I survived the children's blizzard, 1888 (i survived

Kudos for the fact that I survived the sinking of the Titanic, 1912:Fast tempo and at its core a fascinating story of disaster will keep readers turning the pages. - Kirkus ReviewsPraise for I Survived the Shark Attack of 1916: A fascinating story that will keep the interest of reluctant readers. - School Library JournalPraise for I Survived Hurricane Katrina, 2005: Expressive illustrations capturing the drama of the storm and its aftermath, but the real power of the book comes from its exploration of what it means to be a hero. - BooklistPraise for I Survived Attacks September 11, 2001: Tarshis crafts a dramatic, emotionally intense tale that takes into account the physical and emotional costs of 9/11 - short- and long-term - while ending at an upward rhythm. -- Kirkus ReviewsPraise for I Survived The Battle of Gettysburg, 1863:Information and breathless pace. -- Kirkus ReviewsPraise for I Survived The Destruction of Pompeii, AD 79:Tarshis serves another exciting adventure... With easy walking speed and death defying maneuvering fans have come to expect. - Booklist Bestseller author Lauren Tarshis tackles The Baby Blizzard of 1888 in this latest installment of the groundbreaking, New York Times bestselling I Survived series. Lauren Tarshis in the New York Times bestseller I Survived series tells the stories of young people and their resilience and strength in the midst of unimaginable disasters. Lauren has brought her signature warmth and exhaustive research on topics such as the 9/11 attacks, the destruction of Pompeii, Hurricane Katrina, and the bombing of Pearl Harbor, among others. She lives in Connecticut with her family and can be found online laurentarshis.com. Eleven-year-old John Hale has already survived one brutal winter in the Dakotas, and now he is about to experience one of the deadliest blizzards in American history. The storm of 1888 was a monster, a frozen hurricane that crashed into the Midwest of America without warning. Within hours, America's prairie will be buried under ten feet of snow. Hundreds of people would be dead, thousands scared, lost and freezing. John never wanted to move to a wide-open prairie. He's a city guy, not a cool pioneer! But his inner strength is seriously tested when he is trapped in the dazzling snow, wind like a giant hammer crushing, pounding it over and over again. Will John ever find his way home? Eleven-year-old John Hale has already survived one brutal winter in the Dakotas, and now he is about to experience one of the deadliest blizzards in American history. The storm of 1888 was a monster, a frozen hurricane that crashed into the Midwest of America without warning. Within hours, America's prairie will be buried under ten feet of snow. Hundreds of people would be dead, thousands scared, lost and freezing. John never wanted to move to a wide-open prairie. He's a city guy, not a tough guy. its inner strength is seriously tested when he is trapped in the dazzling snow, wind like a giant hammer crushing, pounding it over and over again. Will John ever find his way home? Paperback, 112 pagesPublished on February 27, 2018 Scholastic PaperbacksISBN-10: 0545919770ISBN-13: 978054591919777 Deadly blizzard raged across the prairie, and eleven-year-old John Hale was trapped in a frozen nightmare. I survived; Children's blizzard, 1888 is a wonderful masterpiece. I'm a big fan of historical fiction.Give me nothing historical fiction and I will definitely read it on the spot. The I Survived series, in particular, consists of many children who have survived historical catastrophes. That I survived the book 108 pages. It was a quick read for me, probably took me a day to finish. After I read this novel, he interested me in a baby blizzard. What I really like is that although John is not necessarily a real person, but someone his age has actually experienced what he did. And who knows? Maybe the real baby's name is John Hale. And how can I forget when John is looking for his little sister, Franny, in the cold? It was heartbreaking and it got me on the edge of my seat. It's just so interesting to see how people actually lived in 1888.It even more interesting to see how young children actually survived the brutal snowstorm. Overall, I really liked this book. Now I'm sure I'll read everything I've been through on the novel. Lauren Tarshis writing is accurate and enjoyable! Five stars from me! I got this copy I survived; Baby Blizzard, 1888 of DogoBooks, it didn't affect my opinion. ...
