Although the game is not as popular as other football games, I'm sure you'll enjoy it very much. The most important thing that makes this game so good is the graphics of the players - you can choose your favorite player and enter the tournament. The creators have made cartoon characters of almost all legendary players, I'm sure you will not have any problems with choosing your character. Remember that at the beginning of the game you need to choose where to store the saved files - on your local computer or online. If you decide to save online, you will need to register a free account. The rules of the game are simple - you have to win all the matches to reach the final and win titles. This is not an easy task, because a lot of difficult games are waiting for you, some players are very fast and strong, so it will be difficult for you to win matches with them. In any case, Football Legends Unlocked is an amazing game that you can enjoy on the website. Play wherever and whenever you want. Below you will find information about the game controls. Please note that this game can be played in both multiplayer and single player mode. Enjoy. How to play To be successful in this game you need to score goals, but at the same time do not let your opponent score goals. Choose your legendary player and enter the tournament. Control for both players is available below. Player 1: Move: [W][A][S][D] Supershot: [V] Shot: [B]Player 2: Movement: [ARROWS] Supershot: [K] Shot: [L] Copyright (c) All rights reserved. Reserved.
