

A New Beginning

We have created a new by invitation-only group (to our contributors) on Facebook, HoFsg accounts to post the monthly statement of accounts of the newly registered group, with a starting balance of \$10,000.

Members and supporters of the former Household of Faith accounts group will be invited to be part of this group. Invitations will be sent in February 2022.

The former Household of Faith accounts will post its last statement of accounts for December 2021. This account will only be

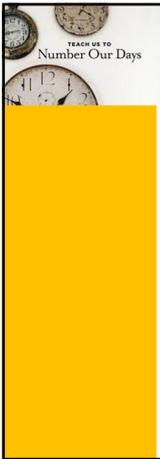

updated if there are any expenditure used from the balance.

We encourage all in this group not to leave this group as we want to be accountable to our members and supporters for the funds received.

We will update members and supporters on further progress of our new meeting place in the next few weeks. Let me know if you have any questions or comments. Thank you for your prayers and support as the Lord leads us to a new beginning for the Household of Faith.
