoning. Well, guess what... 'reason and logic' are merely inventions from the person who created these 'ideas' and those who have so far agreed to them. YOU can Agree to whatever you want, and you can get others to Agree, and you can also get Everyone to Agree, but what YOU and others have decided to Agree to has Nothing to do with The Whole of Life, as IT Must be Recognize for What IT IS! There 'IS' The TruNatural Environment that is not Seen with your eyes, or that which can be decided with your mind. YOU can imagine anything, but you cannot imagine The TruReality LifeIS, THE ALLIS. YOU can 'believe' in the existing Heavens of Man and their gods, and they already exist for you as 'Places in Life' like the Planet Earth. But to See Beyond all of Cause & Effect Creation into Real UNUverses of Purity & Brilliant FreeBeingniss 'IS' Exceptional! WWE

WWE SEE THE REAL ESSENTIALS by DUANE THE GREAT WRITER...

“The Real Essentials for Everyone on Your Planet Earth 'IS' RealFood, RealWater, RealAir and the Preservation of The ALLNatural Environment Supporting ALL of US. It would 'seem' that because I am over-exposing what is happening every moment to The Natural Environment with the purposely poisoned plans of the World Order Kontrolling Systems, that I am criticizing, attacking or disagreeing with THEM. This is NOT So! WWE as WorldWide Educators have NEVER protested, demonstrated or petitioned the World Kontrollers for anything. WWE are fine with everything they decide, as they will meet what they have created during this lifetime and in their future lifetimes. They have their Free Will, just like Everyone Does and they can do whatever they want. WWE are Here for Everyone to WakeUp ALL The Way! My RealFocus 'IS' with The Real Essentials, as Everyone needs RealFood, RealWater & RealAir to survive here. There will always be those on Your Planet Earth who are Not aware enough to See past their own little personal worlds of obvious misunderstanding and unawareness, and so they are fine with creating Distortions & Deceptions to have their way. Cause & Effect Creation is for the sole purpose as a 'created position' for YOU to become 'objective' about what you create to eventually Recognize The TruReality LifeIS. WWE provide RealGuidance and a RealEducation like no one else! WWE are NOT political,

religious, spiritual, and WVE Do Not look to gods or saviors or old doctrines. WVE are Real & Wonderful! WVE are UNUversal Seers and WVE See what others cannot. The Whole of Life IS More than just Creation, but YOU Must StepUp and Take The Risk to Recognize IT & See IT! WVE show YOU how to Become MoreAware & SelfSufficient & Free Yourself from ALL Your Restrictions.

NUSessions 'IS' Non-Therapy by DUANE THE GREAT WRITER...

“This world has come to know such relationships as meditation, worshiping & praying, belief, hope, faith, tarot cards, psychics, medical doctors, voodoo doctors, shamans, soothsayers, reiki & taplining masters, and a host of others. These and other 'labels & ideas' are attached to ritualistically chanting hu, amen, om, aum, and other so-called therapeutic words or means, to try and resolve many people from what they have Agreed to and suffered from according to the invented systems of politics, religion, spiritual whatevers, and the stressful business world, plus so much more. These created 'things' are what has become known as Tradition, and where Traditional Ceremonies can annually occur, and to the point of Stealing Energies from a person, to Physical Sacrifice and unseen Astral TapLining. But from the one-dimensional

'surface view' what has become so Traditional is Not always Seen from a RealVU from The RealU, Your RealAwareness. Because most people are unaware of where they really are at on earth, and without The Complete TrueKnowledge of Cause & Effect Creation, they are the Unknown Effect of Temporary Healings, and moreover being infected, TapLined & Kontrollled by unseen forces, such as the Reptilian Alien TapLiners (RATS) have been doing to the dumbed down masses for eons. Just like the 'modern medications' which are mainly synthetic, they do at times offer the 'appearance' of a relief or cure, but overall, they have been created to Subliminally Kontroll the Herded Kattle Masses to Agree to HUMAN Farming.

The NUSessions are Non-Therapeutic. The NUSession 'IS' a True Essential that does take some time to See, because it provides a RealPosition to Become MoreAware, to where YU, The RealU, can See Beyond all of Creation and what has always Effected YOU. The Five Bodies (Four Unseen) of each person are merely 'vehicles' for your personal experiences in Time & Space Creation, and then to eventually Recognize that there 'IS' more than just a 'place' of Creation with The Whole of Life. The Kontrolling Systems of politics, religion, spiritual ideas and so on, are for the sole purpose of keeping YOU Here and a 'subject' to those who desperately need and want Your Support for many more drudgerous lifetimes! YOU are always Deciding Your Life, and until YOU Learn to See Beyond Creation altogether, then YOU will always

be the Effect of Everything Here, and even in your afterlife with the Designated Heavens of Man! YOU will be back, but YOU will Not Remember you were Here!

The NUSession... simply lie upon your bed or anywhere, and relax and let yourself be okay, as if you were lying on the sand at the beach on a sunny day. Sing NU~U~U~U... like this, and continue to do so for about 10 to 15 minutes, then let go and just relax. YOU are making The RealConnection with The Whole of Life, that 'IS' more than what exists in Creation. Like a college course, it is okay to give yourself time to Learn to See what is really taking place with Your RealAwareness. The Next Step for YOU, would be to Watch Your Dreams for Confirmation, and to also See what is Effecting you. As YOU Become MoreAware, you will better understand Your RealAwareness and how it supersedes your mind and emotions. Eventually, and this is a Big Step and Journey... YOU will someday Free Yourself altogether from Cause & Effect Creation and StandReal with who YOU, The RealYOU IS, a FreeBeing of RealLight in Real UNUniverses of RealFreedom!

WWE as WorldWide Educators really do understand what people have put themselves thru and what they are still having to deal with on a daily basis. All the above mentioned are like helpful 'bandaids' and some times necessary accordingly. The NUSessions are Non-Therapeutic in that, The NUSessions provide a Real

Opportunity for each person to Become MoreAware,
Capable & SelfSufficient for ThemSelves. WWE have The
RealCure for ALL, from the standpoint of Your
RealAwareness. The RealCure for ALL 'IS' nothing medical
or medicinal and is not a prescription to anything. The
RealCure for ALL 'IS' a Specific Recognition that not
everyone will come to See. No doctor can cure or even
treat everyone, and The RealCure for ALL is the same.
YOU Must Decide to Become MoreAware... IT IS Always
Your Choice!

~

THE TEMPLE BUILDERS by DUANEIS THE NUMAN NOW...

“There will always be those who want to Kontrol others on
Your Planet Earth. YOU have been here so many times
before and YOU are still doing what you have always
done, unless YU, The RealU, decides to WakeUp Now
from this Passing Dream that YOU are in. The Temple
Builders are part of The World Order Kontrollers who keep
people unaware and Trapped & TapLined and get their
paying supporters to build their temples. The Deceptive
Orators (old masters with pretty words owned by
deceptive wives) always get their dumbed down
worshippers to pay for what they have decided, and to
Kontrol their members with. They make their unaware

foollowers 'believe' there are gods in outer space somewhere that need temples on the earth for THEM. This is a Planned Business World to attract people to be Little Kontrollers with the Big Kontrollers. This is the 'idea' of higher fake computer initiations in Kontrolling Korporations, so certain people have have their own 'power' to manipulate others. It all 'looks' so good doesn't it... something to worship and praypay to... YOUR CHOICE!

~

THERE IS NO WAR by DUANE THE GREAT WRITER...

“What has always been taking place on Your Planet Earth is by Your Choice! There is no war without YOU deciding it! YOU are being unconsciously Kontrolled to Agree to all the unnecessary Demise and what is Destroying The ALLNatural Environment Supporting YOU! YOU 'think' you are a free thinker, but you are Not and YOU are far from it! Your Free Will is what YOU are Not fully aware of and how YOU are helping to infect Your Planet and Everyone on it! When you learn to WakeUp from this 'Passing Dream' you are in, YOU will SeeMore than you ever have, but YOU Must BE The Real RiskTaker to do so! As long as YOU keep thinking you know more than Life Itself, then you will constantly have to deal with all the Effects YOU have

created, as YOU are setting yourself into more future lifetimes of even worse embodiments! WWE are Wonderful WorldWide Educators and WWE know The NUWay Out of Cause & Effect Creation. StepUp and Take The Risk and Sing The NU~U and Become MoreAware with US!

~

YOU 'THINK' LIFE will BOW TO YOU by DUANE THE GREAT WRITER...

“YOU 'think' that just because you have a mind and feelings with sensations that are very near and dear to YOU, that The Whole of Life wil Bow To YOU! YOU 'think' that because YOU have Agreed to the all the Deceptions of the invented Gods of Man and their appointed Authoritarians on Your Planet Earth, that they will also Bow to YOU, as YOU plead and beg, pray and worship THEM (TapLining HUman Eating Martians). YOU keep 'thinking' that whatever YOU 'think' is more real and bigger than The TruReality LifeIS. YOU keep 'thinking' YOU know more than The Whole of Life. YOU have become the 'know-it-all' person on this little floating 'Place in Life' and that is why this world of Yours is Self-Destructioning, because YOU are Not Seeeing what YOU are Deciding & Agreeing to! YOU 'think' emotionally 'loving' everything will solve all the Deceptive Agreements YOU have made to The One World Order Kontrollers. YOU 'think' there are

others making Your Decisions for YOU, and that there will be saviors to fix everything YOU Have Decided & Created! YOU can 'think' and do whatever YOU want... BUT... what YOU are Deciding and Doing with Your Personal know-it-all 'ideas' and life, has Nothing to do with The Awesome & Pure TruReality LifeIS, THE ALLIS. You Decide Your RealAdventure!

WWE are THE NUYOUTH by DUANEIS THE NUMAN NOW...

“WWE are Wonderful WorldWide Educators and WWE Always Do Something Wonderful for Everyone. It will be so that most of this world will not be able to 'See' who WWE really 'IS' and 'What IS Real Now!' WWE as The NUYouth are providing a Real WakeUp like never before on Your Planet Earth. WWE Support The ALLNatural Environment Supporting ALL of US. WWE are more than the Sun Shining... WWE Are Real! For those who have The RealCourage to StepUp & WakeUp with US,,, YU, The RealU, will Become MoreAware with US into Real UNUverses of RealFreedom!

WWE are HERE to WAKE YOU UP by DUANEIS THE NUMAN...

“Why are YOU Here? To be in Your LA LA Land, which you have decided for untold lifetimes and is still Not working? There 'IS' so much more value to YOU than what you keep chasing here. WWE as Wonderful WorldWide Educators are Here to Wake YOU Up! WWE are Fun! YOU are So Lucky that WWE take the time to try and Wake YOU Up! What WWE are presenting to this world Makes Sense. Just like a RealEducation, which WWE provide, you have to do your research and homework to begin to SeeMore than you ever have before. There 'IS' a lot more to this world and Your Life than what YOU 'think' and what everything here 'appears' to be. You can continue to grow older and eventually forget why you came here once again, or Have Fun Reading The NUBooks and Waking Up with US!

~

YOU are THE WITNESS by DUANEIS THE NUMAN NOW...

“Each person decides the way they want to experience their life and what they want to do. This has always been

the basic 'idea' of the search for the meaning or beginning of our life and what we have come to know as Life Itself, as we know here. YOU Decided Your Life before you came here, or you didn't. YOU Decided to come, but YOU do not remember! Just like kids on the playground, we each Decide how we want to play. Until we know otherwise, we jump in and do something, as some just sit and watch others. We each have our Free Will to do whatever we want here, and at the same time we also do not have to do anything. ALL Life IS Awareness, a Real Awareness that 'IS' far too Real for the created 'personal self' to understand or ever See. We use a boat on the water and a vehicle to drive somewhere, and a plane to fly with, and this is why we each 'create' a Physical Body Vehicle to have Our WakeUp Experiences here with. Anything created here needs Agreement. Duane IS Presenting The NUNownness of THE ALL IS, and by the very fact of what 'IS' taking place Now, those who are The Real RiskTakers and StepUp to Become MoreAware, they will See what others will Not! So, those of YOU that do have The RealCourage to Be More than just a struggling Human on the earth and dealing with all the Effects of Creation, YOU, YU, The RealU, has a Wonderful Opportunity to Sing The NU~U, and get your own RealSide Experiences and BE a Real Witness with Rebazar Tarzs & The Real UNUiversal Guides. Being a Real Witness is a Real Privilege that most people will not

see, and this is why very few people ever discover The Real Meaning LifeIS. It is Always Your Choice!

Agreement and being a witness comes in many forms, as there were certain people who had the idea to create a government, and from what they decided to do, they in turn marketed and maneuvered others to Agree to be witnesses to Support THEM. This is the world today. Paul Twitchell started his presentation of Eckankar, which has become Joan Klemp's Takeover Korporation of EEKonKON, 'The Big KON!' SHE (Joanee) has Nothing without the marketed Agreement of the dumbed down membership. This is how everything works here, and that is it takes Agreement for anything to become possible. And so with what I am presenting as Duane The Great Writer & THE NUMAN, also takes Agreement to Something Wonderful & Beneficial for ALL. Joan Klemp's puppet master, Harry Klump, is nothing more than a self-absorbed little 'king in his mind' as SHE Astrally TapLines all those who Agree with Harry. SHE is only interested in Money & Power with HER Reptilian Regime with the Kalaum God, Grog. She has HER one-die'mentalanized RoButts in an unconscious Agreement to basically do whatever SHE wants. This is why SHE has HER 2017 Lawsuit, because many people are Waking Up to what SHE has been doing all along. There really is a difference between Honorable Agreement and Deceptive Agreement. ASK Rebazar Tarzs & The RealGuides. ~

WHAT OPRAH & OTHERS DO NOT KNOW by DUANE THE GREAT WRITER...

“It would 'seem' that those who are most popular with the unaware masses 'seem' to really know something, when in fact THEY DO NOT! The religious self-appointed high order and their monarchy of treachery and deceit, the political pompous tyrants deceiving the HUMAN Farming Masses and stealing everything they have, the 'pretty words' and Emotional Love TapLining of the old fake masters and gurus and their one-dimensional 'spiritual front' businesses (Joan Klemp's Eck'KON'kar 2017 Lawsuit Kontrolling Korporation) and the RoButtized Educational System that turns out unaware graduates to go into boring drudgerous 9 to 5 jobs, and the Movie Stars and how they are 'paid' to fool their 'Dah Foollowers' into a Total Submission of Free Will into 'tinsel town illusion' that adds to the Demise of The ALLNatural Environment Supporting ALL of US! AND THERE IS SO MUCH MORE... WAKEUP! Where did Oprah and others like HER get their information from... usually from reading books written by others and watching TV. I have RealExperiences from The RealSide LifeIS, and yes, I do see movies and read a little, but most of what I write and talk about is from My RealExperiences with The Real UNUversal Guides and THE ALLIS. The idea on Planet Earth at this time is, that if you are 'popular' and know how

to get a lot of artificially created FED Money from others, then you are truly successful and one of the very few smart people here... WOW! Nothing could be further from The TruReality Life! After millions of lifetimes and going thru untold Yuga Cycles, most people are still struggling with their unawareness and personal nonsense and looking to the Kontrolling Authoritarians for their answers to Life. There is No Life Here! YOU are Fooling Yourself, until YOU StandReal with Rebazar Tarzs & The Real UNUversal Guides and Learn to Recognize THE ALLIS. Most of the dumbed down and KON-Trolled unaware masses are worshiping and praypaying to the invented gods that keep them unconscious in Cause & Effect Creation! Oprah and others like him are providing a One-Dimensional View, which is Physical/Astral and that is it! To a certain point what they are doing is working like a car with a tank of gas, until the gas is gone and then YOU are lost and walking to nowhere. Oprah and his know-it-all buddies are actually doing a 'disservice' to everyone, because they Do Not have The RealCure for ALL, as The RealGuides & THE NUMAN NOW. Oprah and the 'Others' Do Not have The RealAwareness to See The TruReality Life, so they milk the unaware for whatever they can get and 'look good' doing it! They 'think' they are so smart, when in reality they are unconsciously Agreeing to what the Reptilian Alien TapLiners (RATS) want him to do! They are Unaware & Agreeing to the Demise of Everything Here! The RATS are fine with what people know about

THEM (TapLining HUMAN Eating Martians) because it continues to create Fear in the personal mind and Astral TapLining bodies of people! WAKEUP OR STAY LOST!

~

THE ISNIS LIFEIS is NOT ABOUT ME by DUANEIS THE NUMAN...

“WE are ALL in THE ISNIS LIFEIS. YOU may 'think' you know where you are, but with your mind, body and senses, you are only 'thinking' you know. There 'IS' a Huge Difference between Cause & Effect Creation and THE ISNIS LIFEIS, which 'IS' The Real UNUverses beyond the Gods of Man and Creation. Until YOU Learn to Recognize THE ISNIS LIFEIS, then you will Stay Stuck, Trapped & TapLined in Creation. YOU can 'think' and create whatever you want here, but you will just keep going thru the same old process (lifetimes) you always have of being Self-Convinced about what you know here and that is all! What I am presenting as Duane The Great Writer, DUANEIS THE NUMAN NOW & The NUPresentation, is Not About ME. I am The Real RiskTaker on My RealAdventure with Rebazar Tarzs & The Real UNUversal Guides, who asked Me to create The NUNowniss of THE ALLIS. Until YOU WakeUp from Your Personal 'LA LA Land Life' here and Get Past the Little Personal Self, then you will stay TapLined & Trapped, because of Your Choices in Cause &

Effect Creation. Until YOU StepUp and Sincerely Support US with Proving Yourself & Earning Your Way, WWE The RealGuides, then WWE cannot Support You, and so YOU are on your own and YOU will continue to be the Unconscious Effect of yourself here. The Personal Self, the Physical Body, which exists in Black Space, or what is known as 'Level One' is nothing more than a 'Created Vehicle' for The RealU to have experiences here, and then to eventually WakeUp and Start Your NUJourney into The Real UNUverses beyond Time & Space Karmic Creation! Some of the unaware people who do not Look to The RealSide and Ask Rebazar & The RealGuides about THE NUMAN, as I suggest all the time, keep 'assuming & thinking' I am a little self-proclaimed master or guru, like old Harry Klump of the Joan (Reptilian) Klemp Eckankar 2017 Lawsuit Takeover Korporation. AGAIN... What I am doing here is Not About ME, but The Real Opportunity I am presenting to Recognize The TruReality, THE ALLIS, and Free Yourself from The Deceptors in Creation! IT IS Always Your Choice!

~

LIFE KNOWS what YOU DO NOT KNOW or SEEE by DUANEIS THE NUMAN...

“YOU keep 'thinking' you really do know something. This is how the Personal YOU thinks, that part of your physical

experience with the body vehicle YOU created. The Whole of Life Already knows that YOU Do Not Know or See 'What IS Real Now!' YOU are a person of this world until you are not, and that is all you will be until YU, The RealU, Wakes Up ALL The Way. YOU have decided to be Self-Convinced, and by doing so, YOU have separated yourself from The Whole of Life. YOU have taken on so many of the 'socially accepted' ideas that have been created here that 'seem' to be more than what they really are. As long as YOU keep identifying with what you have been told and educated with, then YOU will just grow old once again and return here once more unaware. If YOU have any RealCourage at all, then Sing NU~U and Watch Your DreamVisions and Life will show that YOU Do Not Know what IT IS! You have been indoctrinated and trained like a robot to 'believe' in invented gods and saviors, and that Cause & Effect Karmic Creation is the ultimate reality. Life Already knows you are lost in your own self-convictions and Life will show YOU, but only 'if' YOU Take The Risk to SeeMore than YOU ever have before! YOU keep 'thinking' you know... when actually Life Already Knows that YOU Do Not Know! Do YOU want a RealAdventure Like No Other to See what YOU Do Not Know? WWE know The NUWay Out of Cause & Effect Creation!

I SUPPORT REBAZAR TARZS by DUANEIS THE NUMAN...

“Before coming into this life, I was with Rebazar & Paul on The RealSide. We basically planned what would be taking place with what we were going to present, and of course there has become a lot of 'variables' in the meantime. The Hard Core Physical Realm is The RealAdventure and what is needed for YOU, The RealU, to WakeUp Now, but if you do not, then you will grow old all over again! I understand how difficult it is to See Past what has been create here, but if YOU do not Take The Risk to SeeMore and StandReal with The Whole of Life, then YOU have Trapped & TapLined Yourself once again in The Designed Matrix of The World Kontrollers. I have always supported Rebazar Tarzs & The RealGuides, as they are Supporting Me. Rebazar is Not a master or guru, and is not associated in any way with, Joan (Reptilian) Klemp's TakeOver Eckankar Kontrolling Korporation. Joanee is a sneaky and crafty business woman using others to have HER 'place' on the earth according to HER! This Earth World is filled with unaware people who are creating the Demise of The ALLNatural Environment Supporting ALL of US. Rebazar & Paul StandReal with THE NUMAN~DUANEVA. Most of the unaware masses are 'living in their chosen past' and cannot See The NUNowniss of The TruReality LifeIS, THE ALLIS. Traditional Demise is a 'way of life' on earth! ~

WHAT THE NUPRESENTATION IS NOT by DUANEIS THE NUMAN NOW...

“The NUPresentation is Not 'What YOU Think it is!' YOU 'think' it is 'this' and YOU 'think' it is 'That!' No... WWE are Not 'this & that!' WWE are Wonderful WorldWide Educators Supporting The ALLNatural Environment Supporting US. Here is Your Hint to... “WWE are Wonderful!” First, it is 'okay' to stop 'assuming' who WWE are and what WWE are doing here. WWE have The RealConnection, The NUSound, NU~U, with The Whole of Life & The Real UNUversal Guides, and what this means is... WWE have 'The NUWay Out of Cause & Effect Creation' for YOU, if YOU have The RealCourage to StepUp and Be Real Now! YOU must first Read The NUBooks & Sing The NU~U, until you get the results you want for YOU to Become MoreAware. In Your Professional Career, did you figure it out overnight, and when you have gone thru all your training and schooling, is there still more to it? Is this a 'hint' for YOU or what? With US... YOU are starting to enter The Whole of Life with ALL The LifeLevels, so compared to your profession and schooling on little tiny earth... how long do you figure it will take you to Really WakeUp to Everything LifeIS? Are YOU getting The Big Picture Yet? WWE are Fun & WWE are Real...

Take the time to figure US out, because WWE are Really Free with ALL of Life!

DOROTHY 'THE WEATHER GIRL' by DUANE THE GREAT WRITER...

“A TruHero has arrived and She 'says it like it 'IS' for those who can Really Hear. 'Miss Dorothy The Weather Girl' is just in time to warn this world about 'The Weather Wars' that have been taking place and will continue into the dark future of the Planet Earth. YOU are being Manipulated & Kontrollled to Agree with the Demise of Your ALLNatural Environment Supporting ALL of US. Are YOU Sure YOU want to keep Polluting and Poisoning Yourself and Others? Is it really worth it that Your Stock Prices and Financial Gain go up with your investments in the Big Kontrolling Khemical Kompanies that are Destroying Your Planet? WakeUp and See what is really taking place here and StepUp with US for ALL!

POLITICS & RELIGION by DUANE THE GREAT WRITER...

“Any created system is fine, as long as it is a True Benefit for all who support it, as the idea is that it support those who do. WWE as Wonderful WorldWide Educators have nothing to do with the decisions of the created systems of politics, religion, spiritual teachings and scientific whatevers. WWE LUV The ALLNatural Environment Supporting US. If politics and religion are true systems for everyone as they continually imply, then it Makes Sense they should more than Support What Really Supports Them... The ALLNatural Environment! The Birds & Animals Do Not Destroy their environment like unaware people do! It is more than obvious The Natural Environment is purposely being destroyed. The people doing this are 'pretending' it is not really happening, as most people are too self-absorbed to notice what is right in front of them! This is Your Planet Earth and YOU Decide! Your Children are The Future Now!

