

The Rolling Stones - Heaven

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

The smell of you baby, my senses, my senses be
praised

The smell of you baby, my senses, my senses be
praised

Kissing and running, kissing and running away
Kissing and running, kissing and running away
Senses be praised
Senses be praised

You're my saving grace, saving grace
Nothing will harm you
Nothing will stand in your way
Nothing, nothing
Nothing will stop you
And nothing will stand in your way

No one will harm you
No one will stand in your way

No one will bar you
Nothing will stand in your way
Nothing
There's nothing
