[Intro]

If you start me up
If you start me up, I'll never stop
If you can start me up
If you can start me up, I'll never stop

[Verse 1]

I've been running hot
You got me ticking, going to **blow** my top
If you start me up
If you start me up, I'll never stop
Never stop, never stop, never stop

[Chorus]

You make a grown man cry
You make a grown man cry
You make a grown man cry
Spread out the oil, the gasoline
I walk smooth, ride in a mean, mean machine

[Verse 2]

Start it up

If you start me up

Kick on the starter, give it all you got

You got to, you got to

I can't compete with the riders in the other heats

If you rough it up

If you like it you can slide it up

Slide it up, slide it up, slide it up

[Chorus]

Don't make a grown man cry

Don't make a grown man cry

Don't make a grown man cry

My eyes dilate, my lips go green

My hands are greasy, she's a mean, mean machine

[Verse 3]

Start it up

Start me up

Ah, ah, give it all you've got

You've got to never, never, never stop

Start it up, whoo!

Ah don't trip me up, just start it up

Never, never, never

[Chorus]

You make a grown man cry

You make a grown man cry

You make a grown man cry

Ride like the wind at double speed

I'll take you places that you've never, never seen

Hey, hey

[Bridge]

If you start it up

Love the day and we will never stop, never stop

Never, never, never stop

Start me up

Never stop, never stop

[Chorus]

You, you, you make a grown man cry

You, you make a **dead** man **cum**

You, you make a **dead** man **cum**