~

THE NUMAN 'IS' HERE NOW by DUANEIS THE NUMAN...

“Most unaware people will Not See why Paul Twitchell was here for his time on earth. Paul Twitchell & Rebazar

Tarzs have nothing to do with 'Joan Klemp's Eckankar Takeover!' Paul & Rebazar are Real Environmentalists. Joan Klemp took over Eckankar 'The Big KON' and turned it in to a Sacrificial VooDoo Religion, and HER Cause & Effect Retribution is showing up! SHE has little NatZee RoButts who like their 'power' ideas. SHE has HER NatZee Guidelines that everyone must obey, but it is all about HER 'TapLining Love' and that's all that matters, as HER Dumbed Down MemberShrimps get illnesses and cancers from HER! SHE is part of The Greatest WakeUp Ever, but SHE is too unaware to See this. SHE provides the best example of What Not To Do, as SHE Worships and Prays with HER One World Order Bunch. SHE does not like me, because I can See HER and everything SHE is doing to unaware people. Most people will Not See why THE NUMAN (DuanEva) 'IS' HERE NOW. For Me, what I have known and experienced with Rebazar Tarzs & The Real UNUversal Guides 'IS' My Privileged Position. What I am presenting as The NUPresentation is not about me so much, as IT IS ALL about The TruReality LifeIS, THE ALLIS. ALLIS The ALLNatural Environment Supporting ALL of US. I do not take for granted my association and relationship with The RealGuides. The Real UNUversal Guides Always Focus on The Natural Environment on ALL LifeLevels. ALL LifeIS Awareniss, Your RealAwareniss. There is no written or spoken word that equals The TruReality LifeIS... None! You Must BE The Real RiskTaker and See what YU, The RealU, has

never Seen & Recognized before. Rebazar Tarzs & The RealGuides chose DuaneIS The NUMan Now. THE NUMAN 'IS' for ALL and what Supports ALL of US. The RealGuides & The Whole of LifeIS The Real BackUp Standing Real with THE NUMAN NOW~DUANEVA. Those who want to have their personal life and Free Will according to the unaware people destroying The Natural Environment, have the

right to do whatever they want. YOU can WakeUp to 'What IS Real Now!' ~

YOUR GARDEN of EDEN by DUANE THE GREAT WRITER...

“Many religious people look to their Garden of Eden 'idea' to come down to the earth, yet at the same time many of them keep Agreeing to the Total Demise of The ALLNatural Environment Supporting ALL of US. For those who 'believe' in their gods & saviors, when are they going to fix the mess YOU created? Are YOU going to just do your happy prayers and continue to watch this world burn up with ChemTrails, GMO TeckFood, Mind Kontrol Microwaves, Lethal Vaccines, Fukishima Radiation, Political & Religious Deception, Poisonous Oil Fracking, Fluoridated Water, Deforesting, Subliminal Astral TapLining, and so much more? When are YOU going to

Do Something to make Your Garden of Eden on Earth?
Will 'pretty words' and political speeches bring back
everything that has been destroyed? WWE as Wonderful
WorldWide Educators Support The ALLNatural
Environment and WWE do Our Part Everyday! How many
more centuries will YOU be praying for Your Saviors to fix
everything? Guess what... YOU Do Not have centuries,
but only a few more years before everything that is already
poisoned is Gone! WakeUp and See who is really
Deceiving YOU with 'sound- good' stories that are making
Your Planet Earth Worse Everyday!

~

WHY are YOU HERE by DUANE THE GREAT WRITER...

“It has taken Rebazar Tarzs & The RealGuides, Paul
Twitchell and MySelf, many lifetimes to prepare for The
Greatest WakeUp Ever, and to present The
NUPresentation, The TruCompleteness of THE ALLIS for
Everyone. Just like what Paul went thru when he was
here, I am going thru the same funny situations with
unaware people who 'think' they know more than The
Whole of Life. I am fine with the confrontations of
misunderstandings and silly personal attitudes that many
people like to claim for themselves as their lifestyle. I show
people how to WakeUp ALL The Way, and most would

rather stay stuck and cater to their personal whims and thrills, as they chase their created ideas into more unaware lifetimes of even worse conditions than Now. YOU always decide where YOU will end up according to what YOU become convinced about. As YOU convincingly 'believe' and 'think' from your personal life, YOU will end up with more unaware personal lives, because YOU are deciding it and Not Seeing this. Rebazar & The Real UNUversal Guides Support each other Very Realistically, and Not Artificially like the politicians, religious clergy, and old masters and gurus who spewing out their 'pretty words' as they really do nothing, but create 'sound-good' ideas that are Emotionally Stimulating to keep their followers at an Astral Realm Consciousness. Why did YOU Come Here? Was it to chase riches and have some kind of created position for yourself, or perhaps to find a Soul Mate? YOU have Forgotten why YOU are Really Here, and even when YOU do WakeUp to this, YOU always have YOUR Choice to stay lost with Your Personal Self and what it wants. The richest and most influential people on this world actually have nothing, unless they can StandReal and Do Something Real with The RealGuides & THE ALLIS. The Whole of Life IS ALL About Your RealAwareness, and if YOU do not Take The Risk and StepUp with Rebazar & The RealGuides, then do YOU 'think' they will just take you to The Real UNUverses of RealFreedom, because YOU were born into a so-called 'special family?' The 'personal' situations that we have

each created do have their place here and so does Cause & Effect Creation, and for the most part, Your Personal Life will come first with YOU, as YOU have always decided, and that is why YOU are still here, because YOU keeping deciding this, no matter what YOU 'believe' to be so. The Whole of Life, The TruReality LifeIS, THE ALLIS, can only Recognize those who use their Free Will to Step Forward and StandReal with 'What IS Real Now!' Most people are still unconsciously carrying their Fears and Emotional TapLinings according to their pastlives from all the intimidation and brutality with the invented systems of Kontrol. YOU can 'think & believe' whatever YOU want, but it has Nothing to do with Recognizing, Seeeing & Standing Real with THE ALLIS. YOU Must Earn Your RealFreedom, and it will take a Lot More for YOU to WakeUp than YOU think, than just 'believing & following' old invented ideas of The World Kontrolling Systems!

PURITY & SINCERITY NU~U by DUANEIS THE NUMAN...

“The TruReality LifeIS 'IS' PURE & SINCERE! IT 'IS' a RealPurniss that cannot be fully considered with your mind or senses. Whatever you consider THE ALLIS to BE, 'IS' far moreso than can be defined or considered. So, What IS IT? First... YOU must discover 'What IT IS Not!' and

then WakeUp and See a Real Comparison to 'What IS Real Now' to start to See Beyond your mind and personal senses. This 'IS' a Huge Challenge and very few will attempt it, but if YOU do not Take The Risk to See THE ALLIS, then YOU will stay lost in the Matrix of Creation, until YOU DO! Every Moment YOU are Here & Now 'IS' Your Choice, and YOU can only live with the Choices that YOU make! No one is making Your Choices! This is why the marketed ideas of 'belief, hope & faith' and the imaginary Gods of Man do not work and are invented fallacies. The Planet Earth and The ALLNatural Environment are Getting WORSE Everyday, because YOU and others keep Agreeing to what YOU Cannot See... Your Unconscious Agreements of TapLining Demise! YOU are TapLined and YOU do Not See this! LIFE IS an ISN IS ALREADY. IT 'IS' ITS own TruReality that must be Recognized with Your RealAwareness, that which is operating Your Five Bodies in Cause & Effect Creation. The Whole of Life IS PURITY, and not just chasing what the personal wants that leads to more unaware lifetimes. You Decide Your Fate. Nothing is Negated with what YOU want Your Life to be. RealFreedom 'IS' with Your RealAwareness and Not with Your Personal Self. YOU created the Personal YOU, and YOU 'think' it is YOU. Fine, but if YOU do not WakeUp to The RealU, Your RealAwareness, then YOU will just grow old and forget YOU were ever here once again! When YOU Truly Focus on Purity & Sincerity, YOU will soon begin to SeeMore!

Singing The NUSound, NU~U, will Open YOU to The RealConnection with The TruReality LifeIS, THE ALLIS.

**THE REALGUIDES are 'NOT' SERVANTS or SAVIORS
by DUANEIS THE NUMAN NOW...**

“The old 'idea' that a god created You, and that You are to bow down, kneel and WorseShip & PrayPay to invented 'god' ideas, has always been a Cleverly Created Marketing Ploy by the original invaders on this planet, the Reptilian Alien TapLiners (RATS). YOU can do and decide whatever you want to in Cause & Effect Creation, but what YOU have become 'convinced' with has Nothing to do with The Whole of Life, The TruReality LifeIS, THE ALLIS. The Real UNUversal Guides StandReal with THE ALLIS & THE NUMAN~DUANEVA.

The RealGuides are Not 'masters' and they do Not Recognize, 'Joan Klemp's Kontrolling Eckankar Korporation (KEK)' and HER puppet master, Scarry Harry Klump. The unaware masses have been KONditioned and In'Doctored'nated into 'thinking' they were created by Mysterious Outer Space Entities (gods) from somewhere beyond the atmosphere of the Planet Earth. Beyond the earth is nothing but other 'floating rocks' and a solid blackness. It is so that there are many other 'levels' in

Creation that are Not Seen with the physical eyes, and the 'gods' that are always refereed to are GovernorLords & Conquerors on the Astral & Mental Realms. The Kalaum God, Reptilian Grog, is the Three Headed God, who 'supposedly' is the almighty whatever, and will get to YOU if you do not obey the created 'ideas' on earth that the Authoritarians have cleverly devised and invented to keep you here as their slave and TapLined with! If this sounds like a 'good plan' to you, then have fun with what YOU decide.

The Real UNUersal Guides are 'NOT' at Your 'beckon call' like the Gods of Man supposedly are, which they really are Not, but it does 'sound good' that they (the gods) just might be so. The RealGuides are Not Slaves to the 'whims' of the Personal YOU, that YOU created. The RealGuides are Not Saviors to Save YOU from Yourself. Only according to how YOU StepUp & WakeUp, will The RealGuides provide their RealGuidance, and even then, YOU have to Earn Your Way Very Realistically. The RealGuides See the Real Intent of a person to where the person Cannot See Themselves. YOU have been thru lifetimes of 'thinking' that there are gods who are taking care of you. It is so there are people who do care, and there are Angels in the Astral & Mental Realms that rather nurture people with their 'believing this & that', but even they Cannot Live Your Life and Make Your Choices for YOU! To have RealFreedom in The Real UNUverses is a Huge Accomplishment and YOU must Realistically Pay

Attention and Be Motivated to Succeed! The Whole of Life IS ALL about Waking Up to Your Real Awareness & Becoming More Aware & Standing Real with THE ALL ISN IS LIFE IS. YOU, with Your Personal Will, will always have to deal with Yourself, until YOU have The Real Courage to Face Yourself and everything YOU have created. The days of masters and gurus are gone, but they are still always here and kind of half-alive for those who want to be 'followers, worshipers & members' and Tap Lined and Stay Lost in Cause & Effect Creation for More Unaware Lifetimes! Pretty Words from old masters and

politicians will not get YOU one foot of the ground from returning here unaware! ~

WWE ARE IN COMPLIANCE by DUANE THE GREAT WRITER...

“WWE are In 'Compliance' with Everything that is taking place on Planet Earth. WWE know who Controls this world, and WWE are in Compliance with those who are creating all the Deception & Distortions. WWE are a Huge Asset to Everyone who is able to Wake Up ALL The Way Now, and also those who are afraid the most... The One World Order, who market people into staying unaware on an unconscious level. WWE are UNUniversal Seers and

beyond Cause & Effect Creation. WWE can See ALL of Creation and ALL the various levels that even the Elites cannot See. WWE already know 'They' are very afraid, and they do not have to be afraid anymore, and this is why 'They' create all the Deception, because many people are Becoming Aware like never before. 'They' are only making their situation in Creation worse by what they are doing. 'They' know they have Trapped Themselves, because 'They' invented the 'god' ideas and the 'believe' ideas, and even though 'They' have marketed the unaware masses to Agree and be subservient to THEM (TapLining HUMAN Eating Martians) 'They' already know 'They' have nowhere else to go, but Down! And where 'IS' The RealAwareness coming from that 'IS' more so than They can ever consider? Not from the masters, teachers, philosophers or psychics, or the 'big brain' intellects, but from US (UNIVERSAL SuperBeings). Psychics abilities are from the Astral Realm only, as is the ShapeShifters. WWE have 'The RealCure for Everyone' so that No One needs to fear anything ever again! BUT... YOU Must StepUp and Be Willing to Be Real & Wonderful, or stay lost with your own self-convictions and Kontrol, and YOU will be lost in Cause & Effect Creation Forever! WWE are Here For Everyone, so Take The

Risk & StepUp & BE Real!

WWE are HAVING FUN SHARING & DOING WHATEVER by DUANE THE GREAT WRITER...

“It really does seem like WWE are doing something here, and WWE are, and it all depends upon those who want to StepUp & SeeMore than just their everyday fabrications in Creation. WWE live and breathe here too, and at the same time WWE Learn to SeeMore. YOU can actually SeeMore Too! WWE

are Fun & Wonderful! WWE are The NUKids Sharing Something Wonderful! ~

YOU HAVE FORGOTTEN THE REALU by DUANEIS THE NUMAN...

“YOU are Not Remembering that you were here before! YOU have grown into a Considered Solidness of Agreement and Forgotten Your Real ChildLike Nature. YOU 'think' the world you See outside of yourself is all there is to Life, but there 'IS' so much more that YOU are Not Seeeing! If YOU do not WakeUp ALL The Way Now, then you will probably stay asleep and have to live your life with what the outside world decides, and especially The Deceptors who Rule Planet Earth for as long as it lasts with Poisonous ChemTrails, Mind Kontrolling Microwaves, WiFi, Lethal Vaccines, HAARP, GMO,

Fluoridated Water, Smart Meters, Nano technology and so much more. Yes, there are a lot of nice places on the earth, but everything is rapidly being destroyed and YOU are part of the Agtreeing HUMAN Farming Masses! Time to WakeUp!

~

BEING INDIFFERENT or BEING SELF-CONVINCED by DUANEIS THE HUMAN NOW...

“YOU are Your Own Prisoner! It is so that YOU have been here longer than you have to be. THE ISNIS LIFEIS, IS to where YOU can Decide Right Now to BE Indifferent to the Restrictions, you have always Agreed to, instead of Being Self- Convinced and unconscious to Your RealAwareness. The old religious and spiritual 'ideas' are to Kontrol the HUMAN Farming Masses into a constant submission of staying Trapped & TapLined to 'ideas' that sound-good like political speeches, instead a RealPosition of RealFreedom with ALL of Life. What has taken place for thousands of years and into eons has Not worked, but has gotten worse with the Purposely Planned Poisoning of Planet Earth. Being Convinced in Creation is 'Being' a Prisoner with No Potential! YOU are a Self- Convinced, Self-Absorbed Person growing old for untold lifetimes and making emotional decisions that 'seem' to be something to

cherish. YOU have Agreed to the invented Kontrolling systems of politics and religions and everything else, and YOU will stay stuck here until YOU Completely WakeUp to THE ALLIS. The TruReality LifeIS, 'IS' Totally Indifferent, Real & Pure, to anything YOU can ever consider or even imagine here! The Whole of LifeIS PURE beyond any consideration, and as though IT could not exist at all! With this 'hint' for you to consider, could it be that YOU would Take The Risk to 'See' what cannot Be Seen with your mind and thoughts? IT IS Not a Consideration or an emotional sensation with your Astral Body, as you have known for untold lifetimes of the same old drama that has brought you Here & Now. If YOU Do Not StepUp Now, then when is it you will? YOU keep 'thinking' YOU know more than Life ITSELF, and as long as you do... YOU will be here wondering around unaware and not knowing What Life Already IS! The NUPresentation 'IS' providing Everyone with a RealVU of Cause & Effect Creation, and how to See Beyond ALL Your Restrictions into The Real UNUverses of RealFreedom Now!

~

EVERYTHING 'IS' for EVERYONE by DUANE THE GREAT WRITER...

“After a huge amount of tortured, ruined and destroyed lifetimes of seemingly endless suffering and enslavement, most of the unaware people on this planet are still Agreeing to the same Old Demise as they always have! So much of what is taking place here is Not Necessary, and YOU can Become MoreAware, SelfSufficient & Free Yourself from ALL Your Restrictions! There are those who have taken what others have earned from lifetimes ago and these are the 'well- to-do' who feel they are special, but have actually created huge debts they must face. It is so that we each earn what we do, but at the same time, to glorify the accumulation of so-called wealth from past takeovers and to watch this world suffer and burn, because there is only so much time left before everything is completely poisoned, is nothing more than a Huge Karmic Burden for those who 'think' they know more than Life ITSELF! Everything 'IS' Actually for Everyone, and until each person steps up and Sees Beyond what they know, they will keep themselves Trapped & TapLined to this world with the Reptilian Alien TapLiners (RATS) who rule here! It really does take a lot to explain the simplest of understandings, and still the personal mind of the self-absorbed wants to have it's way no matter what! YOU can have whatever YOU want, because YOU have Free Will, and it is Your Free Will that is keeping YOU Trapped & TapLined here. YOU have a whole lot to Recognize to Free Yourself from the Designed Matrix of the RATS! SO... YOU can keep listening to your own mind and free will and

stay lost here, or you can Let Life Show YOU 'What IS Real Now!' YOUR CHOICE!

THE NU~U 'IS' NOW by DUANEIS THE NUMAN...

“For untold eons and Yugas (Sections of years in Creation) a huge preparation has been taking place with Rebazar Tarzs & The Real UNUversal Guides with THE ALLIS, for The NUSound, The NU~U, to enter Cause & Effect Creation. Paul Twitchell, The RealGuide, was chosen to come first and set the stage, so to speak, in 1965. Then came the 'interim' or the in between time with Darwin and Harold, and of course Reptilian Joan, to be considered later, and what was to take place would someday be revealed. The Whole of Life Knows ITSELF, and 'people' with their personal life and views feel they know more than Life ITSELF. Instead of moving forward and Exploring, the 'Literalized & Indoctrinated' people convince themselves they already know all about whatever shows up in their life, even though they have No RealExperience. NOW IS THE NUWAVIS, which is to Recognize What 'IS' More Real than anything that can be considered with any of the Five Bodies each person has. Duane was shown He would BE THE NUMAN for The NUNowniss of THE ALLIS, because Duane can See what others cannot. Only

certain people who Decide to Be Real RiskTakers and StandReal with Rebazar Tarzs & The Real UNUiversal Guides, and then StepUp and Prove Themselves by Doing Something Wonderful & Real, will be shown how to Become MoreAware according to The Whole of Life, THE ALLIS, which has Nothing to do with the fallacies of the Gods of Man and their invented documented saviors. The One-Dimensionalized People on Planet Earth and other RoundWorlds have known the words of HU, OM, AUM, Amen and others, which have fallen prey to the Conquering Space God, Reptilian Kalaum, also known as Lord Grog, The Lord God. The Gods of Man are the created 'fallacies' of the Reptilian Alien TapLiners (RATS) and their invented 'sacred doctrines' who were the original invaders on earth and so many other planets in the Physical Realm. The RATS have 'marketed' their 'political pretty words' to the unaware masses to keep people dumbed down slaves for ongoing unconscious lifetimes. The RATS know they 'need' Agreement from others to survive and live off of. Since the beginning of this Yuga, there are those who have made their choices in Creation to where they have come to this very moment as to what and who they are. They have convinced many of the humans to become Reptilian TapLiners and rule the HUMAN Farming with THEM (TapLining HUMAN Eating Martians). And so, the created systems of politics, religion, spiritual teachings and scientific madness, are all with The One World Order of Kontrol! THE NU~U, can Free YOU

from The Time & Space Matrix of Creation and the RATS
for more lifetimes of an even worse environment than
Now!

WHAT THE SUN 'IS' DEMONSTRATING by DUANE IS THE NUMAN NOW...

“The Sun 'IS' Demonstrating... THE ISNIS LIFE IS, and it is
up to YOU, to Recognize this or not. WWE as WorldWide
Educators do Not look to the Sun as anything more than it
is, a rock on fire. BUT... IT IS what the Sun 'IS'
Demonstrating that 'IS' part of The RealSecret to The
Whole of Life, as to why YOU are Here & Now! From the
personal view, what the Sun is 'doing' is lighting this world
and providing what Nature and all of us need to survive in
a One-Dimensional LifeStyle. What the Sun is 'doing' is
providing for the Physical Body, which is a necessary
experience for all of us to have in Cause & Effect Creation.
What the Sun 'IS Demonstrating' IS Something More than
what your personalized indoctrinated mind can
comprehend, which can be Seen, once YU, The RealU,
Decides to WakeUp and Recognize The TruReality Life IS,
THE ALL IS. Until YOU really want to WakeUp ALL The

Way from Creation, YOU will be the Effect of everything around you and most of all... YourSelf with Your Free Will! There IS so much more to YOU then what you and this world have come to know! WWE give YOU The Real Hints and YOU Decide to WakeUp for Real! ~

The TruCompleteness Courses by Duane The Great Writer...

“I am Sharing My RealExperiences with Rebazar Tarzs & The Real UNUniversal Guides & THE ALLIS. IT IS a Huge Journey to Recognize & PerSeeve THE ALLIS, and The Real Journey IS so much moreso than what each person has been thru with all the lifetimes they have lived here. The TruCompleteness Courses provide Real References and Real Hints to The TruReality LifeIS, THE ALLIS. YOU, YU, The RealU, must first face yourself and what YOU keep deciding with your personal life to escape what YOU have already created from many lifetimes. It is up to YOU, to Learn to See Beyond this life and Recognize The Real UNUniverses of RealFreedom from all the Restrictions of Cause & Effect Creation. WWE provide a Real Opportunity like no one else. The 'god trap' and Astral TapLining is a huge infection with the political, religious and spiritual

systems of Kontrol, and they can Decide Differently at any time to Become MoreAware and Make Better Choices. The old fake masters are still around and TapLining their unaware followers at night while they sleep. I am sharing what I have been thru to get here with The NUPresentation & The RealGuides. Life LUVS The Real RiskTaker, and the Reptilian Alien TapLiners (RATS) love the emotionally attached to their gods and old doctrines. YOU will always Decide Your Life, or let others 'market' you with their ideas!

AFRICA IS ALLALIVE by DUANEIS THE NUMAN NOW...

“Mariam Elbou NULeaderIS, IS The Wonderful WorldWide Educator with Charles Londi NULeaderIS, in Africa and Sharing The NU~U. Africa 'IS' ALLALive in The TruSense with The NUSound, The NU~U! Rebazar Tarzs & The Real UNUversal Guides are with THE NUMANIS DUANEVA, and Sharing 'What IS Real Now' with Everyone on Planet Earth, and all thru Cause & Effect Creation and into The Real UNUverses of RealFreedom. Mariam Elbou NULeaderIS & Charles Londi NULeaderIS, have made huge strides with Sharing The NU~U for ALL. The old ways of the political, religious and spiritual systems have

become infected by the One-Dimensional Business World of Kontrol. The old days of masters and gurus is Gone!

ARE YOU PAYING ATTENTION by DUANE THE GREAT WRITER...

