

JOB VACANCY

LCV TECHNICIAN

LOCATION: ELGIN & INVERNESS, IN PERSON

JOB TYPE : FULL-TIME

At Elgin Truck and Van Centre Ltd., we're more than just a business; we're a family dedicated to excellence and innovation in the automotive service industry. Our Inverness branch is currently seeking a skilled LCV Technician to bolster our team of experts.

This is a golden opportunity for you to bring your technical skills to our dynamic and fast-paced environment, working on a full-time, permanent basis with day and evening shifts on rotation.

WHAT YOU'LL BE DOING

- Conducting routine servicing and complex repairs, including brakes, gearboxes, clutches and more.
- Performing electronic and mechanical fault finding, as well as pre-MOT investigations.
- Ensuring all work meets the highest standards, with a focus on customer satisfaction and repeat business.
- Managing administrative tasks efficiently, ensuring all documentation is accurate and comprehensive.
- Fostering a positive and professional company image and maintaining robust working relationships with clients.

WHAT YOU NEED

- Technicians with proven experience in the inspection, repair and service of vans or light commercial vehicles.
- Individuals who are enthusiastic, self-motivated and committed to excellence.
- Candidates who possess excellent communication skills and can work efficiently under pressure.
- A Class 2 Driving Licence is preferred but not essential
