Richmond-upon-Thames Performing Arts Festival

Celebrating Local Talent Since 1929

Taking place each year from February to March, the Richmond-upon-Thames Performing Arts Festival is a much-loved annual celebration of music, dance, and drama. With over 2,000 participants, the Festival offers a unique platform for performers of all ages and abilities to showcase their talents, gain professional feedback, and grow in confidence.

Featuring both competitive and non-competitive classes for children, young people, and adults, the Festival creates a welcoming and supportive environment that nurtures creativity and performance skills. Whether you're new to the stage or an experienced performer, there's a place for everyone.

We also warmly invite audience members to come and enjoy the excitement of live performance! For a modest entry fee, you'll enjoy a variety of entertainment and help support local performers by providing a much-valued audience.

The arts are the heartbeat of any community, and since 1929, our Festival has proudly championed the artistic spirit of Richmond and beyond.

Come and be part of this vibrant celebration!