“Are YOU Paying Attention to Your Planet Earth? Do YOU actually SEE what is really taking place here? Is this world getting better or worse? YOU may have your new car, home, relationships and the big business world to play in, along with your big dreams, but what is really happening right in front of YOU, while YOU are Not Paying Attention to the Bigger Picture taking place here? I suggest YOU study The Real History of Atlantis, because YOU are once again in the same situation you were back then! Just like the purposely planned sinking of the Titanic, it will not matter how much money, gold and silver you have... IT WILL ALL BE GONE! YOU are in The Last Yuga of this Matrix Cycle, and if YOU do not WakeUp Now, then chances are you will have to repeat hundreds of thousands of lifetimes in the next Yuga Cycles. YOU only have so much time to figure out how to get beyond Creation all together! Whether you 'believe' it or not, the original Reptilian Alien TapLiners (RATS) who first invaded earth and took over this planet are everywhere and Kontrolling Everything! The RATS invented the political,

religious, spiritual, educational, doctrines, and scientific madness systems. For untold lifetimes, the RATS have intimidated, tortured and destroyed people to get them to Agree to keep returning here as 9 to 5 slaves to worship and pray to their invented gods and into what they have created to Kontrol YOU. YOU are on a 'HUMAN Farming Planet' that is purposely poisoned until there is no more atmosphere like Mars and Venus, and the remaining prisoners and Deceptors will be living underground! The Next Fukushima Wave is coming and it is a lot bigger, because of what YOU and others are Now Deciding. There is a Created Consciousness of Demise here, and Not the one of 'love' that some people like to 'think' is happening. The unaware masses are giving their 'emotional love' ideas to the Reptilian Kontrollers and 'thjinking' they are loving their gods and saviors, who are actually the Deceptors ruling over YOU! YOU have been educated into a One- Dimensional Matrix to Agree with the Destructive Distortion the RATS have created for YOU! Until you take the time to Really Understand what Creation is, and the Six Levels that exist with it, then YOU will continually be the Effect of Everything here on this Surface World! Just like in the movie 'Independence Day' where the unaware masses 'thought' the Aliens were friendly... THINK AGAIN! It is so, there are many friendly Aliens, and for the most part, they stay away from this planet, just like most of the birds and animals stay away from people... because they Do Not Trust THEM! I am Not Predicting

Doom, as I am merely informing YOU & Everyone, that because of what YOU keep Agreeing to, and mostly on an unconscious level, YOU Keep Deciding what I am sharing here will happen! YOU are being Astrally TapLined in Your Dreams! YOU

Really can WakeUp ALL The Way, but YOU Must Take The Risk to do so!

Beyond Cause & Effect Creation... There IS Real UNUverses of RealFreedom! Your Literal Mind works in Creation, and to get into The Real UNUverses, YU, The RealU, must Learn to Recognize & See The TruReality LifeIS, THE ALLIS. THE ALLIS, is The PurReality LifeIS, and is Not a god, as is created in Creation! Creation is very restricting and limited, whereas The Real UNUverses are Endless & Free! (I am Not referring to the Astral Realm or the Designated Heavens of Man in Creation). YU are a FreeBeing of RealLight brighter than any Sun in the sky! Only YOU can decide to Save Yourself from Creation or stay lost with the unaware masses on this floating rock in black space! There is so much more to YOU, than what you have come to know here with your mind and emotions. If you do not test what I am sharing, then YOU will never know!

~

WWE COMPLIMENT EVERYONE by DUANE THE GREAT WRITER...

“It seems that some people 'think' that WWE are criticizing others by what WWE share and report with what WWE have researched and discovered. NOT AT ALL! WWE only do Complimentary Sharing with What RealNews IS. As an example... the ChemTrail Pilots who purposely pollute and poison Your Planet with Lethal Chemicals everyday are really good at what they are doing and WWE want to share how skilful they are at their jobs, and the fact how cleverly they have disguised their operations, as almost none of the unaware public knows what they are really doing! Another example is how almost all government, religious, spiritual and scientific agencies, departments and Kults are able to Deceive their supporting worshipping and praypaying public, and how well they have kept things disguised and hidden for the longest time, until the people involved are either diseased, cancerous, deceased or taken out to shut them up. It really is hard to find good help these days. I have come up through a lot of well-planned Deception, treachery, blackmailing, embezzlement, TapLining and Mind-Kontrol Korporations myself with the takeover systems I know, to be able to See what is actually taking place right in front of me here! YOU can keep Agreeing with what is right in front of YOU, and it is Your Right to do so, or WakeUp with US and Make a Real Different Right Now! WWE are UNUversal

Seers and WWE SEEE THRU what is taking place here and the many other LifeLevels that are unseen by most Literalized One-Dimensional Know-it-alls. There does not have to be what I have mentioned here and so much more that I have not mentioned that is continually creating a Huge Demise for Your Planet and Your RealAwareness! Rebazar Tarzs & Paul Twitchell are my original Guides in Cause & Effect Creation, and what they created here became a Huge Takeover by fake master Darwin, Joanny & Harry Klump. Reptilian Joanny Klump is one of the most Professional Takeover Deceptors on this planet along with HER One World Order Conspirators. SHE is the best at what SHE does, and you can See what SHE does on The RealSide LifeS in Your DreamVison when you have The RealCourage to do so, or keep 'thinking & believing' otherwise and stay Astrally TapLined with HER and HER worldwide agency buddies... YOUR CHOICE!

INSPIRATIONAL WRITING by DUANE THE GREAT WRITER...

“Inspirational Writing has helped to keep people going with their lives and also into their future lifetimes. On this Planet Earth there is a lot more going on than most people can realize or see, and those who have been taught, educated and indoctrinated, are only seeing a small

portion of what is possible for themselves. Inspirational Writing does help to a certain degree with the emotional behavior of a person and to keep them going as their life becomes what it does, until the day comes when this life is once again exhausted... then what? For many, the 'idea' of religion, gods and saviors is the 'hope' many people will cling to, and even those who have become religious during their life here will still question the fact of where they are really going. Religion is an 'idea' in Creation, and until a person discovers more than what they 'think' is Life here, and which is actually Creation and not a RealLife, then they will continue to stay unconscious into future lifetimes to whatever is taking place here. Some people 'believe' in something somebody created here and an afterlife, and it is so there are actually so many more NUWorlds to discover, but for the most part, the average person will stay attached to their emotional body and visit some of the Heavens of Man, and then return here once again and forgetting they were ever here. Inspirational Writing does have it's place just like when we were raised by our parents and they did care for us, but the time came when we wanted to have our own life and new adventures. Those were the fun days and inspired us to do something special. There 'IS' more unseen that 'IS A LOT BETTER'

Real Inspirational Writing is from those who can See Beyond Cause & Effect Creation and into The TruReality LifeIS. Very few people will Take The Risk to Explore & See & Recognize what lies beyond the invented

Restrictions of personal emotions, created doctrines, and the 'ideas' of the 'sound-good' systems that control this world. It can be so that Inspirational Writing can do a lot for a person and so can the ideas of belief, hope & faith, but it cannot give them The RealFreedom they are looking for, because most people still hang onto their hidden fears from the past into this life. Real Inspirational Writing 'IS'

The Best Reference & Hint to Something Real & Wonderful, just for YOU! ~

RECOGNIZING 'THE NU~U' by DUANE THE GREAT WRITER...

“The NUPresentation is The NUVehicle & NUReference in the Cause & Effect Creation Consciousness. The Old Outdated Astral Spiritual Teachings of old masters and gurus is gone, even though they are still seen here. What is 'seen' as something traditional or annually eventful are 'ghosts' of the past and are Not Recognized by The Whole of Life, accept for places to stay stuck in, until YU, The RealU, decides to WakeUp and to See & Recognize, THE ISNIS LIFEIS NOW. In the Basic Five Levels of Creation (Physical, Astral, Causal, Mental, Etheric Realms) the created 'idea' of Consciousness has been considered the 'ultimate' as Creation itself has been determined to be the ultimate reality in this life. YOU, as

you have been here so many other lifetimes you do not remember, can decide to stay here as long as you want and continue to be the 'effect' of everything here. The Created Consciousness of Creation is no different than anything you and others have created here, and also 'thinking' this 'Place in Life' is all there is. It has been that YOU and everyone else has always decided 'What Life IS' with your indoctrinated mind and emotions. And as YOU can plainly see all around you on this earth (unless YOU are one of those who keeps pretending everything is getting better) what is actually taking place is Rapidly Getting Worse Everyday! You and almost everyone else keeps Agreeing to the Demise of this planet and YOU are Not Consciously Aware of this. YOU keep 'loving and praying and worshiping' and still this world gets worse and worse! What YOU and others are doing is Not Working! This is because YOU are being TapLined & Kontrollled in Your Astral Body by the Reptilian Alien TapLiners (RATS). The RATS spy on YOU here and they sneak around while your physical body sleeps and they Astrally TapLine YOU in Your Dreams... VERY REAL! If you chant the old words of HU, OM, Amen, AUM and others... YOU ARE BEING TAPLINED! YOU are TapLined and WWE can show you how to WakeUp and See what is really happening to YOU! If YOU really do want RealFreedom Now, then YOU Must Learn to Recognize The Real UNUverses beyond Time & Space Creation. Sing The NUSound, 'The NU~U'

and Watch for Your NUMessages in Your Dreams to Get Your Own Answers. WWE have The RealCure for ALL!

THE REAL SECRET to LIFE IS BECOMING MORE AWARE by DUANE THE GREAT WRITER...

“For untold eons the idea of 'love' being the ultimate experience has taken over and made its place on this planet. The love 'idea' does have its own reality, but the love most people relate to is mainly astral emotional sensation. Of course people do love their family, friends, pets and even their jobs, as examples, but 'There IS' Something So Much More that is Not Seen by most! Emotional Love is fine, but for the most part, it will keep you coming back to this earth with all the Emotional TapLining you have with it! If you like the earth and staying here, then look no further than your emotional feelings. As I am explaining this, Nothing is Negated and you can do whatever you want! YOU can add Greater Experiences & Better Choices to all that you have known, or just stay with what you have come to experience here. The RealU, Your RealAwareness, that is operating the Five Bodies you have, is in a RealPosition with The Whole of Life, but YOU as the created Personal Self cannot See this with your mind, emotions and senses. The RealPosition of RealFreedom IS Always available to YOU in Real UNUverses of RealFreedom with The RealU, and more so than your little mind can understand or comprehend, and it

is always up to YOU to Decide to SeeMore & Recognize The Hidden Secrets of Life that are beyond Time & Space Creation. YOU have been here so many times before and struggling to discover What LifeIS. Now is your chance to do so, because this is a Huge Journey. And if you do not start Now, then chances are you will just grow old once more and forget you were ever here! WWE Know What WWE Are Doing!

EVERYTHING 'IS' FOR EVERYONE by DUANEIS THE NUMAN NOW...

“Take the time to Really Understand what I am Presenting Here, because YOU Can Learn to Save Your Own Life! YOU are on a world where certain people have taken far too much from others, and this is their Choice. The Planet Earth is Kontrollled by the Reptilian Alien TapLiners (RATS) who have misused the Wonderful World Environment (WWE) that Supports ALL of US! There 'IS' enough for Everyone, and those who Kontrol Others and have their 'big business plans' and have stolen all the so-called wealth of this world will end up with all the Karmic Debt of what they have Decided. YOU can 'think' whatever you want, but YOU must Face Yourself with everything YOU have Decided! WWE can show YOU how to Free Yourself from the Marketing Ploy of The Deceptors and The Matrix of Creation. YOU can StepUp Now and Share What

Makes Sense with The ALLNatural Environment
Supporting ALL of US.

SO YOU 'THINK' YOU KNOW by DUANE THE GREAT WRITER...

“Yes... it can be so that you know what you are doing with your friends, family, job, recreation and so on, but do you ever Check Your RealSide NUMessages? What you and most others refer to as 'Dreams' are actually NUMessages from The RealSide LifeIS. LIFEIS BIGGER THAN CREATION! Because Your NUMessages are in Cause & Effect Creation, there is a lot more to understand about them than just 'symbolism' as are in many Dream Books. And just like here with the invented systems of politics, religion, education, spiritual teachings and scientific madness, these is also a hint of Deception that YU, The RealU, must Learn to Recognize to get Free from the Unawareness of Creation. If you are one of those who chants and loves the ancient words of HU, OM, Amen, AUM and others, you are going no further than the Astral Realm, and most of the time you are being TapLined in Your Astral Body and into the Lower Astral Realm of Reptilians & Demons! Astral TapLining leads to diseases and cancers in your physical body and more unconscious lifetimes of being lost here! As long as YOU keep 'thinking'

you 'know more' than The Whole of Life, then you will stay lost here with the unaware masses! WWE Sing The NUSound, The NU~U, as This IS The RealConnection to The Real UNUverses of RealFreedom beyond all the Restrictions of Karmic Creation.

WWE ARE THE NUDREAM FOR ALL by DUANE THE GREAT WRITER...

“YOU are in The Passing Dream that you have created for yourself here. YOU can keep deciding what you always have and your life will continue on into more episodes and into future events as they become apparent here. In other words, you will be returning here unconscious into new bodies and starting over once more and many times again! YOU can decide to WakeUp Now with US, or just live your personal life and forget once again you were ever here. WWE as Wonderful WorldWide Educators are with Rebazar Tarzs & The Real UNUversal Guides in The Real UNUverses of RealFreedom. WWE are Sharing Something Wonderful that very few ever come to know or Recognize. LifeIS So Much Bigger & Better than what you are experiencing here and what you will never even be able to imagine if you do not discover The NUDream, WWE are presenting! And YOU will never know unless YOU Take The Risk with US! WWE StandReal with The TruReality LifeIS, THE ALLIS. You, like so many others

have come thru the invented Marketing Systems of Kontrol, and you have Agreed with THEM for many lifetimes. You can stay with THEM, or decide to WakeUp to a RealLife with US, UNUversal SuperBeings. ~

LIVING IN CREATION or A REALLIFE by DUANE THE GREAT WRITER...

“This may sound funny to YOU, as you are still unaware of The TruReality LifeIS, THE ALLIS, that what you 'think' is Life here is really Not! YOU are in Cause & Effect Creation that is a 'simulated life' and Not a RealLife. YOU can decide whatever you want about the Creation you are in, but the fact remains that YOU are asleep to The TruReality LifeIS. Creation is a Huge Process that all of us must first go thru for untold lifetimes. And then at some particular moment YOU have The Real Opportunity to Learn to SeeMore than you ever have before, but YOU Must Take The Risk to See! Once you firmly decide to have RealGuidance and a RealEducation... NOW, The Real Journey to RealFreedom Begins! There is No Life here! There is only what 'appears' to be something that soon disappears. Of course you will continue to experience what you have while you still have a body here, because nothing with your life is negated, but what you really will be doing is preparing for a RealLife that you cannot as yet See. The RealLife, YU, The RealU, is looking for is in Your RealAwareness and not altogether with the Five

Bodies you operate in Creation. Now comes what you have always been waiting for... 'An Adventure Like No Other' and it Begins Now! You have always decided what your life is and what you 'think' Life IS, and you can keep doing so, or discover what very few have... A RealLife without Restrictions! YU, The RealU, must BE The Real RiskTaker or you will not See what I am hinting at. I am not hinting at some place in the Astral Worlds that religions and spiritual teachings are based upon and limit themselves to. You can start off by Reading The NUBooks and taking The TruCompleteness Courses and Singing The NU, to make The RealConnection with The SoundLight Reality Life IS, as YU gradually Become MoreAware and WakeUp to Recognize there Really IS so much more than you can ever consider with your mind and senses.

REAL INSPIRATION with DUANEVA by DUANE THE GREAT WRITER...

“Over the many lifetimes all of us have come here and from other 'Places in Creation' that some do remember, but most do not, each of us have come to know great and wonderful inspirational writings and presentations from those who are willing to share their vast experiences for the Benefit of ALL. The 'inspirational' idea is to get a person to SeeMore than what they are seeing here. As an example, most people relate to religious ideas that

have been around since who knows when, and 'thinking' that what the invented religions relate to is some kind of ultimate reality... BUT... there 'Really IS' so much more than what can be experienced and decided here from what has been created and decided by those who Kontrol this planet! Only The Real RiskTakers will See Beyond this world and all of Cause & Effect Creation into The Real UNUverses of RealFreedom! The TruReality LifeIS, IS so much more than what can be considered with the your mind and senses. The 'so-called' sacred and holy writings and doctrines can be a start to the Astral Emotions most people like to live with, but beyond all that is known... there 'IS' Something So Real that your personal mind cannot even imagine IT! And so, from what you have come to know there 'IS A Huge Adventure Like No Other' waiting for YU, The RealU, Your RealAwareness, to WakeUp to, See & Recognize, unlike anything here! WWE are Wonderful WorldWide Educators and WWE provide The Real Inspiration for YU, The RealU, to Become MoreAware, SelfSufficient & Wonderfully Free! ~

NO NEED TO PROTEST OR REBEL by DUANE THE GREAT WRITER...

“COSMIC CREATION DATE: JANUARY 20,2017. The Biggest Staged Show ever created is on 'The World Stage' where so-called grownup educated people are 'paid' to

perform for the unaware masses and to keep marketing YOU into Agreeing with the Kontrolling Deception that this planet is ruled by! For the most part, there is no need to protest or rebel, because this is exactly what the invented 'establishment' wants to keep YOU their prisoner for more lifetimes here! YOU have been Agreeing to what they have created here, and for lifetimes, and Now that YOU are starting to wake up a little, you are seeing what they have been doing to everyone, and especially to The ALLNatural Environment Supporting ALL of US! It is all about 'Your Agreements' with THEM, as you keep 'thinking' they will be your friend and actually do what they say in their political speeches. They have their own 'agendas' and when YOU Stop Agreeing with THEM, then they have no support! YOU have always Decided what Your Life will become by the Choices that YOU have made! Simply WakeUp to the Agreements you have made with THEM and Learn to Make Better Choices that will create a RealBenefit for YOU & Everyone. WWE as Wonderful WorldWide Educators show YOU how to Become MoreAware and Get Your Own Answers! YOU really can Make Better Choices once YU, The RealU, discovers Your RealAwareniss! WWE are Real & Fun & No Restrictions!

YOUR CHILDREN ARE THE FUTURE by DUANE THE GREAT WRITER...

“YOU will always decide Your Life, and if you have children, you will be a huge influence as to what they can

decide for themselves. It Makes Sense to understand The ALLNatural Environment Supporting You & Everyone. The world of today is in very desperate need of people Waking Up to what actually Supports ALL of US! As the land, air and oceans are constantly being poisoned and polluted, there will come a time when everything is infected! What YOU decide Now will come to pass as the future arrives! It will take more than just 'thinking' The ALLNatural Environment will be okay... it will take what YOU do Now to make it so! The Children are The Future from what YOU decide Now! ~

WHAT CAN YOU DO with YOURSELF? by DUANE THE GREAT WRITER...

“There really are a lot of people who ask themselves...
“WHAT CAN I DO WITH MYSELF WHILE I AM HERE?”
Actually... YOU can do whatever you want! For myself, I have decided to Share My RealExperiences from my physical life, and also The RealSide Experiences I have had for lifetimes with The Real UNUversal Guides, while I was Learning to Become MoreAware and WakeUp to 'What IS Real Now!' LIFEIS ALWAYS NOW! The past, present and future are merely 'references' we each experience while going thru the process of Cause & Effect Creation. Creation is a 'simulated reality' and Not The TruReality LifeIS! You have to learn to crawl and walk

before YOU can Fly! YOU can decide whatever you like while you are here, and if you do not WakeUp during this lifetimes, then 'maybe' you will sometime in the future, but there may not be what WWE are Presenting Now as a Real Opportunity for ALL! Most people will once again waste away their life here and just grow old and unaware and forget once more they were ever here! YOU have already done this same routine for countless lifetimes, and yes, you can do whatever you want, but it will not be any different when you pass from this life no matter what you 'believe' will be so. WWE will show YU, The RealU, how to have RealExperiences with Rebazar Tarzs & The Real UNUversal Guides that will Wake 'YU' Up into Real UNUverses of RealFreedom! WWE are Real RiskTakers & WWE Share The NUSound, The NU~U!

A GOOD BUSINESS PLAN by DUANE THE GREAT WRITER...

“The Planet Earth has become a One-Dimensional Business World, as people keep Agreeing and Deciding it to be so. Business is not good or bad thing... it is a Choice, and for the most part to chase created money. The political, religious, spiritual, educational and scientific systems are invented businesses. These are merely 'creations' in Creation and become what each person

decides they will. There 'IS' a much Bigger Picture that most, if not all of these invented institutions do not See, and that is for the most part they are contributing to the Demise of The ALLNatural Environment Supporting ALL of US! Many of THEM 'say with pretty words' how they are doing their part for this planet, but it is by the very fact of what they are Producing and Demonstrating that shows what they are really doing! The unaware masses are constantly marketed with 'sound-good' ideas, which become very convincing and also intimidating to make sure YOU Agree with the invented 'officialness' that has been created here. The only way YOU can Stay Kontrollered and unaware is if YOU Keep Agreeing to the Deception that is marketed to YOU! Once you learn to SeeThru the Marketing Ploy and decide to StandReal with The Whole of Life and Do Something Beneficial & Real, then YU, The RealU, will start to WakeUp and See what YU have never Seen before! But... YU must BE The Real RiskTaker or stay with the marketed unaware masses. ~

“WWE are Wonderful WorldWide Educators and WWE are Honorable & Real with what WWE do here! Wwe have something so much better than just another 'business plan' for Everyone! Do the birds and animals with The ALLNatural Environment have a Business Plan? Do they need one? For sure, WWE have to deal with what already exists on Planet Earth, as WWE are here to Share Something Wonderful that YOU can Learn to See & BE! StepUp with US and Learn to BE Real Now!

IT IS TIME TO GRO-UP by DUANE THE GREAT WRITER...

“We have all been thru countless lifetimes of what we needed to get to RIGHT NOW! YOU Now have a Real Opportunity like never before to Gro-Up beyond everything you have come to know and into a RealPosition of Being SelfSufficient & Completely Free! More than just words and old traditional wisdom... The RealU, Your RealAwareness, can Learn to See Beyond all the created and Agreed to Restrictions you have come to know. Everything you have come to know has provided the knowledge and experiences of 'what is not real' into an even better position for you to Recognize 'What IS Real Now!' For YU, The RealU, to succeed... YU must Become The Real RiskTaker and Step into The Endless Unknown LifeIS to SeeMore! You can stay with the old 'babysitters' that give you old 'ideas' for you to Agree to and keep you asleep here, or YU can decide to do what YU have never done before and WakeUp with US! There Really IS, so much More to See & BE, but YU must Take The Risk to find out! Join US in a Skype Gro-Up Group!

FRANK'S HIRING KORPORATION FOLLOWERS by DUANE THE GREAT WRITER...

“Frank's Employment Depot (FED) likes to hire the unaware and dumbed down to do worthless jobs that continue to create havoc and destruction to The ALLNatural Environment, and to keep YOU suffering and distracted from Waking Up to The TruReality LifeIS, THE ALLIS. If YOU are a political, religious, spiritual 'believer/ praypaying worseshiper' or scientific creator of destruction, then Frank has a Big Paying Job for YOU! YOU always have the Choice to 'do nothing' as this world gets worse and unconsciously Agree with the Demise of Planet Earth, or StepUp & WakeUp with US and Become MoreAware. Frank and his backers, the Reptilian Alien TapLiners (RATS) have many more Big Paying Job openings available...

