

POSTER-AFTER SAUNDERS' MURDER
"Notice"
By Hindustani Socialist Republican Army.
"Barrenness Beware"

With the death of J.F. Saunders the assassination of Lala Lajpat Rai has been avenged.

It is a matter of great regret that a respected leader of 30 years of people was attacked by an ordinary police officer like J.F. Saunders and met with his death at his own hands. This national insult was a challenge to young men.

Today the world has seen that the people of India are not lifeless; their blood has not become cold. They can lay down their lives for the country's honour. The proof of this has been given by the youth who are ridiculed and insulted by the leaders of their own country.

"Tyrant Government Beware"

Do not hurt the feelings of the oppressed suffering people of this country. Stop your devious ways. Despite all your laws preventing us from keeping arms and despite all your watchmen, people of this country would continue to get pistols and revolvers. Even if these arms are not adequate in numbers for an armed revolution, they would be sufficient for avenging the insult to the country's honour. Even if our own people condemn us and ridicule us and if foreign governments subject us to any amount of repression, we shall all be ever ready to teach a lesson to foreign tyrants who insult our national honour. Despite all opposition and repression, we shall carry forward the call for revolution and even we go to the scaffold for being hanged, we shall continue to shout:

"Long Live Revolution!"

We are sorry to have killed a man. But this man was a part of cruel, deplorable and unjust system and killing him was a necessity. This man has been killed as an employ of the British Government. This Government is the most oppressive government in the world.

We are sorry for shedding human blood but it becomes necessary to bathe the altar of Revolution with blood. Our aim is to bring about a revolution which would end all exploitation of man by man.

"Long live Revolution!"
