[Verse]

In the sweet old country where I come from
Nobody ever works
Yeah nothing ever gets done
We hang fire, we hang fire
You know marrying money is a full time job
I don't need the aggravation
I'm a lazy **slob**
I hang fire, I hang fire
Hang fire, put it on the wire
We've got nothing to eat
We got nowhere to work
Nothing to drink
We just lost our shirts
I'm on the dole
We ain't for hire
Say what the **hell**
Say what the **hell**, hang fire
Hang fire, hang fire, put it on the wire

Doo doo doo

[Outro]

Take a thousand dollars go have some fun

Put it all on at a hundred to one

Hang fire, hang fire, put it on the wire