>FAKE SPIRITUAL MASTERS WANTED... Requirements: No indoctrination degrees needed. You must apply in person to the 'Big Temple Makers' in the Lower Astral Realm first, which takes place in your dreams at night, as in the movie, Rosemary's Baby, where she gives herself to the Reptilian Agents of the Kalaum Lord God, Grog. Must be willing to 'memorize' a lot of purposely placed deceptive ancient wisdom doctrines from things like the Dead Sea Scrolls, the Deceased Bible Makers, the really Dead Preacher Routines that are seen on TV. Must also walk on hot coals and thru fire to prove your loyalty to the World

Deceptors who rule Planet Earth. Having studied anything Dead, like mummy tombs, graveyards and morgues is given extra credit to your resume. During the live (almost live) interview, you will be required to give a two hour distorted old wisdumb lip-service talk about trying achieve something that does not exist or make sense, like computer initiations, soul ideas, god ideas, and of course the big one, god-realization. Also, you will want to mention about Karma and how bad it is in your speech, and that no one is to look beyond what you as the Fake Master are telling your audience and to 'See' what you are really doing and who actually wrote your script. Tell the unaware that they are Not to Take Risks, because they will get a lot of Karma. Translating 'Fear' to your audience in a cleaver way is always advised and a must. A good idea from one of our graduated employees is, "There will be those who will Betray me as the master!" This is really a good idea given to fake master Harry Klump of EEKonKON 'The Big LawSuit KON 2017' from his Deceptive Reptilian Wife, Joanee Klump.

Plus, you will want to practice the Grog TapLining words of HU, Amen, OM, AUM and many others words and phrases that Frank suggests, so that you can be qualified and have the Reptilian Regime as your backing here, and when you pass on into the Lower Astral Realm into the Slim of Creation. If you cannot 'think' of, or create your own religious sacrificial spiritual path or teaching, then Frank suggests you steal the old outdated writings of others and

change the title and move a few words around to suit your deceptive lifestyle. This Kalaum God Kareer pays huge, as you can see from the TV Preachers and the castles they live in! The seductive unaware women of The Influence will love you too!

>GOVERNMENT WORKERS & SECRET AGENTS...

Requirements: MUST have various official and important degrees such as: BA (Brainless AirHead) BS

(Babbling ShapeShifter) Masters Degree (Master Disguises) PHD (Premeditated HUman Disruptor).

Excellent benefits and pay for life (as long as you last).

Must be able to keep everything you come to find out and uncover about the governments of this world and their agencies a Top Secret. Must be irrevocably loyal without questioning anything.... Nothing! NADA! Edward Snowden and others who are on the 'Most Wanted List' as defectors will be held liable for treason for telling what is really taking place with all government bodies. This is a NO NO... and YOU will be eliminated without retirement pay!

>DUMBED DOWN MEMBERSHRIMPS NEEDED...

Requirements: NO Degrees Necessary. Actually, 'being totally DAH' is a big plus. Must already be part of deceptive dogma, such as a political, religious or spiritual organization or Korporation, or be more than willing to be subliminally indoctrinated with Sacrificial WorseShipping & PrayPaying to invented gods and a lot of 'pretty good-sounding words' and phrases from self-proclaimed

masters and old prophets. Must be able to sit for the longest time at boring 'love nest' seminars and be unconsciously Astral TapLined by the RATS who rule Creation. There are NO Benefits and you will have to donate your time and money from your 9 to 5 boring job to support the 'Front & Appearance' of the Kontrolling Korporation of your choice. There are so many openings always available, and as you can plainly see from around the world, there are billions of new relationships you can have and create more drama from into future dastardly lifetimes when you Agree to be an unaware MemberShrimp. Must be emotionally unstable and wanting to be loved, and or want to Kontrol others as you are given positions of false authority, such as managers, missionaries, higher initiations and even SaintHood. Must have your own vehicle and gas and willing to travel anywhere and pay for everything and pretend to be humble and end up with Nothing!

RECOGNIZING YOUR CHOICES by DUANE THE GREAT WRITER...

“In Cause & Effect Creation, YOU have Free Will. YOU can do whatever you want here. You can be a ChemTrail Pilot and poison the earth for money, a business owner selling products, a soldier fighting for governments, a nice person being nice, and even religious and spiritual and so

on, but YOU will still be Stuck in Creation for more unaware lifetimes, until YOU WakeUp ALL The Way! YOU are Not Seeing the end results of Your Choices, and especially, Your Real Intent. YOU only 'think' you can see something, and YOU are so much more than just a body on earth . There 'IS' so much more to YOU than the 'Surface Free Will' you have. YOU have been marketed into 'believing' in something, when in fact 'belief' is nothing more than an idea 'created' in Creation. YOU can think whatever you want, and what you 'think' will apply to Creation only. Of course you need to 'think' of something to survive here and in the other Four Levels of Creation, but 'Your Thinking' will Not Free You from Creation... Only Recognizing Your RealAwareness in The Real UNUniverses of The TruReality LifeIS... Will! I am Not here to convince YOU into Freeing Yourself from Creation, as YOU have the Free Will to do whatever YOU want. I am simply Sharing My RealAdventure with The Whole of Life, and it has nothing to do with a 'mission' or divine plan, or the Gods of Man who Kontrol the unaware on earth, and so many more created 'ideas' that the HUMAN Farmers have marketed YOU with to get YOU to Agree to their agendas of Kontrol over Your Free Will. YOU are carrying lifetimes of hidden 'Fear' from all that you have been thru, and as YOU are unaware of this, YOU are being Controlled Subconsciously and against Your Free Will. Until YU, The RealU, Your RealAwareness, decides to WakeUp from this Passing Dream, YOU are in, then YOU will continue to be

the Effect of everything within YOU and around YOU...
YOUR CHOICE! YOU can Decide whatever YOU want,
but YOU will still be in The Designed Matrix of The World
Kontrollers! WWE are The NUWay Out of Cause & Effect
Creation!

WWE are Fun & Real Now!

“YOU are Stuck & TapLined in Cause & Effect Creation with angels, gods, aliens and saviors from the Astral Realm, who are so nice to You and keep telling you everything is fine here and with their Designated Heavens (like real nice FEMA Camps in other dimensions) and that all you have to do is 'believe' in your chosen god and you will be taken care of. I have been to these other levels and so-called 'gods' and you have been there many times too, but you do not remember. YOU, YU, The RealU, have been thru this same old routine for untold lifetimes, which you do not remember, and Here YOU are Again! Having Fun so far? The gods you look to are Conquerors in the Astral & Mental Levels and dimensions. Creation is a 'Simulator' where you have Free Will and you can do whatever you want to, just like the politicians, kings and queens who keep telling you they are your friends, when in fact they Keep YOU Here on their HUMAN Farming Cattle Ranch, Planet Earth! STEPS to THE REAL WAKEUP NOW by DUANEIS THE NUMAN...

“History as it has been written, altered and identified, is a very small part of a 'reference' and what is needed in Cause & Effect Creation to Recognize The TruReality

LifeIS. The Whole of Life, has nothing to do with the past, present or future of Creation, and especially anything traditional, except as a comparison as to what is Not real, thus becomes a Real Comparison when creatively applied from The RealAwareness, to Recognize THE ALLISNIS LIFEIS. Rebazar Tarzs & The Real UNUniversal Guides brought forth 'The First Real WakeUp Step' with Paul Twitchell in 1965, when Paul was ready to step into what he termed, The Rod of Power. As Paul departed, there became 'Part Two' of The Real WakeUp for ALL. Darwin Gross and HarOld Klemp were allowed to 'play' the roles of masters and create a huge Deception with Reptilian Joanee and The Influence, who were in the shadows and have taken over what Paul originally created and has become the Kontrolling Krone Korporation (KKK). Darwin and Harry more than willingly gave themselves to The Influence and Reptilian Joanee. There is a Huge Astral TapLining taking place with Joan Klemp's Korporation, as there is with almost all the Korporations on Planet Earth. Step Two is a very important part of The Real WakeUp Now, because so much is needed to Recognize THE ALLIS. A TruComparison and a Real Recognition are essential to prepare for The TruCompeteniss of Part Three, and so those who are still unaware and subdued by this Purposely Poisoned Planet and their little masters and diplomats, they will have to face themselves and the fallacy of 'ideas' about their 'following and beliefs' or they will stay lost and unconsciously Kontrolled with the Gods

of Man. There will be those who will not Complete ThemSelves with their RealAwareness & Recognition of THE ALLIS, during this lifetime. They have become too Trapped & TapLined by the invented systems of politics, religion, spiritual whatevers, scientific madness, and most of all their 'conditioned thinking' to where they 'think' they know more than LIFE ITSELF. The unaware masses have been seduced to 'believe' there are 'gods' who created them, and so they will stay lost with all the invented marketing ploy of the Reptilian Lords. This is where Part Two is a huge undertaking for anyone to get thru. YOU must BE The Real RiskTaker to enter Part Three... THE NUWAVIS NOW THE NUMAN. There is no more 'Power Rod' since 2001, and Darwin and HarOld never were able to Recognize IT. Part Three IS, The TruCompleteness for those who can SeeMore than just their personal life and the 'ideas' they have come thru to get to, The NUNownness of THE ALLIS. Paul Twitchell babysat the members with a procedure to get them ready for ALL Three Parts of The Real WakeUp Now. The Real WakeUp, Part Three, 'IS' to where YOU, The RealU, must 'Earn Your Way & Prove Yourself' like never before and Do Something Real & Wonderful for ALL. The RealGuides will Not drag anyone out of Creation into The Real UNUverses of RealFreedom! YOU Must Recognize The Real UNUverses, and then StepUp and Share The RealConnection to THE ALLIS, The NU~U with ALL! Angels, gods and saviors have their place in Creation and Not with The Whole of Life, and The

RealGuides do Not StandReal with anything secondary or that 'appears' to be 'good or spiritual' according to the little master minds who 'lip service' pretty words to the unaware masses. YOU Do have a Real Choice!

“YOU came here to WakeUp and Do Something Real for ALL, and moreso than just for your personal 'ideas' that you have come to know from the Kontrolling Systems of politics, religion, spiritual whatever and scientific madness. Before you came here, YU, The RealU, Your RealAwareness, had already decided to try and figure out how to Recognize The TruReality LifeIS, THE ALLIS, but as YU created the Personal YOU for this life, you have become lost in the 'appearance' of your surroundings. YOU keep 'thinking' that the invented systems who Kontrol YOU are the ultimate, and that Cause & Effect Creation with the Conquering Gods and the Earthly Kontrollers (EK) is all there is to Life. YOU are being used as a 'subject' to have to endure more unaware lifetimes of even worse conditions than are already here Right Now! Are YOU Paying Attention Yet? YOU keep Agreeing to the Demise of this planet and The ALLNatural Environment that Supports YOU! YOU can WakeUp with US (UNUversal SuperBeings) and Do Something Real & Wonderful while you are still here, or just grow old as you have in your past lifetimes and forget you were ever here! ~

WHO HAS THE REALAWARENISS NOW by DUANE THE
GREAT WRITER... "The Literal Business World and day to
day life YOU are living has it's place in this One-
Dimensionalized Arena, but what YOU are living here is
nothing more than Cause & Effect Conditioning according
to what YOU have already Agreed to. YOU have Trapped
YourSelf here and YOU are TapLined by the World
Kontrollers to stay here for as long as they can keep
getting YOU to Agree to all their Deception. YOU keep
'thinking' this is a RealLife, when actually it is Not! For the
most part, what is decided and happening here in this
'Place in Life' will never resolve itself, because YOU and

everyone else here does Not have The RealAwareniss to understand, realize and Recognize how Cause & Effect Creation works, and especially to Recognize & PerSeeve what The TruReality LifeIS, THE ALLIS. YOU and everyone else is in their own 'Created Consciousness' of thinking and Agreeing to the fact that, YOU know more than LIFE ITSELF, and this is why The ALLNatural Environment Supporting ALL of US, is being destroyed so rapidly... Because YOU Do Not have The RealAwareniss to handle this place. YOU can Learn to WakeUp with US and WWE will Share Something Wonderful with YU, The RealU, and so much more than just 'literalized info' as you have been indoctrinated with, but YOU must Take The Risk to do so! Rebazar Tarzs & The Real UNUversal Guides StandReal with THE ALLIS & DUANEIS THE NUMAN NOW. The RealGuides have The RealAwareniss to handle anything, but they will Not interfere with Your

Free Will! If YOU want to just keep listening to what YOU create with your mind and thoughts, then YOU will end up all alone again as you grow older and forget you were ever here. When YOU Decide to Listen to Something More Real & Wonderful than just what you create here, then you can WakeUp to The NUWay Out of Restricting Creation and away from the Authoritarians who rule YOU. GMO or ALLNATURAL by DUANEIS THE NUMAN NOW...
“The world today is Not the same as days gone by. It really
does take a lot to WakeUp & See 'What IS Real Now!' An
example is... GMO Apples are Not the same as
ALLNatural Apples, but they can 'look' the same. The
GMO Apples Harm YOU, and the ALLNatural Apples Like
YOU! And so it is with the invented systems of politics,
religion, spiritual teachings, and especially mad science.

Rebazar Tarzs & The Real UNUversal Guides StandReal with The TruReality LifeIS, THE ALLIS * THE NUMAN NOW, and they Do Not Support the old fake masters and their Kontrolling Korporations with pretty words. VooDoo Reptilian Religions & Spiritual Teachings are with the Astral Gods of Man (Kalaum God / Grog / The Lord God). Geek Master Organizers & Organizations (GMO) are all over this planet like the plague! They infect people with Astral Love TapLining from the Reptilian Alien TapLiners (RATS). These unaware people are too lazy to Sing The NU~U & Watch their DreamVisions and get RealAnswers from The Whole of Life. They 'think' angels, aliens and saviors and gods, will come and fix everything they are doing, as the unaware continue to pollute and destroy The ALLNatural Environment Supporting ALL of US. WakeUp & Get Real Now or stay lost with the old fake systems of traditional fallacy. Sing The NU~U & Watch Your DreamVisions Now!

HEAVEN & EARTH NEWS by DUANE THE GREAT
WRITER...

“YES... YOU are on Earth... and YES... There is a Heaven
for YOU... BUT... There 'IS' more than One Heaven and
There 'IS' Something Far Better than any Heaven you can
imagine! BUT AGAIN... YOU Must BE The Real RiskTaker
to find out! The First Heaven of Man, the Astral Realm,
where YOU have an Astral Body, is the 'imagined' Heaven
you have been to many times before and usually fantasize
about and going to after your temporary little life on
grueling Planet Earth! It seems like a big leap sometimes
to get from here to there! The 'spirit' and god lovers go to
the Astral Realm over and over again and try to find their
god somewhere hiding amongst the 'appearance' of things
there. It really does sound and seem so sweet to just love
everything and be attached to all the 'ideas' emotional love
and feelings seem to be. It is Your Choice and whatever
you want, you can have. I prefer RealFreedom in The Real
UNUverses, where there 'IS' No Cause & Effect Creation
and Ruling Authorities with their Commandments and

Restrictions! YOU have been taught to 'love' Your Restrictions... YOUR CHOICE!

DECEPTIVE IMPOSTERS by DUANEIS THE NUMAN
NOW...

“Prior to coming into this lifetimes, Paul (Paul Twitchell)
and I were preparing for The Greatest WakeUp Ever for
this world. We knew this would be a huge challenge and a
RealFocus of Free Will to meet the already created
circumstances of what existed and what would be coming
in the near future for the unaware people of the earth and
other realms. With Rebazar Tarzs & The Real UNUversal

Guides on The RealSide, we could See the basic formation of what would continue to appear in the upcoming darkest age ever for the Physical Realm! The Kalaum God (Grog / Lord God) had been the absolute conqueror of the Mental Realm for eons. Almost everyone was so afraid to challenge him. HE, the Reptilian Three Headed Grog, sent his Reptilian Regimes to the Physical Realm to infect, takeover and destroy all they could! The Reptilian Alien TapLiners (RATS) and other Alien Vernon had evolved thru the Yuga Cycles according to the choices they made. They are Now the World Kontrollers on earth who created the political, religious, spiritual and scientific madness systems of today! Paul was to come first and StandReal in what he termed during his time here as 'The Rod of Power!' We are RealGuides Standing Real with THE ALLIS. After our physical and RealAwareniss training for this life with Rebazar, in 1965, Paul stepped into 'The Rod of Power' of THE ALLIS. At the time, Paul already knew that to expose THE ALLIS, THE ISNIS, to the lowly unaware would be too much to understand and consider, so he decided to soften his presentation with the 'spiritual' idea and other labels that had become familiar to much of the earth world. Reluctantly, he used the 'god' idea and later on wanted to bring in other labels. Paul's membership took off better than expected, as he wrote all the time to make sure everyone had plenty to read and experience on The RealSide in their Dreams and other levels. Paul collected numerous writings from others to speed up what

he was sharing, as his stay here would only be so long. He spoke of 'The Child' who would be coming next, and that was Me. But, there was another adventure taking place at the same time, which created an even Bigger Opportunity for a Real WakeUp that almost no one to this day can See yet! I have written some of this NUAdventure in NUBook Nine. Since Paul was purposely taken out, there became the 'DarkSource of The Influence' that moved right in. It still 'looked' to be 'business as usual' from the unaware members, but there was something taking place that very few would See as the years have gone on! When Paul was here, he was The RealGuide and still is with Me, along with Rebazar & The Real UNUversal Guides on The RealSide, but after him came the Deceptive Imposters. Not only did Darwin Gross and HarOld Klemp become self-absorbed and TapLined by The Influence and the Kalaum God, there was someone unseen always lurking in the background and waiting to make HER move... Reptilian Joan Klemp! SHE seduced Darwin and dweeby HarOld into submitting to HER and HER God Grog! Joan Klemp owns Eckankar and Astrally TapLines all the unaware membershrimps with HER fake puppet master, Harry Klump! Among deceased Darwin and old dweeby Harry, there is also Roger Hinkins, who created MESA, as he was a member with Paul. Also, Michael Owens and The Way of Truth, Allen Feldman and Vardankar. Darwin had created ATOM, which is now handled by Astral spirited others. These people and so

many others like THEM, and including all the Reptilian Religions on Planet Earth and many other systems in this realm, are under The Influence of the Reptilian God Grog and staying Trapped & TapLined here for many more unbearable lifetimes! ANYONE... can invent whatever they want and make it 'sound-good!' The Real UNUersal Guides Do Not StandReal with anyone except, THE NUMAN NOW, Duane The Great Writer! The Whole of LifeIS THE NUWAVIS NOW! From The Real UNUverses beyond Cause & Effect Creation, IS THE ISNIS LIFEIS. The Astral Realm light the old fake masters and gurus are infected and TapLined with from the Gods of Man, is Not The RealCure for ALL. A RealLifeIS not about the old knowledge a person has collected and memorized with their fake initiations... A RealLifeIS Your RealAwareniss and who Stands Real with YU, The RealU! Ask Rebazar Tarzs & Paul Twitchell on The RealSide... The ALLAliveniss LifeIS, Stands Real with THE NUMAN NOW!

I SEEE ONLY PURITY by DUANEIS THE NUMAN NOW...

“For those who are still in their One-Dimensional Creation Process of LifeTime After LifeTime Agreements (LA LA LAND) they will Not understand nor will they be able to relate to what I am Sharing & Presenting. The political, religious, spiritual, educational and scientific whatevers, have been created for the unaware masses to be Human Farmed and Consumed, and to stay unconscious for ongoing servitude lifetimes to those who rule the Planet Earth. The Reptilian Alien TapLiners (RATS) purposely take your memory of Your PastLives and hide them from you, so they can keep you Agreeing to their KONquering RulerShip. They have all Your Records of the times you were here before and being tortured and destroyed by THEM (TapLining HUman Eating Martians). I am providing The NUPresentation, which 'IS' The NUWay Out of Cause & Effect Creation. WWE are UNUversal Seeers with Rebazar Tarzs & The Real UNUversal Guides of THE ALLIS. Creation has it's purpose as a Huge WakeUp for

YOU, but if you do not Pay Attention to what The Whole of Life IS Presenting to YOU Now, then YOU have to keep going into more unaware lifetimes of the same old drudgery. With your personal life here, you have your 'personal ideas' of this life, which you 'think' is a RealLife, but YOU are in the Designed Matrix of the RATS, and they will keep YOU here until YOU decide to WakeUp ALL The Way with RealGuidance and a RealEducation. Creation is cause & effect, black & white, up & down, right & wrong, and any of the 'opposites' that have been created as a lifestyle on Planet Earth. What YOU Decide here becomes so. In The Real UNUverses of RealFreedom, there is No Karma or Darkness, and There IS Only Purity! Pure SoundLight Reality that 'IS' an ALLAliveniss. The 'spirit' idea is a reflective light in the Astral & Mental Realms & Heavens only, and Not The RealLight of The TruReality, THE ALLIS. The Real UNUverses are Endless & Real! In Creation you use your Literal Mind to calculate and convince yourself of where you are and what to do, and in The Real UNUverses, YU, The RealU, Your RealAwareniss, Recognizes & PerSeeves THE ALLISNIS LIFEIS. I SEEE ONLY PURITY! Life IS a Purity that cannot even be imagined, moreso than anything in Creation, and YU have to Take The Risk to SEEE IT!

WWE DO EVERYTHING by DUANE THE GREAT WRITER...

“WWE are Wonderful WorldWide Educators and WWE are into Everything that Makes Sense, and even those 'things' that the unaware 'thinks' is so important that Does Not Make Sense, as WWE creatively utilize Everything for The RealBenefit of ALL! YOU are here to WakeUp from The Passing Dream that YOU are in on Planet Earth, or stay here with the unaware masses for more lifetimes of the same old drudgery! So, even with all the unconscious nonsense YOU are doing to destroy The ALLNatural Environment Supporting ALL of US, can be a WakeUp for YOU... when YOU Make The Effort to WakeUp! YOU have your personal life, which will only last so long, and so

WWE are Sharing The Hint that 'ThereIS' a Lot More to Recognize than just your daily affairs! WWE are Fun & Real & WWE Make Sense! Sing NU~U, and Watch Your DreamVisions and Learn to Get Your Own Answers from The Whole of Life Now!

BIG PAY CAREERS AVAILABLE by DUANE THE GREAT WRITER...

“The Planet Earth is such a fascinating place, and YOU can add to everything that's going on with a BIGTIME JOB with The World Kontrolling Korporations. There are so many choices that will make your head spin (literally!)...

>CHEMTRAIL PILOT... Minimum Requirement: BS (Brainless Stooze) Degree. Must be willing to obey every direct order to fly over any area (including your own house) and spray Lethal Government Chemicals on everyone and anywhere on the earth. Excellent Benefits (as long as you last) and paid vacations as you fly and guaranteed retirement (coffin, plastic bodybag and cotton swabs included). See the world from 50,000 feet as you get paid more than any unaware government worker in buildings without windows on the ground! Must also be willing to reenter more brutal lifetimes from all the Karmic Debt that will be accumulated in regards to Poisoning the Planet Earth!

>GMO LAB TECHNITION... Minimum Requirement: Masters (Mass Mutilation) Degree in Chemical Warfare &

Inhalation. Must be 18 or older (preferably someone really old). Excellent working hours and environment and playing with plants. Needed Skills: Restructuring of anything Natural and turning it into 'something else' that can be specialized and marketed to look good.

>WIFI TOWER INSTALLER... Minimum Requirement: BA (Baboon Ass) Degree. Must be willing to climb Lethal High Voltage Towers anywhere in the world installing Harmful WiFi to the unaware masses in the most populated areas.

>USED CAR SALESPERSON... No Minimum Requirements needed. At least show up once in a while and Do Something besides just eating Potato Chips.

>WAITREES... Minimum Requirement: PHD (Phoney HUMAN Disguise) Degree. Must be willing to serve obsessive people craving Outdated DriveThru Food (ODF) and keep them happy until 911 arrives to administer Legal Drugs.

>DOG and ELEPHANT CATCHER... Minimum Requirement: High School DropOuts Preferred. Inept unfinished college students may also apply. Must be willing to chase and catch any Dog anywhere 24/7. Elephants are optional and provide extra Year End Bonuses (along with Lions & Tigers & anything with fur).

