And while I have an anniversary edition I'm having trouble importing a roll20 card does anyone have a set of cards or advise on how best to do so? Thank you very much in advance. Use GIMP or Photoshop... Open the map in GIMP/PS and add a layer. Now on the new layer - a trail over the lines on the original map. Then use tricks to make it look good (such as filling textures and more). Bam. Brilliant map. Check out paizo forums for rotfl streams. There is one out there specifically for users created by maps. Some of the really good ones out there to qit,a href Communit re/nofollow>use amp;page=19? Communit&lt;/a>&gt;...
