

facebook hacking tips and software

The image is a screenshot of the Facebook Sign Up page. At the top, there is a blue header with the Facebook logo on the left and login fields on the right. The login fields include 'Email or Phone' with the text 'vishnu valentino', a password field with masked characters, a 'Log In' button, and checkboxes for 'keep me logged in' and 'Forgot your password?'. Below the header, the main content area is divided into two columns. The left column features the text 'Connect with friends and the world around you on Facebook.' followed by four icons and their descriptions: 'News Feed' (See what's up with friends, family and anything you're into.), 'Timeline' (Tell your story — from where you grew up to what you're doing now.), 'Graph Search' (Find more of what you're looking for through your friends and connections.), and 'Messages' (Chat and send private messages with the important people in your life.). The right column is titled 'Sign Up' with the subtext 'It's free and always will be.' Below this are several input fields: 'First Name', 'Last Name', 'Your Email', 'Re-enter Email', and a password field with masked characters. There is also a 'Birthday' section with 'Month', 'Day', and 'Year' dropdowns, and a 'Why do I need to provide my birthday?' link. Below these are radio buttons for 'Female' and 'Male'. A green 'Sign Up' button is prominently displayed. At the bottom of the sign-up section, there is a link 'Create a Page for a celebrity, band or business.' The footer of the page contains a row of language links (English (US), Español, Português (Brasil), Français (France), Deutsch, Italiano, العربية, हिन्दी, 中文(简体), 日本語) and a row of utility links (Mobile, Find Friends, Badges, People, Pages, Places, Apps, Games, Music, About, Create an Ad, Create a Page, Developers, Careers, Privacy, Cookies, Terms, Help).