>SANTA'S HELPERS... No Requirements, No knowledge of anything, No Nada! Must be willing to at least pretend to 'believe' there is a Santa Claus and be able to humor the

old guy and old lady that the Federal Secret Agency (FSA) hired to act as Santa and Mrs Clause to deliver Chemically Induced Toys (CIT) to children. No Vacation Time (NVT) and No Over Time (NOT) pay... 24/7.

>THOUSANDS OF HIGH PAYING JOBS WITH FEDERAL AND SECRET AGANCIES FROM ALL OVER THE WORLD COMING IN DAILY. SEE US ON FACEBOOK AND GO TO OUR WEBSITE:

I AM PROVIDING a 'REAL REFERENCE' by DUANE THE GREAT WRITER...

“I am Always Being My NUAdventure and providing a Real Reference with The TruReality LifeIS, THE ALLIS. I am Not creating doctrines or dogma, as the old fake masters are still doing. The traditional indoctrination of old outdated masters and gurus is gone, even though you can still see them hanging around and infecting this 'Place in Life' with their pretty words and Restrictions of HellFire & Damnation, as they Trap & TapLine their members and followers to the Astral Realm. My Real Reference 'IS' Your NUWay Out of Cause & Effect Creation with The RealConnection NU~U, and far away from the Old Kontrolling Task Masters and those who have kept you convinced that Creation is the ultimate, and that you are to

keep reincarnating here for more boring and drudgerous lifetimes! YOU are here to Have Fun Waking Up & Becoming MoreAware! YOU are Not here to be burdened with political, religious and spiritual Restrictions, and to worship and paypray to the Tyrant Gods and their Earthly Kontrollers (EK). YOU have been intimidated and 'marketed to think' that you need old fake masters to listen to, and fake initiations to chase, and temples to praypay and worship in, and pictures of your Old TapLining Keeper to buy! Okay... keep doing this same old, old routine, as YOU have for untold lifetimes and you will soon forget you are here, and you will once again return! There are NO Sacred Writings here... only Marketing Ploy to keep YOU a KOW (Kontrolled Overstuffed Wantabe) for something that does not exist like 'believing' in the invented Space Gods created by the Reptilian Alien TapLiners (RATS). I have went thru my 'process' here and Recognized The TruReality THAT IS, and I 'IS' Sharing My RealExperiences with YOU, so that YOU can Take The Risk and Become Wonderful & SelfSufficient! WWE are looking for Creative Self-Starters who are Real RiskTakers and 'Not' those who want to still be 'babysat' and need to be Kontrolled and told what to do! The Old Systems of Kontrol, like governments, royalty, religious voodoo and Joan Klemp's Eckankar, have Nothing to do with RealFreedom. The Old Flap Jaw masters and RuleMakers are far too lazy to do anything for themselves when it comes to Recognizing The TruReality LifeIS, and so they

like their little 'cheap thrills' to Kontrol YOU into 'believing' in THEM and their Marketing Ploy!

“I 'IS' The Real RiskTaker and I 'IS' providing a Real Opportunity for YU, The RealU, to WakeUp and have RealGuidance and a RealEducation like no other, as I 'IS' Sharing a Real Warning for YOU Right Now! If YOU want to keep all Your Old Attitudes & Restrictions you have collected from YOUR Earthly Kontrollers (EK) then YOU have the right to do so! Beyond the invented systems and the gods of ancient times 'IS' Real UNUverses of PurBeing! YU are a FreeBeing of RealLight and YU do Not have to be Restricted by anything, unless YOU decide so! WWE are Wonderful, Real & Fun!

WE RESPECT OTHERS by DUANE THE GREAT WRITER...

“WWE as Wonderful WorldWide Educators really do Respect others who are deserving of Our Respect, but those who keep Deceiving others with their Deceptive Good-Looking Business Plans and Destroying The ALLNatural Environment Supporting ALL of US... WWE are Warning this world about THEM (TapLining HUMAN Eating Martians). WWE See Mutual Respect as very essential, but there are still those who 'think' they have the right to Kontrol others and misuse them! WWE are not spying or policing anyone, as WWE See that everyone has the right to do whatever they want. YOU are always making Your Own Choices every moment. YOU Decide Your Life! When YOU Decide to BE Real & Wonderful & WakeUp and Recognize Your RealAwareness, then ALL of US can Respect each other 'Being to Being' without the Deceptive Restrictions of politics, religion, spiritual whatevers and scientific madness! WWE provide The Real Essentials for YOU, The RealU, to Become MoreAware and SelfSufficient beyond what this world 'seems' to know.. WWE are Real & Wonderful and WWE Share a Real

Opportunity like no one else! WWE provide RealGuidance and a RealEducation and Real Warnings about what is really taking place on Planet Earth, and also the Multi-Dimensional Levels of the Astral, Causal, Mental and Etheric Realms in Cause & Effect Creation. I AM NOTHING by DUANEIS THE NUMAN NOW...

“From lifetimes of being prepared with The Real
UNUversal Guides for The NUNowniss of THE ALLIS, it is
my true privilege to have created The NUPresentation for
those who have supported me to do so. This has not been
at all an easy journey for me, and if I were to make a
movie of some of what I have endured, it would be so

dramatic that I would be crying in the making of it. What I have come to realize, know, understand, and most of all... See, is that what I am here to do is not about me. The personal self we each create here, usually becomes the pivoting point and attention getter. It really would 'seem' as though we are to each make our 'mark' in this life.

Everything we each do is a Choice. Here 'IS' the Hint...

There IS Something So Awesomely Wonderful that cannot even be consider that IS MoreReal than anyone can ever consider, and there are very few who can See IT! Many will 'think' it is something divine and spiritual, or that it is their decided god or savior, but IT IS Not! And so, for the very few, like Rebazar Tarzs, Paul Twitchell, Gopal Das, Yauble Sacabi and so many unique others, they will confirm what IS Being Presented Now with DUANEIS THE NUMAN. LIFEIS an ISNIS... and until you can in some way start to grasp The TruReality LifeIS, then you will stay with your opinionated and convinced mind in this one-dimensional level. Even with all the self-destruction that is right in front of everyone, the Kontrolling Systems of politics, religion,

spiritual numbness, scientific insanity and madness, is still more than heavily Agreed to! The unaware blindly educated masses cannot See Past the invented 'ideas' of all the sound-good notions that have plagued this planet for eons. The Planet Earth is in a total-destruct mode, but the little know-it-alls continue to do their daily routines to nowhere! YOU came here for One RealPurpose Only... to

WakeUp to THE ALLISNIS LIFEIS. The Whole of Life really does Make Sense, once The RealU Recognizes Your RealAwareniss! From all that has been created on earth... None of it has anything to do with The RealFreedom YU can StandReal with in The Real UNUverses beyond Cause & Effect Creation. Compared to The Whole of Life,,, I AM NOTHING! What The Real 'Nothing' for Myself Means IS... I no longer consider 'Confirmed Literal Restrictions' with and from the Kontrolling Systems of Planet Earth to be a beneficial lifestyle. It is so that I have a body here and four other bodies in Creation, and that I must deal with whatever takes place on this planet and in all of Creation, as Nothing is Negated, but can become a RealBenefit when Making Sense of any created situation. With My RealAwareniss, I am Nothing, as ALL LifeIS an ISNIS to be Recognized & PerSeeved. YOU can Learn to Free Yourself Now!

~

REBAZAR TARZS & THE NUMAN NOW by DUANE THE GREAT WRITER...

“The Planet Earth is Reptilian Based HUMAN Farming. The so-called 'business world' is part of the 'appearance' of something that is supposed to make some kind of sense with what it is doing by destroying The ALL Natural Environment Supporting ALL of US. The Indigenous People who have survived here and are still trying to do so, have made sense of their life on earth, while the industrialist 'big business' world of Reptilian Alien TapLiners (RATS) continues to rapidly annihilate what

sustains ALL of US! Politics, religion, spiritual whatevers and scientific madness have brought this world to where it is, and the unaware 'subjects' of HUman Farming (YOU) keep Agreeing with everything being created. This is the real side of Planet Earth, which most people do not want to See or acknowledge, which is understandable, but by the very fact that what is really taking place here is continually hidden, then those who keep 'pretending' everything is okay will be the unconscious Effect and Not Recognize the Subliminal Kontrol they are TapLined with. Many people keep 'thinking' that because they are 'good' people and so-called 'spiritual' and do the 'right' thing and they 'love' everything, that these 'ideas' along with others will fix what they keep Agreeing to unconsciously with the Kontrol of the RATS. YOU have more than one body and one mind and YOU are Not Seeeing the whole picture! YOU decide to WakeUp ALL The Way or Not! YOU came here for 'something' YOU are Not Seeeing yet, and YOU have forgotten why you are here! WWE are here Sharing Something Wonderful this world is still very asleep to. Only so many will Really WakeUp, and will it be YOU? Rebazar Tarzs & The Real UNUversal Guides choose Paul & I, to come here and do what no one else would do. Paul Twitchell 'IS' one of The RealGuides of THE ALLIS, and Paul came first as the 'babysitter' to start The NUCourse or The Real Recognition for ALL. In NUBook Nine, I write about some of what has taken place, but there is a Lot More! When Paul was 'taken out' by The One World Order,

which Reptilian Joan Klemp and others belong to, an era of Klever Conspiracy took over with what Paul originally created. Darwin Gross and others made their little 'secret deals' with the World Kontrollers, to where the Krone Kontrolling Korporation of Eckankar, in Minnesota, USA, is owned and operated by the RATS. On the 'surface front' of the big business of Joanny Klemp's EckanKON (The Big KON) Korporation, is the Astral TapLining 'spiritual' idea to keep unaware people 'thinking' they are getting something, like the fake initiations from old fake master HarOld Klemp. I am Not writing a 'criticism or attack' here. All YOU have to do is 'GET REAL' and Sing The NUSound, The NU~U, and go directly to Rebazar Tarzs, Paul Twitchell, Gopal Das, Fubbi Quantz, Yauble Sacabi, Kata Daki, or any of The Real UNUversal Guides with DUANEIS THE NUMAN, and if you have The RealCourage to See Past your indoctrination and emotional attachments and attitudes, then YOU will be shown 'What IS Real Now!' This world of 'appearances' is already doing what it is doing, and no matter what YOU 'think' things are... THEY ARE NOT ACCORDING TO YOU! ~

SEEEING IN THE DARK by DUANEIS THE NUMAN...

“There are many different types of seeing, and one is with your eyes, which is your physical senses, brain and one-dimensional literalized mind. YOU have

been 'bred' like a cow to be Literally Educated and Convinced to 'serve the system' of the 9 to 5 working class. YOU are on a HUman Farming Planet that is Kontrollled by the Reptilian Alien TapLiners (RATS) who rule the earth! Those who can See more than just their personal life and have a better 'sense' about them are Seeing what many people cannot. People who are 'psychic and intuitive' can See Beyond the limitations of the physical mind and body and into the Astral and Mental Realms. The 'idea' is that these people are more 'spiritual' than others, and this is where the 'spirit' ideas comes from, and that is mainly the Astral Worlds & Realm of angels, saviors and gods. The 'emotional love' sensations and ideas you experience here come from the Astral Realm and Your Astral Body, and this is one of your other bodies you are operating in Cause & Effect Creation. What you are experiencing here and in other dimensions and levels is what YU, The RealU, needs to eventually WakeUp and See Beyond Creation all together! Eventually, YU can become a UNUversal Seer in The Real UNUverses with Rebazar Tarzs & The Real UNUversal Guides. Then, YU will be able to SeeALL of Creation and no longer be the

Effect of everything around YOU! Until YOU WakeUp ALL The Way with US, then YOU will be Trapped & TapLined with the Kontrolling Systems on Planet Earth... YOUR CHOICE! ~

THE CHALLENGE of YOUR PLANNED INDOCTRINATION by DUANE THE GREAT WRITER...

“As YOU have kept coming back to this planet unaware you were here before, you are in another lifetime of deciding what to do here. YOU are actually here to Become MoreAware and Not More Trapped & TapLined, as it is always YOU making Your Own Decisions. YOU have been Cleverly Marketed into Agreeing with the political, religious, spiritual, educational and scientific invented systems, to where YOUR AGREEMENTS, that are conscious and mainly unconscious Astral TapLining, are adding to the Collective Consciousness on this planet as a Total Demise! I am Not predicting doom here... actually YOU are! I am here to share with YU, The RealU, how to WakeUp ALL The Way, and not just a little bit, as the Deceptive Dictators who are constantly telling you that you are learning something from their 'slanted info' and what they keep dowsing you with! YOU really do have a Huge Challenge Right Now to Really WakeUp Now, and

from all the lifetimes you have already been thru. This 'business' world of Created Appearances is purposely manufactured to Keep YOU Here in World Kontroller's Human Farming! YOU have a lot to do to WakeUp, or stay stranded here for many more unaware lifetimes of being the effect of everything around YOU! ~

LIFE PICKS YOU & YOU MUST PROVE YOURSELF by DUANE THE GREAT WRITER...

“As we have all been in Creation for the longest time, and more lifetimes than you can imagine, we tend to hang onto so many 'ideas' we have come to know that do sound good and are very heartwarming. All this is fine as YOU Make Your Choices here. BUT... There IS a much Bigger Picture that most cannot See, and that is, your life here is really about Survival, moreso than just the physical body and the little thrills one likes to chase. You are here to WakeUp to Your RealAwareness, as there are no saviors, but Yourself to Recognize What IS Beyond the Restrictions of Creation. What I am referring to IS The Unknown that 'seems' like it cannot be known. The Whole of Life IS Not the 'spirit or spiritual' ideas that feel so comforting with the invented systems here like your personal life, as these 'ideas' mostly relate to various areas in the Astral Realm Heavens of Man and Your Astral Body, as most people who are tied up with their emotions are Astrally TapLined by the ShapeShifting RATS who rule

this planet . The TruReality LifeIS, is Not the 'created' positions and ideas you 'think this life has become. There IS, The Whole of Life That IS, and then there is Cause & Effect Creation that is like an 'expression' from The Whole of Life... There Really IS a Difference! The TruReality LifeIS, along with The Real UNUversal Guides, picks and decides who is ready to WakeUp to THE ISNIS LIFEIS. YU, The RealU, is given The Real Opportunity to surpass all the Restrictions & TapLinings in Creation, along with the Kontrolling Gods of Man and their Puppet Authoritarians on the RoundWorlds in time and space, but only YOU can decide to do this! YU are given The Real Opportunity and it is always Your Choice what you will do, as this IS The Real Privileged Position to StandReal in. YOU are given The Real Opportunity to Prove Yourself to BE Worthy & Real with 'What LifeIS Now!' I am Not referring to your personal life as much as I am to Your RealAwareniss, which only YOU can Learn to Recognize & See Beyond limited Creation with into The Real UNUverses of RealFreedom. To most unaware people, what I am presenting here seems like science fiction, and this is how it will be for those who are not aware of The TruReality LifeIS. LifeIS Bigger than just being 'passive' and Kontrolled and staying as a little servant to the unknown 'god' ideas. The NUNowniss of THE ALLIS, is where only YOU can decide to StepUp and Prove Yourself with The Whole of Life as a FreeBeing of RealLight! And how is this

done? Take The Risk to find out and be willing to 'Let Life Show You... What IS Real Now!' ~

MULTI-DIMENSIONAL ALLNATURAL ENVIRONMENT by DUANE THE GREAT WRITER...

“YOU and Everyone 'IS' already standing in an Endless ALLNatural Environment that 'IS' far moreso than you are seeing with your eyes! The Whole of Life IS an ISNIS THAT ALREADY IS! There has always been the 'idea' of 'traveling' somewhere (from here to there) such as Astral Projection or Soul Traveling, but these 'ideas' are in Cause & Effect Creation only, and are mainly Astral Realm Phenomena with many Ritualistic Kults, Sacrificial Reptilian Religions, Spiritual Teachings, Kontrolling Korporations and other sound-good stuff. The TruReality Life IS, The Whole of Life, is a lot more than just Karma & Reincarnation Creation. Do YOU ever see birds doing what people do? YOU can stay as you are and continue to be a 'subject' (as the queen would say) to everything here and the Designated Heavens of Man when you are finished here, and then once again return unconscious to another 9 to 5 routine, or YU, The RealU, Your RealAwareniss, can WakeUp ALL The Way into The Real

UNUverses of RealFreedom beyond Cause & Effect
Creation! What Really Sounds More Fun? UNUversal
Positioning IS 'What IS Real Now!' And of course, it will
take effort on your part to BE a RealRiskTaker and have
The RealCourage to face yourself and then Learn to See
& Recognize The TruReality LifeIS, THE ALLIS! Until you
try... YOU WILL NEVER KNOW!

~

DEMONSTRATED RECOGNITION of THE SUN by DUANE THE GREAT WRITER...

“There 'IS' a Huge Hidden Secret with the Shining Sun
that most people do not See or Recognize. ALL LifeIS
Now and moreso than what we each experience in
Creation. With your physical body and the four other
unseen bodies you have operating, it is very difficult at first
to See Beyond what you have come to know from your
many lifetimes in Creation. The Shining Sun is simply one
of the many 'options' you have to Waking Up from your
sleep in Cause & Effect Creation. It is not so much that
you are asleep here, as it is you are unaware of The
Whole of Life, which 'IS' moreso than Creation, as you
keep 'thinking' what you are experiencing in Creation is
Life. YOU have been 'told' that this life is all there is, and
so YOU keep Agreeing to the 'idea' that Creation is the
ultimate, and what you are experiencing here is all there

is... NOT SO! If YOU really do want RealFreedom, and moreso than just the 'implied' so-called freedom on this planet, then Read The NUBook and Sing The NU~U and Watch Your DreamVisions for NUMessages from The Real UNUversal Guides & The Whole of Life!

WRITING & SPEAKING & THE REALSIDE LIFEIS by DUANE THE GREAT WRITER...

“DUANE THE GREAT WRITER IS providing 'What IS Real Now!' Duane has written The NUBooks for YOU to WakeUp ALL The Way Beyond Restricting Creation! Duane has recorded thousands of hours of Real Explanations for YOU to Better Understand why YOU are here and how to Free Yourself from this Human Farming Planet and Cause & Effect Creation! DUANE&EVA, IS on The RealSide LifeIS with Rebazar Tarzs & The Real UNUversal Guides in Your DreamVisions when YOU Sing The NUSound, The NU~U. YU have Real NUMessages waiting for YU on The RealSide... Are YU Paying Attention? As YOU Sing The NU~U, The RealU, Your RealAwareniss, will start to become evident as YU Become MoreAware! YU are so much more than a body, mind and emotions... 'YU ARE A FREEBEING OF REALLIGHT!' There IS Real UNUverses beyond the Restrictions of this world and Karmic Creation. WWE are UNUversal SuperBeings, and WWE are not political, religious, spiritual, or scientific anything... WWE are Wonderful & WWE are Very Aware Now!

~

STEPUP and BE REAL NOW by DUANE THE GREAT WRITER...

“YOU really do have The RealCourage to StepUp and Make Sense of Your Life and what is really taking place on Your Planet Earth! WWE are Wonderful WorldWide Educators Supporting The ALLNatural Environment Supporting US! WWE are UNUversal Seers with a RealPurpose! WWE are here to show YU, The RealU, how to WakeUp to Your RealAwareness and into The Real UNUverses of RealFreedom. There will always be Cleverly Planned Conflict on this Human Farming Planet, and Now is Your Real Opportunity to have RealGuidance and a RealEducation like never before! YOU can be a 'follower' of the invented systems of this world and continue to reincarnate unconsciously, or Take The Risk and Learn to See Beyond all of Cause & Effect Creation and those who Kontrol YOU! WWE are Not Rebels, nor do WWE negate what is taking place here, as everything is Choice! YOU Decide to WakeUp with US (UNUversal SuperBeings) or YOU Decide to keep Agreeing with those who Kontrol YOU!

ENTER EXITMAN by DUANE THE GREAT WRITER...

"It would really 'seem' that everything YOU DO is what

YOU 'think' is Normal! Okay... YOU can 'think' whatever you want, but could it possibly be so there is so much more that you cannot even consider? Beyond this world of concrete and freeways and buildings, there is Something Else that is unseen by most 'normal' people. Do YOU really want to just Stay Normal, or would you like a 'RealAdventure Like No Other?' Sometimes I hear one of the normal people say, "I would like to be famous to where everyone knows who I am!" I usually suggest they change their name to 'EXIT' and they will instantly have their name in lights! When you look at an EXIT sign... is there something there YOU are Not Seeing? Do YOU really want to See What IS Real, or do you want to just stay normal and grow old and diseased with your unaware family and friends? YOU are making all Your Own Choices! YOU can WakeUp with US, and Learn to See the Choices that YOU are making in Cause & Effect Creation, or stay unaware and be the Effect of everything here! There really 'IS' an EXITMAN waiting to show YOU, The RealU, out of the Designed Matrix of The World Kontrollers! Remember... YOU have to BE The Real RiskTaker to See Beyond ALL Your Restrictions... and so, do YOU have The RealCourage to StepUp & WakeUp, or will you just stay 'normal' and forget you were ever here? YOUR CHOICE! HAVE FUN DECIDING! ~

CROP CIRCLE WARNINGS by DUANE THE GREAT WRITER...

"Most of the unaware people on this HUMAN Farming Earth Planet have no idea what the 'Crop Circles' really mean or what they are. A good example is the movie, 'SIGNS' with Mel Gibson. To some, the Crop Circle Designs are very artistic and rather fun to run around in and take picture of... BUT... The Real Story is... just like 'cattle' being branded by their owners on a ranch, the Crop Circles are Giant Brands of HUMAN Ranch Ownership by the Reptilian Alien TapLiners (RATS) and their Earthly Korporation (EK) Human Farming Takeovers! YOU ARE THEIR CATTLE! YOU can keep 'pretending' that life on earth was created by the Gods of Man from outer space somewhere, and this is your right to do so, but it will not change the fact that YOU are here and everyone will be fed to THEM... TapLining Human Eating Martians! ChemTrails, Mind Kontrol Microwaves, Lethal Vaccines, GMO FreakFood, Smart Meters, Subliminal Movies, Flouridated Water, Chemical Fracking, Political, Religious, Spiritual Ritualism and Traditions, Deceptive Takeover Korporations and so much more are right in front of YOU... ARE YOU PAYING ANY ATTENTION AT ALL? Many will answer they do see what is happening... "I know about some of this and it scares me, but there is nothing I can do about it!" THERE REALLY IS Something YOU can do and it is Very Real! YU, The RealU, can decide to WakeUp ALL

The Way and Become MoreAware, instead of just Staying Passive and Agreeing with everything that is created for you to stay in Your Comfort Zone of a very temporary life here. There are NO Gods who created or Kontrol YOU! YOU keep Agreeing to what the RATS have marketed to YOU for so many lifetimes that you do not remember! The Whole of LifeIS like the Sun Shining, as IT IS Pure & Real and far moreso than anything iwth Creation, but YU, Your RealAwareniss, must Learn to Recognize & See IT!

~

YOUR TOXIC PLANET by DUANE THE GREAT WRITER...

"YOU and everyone else is living in a Toxic Bath! YOU are taking Chemical Showers and swimming in Toxic Pools. YOU are drinking Pesticide Municipal Water and so much more that YOU bare Not Seeeing! It is one thing to know this and also about ChemTrails, Oil Spills, Fracking, GMO TechFood, Lethal Vaccines, HAARP, Mind Kontrolling Microwaves, WiFi, Smart Meters, Mining Deposits, Flouridated Water, Pharmaceuticals and so much more. And what many people do not want to look at is who is purposely doing this? It is the invented systems of politics, religion, spiritual teachings, educational institutions and the scientific madness that is all around US! And so, what

can YOU really do about any of this for Yourself? When I share this information I am often asked... "Okay, what can I do about it?" On the surface and how this created world 'seems' to work, it would seem that all a person can do is demonstrate, protest, rebel or become destructive, but there 'Really IS' a much better way, but very few people will take the time to See & Recognize what I am sharing and how to WakeUp and Save ThemSelves from being unaware. WWE are Wonderful WorldWide Educators Supporting The ALLNatural Environment Supporting US. WWE have The RealCure for ALL, but to truly understand what The RealCure IS, YOU Must Deicide to Become a Lot MoreAware than you are now. You may have a little or a lot of information on what I am sharing here, but you are only into Step One. There IS a much Bigger Picture that you are not Seeeing and it supercedes Creation all together. YOU Must BE The RealRiskTaker, or stay asleep as you are. ~

WWE ARE ALWAYS FUN by DUANE THE GREAT WRITER...

"LifeIS Bigger than whatever has been created on the earth with the invented systems of Kontrol. If you like it here, then you have the right to stay as long as you want.

BUT... if YOU want RealFreedom & RealFun, then WWE will show YU, The RealU, how to Recognize what very few people in their unaware & unconscious personal consciousness ever will! Most people walking around 'think' they are aware, and also those who are followers of a religious or spiritual whatever, but they do not know about The TruReality LifeIS, THE ALLIS. It is not that difficult to see all the Created Restrictions with the invented systems here. With Rebazar Tarzs & The Real UNUversal Guides & THE ALLIS, there are NO Restrictions, and the Fun Part IS... YU, The RealU, continually Becomes MoreAware, as YU, Read The NUBooks & Sing The NU~U. WWE make Your NUAdventure Seeeing Beyond Cause & Effect Creation Fun! ~

LEARN TO BE YOUNGER by DUANE THE GREAT WRITER...

"WWE as Wonderful WorldWide Educators have The RealCure for ALL. The RealCure for ALL 'IS' moreso than anything of a physical, emotional and mental nature, as it 'IS' with The RealU, Your RealAwareniss. You will still do whatever you do to keep your body, mind and emotions

the way you want them, and at the same time YU, The RealU, will Become MoreAware and Learn to Free Yourself with RealGuidance and a RealEducation with The Real UNUversal Guides from Cause & Effect Creation. The RealCure for ALL 'IS' The Real Fountain of Youth that YOU have been looking for! Your Physical Body will only last so long, and even if you get to stay on earth a lot longer, as you should be able to See all around you, this planet is totally polluted and poisoned and there really is no future here. WWE wiil show YU, The RealU, how to Completely WakeUp, and far moreso than just the sound-good 'awakening' ideas of the physical and astral masters and gurus, that do not know about The Real UNUverses of RealFreeom, that are beyond all of Creation.

STRANGE THINGS 2 'THE RASH of KON' by DUANEIS THE NUMAN...

“What could be stranger than 'Strange Things' occurring on the earth and in Your DreamVisions with those who are Astrally TapLining YOU! Are YOU one of the billions who is still unaware of Astral TapLining? Do YOU want to WakeUp and Become MoreAware & SelfSufficient, or just stay unaware with the Kontrolling Systems of this earth

and the invented Worshiped Gods who rule Creation?
YOU might be one of the 'believers' who has been
indoctrinated to the created doctrines of the Reptilian Alien
TapLiners (RATS) who first invaded the earth. ALL of US
are on a 'Great Adventure' to Recognize & PerSeeve The
TruReality LifeIS, THE ALLIS. YOU always have the
Choice to stay with 'The Rash of KON' on the Earth Planet
for more unconscious lifetimes, or WakeUp with US and
See The RealU, as a FreeBeing of RealLight Brighter
than any Shining Sun in The Real UNUverses of
RealFreedom beyond Cause & Effect Creation! ~

WHAT WWE DO IS SHOW YOU... YOU by DUANE THE GREAT WRITER...

“It really would 'seem' that what WWE as Wonderful
Worldwide Educators are doing with some of the 'funny
stuff' that WWE produce does not make sense, but
actually it really does! WWE are UNUversal Seeers and
WWE See what is taking place on Planet Earth. YOU,
are probably one of the many who has discovered certain
things about some of the events that have been created
and manipulate your life, but there is so much more that
you are not seeing. WWE are actually Showing YOU
about what YOU are Not Seeeing! You can stay as you are
and keep 'thinking' you know what you are doing and what
Life is all about, or you can take the time to Read The

NUBooks and Sing The NU~U, and Watch Your
DreamVisions and Get Your Own Answers from Life.
MODERN DAY PROPHETS by DUANEIS THE NUMAN...

“So many of the unaware over-educated literalized social people do not understand what the created ‘idea’ of Prophets really is or means. It does sound ‘cool’ if you decide to give yourself the label of ‘prophet’ and then lip-service some old prophecies as do the fake astral masters and gurus who are spread all over this planet. The reality of the prophecy ‘idea’ is actually about what takes place in Cause & Effect Creation. In other words... when something happens, and let’s say it can be a person stealing something from someone... at some point, and it can even become so in future lifetimes, the Cause, which is the theft and the Effect, will someday show up to the person who created the Cause. For those who are a little more than the average one-dimensional person on this floating rock in black space, they can many times See what others cannot, and so they can See what will happen in the future as a Prophecy. Another example of Prophecy is... if you mail a package with UPS, DHL or FedEx, and they tell you it will be there the next day, then they are ‘Prophesying’ the delivery of what you decided to send. YOU created the Cause and the Effect is the package arriving to its destination... Prophecy 101! The Old & Ancient Prophets were astral messengers for the Old Gods. Harry & Reptilian Joanny Klump of EEKonKON ‘The Big KON’ Lawsuit 2017, are excellent examples of self- appointed &

self-absorbed 'Modern Day Prophet' conspirators using Deceptive Reptilian Religion as a front for their "Rake-it-in" Business. Prophecy is a rather 'flaky & cheezy' way to get attention from the unaware public to sell them something they really do not need. This is also along the lines of the HUMAN Farming Kontrolling kings, queens and diplomats who make and mold their medals out of bottle caps and publicly award themselves to 'look' important to their dumbed down and unaware subjects. Prophets, saviors, gods, kings, politicians, masters and gurus are the Old Out Dated Nonsense of days gone by. To the One-Dimensionalized Literalized & KONditioned Minds of socially bred masses, the Old Poopy Prophets and things like awards, medals and ceremonial ritualism do mean a lot, because they will be returning here unconscious to continue their campaigns of unawareness in future lifetime.

THE OLD BABYSITTING DAYS by DUANEIS THE NUMAN...

"The funny businesses of the Popular Kontrolling Systems, which is politics, religion, spiritual whatever, and scientific education and madness, are the Old BabySitters, with their officially created diplomats, masters and gurus, who have contrived most of the Planned Deception that is all over Planet Earth and continually adding to the Contrived

Demise of The ALLNatural Environment Supporting ALL of US! It really does take a LOT for most people to WakeUp and See what is happening right in front of them, and basically do nothing as their lifestyle, but continuing to do as they always have, and still 'thinking' that everything will be fine in their little bubble worlds. YOU are still living on the Time Track and in the past with your unseen TapLines that will eventually infect your physical body. YOU have given yourself consciously and mostly unconsciously to the Old Traditional BabySitters who have always Marketed YOU and are TapLining YOU without your knowledge! YOU will continue to be the Effect of THEM and everything around YOU, until you have The RealCourage to StepUp & WakeUp! YOU may know some of what is going on with this world, but there is a Huge Unknown that YOU know nothing about that is also taking place. Do YOU ever notice that the Old BabySitters merely use 'pretty words' and ideas to entice YOU into paying for what they are Not Doing? They do sound good, but what are they really doing for you and to YOU? WWE will show YOU how to See Beyond THEM and this world altogether, and Free Yourself from their Designed Matrix of Kontrol!

CHEAP THRILLS or REAL CAREER by DUANEIS THE NUMAN...

“YOU have been here so many times before and chasing everything you see around you, and Now that YOU are back here... YOU are doing the same old routines and YOU will end up the same way as you have so many times before... OLD and Forgetting you were ever here! YOU may 'think' you have a 'career' here, such as your job or some dream, but YOU will still grow old and forget you were ever here! Do YOU want to stay with just a One-Dimensional Career that goes Nowhere, or would YU, The RealU, like to WakeUp ALL The Way and get beyond Cause & Effect Creation all together? As YOU have done so many times before, along with almost everyone else who is still unaware of their RealAwareness... YOU keep chasing the so-called 'thrills' of the created society and what others have decided for you, because 'they' want to keep YOU Controlled and back here for more unaware lifetimes as their subject! Does this sound like science fiction to YOU? And if it does, that means YOU are still so asleep to what YOU are always standing in Right Now... because YOU are Not Seeing it! YOU will always be deciding Your Life and no one else! You can have a RealCareer with RealFreedom, once you Learn to Recognize what lies beyond Creation all together... YOUR CHOICE! ~

YOUR LITERAL MIND by DUANEIS THE NUMAN...

“Since you were young, you have been basically Agreeing to what Your Literal Mind likes and dislikes. There are two standard sides to your physical mind and brain, and they are the LiteralSide and the CreativeSide, and of course there is so much more to YOU than meets your eyes, and YOU always decide what part of yourself you will apply to any given situation. Overall, you have been taught to be 'Literal & One-Dimensional' in a three-dimensional world, with almost everything you do and decide, and this mostly works out for you on earth only, but there will come a time when it will Not! Are YOU preparing yourself, or are you just 'thinking' you know enough from what you know to handle what YOU Really Do Not Know and what will eventually show up in Your Life? Your life is Your Choice... BUT there 'IS' so much more to YOU than you can even imagine! Do YOU want to stay like everyone else, or would YOU like to BE Exceptional, moreso than you can ever imagine? What I am presenting is not for everyone, because most people want to stay asleep and unaware of their Complete Being, Cause & Effect Creation, and The Whole of Life, which supersedes Creation all together! Everything you see on Planet Earth has been created in some way, and all of it is temporary and so are YOU! For the most part, you are in your own little bubble wanting to experience 'this & that' which is why you are here, but

there is so much more that YOU are Not Seeing!

~

YOU DECIDED TO COME HERE by DUANEIS THE NUMAN...

“YOU Decided to come to this little planet to try and WakeUp during this lifetime, and so, YOU are probably one of the many unaware people who forgot why YOU really did come here! From a little new born as you grew bigger and bigger, and also as you became indoctrinated with the created lifestyle around you... YOU have probably decided that what you 'see' with your eyes is all there is to your life, and also The Whole of Life. Again... YOU have forgotten why YOU Decided to come here. YOU did not actually come here to meet someone for a date, or to get an education for a job and have a career, or settle into a certain lifestyle... Nor at all! What you do while you are here with a physical body is a 'choice' you make. YU, The RealU, created a body here to WakeUp ALL The Way, and to try and Recognize The TruReality LifeIS, that 'IS' far moreso than what has been created here to fool YOU into 'thinking' that what has been established here is 'right & good & proper' and any other ideas you have been rather intimidated to Agree with. YOU & The RealU, have been here and other worlds so many times before, and trying to

Recognize The TruReality, THE ALLIS, you have not so far, because it 'IS' a Huge Journey to do so! YOU always Decide your life. There are no gods that decide for you, but if you Agree there are, then whatever YOU Decide becomes so! Everything on this world and in Creation is 'created' and Not The TruReality LifeIS. This is why YOU have created yourself here and so many other places, because you need to first experience 'what is not real' to eventually discover 'What IS Real Now!' Not everyone will do this, as they would rather stay unaware with the invented systems of politics, religion, spiritual whatevers, scientific madness and create a LA LA Land Temporary Life Style on earth... YOUR CHOICE TO DO SO!

~

THERE ARE NO ENEMIES by DUANEIS THE NUMAN...

“Realistically... WE are ALL FreeBeings of RealLight from The Real UNUverses, but until YU, The RealU, Recognizes this, then YOU will stay in Cause & Effect Creation, and YOU will have to deal with YOUR Creations! We have all created so many different 'situations' here to gain RealExperiences for a 'comparison' to Recognize The TruReality LifeIS. YOU have the Free Will to Decide whatever YOU want, and until YOU WakeUp and Truly See what YOU are creating and what the outcome will be, then Your Free Will will Keep YOU Here! YOU can 'believe' anything you like, but whatever you believe,

follow, worship, praypay to, or whatever... it has nothing to do with RealFreedom in The Real UNUverses of The TruReality LifeIS, THE ALLIS. DUANEIS THE NUMAN IS Presenting what no one else can See or provide, because this unaware world only can see what it's little creations are, which always become infected and end up self- destructing. YOU are unaware and Kontrollled by the invented systems of politics, religion, spiritual whatever and scientific madness... YOUR CHOICE! LifeIS an ISNIS, and Not a Creation. Creation has it's purpose to start off as Your RealJourney with The TruReality LifeIS, and until YOU WakeUp and Recognize There 'IS' more to a RealLife than just creating 'things' here... then YOU Will Not! YOU are on the little world of Planet Earth... a HUMAN Farming Planet for the Reptilian Alien TapLiners (RATS) and their invented god, the Kalaum Reptilian God, Grog! The Kalaum Grog, is also known as The Lord God of the Reptilian Holy Bible they created, just to keep YOU HERE for untold lifetimes as their slave! What you are experiencing here and a whole lot more from all the lifetimes YOU have already been here, is part of Your WakeUp Now. Creation is like Drama School, and until YOU 'Get IT...' then you will stay here, because YOU keep deciding to do so! There are NO Gods! YOU have been marketed into 'thinking' there are gods somewhere Kontrolling everything and creating people to suffer on this planet. This is a Hoax, and so is the 'savior' idea to where YOU have been waiting for untold lifetimes for your savior

to return, which will Not happen, because ONLY YOU can Save Yourself when YOU WakeUp! WakeUp from Your Sleepy Dream and Learn to See 'What IS Real Now' with Your RealAwareness, more so than your self-convinced mind! THERE ARE NO ENEMIES EXCEPT YOUR CREATED SELF!

~

SELF-DESTRUCTION by DUANE THE GREAT WRITER...

"It is very easy to see from human history all the battles and wars and Self- Destruction that has taken place. This is a Warring Planet and also a Human Prison Farm. It is so there are many nice and wonderful places on this earth (for as long as they last) but it still does not change the fact of all the Self- Destruction that is always happening. Going back a few hundred years ago, and not even including the millions of years it has taken this planet to evolve and mature, there first started what we have come to know as the 'Industrial Age'. Actually, there have been many ages of higher technology than what is experienced today, but that is another story. From the ongoing battles in human history to around the time The United States was established as a 'Puppet Country' for the World Controllers in Europe, there has been a constant movement and agenda for eons to establish a Reptilian Religious Regime

of Self-Destruction. It has been 'marketed' to the unaware masses that the ideas of religion, politics, spiritual whatevers, scientific madness, along with emotional love, worshiping and praying, have some kind of overall value with what is actually happening on Planet Earth. It can be so that the ideas of love and happiness are a huge part of our experience here, but overall, the lifestyle on this world should be about Survival! YOU can be as happy and loving as you want, but it will not feed you and house you, and for what is actually causing the most Destruction to The ALLNatural Environment Supporting ALL of US! The love and happiness ideas are doing very little if anything to offset what YOU Keep Agreeing to as Self-Destruction. YOU have been Cleaverly Marketed into 'thinking' that your ideas of love and happiness will cure everything. YOU have been taught to become Self-Destructive and YOU Keep Agreeing to do so. Self- Destruction has become so much of a 'standard' with Your Lifestyle and many unaware others, that for the most part, you are not at all concerned about it. YOU eat toxic food and bath in chemical soaps. YOU drive a pollouting vehicle that posions YOU and Everyone. YOU listen to and watch Subliminal Music and Movies. YOU are in Mind Kontrolling Microwaves & Wifi everyday! YOU buy Toxic Fuels from the Kontrolling Korporations that do the Oil Spills and Lethal Fracking. YOU see the ChemTrails in the sky that are raining Poisoning Nano Technology all over everything, and for the most part, YOU could care less.

YOU like your Microwave and Smart TV & Appliances that radiate radiation and turn what you cook into Kancer Kausers. And there is still a LOT MORE that YOU are Not Seeeing! YOU have been programed to be unaware, subsurvient and to just grow old, feeble and soon to be once again unconsciously Kontrollled into future lifetimes where YOU will be returning unaware in deformed bodies... THIS IS WHAT YOU KEEP AGREEING TO! It really is Okay to Recognize Your Restrictions and Make Better Choices for ALL!

REBAZAR TARZS and YOUR ATTITUDES by DUANEIS THE NUMAN...

"The TruReality LifeIS cannot be considered according to what the personal life of any person can be on earth. The lifestyle of those on this planet are according to their own one-dimensional attitudes and Not a TotalVU with The RealUNUverses of RealFreedom. The 'ideas' the unaware have with their lives here are mainly Physical/Astral, which occupies the areas of personal love, sensations, spiritual whatevers, beliefs, hope & faith, and also the defined arrogance that is more than evident throughout warring history, and every other attitude that is self-limiting and Restricting. The Deception that infects this world is mainly from all those who keep Agreeing to their personal life of keeping their little thrills going. Even those who 'feel' they are something 'spiritual' also think that Rebazar Tarzs & The Real UNUversal Guides have the same attitudes as they do. Especially those who 'think' their Emotional Love is Everything. It is so that what we each experience here is what it is, but there is so much more that is not Seen or Recognized that cannot even be considered with any

personal sense, but moreso with a TruRecognition that supercedes just the wants and desires that is ruining The ALLNatural Environment Supporting ALL of US. Birds and Animals do not destroy what supports them and they Do Not Agree with what does Not! The 'love' idea of today is individual choice and it is many times marketed to unconsciously Kontrol the unaware masses into Agreeing with the demise of Planet Earth. YOU can decide to SEEEMORE NOW with YOUR REALAWARENISS!

"Rebazar Tarzs & The RealGuides StandReal with The TruReality LifeIS, THE ALLIS & DUANEIS THE NUMAN. The RealGuides Do Not worship or pray to invented gods or StandReal with fake old masters and their Reptilian mates and their Kontrolling Kreepy Korporations (KKK) who TapLine their members into the Lower Astral Realm with Reptilian Demons. Everyone has the right to 'think' whatever they want, but it does not make it so with The Whole of Life. WWE are Naturally Unique (NU) as UNUversal Seeers & FreeBeings of RealLight, and Fortunate for YOU that WWE are here! WWE StandReal with The Real RiskTakers nad The RealGuides who Share The NU~U, as The NUWay Out of Cause & Effect Creation into The Real UNUverses.

NUSTEPS TO WAKING UP by DUANE THE GREAT WRITER...

"Where you are and what you 'think' is a real universe is actually the Physical Realm, as Tesla mentioned. This is where you have a Physical Body with Five Senses. Tesla, like so many others is on The RealSide and far beyond the considerations of those still here. Very few people ever See Beyond this Physical Realm and their personal life while they are here. It is so that the Yogi's and spiritualist can Astral Project and Remote View, but this is merely the Astral Realm like in Your Dreams. To these people and others it goes along with their 'spiritual' ideas and other things. YOU have been here before and chances are you will be coming back again, until you really do decide to WakeUp ALL The Way! What you are experiencing here is the bottom and darkest part of Creation. YOU are in the Passing Physical Dream and the Black Realm of the invented Gods of Man. Just like a seed underground, this is where each unaware soul starts, until they Become MoreAware and Recognize they are a FreeBeing of RealLight in The Real UNUverses beyond Cause & Effect Creation. It is a Huge Journey for YOU to WakeUp Now! Whatever you discover with this Fabricated Simulation of Appearances here is nothing more than The First Step of Your Awakening Process that you must go thru. And until you get past all the sound-good 'marketing' ideas of the political, religious, spiritual and scientific systems, you will keep 'thinking' you are making some kind of progress

somewhere. And still continue to return here unaware. It can be so that you have read and heard of ancient wisdom, saints and saviors and their gods, but it is nothing more than a 'play of the mind' to something so unseen that YOU may never know, unless you Become a Real RiskTaker. Wisdom and Tradition are on LevelOne.

Step Two or LevelTwo is the Astral Realm, also known as The First Heaven of Man and the 'spirit' ideas. LevelTwo is a 'Place in Life' just like the Physical Realm. This is Your Astral Emotional Body that you use to stimulate feelings with and you 'think' your feelings are love. There are so many various places in the Astral Realm, that it would 'seem' it is endless. Also, there is a Lower Astral Realm where the Reptilians and Demons reside, and if YOU stay with any of the earthly systems, you will stay TapLined & Trapped with THEM (TapLining Human Eating Martians). You have been to the Astral Worlds so many times, but you may not remember. There is a GovernorLord who manages this realm and he is looked upon to be a god. Most people on the earth have not been properly educated about Cause & Effect Creation, and so they are held to unconscious reincarnation and karma for ongoing lifetimes.

Step Three & Four is LevelThree & LevelFour in Creation. You have Your Causal Memory Body that operates in this realm, as it holds many of your past lifetimes. LevelFour is the Mental Realm with Your Mind Body. This is The

Second Heaven of Man and home to the famous invented god, The Lord God (GROG) of most Sacrificial Religions of the Reptilian Alien TapLiners (RATS) of

the earth and other RoundWorlds. Of course, the World Kontrollers on the earth have created a huge marketing ploy to get the unaware masses to 'believe' in something that does not have any RealValue. As people apply emotion and feelings to something, they then 'think' it is more real than The Whole of Life. The earth has been setup as a Slave Camp, just like the FEMA Camps, for Human Farming. LevelFour is an awaresome place and there are many places here that are more than you can imagine. It would 'seem' like you could be here forever, but this is the Maya that has been created here and over the rest of Creation. The Kalaum God is worshiped by untold numbers of unaware souls who

are still lost in Creation and struggling thru the Yuga Cycles.

StepFive is LevelFive, known as the Etheric Realm. This is where you have Your Intuitive & Subconscious Body that relates to your physical senses. This is a True Heaven beyond all Heavens, but is still in Creation. It is here that The Real UNUiversal Guides assist those who are ready to journey into the Sixth Level, known as The Deep Dark Border that separates Creation from The Real UNUverses of RealFreedom, which starts on LifeLevel Seven. When you drop all Your Five Bodies, YU, The RealU, Your

RealAwareness, becomes evident and YU are Free to See Beyond all the illusions of Creation and the fake gods and authoritarians of the Round Worlds.

The Seventh LifeLevel... This IS The RealPosition of The RealU, as YU are a FreeBeing of RealLight here and brighter than a thousand suns! The Seventh LifeLevel is not a 'Place in Life' as IT IS ALL Life! ALL LIFE IS an ISNIS, and you must learn to Recognize & See The Real UNUverses of THE ALLIS. Beyond The Seventh LifeLevel and into The TruReality LifeIS, THE ALLIS, there are Endless LifeLevels that are too awesome to even mention. This IS where there IS RealFreedom Endlessly for YU! To start Your Real Journey to RealFreedom, simply Sing The NUSound, The NU~U and learn to Watch Your DreamVisions for Your NUMessages from ALL of Life. YU can BE whatever YU want to BE! ~

YOU HAVE NUDREAM MESSAGES by DUANE THE GREAT WRITER...

“During the day or your 'waking' hours, you 'think' you are awake, but you are Not! You are 'aware' to some degree as to what is taking place within this LifeLevel known as the Physical/Material Realm. and some of the other dimensions that surround you, but overall and with The Whole of Life, there 'IS' so much more that YOU are Not Aware of! YOU are in Cause & Effect Creation and YOU

are the Effect of everything here! YOU have been here many times before, but you do not remember this, so you 'think' this is the one and only visit to this 'Place in Life' for you, and mainly because of how you have been purposely taught and indoctrinated. You have been cleverly manipulated and deceived to Agree with the invented systems for 'your own good' as you have been told. It is so as you keep Agreeing to almost everything here, it seems that things do work out, and that is until you are once again too old and feeble once more, as you start to once again forget where you are, and for the most part, you do not have any RealExperiences about where you are going when you leave here. 'The RealNews IS' that you have huge potential to Become MoreAware & SelfSufficient beyond what you can ever imagine here! Every night as you sleep, The RealU, Your RealAwareness, leaves the body you have produced on this earth. YU, The RealU, is removing yourself from what you have created as a Conditioned Consciousness in Creation, and what you refer to as your physical body. Your body is a vehicle like your car and you really did make it, but you do not remember. As YU step out of your body, there already exists another dimension or LifeLevel YU are suddenly in. Many people do not have any recall to this, and so for the most part, they go into the 'dreaming' mode, because they are unable to Recognize there is more to themselves than just their body and senses. The Whole of Life, also known as THE ISNIS LIFEIS, is always expressing ITSELF to

ALL of US, and one of these ways is with what we have come to know as Dreams. YU are not really Dreaming outside off your personal self, as YU are moreso getting NUMessages from THE ALLNISS LIFEIS. THE NUMessages are always available and it is up to YU to Recognize them, or not. If YU do not take the time to See & Recognize what is actually taking place with Your RealAwareniss, then you will just grow old once more in your little body and forget you were ever here! WWE as Wonderful WorldWide Educators have The RealCure for ALL & WWE show YU, The RealU, how to WakeUp Now!

THE POWER of PRAYER by DUANE THE GREAT WRITER...

“It is true that prayer does work! YOU can have anything YOU want with your short little life on earth! There are many ways to look at the Power of Prayer. One way is like getting your Social Security Check every month... it does work so far. SO... here is how Prayer really works in the Five Levels of Cause & Effect Creation... YOU decide you want something, and that can be anything, and you activate yourself and direct your attention, and in most cases it is usually to one of the Gods of Man, or the saviors from sweet stories. You know, “the Man Upstairs, the Big Guy, Grande Hombre or The Lord God, whatever!” And just like on the Created Money in the US, the idea of “In God We Trust” is more than exemplified! Here is the fun part... are YOU are really willing to See who you are really Praying to? If so, it is the very same Earthly Kontrollers (EK) who put the “In God We Trust” on the Printed Money, are the ones YOU are Praying to! That's Right! The invented gods have also conquered the Astral & Mental Realms as Takeovers, just like they do on Planet Earth, which are The Two Heavens of Man where YOU are going after your life here! Then... YOU will be returning here in Deformed Bodies to be their Slaves once again! This does sound a bit 'farout' doesn't it? Just like ChemTrails, Lethal Vaccines, GMO RATFood, Fluoridated Water, Mind Kontrol Microwaves, Fracking, Political & Religious Deception, Love This & That, and a whole lot

more! And those people (Reptilians) who are parading around as priests, popes, clergy, presidents, kings, queens, movie stars, masters and gurus, and so many others... they are paid, blackmailed and intimidated very well to KEEP YOU PRAYPAYING & WORSHIPING to their invented gods, and to KEEP YOU HERE HERE UNAWARE for more, and even worse lifetimes ahead!

TAPLINED & TRAPPED in CREATION by DUANE THE GREAT WRITER...

“No matter what YOU 'think' about where you are here... YOU are TapLined and Trapped in the Cause & Effect Matrix of Creation! YOU, and just like so many others who Keep Agreeing to the invented Deceptive systems of politics, religion, spiritual whatevers and mad science... YOU are an Agreeable Prisoner of YourSelf! The Gods of

Man and the Earthly Korporation (EK) Authoritarians rule the Planet Earth, and YOU are their 'Subject' as the Queen would say! ~

KARMIC KRIMINAL KORPORATIONS by DUANE THE GREAT WRITER...

"YOU are Stuck in Cause & Effect Karmic Kreation, if you are part of any political, religious, spiritual and detrimental scientific systems that do not Sincerely & WholeHeartedly Support The ALLNatural Environment Supporting YOU! YOU, like most people, really Do Not Understand what Creation is and what is taking place here. YOU are in a Designed Matrix of Human Farming on this little 'Place in Life' and YOU 'think' you are succeeding with whatever you are doing here, but actually, you are becoming more Trapped & TapLined for more dreary lifetimes of being a Slave & Servant to the invented systems that now Kontrol YOU! The Kriminal Karmic Korporations of the Kalaum God Empire of Kreation (Lord God, Dieties, Two Heavens of Man / Astral & Mental Realms) are consciously and unconsciously holding YOU here, as they are the Reptilian Alien TapLiners (RATS) who were the original invaders of this planet. They are 'marketing' you to become seduced for Your Agreement, and then they are Astrally TapLining you in Your Dreams, which causes illnesses, diseases and cancers... VERY REAL! Take a closer look at all the Ancient Ruins and Pyramids and learn to read the symbols and you will start to put all the pieces together,

and that YOU have been here so many lifetimes before going thru the same Human Farming routines as you are Now! YOU have grown old and died in so many different ways, and Your Turn is once again coming up at any time! WWE are Wonderful WorldWide Educators Supporting The ALLNatural Environment Supporting US! WWE are not associated with politics, religions, spiritual TapLining teachings, and their Kontrolling ritualistic worshiping and praypaying to reptilian masters, gurus, gods and their indoctrinill sacrificial writings! WWE Are Real with everything WWE do! WWE Make Sense in a world that mostly does not want to make sense. Those who have decided to chant the Reptilian words of HU, OM, Amen,

Aum, and others, have the right to do so. What WWE are doing is Warning Everyone about the Astral TapLining of these Reptilian Ritualistic words and many others like THEM. Keep doing what you are doing and it will all show up as it is Right Now, as diseases & Cancers! WWE Keep Warning YOU... ARE YOU LISTENING? NTP~NO TAPLINING PLEASE~NTP. WWE are here to Share Something Wonderful that most people will not See! Sing The NUSound, The NU~U, and Watch for Your NUMessages from The RealGuides and The TruReality LifeIS, THE ALLIS.

OKAY TO DROP THE ATTITUDES by DUANE THE GREAT WRITER...

“The TruReality of ALL LifeIS Survival, RealSurvival, and moreso than just this temporary life we each struggle with here! The animals & birds survive with The ALLNatural Environment, and each of us can do the same, and also utilize a Beneficial Technology that does not harm any of us or Nature. Many people like their 'personal attitudes' more than Seeing The Bigger Picture LifeIS. Everything in this life and moreso is for Everyone, and all YOU have to do is WakeUp and Decide to Support what really Makes Sense for Everyone. This is where YOU actually do something. I am not referring to your personal beliefs and ideas, but what Makes Sense with surviving Right Now with The ALLNatural Environment that Supports YOU!

What is happening right in front of YOU on Planet Earth is getting worse ever moment. Are YOU seeing what will come from all this? YOU can 'think' whatever you want, but it will not change the fact of what is taking place, unless YOU decide to WakieUp Now without any attitudes that are not beneficial. WWE as Wonder4ful WorldWide Educators Support Each Other with Our RealAwareness, which surpasses the conventional 'thinking' of just being literalized and one-dimensionally conditioned. YOU Decide Your Life. When YU, The RealU, Stands Real with The Whole of Life and Sees more than just your personal life, then you will Free Yourself from all Your Indoctrinated Restrictions that keep YOU unaware and returning to this 'Place in Life!' ~

YOU ARE NOT 'RECOGNIZING' MARKETING PLOY by DUANE THE GREAT WRITER...

“Because of how YOU have been educated, you keep 'thinking' you really do know something important and valuable, and according to the Social Structures of how the 'business' world has been created and decided, and so it does 'seem' as though you really do know something. For the most part in this One- Dimensional Created Social Matrix... YOU have been seduced into an Agreement to 'think' that what YOU keep Agreeing to is going to be an actual and Real Accomplishment, but it is Not going to be everything you 'think' it will be! It is so that you can

succeed with having a paying job and supporting yourself and getting the 'wants' that you want with your personal life, but there is so much more that YOU are Not Seeing and where 'Your Agreements' are Really Leading YOU from the cleaver invented systems that market YOU!

“SING NU~U~U~U”

“I will use one of my previous associations with an 'individual creation' that I had been involved with decades ago as one example, as this is part of my overall experience on earth for this lifetime... Prior to coming into this life on earth, I had been preparing for this particular lifetime for longer than most people can imagine. To most, what I am sharing here is too far out, and so is what I have created as 'The NUPresentation' to provide a Real Opportunity for Everyone to have a Real & Complete WakeUp during this lifetime, and far moreso than just figuring out what has been taking place with the invented systems of politics, religion, spiritual traditional teachings and especially the 'scientific tech madness' most people keep Agreeing to and Do Not Fully Recognize!

“SING NU~U~U~U”

Paul Twitchell came before me and created the idea of Eckankar, The Ancient Science of Soul Travel. For a better understanding of this you can Read NUBook Nine. Paul & Duane have been with Rebazar Tarzs & The Real UNUversal Guides for so many lifetimes to come into The NUNowniss of THE ALLIS. With Paul's time on earth, he was The RealGuide. He had his own title and what he

presented was Genuine, as Paul was Real, Honorable & Sincere. Of course, there will always be those who disagree, and that is because they cannot See into The RealSide LifeIS. When Paul was purposely taken out of this life by those who wanted to takeover what he had created, another adventure began to emerge! An unseen conspiracy was about to infect the corporate creation to where it has become owned and Kontrollled by Reptilian Joanny Klemp and HER puppet master HarOld Klemp. HER TapLining Takeover Kontrolling Korporation with the One World Order has the 'appearance' of something substantial and 'spiritual' in the sense of being good, but what SHE is really doing can be Seen by The RealGuides & ALL of Life, as SHE Traps & TapLines the unaware Agreeing MemberShrimps into HER WorseShiping and PrayPaying Submission to HER Reptilian Kalaum God! If the dumbled down members could See what SHE is really doing to them, I would imagine they would have the sense to WakeUp and get out! And so, with what SHE is doing, along with almost every other Kontrolling Korporation on Planet Earth, most people are Agreeing to stay unaware and Emotionally Kontrollled (EK) by so many just like HER!

RECOGNIZING 'THE NU~U' by DUANE THE GREAT WRITER...

“The NUPresentation is The NUVehicle & NUReference in the Cause & Effect Creation Consciousness. The Old Outdated Astral Spiritual Teachings of old masters and gurus is gone, even though they are still seen here. What is 'seen' as something traditional or annually eventful are 'ghosts' of the past and are Not Recognized by The Whole of Life, accept for places to stay stuck in, until YU, The RealU, decides to WakeUp and to See & Recognize, THE ISNIS LIFEIS NOW. In the BasicFive Levels of Creation (Physical, Astral, Causal, Mental, Etheric Realms) the created 'idea' of Consciousness has been considered the 'ultimate' as Creation itself has been determined to be the ultimate reality in this life. YOU, as you have been here so many other lifetimes you do not remember, can decide to stay here as long as you want and continue to be the 'effect' of everything here. The Created Consciousness of Creation is no different than anything you and others have created here, and also 'thinking' this 'Place in Life' is all there is. It has been that YOU and everyone else has always decided 'What LifeIS' with your indoctrinated mind and emotions. And as YOU can plainly see all around you on this earth (unless YOU are one of those who keeps pretending everything is getting better) what is actually taking place is Rapidly Getting Worse Everyday! You and almost everyone else

keeps Agreeing to the Demise of this planet and YOU are Not Consciously Aware of this. YOU keep 'loving and praying and worshiping' and still this world gets worse and worse! What YOU and others are doing is Not Working! This is because YOU are being TapLined & Kontrollled in Your Astral Body by the Reptilian Alien TapLiners (RATS). The RATS spy on YOU here and they sneak around while your physical body sleeps and they Astrally TapLine YOU in Your Dreams... VERY REAL! If you chant the old words of HU, OM, Amen, AUM and others... YOU ARE BEING TAPLINED! YOU are TapLined and WWE can show you how to WakeUp and See what is really happening to YOU! If YOU really do want RealFreedom Now, then YOU Must Learn to Recognize The Real UNUverses beyond Time & Space Creation. Sing The NUSound, 'The NU~U' and Watch for Your NUMessages in Your Dreams to Get Your Own Answers. WWE have The RealCure for ALL!

THE REAL SECRET of LIFE IS BECOMING MORE AWARE by DUANE THE GREAT WRITER...

“For untold eons the idea of 'love' being the ultimate experience has taken over and made it's place on this planet. The love 'idea' does have it's own reality, but the

love most people relate to is mainly astral emotional sensation. Of course people do love their family, friends, pets and even their jobs, as examples, but 'There IS' Something So Much More that is Not Seen by most! Emotional Love is fine, but for the most part, it will keep you coming back to this earth with all the Emotional TapLining you have with it! If you like the earth and staying here, then look no further than your emotional feelings. As I am explaining this, Nothing is Negated and you can do whatever you want! YOU can add Greater Experiences & Better Choices to all that you have known, or just stay with what you have come to experience here. The RealU, Your RealAwareness, that is operating the Five Bodies you have, is in a RealPosition with The Whole of Life, but YOU as the created Personal Self cannot See this with your mind, emotions and senses. The RealPosition of RealFreedom IS Always available to YU in Real UNUverses of RealFreedom with The RealU, and more so than your little mind can understand or comprehend, and it is always up to YOU to Decide to SeeMore & Recognize The Hidden Secrets of Life that are beyond Time & Space Creation. YOU have been here so many times before and struggling to discover What Life IS. Now is your chance to do so, because this is a Huge Journey. And if you do not start Now, then chances are you will just grow old once more and forget you were ever here! WWE Know What WWE Are Doing!

SO YOU 'THINK' YOU KNOW by DUANE THE GREAT WRITER...

“Yes... it can be so that you know what you are doing with your friends, family, job, recreation and so on, but do you ever Check Your RealSide NUMessages? What you and most others refer to as 'Dreams' are actually NUMessages from The RealSide LifeIS. LIFEIS BIGGER THAN CREATION! Because Your NUMessages are in Cause & Effect Creation, there is a lot more to understand about them than just 'symbolism' as are in many Dream Books. And just like here with the invented systems of politics, religion, education, spiritual teachings and scientific madness, these is also a hint of Deception that YU, The RealU, must Learn to Recognize to get Free from the Unawareness of Creation. If you are one of those who chants and loves the ancient words of HU, OM, Amen, AUM and others, you are going no further than the Astral Realm, and most of the time you are being TapLined in Your Astral Body and into the Lower Astral Realm of Reptilians & Demons! Astral TapLining leads to diseases and cancers in your physical body and more unconscious lifetimes of being lost here! As long as YOU keep 'thinking' you 'know more' than The Whole of Life, then you will stay lost here with the unaware masses! WWE Sing The NUSound, The NU~U, as This IS The RealConnection to The Real UNUverses of RealFreedom beyond all the Restrictions of Karmic Creation.

WWE ARE THE NUDREAM FOR ALL by DUANE THE GREAT WRITER...

“YOU are in The Passing Dream that you have created for yourself here. YOU can keep deciding what you always have and your life will continue on into more episodes and into future events as they become apparent here. In other words, you will be returning here unconscious into new bodies and starting over once more and many times again! YOU can decide to WakeUp Now with US, or just live your personal life and forget once again you were ever here. WWE as Wonderful WorldWide Educators are with Rebazar Tarzs & The Real UNUversal Guides in The Real UNUverses oif RealFreedom. WWE are Sharing Something Wonderful that very few ever come to know or Recognize. LifeIS So Much Bigger & Better than what you are experiencing here and what you will never even be able to imagine if you do not discover The NUDream, WWE are presenting! And YOU will never know unless YOU Take The Risk with US! WWE StandReal with The TruReality LifeIS, THE ALLIS. You, like so many others have come thru the invented Marketing Systems of Kontrol, and you have Agreed with THEM for many lifetimes. You can stay with THEM, or decide to WakeUp to a RealLife with US, UNUversal SuperBeings.

LIVING IN CREATION or A REALLIFE by DUANE THE GREAT WRITER...

“This may sound funny to YOU, as you are still unaware of The TruReality LifeIS, THE ALLIS, that what you 'think' is Life here is really Not! YOU are in Cause & Effect Creation that is a 'simulated life' and Not a ReaLife. YOU can decide whatever you want about the Creation you are in, but the fact remains that YOU are asleep to The TruReality LifeIS. Creation is a Huge Process that all of us must first go thru for untold lifetimes. And then at some particular moment YOU have The Real Opportunity to Learn to SeeMore than you ever have before, but YOU Must Take The Risk to See! Once you firmly decide to have RealGuidance and a RealEducation... NOW, The Real Journey to RealFreedom Begins! There is No Life here! There is only what 'appears' to be something that soon disappears. Of course you will continue to experience what you have while you still have a body here, because nothing with your life is negated, but what you really will be doing is preparing for a ReaLife that you cannot as yet See. The ReaLife, YU, The RealU, is looking for is in Your RealAwareness and not altogether with the Five Bodies you operate in Creation. Now comes what you have always been waiting for... 'An Adventure Like No Other' and it Begins Now! You have always decided what

your life is and what you 'think' LifeIS, and you can keep doing so, or discover what very few have... A RealLife without Restrictions! YU, The RealU, must BE The Real RiskTaker or you will not See what I am hinting at. I am not hinting at some place in the Astral Worlds that religions and spiritual teachings are based upon and limit themselves to. You can start off by Reading The NUBooks and taking The TruCompleteness Courses and Singing The NU, to make The RealConnection with The SoundLight Reality LifeIS, as YU gradually Become MoreAware and WakeUp to Recognize there Really IS so much more than you can ever consider with your mind and senses.

~

REAL INSPIRATION with DUANEVA by DUANE THE GREAT WRITER...

“Over the many lifetimes all of us have come here and from other 'Places in Creation' that some do remember, but most do not, each of us have come to know great and wonderful inspirational writings and presentations from those who are willing to share their vast experiences for the Benefit of ALL. The 'inspirational' idea is to get a person to SeeMore than what they are seeing here. As an example, most people relate to religious ideas that have been around since who knows when, and 'thinking' that what the invented religions relate to is some kind of

ultimate reality... BUT... there 'Really IS' so much more than what can be experienced and decided here from what has been created and decided by those who Kontrol this planet! Only The Real RiskTakers will See Beyond this world and all of Cause & Effect Creation into The Real UNUverses of RealFreedom! The TruReality LifeIS, IS so much more than what can be considered with the your mind and senses. The 'so-called' sacred and holy writings and doctrines can be a start to the Astral Emotions most people like to live with, but beyond all that is known... there 'IS' Something So Real that your personal mind cannot even imagine IT! And so, from what you have come to know there 'IS A Huge Adventure Like No Other' waiting for YU, The RealU, Your RealAwareness, to WakeUp to, See & Recognize, unlike anything here! WWE are Wonderful WorldWide Educators and WWE provide The Real Inspiration for YU, The RealU, to Become MoreAware, SelfSufficient & Wonderfully Free! ~

NO NEED TO PROTEST OR REBEL by DUANE THE GREAT WRITER...

“COSMIC CREATION DATE: JANUARY 20,2017. The Biggest Staged Show ever created is on 'The World Stage' where so-called grownup educated people are 'paid' to perform for the unaware masses and to keep marketing YOU into Agreeing with the Kontrolling Deception that this

planet is ruled by! For the most part, there is no need to protest or rebel, because this is exactly what the invented 'establishment' wants to keep YOU their prisoner for more lifetimes here! YOU have been Agreeing to what they have created here, and for lifetimes, and Now that YOU are starting to wake up a little, you are seeing what they have been doing to everyone, and especially to The ALLNatural Environment Supporting ALL of US! It is all about 'Your Agreements' with THEM, as you keep 'thinking' they will be your friend and actually do what they say in their political speeches. They have their own 'agendas' and when YOU Stop Agreeing with THEM, then they have no support! YOU have always Decided what Your Life will become by the Choices that YOU have made! Simply WakeUp to the Agreements you have made with THEM and Learn to Make Better Choices that will create a RealBenefit for YOU & Everyone. WWE as Wonderful WorldWide Educators show YOU how to Become MoreAware and Get Your Own Answers! YOU really can Make Better Choices once YU, The RealU, discovers Your RealAwareness! WWE are Real & Fun & No Restrictions!

YOUR CHILDREN ARE THE FUTURE by DUANE THE GREAT WRITER...

“YOU will always decide Your Life, and if you have children, you will be a huge influence as to what they can

decide for themselves. It Makes Sense to understand The ALLNatural Environment Supporting You & Everyone. The world of today is in very desperate need of people Waking Up to what actually Supports ALL of US! As the land, air and oceans are constantly being poisoned and polluted, there will come a time when everything is infected! What YOU decide Now will come to pass as the future arrives! It will take more than just 'thinking' The ALLNatural Environment will be okay... it will take what YOU do

Now to make it so! The Children are The Future from what YOU decide Now! ~

WHAT CAN YOU DO with YOURSELF? by DUANE THE GREAT WRITER...

“There really are a lot of people who ask themselves...

“WHAT CAN I DO WITH MYSELF WHILE I AM HERE?”

Actually... YOU can do whatever you want! For myself, I have decided to Share My RealExperiences from my physical life, and also The RealSide Experiences I have had for lifetimes with The Real UNUversal Guides, while I was Learning to Become MoreAware and WakeUp to 'What IS Real Now!' LIFEIS ALWAYS NOW! The past, present and future are merely 'references' we each experience while going thru the process of Cause & Effect Creation. Creation is a 'simulated reality' and Not The TruReality LifeIS! You have to learn to crawl and walk

before YOU can Fly! YOU can decide whatever you like while you are here, and if you do not WakeUp during this lifetimes, then 'maybe' you will sometime in the future, but there may not be what WWE are Presenting Now as a Real Opportunity for ALL! Most people will once again waste away their life here and just grow old and unaware and forget once more they were ever here! YOU have already done this same routine for countless lifetimes, and yes, you can do whatever you want, but it will not be any different when you pass from this life no matter what you 'believe' will be so. WWE will show YU, The RealU, how to have RealExperiences with Rebazar Tarzs & The Real UNUversal Guides that will Wake 'YU' Up into Real UNUverses of RealFreedom! WWE are Real RiskTakers & WWE Share The NUSound, The NU~U!

A GOOD BUSINESS PLAN by DUANE THE GREAT WRITER...

“The Planet Earth has become a One-Dimensional Business World, as people keep Agreeing and Deciding it to be so. Business is not good or bad thing... it is a Choice, and for the most part to chase created money. The political, religious, spiritual, educational and scientific systems are invented businesses. These are merely 'creations' in Creation and become what each person decides they will. There 'IS' a much Bigger Picture that

most, if not all of these invented institutions do not See, and that is for the most part they are contributing to the Demise of The ALLNatural Environment Supporting ALL of US! Many of THEM 'say with pretty words' how they are doing their part for this planet, but it is by the very fact of what they are Producing and Demonstrating that shows what they are really doing! The unaware masses are constantly marketed with 'sound-good' ideas, which become very convincing and also intimidating to make sure YOU Agree with the invented 'officialness' that has been created here. The only way YOU can Stay Kontrollered and unaware is if YOU Keep Agreeing to the Deception that is marketed to YOU! Once you learn to SeeThru the Marketing Ploy and decide to StandReal with The Whole of Life and Do Something Beneficial & Real, then YU, The RealU, will start to WakeUp and See what YU have never Seen before! But... YU must BE The Real RiskTaker or stay with the marketed unaware masses. ~

“WWE are Wonderful WorldWide Educators and WWE are Honorable & Real with what WWE do here! Wwe have something so much better than just another 'business plan' for Everyone! Do the birds and animals with The ALLNatural Environment have a Business Plan? Do they need one? For sure, WWE have to deal with what already exists on Planet Earth, as WWE are here to Share Something Wonderful that YOU can Learn to See & BE! StepUp with US and Learn to BE Real Now!

IT IS TIME TO GRO-UP by DUANE THE GREAT WRITER...

“We have all been thru countless lifetimes of what we needed to get to RIGHT NOW! YOU Now have a Real Opportunity like never before to Gro-Up beyond everything you have come to know and into a RealPosition of Being SelfSufficient & Completely Free! More than just words and old traditional wisdom... The RealU, Your RealAwareness, can Learn to See Beyond all the created and Agreed to Restrictions you have come to know. Everything you have come to know has provided the knowledge and experiences of 'what is not real' into an even better position for you to Recognize 'What IS Real Now!' For YU, The RealU, to succeed... YU must Become The Real RiskTaker and Step into The Endless Unknown LifeIS to SeeMore! You can stay with the old 'babysitters' that give you old 'ideas' for you to Agree to and keep you asleep here, or YU can decide to do what YU have never done before and WakeUp with US! There Really IS, so much More to See & BE, but YU must Take The Risk to find out! Join US in a Skype Gro-Up Group!

MULTI-DIMENSIONAL ALLNATURAL ENVIRONMENT **by DUANE THE GREAT WRITER...**

“YOU and Everyone 'IS' already standing in an Endless ALLNatural Environment that 'IS' far moreso than you are seeing with your eyes! The Whole of Life IS an ISNIS THAT ALREADY IS! There has always been the 'idea' of 'traveling' somewhere (from here to there) such as Astral Projection or Soul Traveling, but these 'ideas' are in Cause & Effect Creation only, and are mainly Astral Realm Phenomena with many Ritualistic Kults, Sacrificial Reptilian Religions, Spiritual Teachings, Kontrolling Korporations and other sound-good stuff. The TruReality Life IS, The Whole of Life, is a lot more than just Karma & Reincarnation Creation. Do YOU ever see birds doing what people do? YOU can stay as you are and continue to be a 'subject' (as the queen would say) to everything here and the Designated Heavens of Man when you are finished here, and then once again return unconscious to another 9 to 5 routine, or YU, The RealU, Your RealAwareniss, can WakeUp ALL The Way into The Real UNUverses of RealFreedom beyond Cause & Effect Creation! What Really Sounds More Fun? UNUversal Positioning IS 'What IS Real Now!' And of course, it will take effort on your part to BE a RealRiskTaker and have The RealCourage to face yourself and then Learn to See

& Recognize The TruReality LifeIS, THE ALLIS! Until you try... YOU WILL NEVER KNOW!

~

DEMONSTRATED RECOGNITION of THE SUN by DUANE THE GREAT WRITER...

“There 'IS' a Huge Hidden Secret with the Shining Sun that most people do not See or Recognize. ALL LifeIS Now and moreso than what we each experience in Creation. With your physical body and the four other unseen bodies you have operating, it is very difficult at first to See Beyond what you have come to know from your many lifetimes in Creation. The Shining Sun is simply one of the many 'options' you have to Waking Up from your sleep in Cause & Effect Creation. It is not so much that you are asleep here, as it is you are unaware of The Whole of Life, which 'IS' moreso than Creation, as you keep 'thinking' what you are experiencing in Creation is Life. YOU have been 'told' that this life is all there is, and so YOU keep Agreeing to the 'idea' that Creation is the ultimate, and what you are experiencing here is all there is... NOT SO! If YOU really do want RealFreedom, and moreso than just the 'implied' so-called freedom on this planet, then Read The NUBook and Sing The NU~U and Watch Your DreamVisions for NUMessages from The Real UNUversal Guides & The Whole of Life!

THE REALNEWS IS is NOT THE MEDIA by DUANE THE GREAT WRITER...

YOU HAVE NUDREAM MESSAGES by DUANE THE GREAT WRITER...

“During the day or your 'waking' hours, you 'think' you are awake, but you are Not! You are 'aware' to some degree as to what is taking place within this LifeLevel known as the Physical/Material Realm. and some of the other dimensions that surround you, but overall and with The Whole of Life, there 'IS' so much more that YOU are Not Aware of! YOU are in Cause & Effect Creation and YOU are the Effect of everything here! YOU have been here many times before, but you do not remember this, so you 'think' this is the one and only visit to this 'Place in Life' for you, and mainly because of how you have been purposely taught and indoctrinated. You have been cleverly manipulated and deceived to Agree with the invented systems for 'your own good' as you have been told. It is so as you keep Agreeing to almost everything here, it seems that things do work out, and that is until you are once again too old and feeble once more, as you start to once again forget where you are, and for the most part, you do not have any RealExperiences about where you are going when you leave here. 'The RealNews IS' that you have huge potential to Become MoreAware & SelfSufficient beyond what you can ever imagine here! Every night as you sleep, The RealU, Your RealAwareness, leaves the

body you have produced on this earth. YU, The RealU, is removing yourself from what you have created as a Conditioned Consciousness in Creation, and what you refer to as your physical body. Your body is a vehicle like your car and you really did make it, but you do not remember. As YU step out of your body, there already exists another dimension or LifeLevel YU are suddenly in. Many people do not have any recall to this, and so for the most part, they go into the 'dreaming' mode, because they are unable to Recognize there is more to themselves than just their body and senses. The Whole of Life, also known as THE ISNIS LIFEIS, is always expressing ITSELF to ALL of US, and one of these ways is with what we have come to know as Dreams. YU are not really Dreaming outside of your personal self, as YU are more so getting NUMessages from THE ALLNISS LIFEIS. THE NUMessages are always available and it is up to YU to Recognize them, or not. DreamCourse is your First NUYear with Rebazar Tarzs & The Real UNUversal Guides. YU, The RealU, Your RealAwareniss, will Become MoreAware as YU Sing The NUSound, NU~U, and Watch Your DreamVisions.

THE TRUCOURSE ~ SECOND YEAR

LifeIS Always Now, and YU are AlwaysNU. YOU, the Personal YOU, that YU have created from many lifetimes of practice, IS Now ready to WakeUp ALL The Way! YU have discovered The Real Privileged Position with The Whole of Life.

THE NULEADER ~THIRD YEAR

For those who have wholeheartedly read The NUBooks and studied The TruCourses, they should be more than

ready to start Standing Real with The RealGuides to where they are able to Share The RealConnection, The NU~U, of

The TruReality LifeIS, THE ALLIS.

THE REAL RISKTAKE ~ FORTH YEAR

YOU & The RealU, will always be the one who decides Your Life! This is Very Real and to constantly Pay Attention to. No one else ever decides Your Life, as YOU decide to BE The Real RiskTaker or stay asleep and unaware like the Kontrollled Masses.

THE LIFELEVELS TRUCOURSE ~ FIFTH YEAR

There 'IS' so much more to The Whole of Life than what you are experiencing here. YOU will always be the one who will decide to Explore & Discover NUWorlds beyond what this world has decided for itself. Take The Risk to SeeMore than YOU ever have before!

THE NUSPONSORSHIP TRUCOURSE ~ SIXTH YEAR

YOU have Now come to The Real Opportunity of everything YU have learned and experienced so far. The Real Opportunity 'IS' The TruPrivileged Position to StandReal with Rebazar Tarzs & The Real UNUversal Guides & THE ALLIS. In The TruSense, what I am referring to is with Your RealAwareness and moreso than what your personal mind can understand. It is always up to YOU & The RealU, to Recognize & PerSeeve THE ALLIS, and See 'What IS Real Now!'

DUANEIS THE NUMANIS SHARING...

Does it Make Sense that Rebazar Tarzs & The Real UNUversal Guides are with Old fake master HarOld Klump & Reptilian Joanee Kronee Klump of the EEkonKON 2017 LawSuit 'Big Business' Kontrolling Korporation? Do The RealGuides worship & praypay to anything? NO they do NOT! Scarry Harry & Phonee Joanee have created their 'business plan' to make sure the Kontrolled MemberShrimps worship & praypay to HER and HER puppet master! The dumbled down members are 'so afraid' to lose their fake initiations from HER!

ARE YOU PAYING ATTENTION YET?

Rebazar Tarzs & The Real UNUversal Guides are NOT masters and they DO NOT StandReal with fake masters and their Reptilian Mates! What Paul Twitchell created was for those times and that is it! DUANEIS THE NUMAN 'IS' providing The NUNowniss of The TruReality, THE ALLIS for ALL! Sing NU~U, and ASK Rebazar & Paul 'What IS Real Now!' Let Life Show YOU!

THE NUSessions

WWE, as WorldWide Educators See that at times each one of us may need a Better Understanding of what we have to deal with on this big world of so many variables. WWE can See that most people do not need some kind of therapy or drugs to help them cope, but merely a More Fun Way of Seeing Themselves, the world around them, and a few NUSuggestions to better handle what takes place with their life and the choices they make each day. WWE are Here to do our part for ALL The Communities of The World. Your ongoing contributions keep US Here for YOU.

WWE CARE for ALL

WWE are Professional CARE Supporters who provide a Real Service for ALL People and ALL Communities. One of the many aspects of our WorldWide Education is with those who sometimes have personal issues with adjusting to their Surroundings and Environment. WWE provide Real CARE to where WWE Recognize and Understand that each person wants to express themselves in their own way and at the same time contribute to the Real Benefit of themselves and others and their community as a whole. We have all come through a lot to understand ourselves and to be rather rebellious is part of our Creative Nature to explore and express ourselves. The greatest people in history were rather indifferent and rebellious at times, and

then became Someone Wonderful! WWE See & Do what others only dream of... WWE are Wonderful WorldWide Educators and WWE are here to assist those who want to be inspired with their seemingly rebellious natures to achieve what very few people ever do! WWE Welcome all those who are seen as different by others and who sometimes have difficulties adjusting. WWE are Here for YOU! WWE have Real Opportunities for Professional PHDs and others to be part of our Advisory Board. WWE welcome those who would like to contribute and support WVECARE financially, as Community Sponsors.

YOU CAN BE THE NUSPONSOR WITH US ~

“HELLO...

WWE are Wonderful WorldWide Educators Supporting The ALLNatural Environment Supporting US! YU, The RealU, can Learn to BE The NUSponsor with US. What Being The NUSponsor means IS...

YU are Not a follower, believer, member or a subject, as with the invented systems on this world. YU, The RealU, IS a FreeBeing of RealLight Brighter than the Sun Shining! WWE have The RealConnection with Rebazar Tarzs & The Real UNUversal Guides with The Whole of Life, that IS morseo than anything within the Six Restricting Levels of Cause & Effect Creation. WWE Support 'What IS Real Now' and what Makes

Sense with ALL The LifeLevels, and YU can Learn to StandReal with US and Become MoreAware to Recognize The Real UNUverses of RealFreedom Now! WWE are Always Here for YU, and when YU Support US, then WWE Support YU to Become The NUSponsor with The RealGuides who provide a RealEducation & RealGuidance with Duane The Great Writer & The RealSide LifeIS. YU will start with Learning to Recognize Your RealAwareniss, here and in Your DreamVisions. When YU StepUp to BE The NUSponsor with US, then The RealGuides will begin to Sponsor YU into The Real UNUverses of RealFreedom, which are beyond all the Restrictions of Your Mind and Creation. As YU start The TruCourses and Read The NUBooks, YU will Learn to SeeMore than ever before!”

~

“Singing The NUSound, The NU~U (sing a little “NU~U~U~U”)... The NU~U will start to make Your RealConnection with The RealGuides & The TruReality LifeIS, THE ALLIS, and this will become evident in Your Dreams. As YU begin to Pay Attention to Your DreamVisions and Your NUMessages from The RealSide LifeIS, YU will start to Become MoreAware and eventually SelfSufficient. YU, will always decide to StandReal with The Real UNUversal Guides & THE ALLIS, or stay with your personal life and keep creating a future for yourself here. WWE are here

**Supporting & Sponsoring, Rebazar Tarzs & The Real
UNUversal Guides with The Whole of Life, as they

**"WWE are Wonderful WorldWide Educators Supporting
The ALLNatural Environment Supporting US! WWE
StandReal (and are **Not** co-workers with any master or
their gods) with Rebazar Tarzs & The Real UNUversal
Guides in The Real UNUverses of RealFreedom with The
TruReality LifeIS, THE ALLIS! **"SING NU~U~U~U"**
The days of masters and gurus are gone, as they are still
living in Time & Space Creation (part, present, future) with
their Earthly Korporation (EK) Business Plans that relate
to the Planet Earth and the Astral Realm (first heaven of**

man) only and the invented Gods of Man. The NUNowniss of THE ALLIS, IS The Whole of Life and far moreso than anything in Cause & Effect Creation could ever be. Those who want to worship and praypay to masters & gurus with their TapLining Temples and kneel to created gods & saviors have the right to do so. **“SING NU~U~U~U”**

YOU Now have The Real Privilege & Real Opportunity to Completely WakeUp from 'The Passing Dream Matrix' that YOU are in here! The Greatest Journey to RealFreedom IS NOW! It will be so that not everyone will be able to See what WVE are presenting Now, as The RealJourney with THE ALLIS, IS so much more than any personal mind can ever conceive. YOU, YU, The RealU... Must BE The Real RiskTaker, and moreso than just a follower, member, emotionally loving, stand & watch, and to where more than just your personal life on earth continually reincarnating here comes first. LifeIS Bigger than what YOU have decided so far, and if you have The RealHeart to SeeMore & BeMore, then WVE will Share Our RealExperiences with you and so will The Real UNUversal Guides! YOU have always decided how this life is according to YOU, and Now 'IS' Your Real Opportunity for The Whole of Life to Show YOU 'What IS Real Now! Do YOU want to just stay the same and keep deciding that 'you know more than LifeIS' or will YOU Take The Risk and StepUp & StandReal with US and See what YOU have never Seen before? YOU ALWAYS DECIDE!

“SING NU~U~U~U”

Hello... I am Duane The Great Writer, THE NUMAN, and Standing Real with Rebazar Tarzs & The Real UNUversal Guides. It is so that anyone can write or say anything in a literal sense on this earth, but Everything YOU will ever need shows up on The RealSide LifeIS with The RealGuides of THE ALLIS. As you Sing The NUSound, The NU~U, and then Watch Your DreamVisions, YU The RealU, Your RealAwareness, will be shown NUWorlds & given NUMessages, along with many Real Demonstrations that your personal mind cannot at first understand, and as you become very patient and Learn to Pay Attention to what is really taking place here and The RealSide lifeIS... then a Whole NUReality will begin to expose ITSELF to YOU! What WWE are presenting is far more so than any university course or degree that can be accomplished here. And so YOU must learn to See the Bigger Picture than what is on this world. If YOU want to be 'babysat' then it is your choice to be a follower and have astral initiations with masters, gurus and saviors. There are No Free Rides and YOU Must Earn Your Way into The Real UNUverses with The RealGuides! THIS IS YOUR CHOICE! **“SING NU~U~U~U”**

THE REAL UNUVERSAL GUIDES UNUVERSAL SPONSORSHIP TRUCOURSE

~

The Prelude TruCourses... NU~YU DreamCourse / The TruCourse / The NULeader / The Real RiskTaker /

LifeLevels TruCourse and The Nine NUBooks of The AdventurIS Series. These TruCompleteness Courses are what make up The NUPresentation Foundation. I have written these TruCourses as the first steps as The Real WakeUp for ALL. The Real UNUniversal Guides have nothing to do with any of the old invented systems of politics, religion, spiritual paths, indoctrinated education, nor scientific distortions. ALL LIFE IS NOW! What has taken place before this very moment Now, 'IS' what has led to The NUNowness Life IS. Most of the unaware masses will not understand what I am presenting, because they have decided that Deception makes more sense than does 'What IS Real Now!' If you do start to Recognize what I am presenting, then count yourself very fortunate, because this Journey to RealFreedom only gets Better & Better as YOU, The Real YOU, Becomes More Aware & SelfSufficient. The feeble outdated masters, gurus, priests and sages, only want to keep people sedated with their 'pretty words' and old outdated wisdom from old doctrines in Creation.

“SING NU~U~U~U”

What The UNUniversal Sponsorship Means IS... After you have went thru The NUBooks and TruCourses, you should be ready to StepUp and StandReal with The TruReality Life IS, THE ALL IS. YOU are the Decider of Your Life and there have been No gods who created YOU! YOU can stay with the invented systems of the authoritarians and

their fake masters and gods, or Take The Risk and Free Yourself from Cause & Effect Creation Now! YOU must be Sponsored by The Real UNUversal Guiders to get out out of Creation. WWE are Not a Belief System! WWE are Far MoreAware than all those teaching 'ideas' you have been thru for untold lifetimes. WWE are beyond all initiations, ceremonies, rituals and the nonsense of worshiping and praying to anything! YOU have already been with the 'babysitters' and Now it is Your Time to WakeUp ALL The Way and Demonstrate Your RealCourage to Contribute and Share The NU~U! ~

I WRITE JUST FOR YU by DUANE THE GREAT WRITER...

“It is very typical that what a person creates is usually just for themselves. To most people this seems to make sense and also to the invented business world we are all with here. I have decided that what I am doing here is for Everyone who wants to StandReal with The TruReality LifeIS. If YOU want RealFreedom instead of just 'implied freedom' on this HUman Farming Planet, then learn to See the Bigger Picture with US. Each one of us is already a FreeBeing of RealLight from The Real UNUverses beyond Cause & Effect Creation. And yes this is so, but YU, The RealU, must learn to Recognize this, and morerso than just 'think' it to be so or 'believe' in something. With

Rebazar Tarzs & The Real UNUversal Guides, it has been decided the days of masters and gurus are gone! If some people still want to be a little 'member' of something and pay for fake initiations from a self-absorbed person who calls themselves a master or whatever, then they have the right to do so. LifeIS Bigger than the personality of people who sell their pictures to others and then Astrally TapLine them in their Dreams. From what I have come thru, I have learned a lot, and what I have learned the most is Not To Do what those I have come to know are doing to others! I put everyone before me, those who are The Real RiskTakers and want to See Beyond the senseless groveling of worshiping and praypaying to the Korporation Masters and their created fronts that 'look good' to the unaware masses. This is a business world and everyone has the right to do whatever they want, but just because someone creates something and charges created money and calls it political, religious, spiritual or whatever, does not mean it has any value at all. The Whole of Life already knows The Real Intent of each of us, and so do The Real UNUversal Guides. Do YOU really want to See what I am honorably presenting to this world... REALLY? Then Take The Risk and Sing The NUSound, The NU~U, and Watch Your DreamVisions and YU will be shown. YOU will WakeUp to Getting Your Own Answers... FUN! The TruReality LifeIS, THE ALLIS & The Real UNUversal Guides do Not backup any fake TapLining masters and their Kontrolling Korporation mates, no matter how good

they sound with their 'pretty words' on stage! The political, religious, spiritual, educational and scientific whatevers, have no Real Backing from The TruReality LifeIS, but only from Astral Entities and Reptilian Alien TapLiners (RATS). As long as YOU keep Agreeing to the invented systems and their created gods and doctrines, then YOU are being TapLined & Trapped here and adding to the demise of The ALLNatural Environment Supporting ALL of US, no matter what you think! What I have written and share is for YOU. Let Life Show YOU... 'What IS Real Now!' WWE show The RealU how to 'Get Your Own Answers!' ~

AMAZINGLY ADMIRE ALLIS by DUANE THE GREAT WRITER...

“As we have each have grown up here, and as we have for many previous lifetimes, we have Admired certain people we know and for who they have made themselves. Real Admiration IS Unique, especially when you Recognize The TruReality LifeIS, that 'IS' far moreso than anything decided here! We have each come thru a lot of Huge Deception from those we considered and 'thought' to be worthy of our Admiration, and then at some point, let us down or found out they were not at all who we 'thought' they were. This is part of Your WakeUp Process that YOU Need, as you learn from lifetime to lifetime how to Make Better Choices and to See Beyond the Created Fronts of

others. From millions of lifetimes in Cause & Effect Creation to Right Now, what has been taking place on Planet Earth by the 'Officialness' that has been invented is mainly Deception. YOU can decide whatever you like, as this is your right to do so, and 'believe' whatever you like, but it will not change the fact of what is really taking place with what others have already decided! In Creation are the Authoritarians who have created Human Farming to keep YOU here, and also their gods and saviors they want you to keep waiting for, and for many more lifetimes to return.

Beyond Time & Space Creation IS The Real UNUverses of RealFreedom! I am simply Sharing My RealExperiences here and from The RealSide LifeIS for ALL, with what I have created as a Real Reference... THE NUPRESENTATION. The NUPresentation is Not a 'category' like politics & religion. WWE are Not a Belief System. WWE as Wonderful WorldWide Educators do not discriminate with defined categories, as WWE StandReal with The TruReality LifeIS For ALL. WWE are UNUversal Seers with Rebazar Tarzs & The Real UNUversal Guides. For me as, Duane The Great Writer, I have learn to See & Recognize THE ALLIS. I Amazingly Admire THE ALLIS. THE ALLIS, IS Real & Pure and there are No Restrictions, worshiping & praying, as there are in Creation with the invented gods and their created doctrines. WWE provide RealGuidance and a RealEducation like no one else! YOU always have a Choice... to stay here and keep struggling into more unaware lifetimes, or StepUp & StandReal with

The TruReality LifeIS with No More Karma & No More Restrictions Ever!

**SHARE 'ALLIS NU~U' FOR YOUR SURVIVAL by
DUANE THE GREAT WRITER...**

“YOU have been here more lifetimes than you can imagine and basically struggling was the same routines you are Now. What has been created here and all the ideas that you and others Agree to do 'seem' so real and substantial. While you have Five Bodies in Creation, it does make sense to do something here and maintain yourself the best you can, but there really 'IS' a much Bigger Picture, YOU are Not Seeeing! WWE as Wonderful WorldWide Educators provide what no one else can... WWE show YOU how to Survive past this life and the temporary Designated Heavens that have been proposed to you from here. YOU can keep doing what you have always done and continue to go thru the cycles of rebirth and unaware with the Reptilian Alien TapLiners (RATS) who Kontrol this planet and the temporary heavens, or YU, The RealU, can WakeUp with US and Become MoreAware and WWE will show YU how to get past Cause & Effect Creation into Real UNUverses of RealFreedom! For YU to have RealSurvival beyond ALL Your Restrictions... YU Must WakeUp & Earn Your Way. WWE are The NUAdventure into Endless Awesome & Real UNUverses far beyond what this simulated universe

of floating planetary rocks has. As YOU Sing The
NUSound, The NU~U, ~

ATLANTIS 2 'HIGH IMPACT' by DUANE THE GREAT WRITER...

“YOU have been here and other RoundWorlds so many times before, but YOU do not remember. YOU have been thru millions of unaware lifetimes and Yuga Cycles to get Right Here & Now! YOU are in the Cause & Effect Matrix of Creation as a 'process' you must first go thru to WakeUp to The RealU, Your RealAwreniss, and then Recognize a much Bigger Picture beyond all of Creation. This then becomes The RealAdventure LifeIS! Right Now... YOU have a Real Opportunity to WakeUp ALL the way with US (UNUversal SuperBeings) and Rebazar Tarzs & The Real UNUversal Guides. I suggest YOU take a real close look at everything that is happening on Planet Earth that is always Right in Front of YOU! YOU have been thru many lifetimes like this before, and this entire purposely planned poisoned planet is in a Kontrollled Matrix by the Reptilian Alien TapLiners (RATS). Because of the Created Consciousness that has taken place over centuries, this entire planet is in an 'Atlantis 2' situation Right Now, as was Atlantis when it began to go thru it's process and started to deteriorate, as corrupt political, religious, spiritual, occult and scientific systems with their marketing deception continued to destroy themselves. Then came

the earthquakes and volcanic eruptions, until the Lost Continent was at the bottom of the sea! This is where we are Right Now! YOU will stay unaware and lost for more struggling lifetimes if YOU do not WakeUp Now! WakeUp with US or stay lost here for more unaware lifetimes in Cause & Effect Creation.
