itathe natapakaya nabhaktaya kadachana | Yosbhasuyyani 67. Itaan te on atapas na abhakaya kadachana | Don't tell those who aren't loyal to nematodes. Never tell a man who has no loyalty. Don't tell anyone who doesn't want to hear. Don't tell anyone who's so upset about me. Here Krishna explains how to preserve the tradition of knowledge. Don't tell those who have thought deeply; Don't tell those who are thoughtful and not interested in listening; There is interest but no devotion/love-don't tell them; First of all, do not tell those who are impatient, jealous and jealous of God. Never make spirituality property on the street. Once upon a time, the idea of Vedanta should not be publicly exposed, but keep it a secret. As a result, over time, there was no discovery of hidden knowledge. Today, most of us are those who eat and cover spiritual scriptures. For this reason, we must discover this precious knowledge and give it to interested people. Explore this valuable message from Bhagwat Gita Krishna explains the result of the next four verses. The true fruit of Bhagwat Gita is the last of the man's purush. Bhagavad Gita is the essence of all shastras who speak spiritual essence. This is enough to know the nature of God and join God's world. The whole essence of Samasta Shastra and all the mystery can be found in this dialogue of the Krishnarjuna. There is no other book containing the essence of all the Scriptures. Geeta is known to our guru. Remembering; Following the sadhana is the medium mentioned here; By informing stakeholders of knowledge, we can join the world of God. I'm imam param guhyam mad bhakteshvabhidhasyati | bhaktim mai param kritva mamevayasathyasamaiah 68. yah imam param guhyam mate bhakteshu abhidasyati | Bhaktim mai param kritva mam eva asyathi asanasyah - the most confidential of my devotees, who is a great devotion to me, joins me; No doubt. Those who know this and give it to the devout seeker in me will surely come to me There is no doubt about that. Tasmanmanwesh Kashchinme is snmmed with tama | bhavita thwyd me tasmadanyah priyataro bhuvii 69. nacha tasmat mananeshu kaschit me preyakit tama | Bhavita Nacha Me Tasmait Anyah Dear Bhupi - I have no one more beloved than him in men. No more favorite than him. I am a favorite of people who do a great job to understand Geeta and pass it on to a devoted community. There is no man on earth who does what he likes more than that. God loves the wise. They love them more, and they give knowledge to society. These people are the best of those who do what I like on earth, says Krishna. adhyayate cha i imam dharyam samvadhayoh | jnanayajne tenahamishstah samiti me mathi. 70. adhyayaate cha i imam dharmyam samwadaam aayoh | I hope that even if we marvel at this conversation about life, I will worship me with the victim of knowledge. If Geeta's knowledge is absorbed If we do not have the opportunity to say, even if we study this dialogue of dharmadharma-krishna-arjuna about gurumuh, he will worship as a victim of knowledge. That's my opinion, says Krishna. Those who know what he should know about God and how to follow the path of religion join the salvation of the follower. Shraddhavananasuyascha shrunuyadpi yo narah | Sospri muktah shubhan लोक प्रणुयत punyakarmanam 71. Shraddhavan anasucha cha shrunuyat api yah narah | Sah api muktah shubhan lokan prapnuyat punyakarmanam - a man who is faithful, without a no-no-no-see enough to ask. He is free from sin and acquires the worlds of holy beings. If we do not have the opportunity to study Geeta, we can wash our sins and achieve the peace of God, without envy, and listen to them from those who know it. It's Krishna's promise. Kachchidetakruts Of Part Twiikagren Chetas | bitten gyansammoha pranaste dhananjay 72. kachchit yetat shrutam parth tvaya ekagrena chetasa | kachchit ignorance sanmohah Te Dhanangjai - Parta, did you hear that from your mother? Dhananjay, have you been confused about your ignorance? This is Krishna's last word in Gita. Krishna explained everything and asked his pupil Arjuna: I went into your ears and touched your heart? Is this a mess of you? That is. Here, Krishna-Guru asked Arjuna to ask his pupil. Here in Gita 574 verses with the words of Krishna were completed. The rest of this chapter is the last of Arjuna's 84 verses and the last five of Sanjaya's 41 slokas. Krishna-574; Arjuna-84; Sanjaya-41; Dhritarashtra-1; Arjuna Uvac's 700 Poems | samanlo Moha smritilabha tvat prasadanmayasyuta | sthithosmi gatasambhah karishye wahanam tawa 73. Arjuna said: Arjuna said. Losah mohah smriti labda tvat prasadat maya achyuta | Sitah asmi gatasambhah karishye vachanam tava-achyuta, a mix-up passed. I remember your heart. I firmly doubt it. I'll walk like you say. I was misunderstood. What's right and what's wrong I had a situation, and she left. My memory, which went to the love of relatives, is back. I was destroyed by your grace, the ahauta. All my questions were answered. I am convinced of what you say. I'll do what you say. It is worth noting that Arjuna did not say that he had received knowledge from the teachings of Krishna. This is what we know that Arjuna was a great respect of the time. But on the battlefield, he lost all his memory and collapsed. It's God's game. Krishna used Arjuna as an environment to give the world such valuable work. Mahabharata is an empirical explanation of what is in Bhagavad Gita. Each symbol is a message from Geeta. Psychologically, Mahabharata is not the story of The Pandawa Kaurawa five thousand years ago. This is our inner struggle, our struggle in life. Through Mahabharata, God gave us theory and its practical representation. Sanjay Uvacha | itiyaham vasudevasya parthasya cha mahatmanah | samadayamimamashamamadbhutam romaharsalam 74 Sanjaya Uwacha- Sanjaya said: Ichi Ego parthasya cha mahatman | I heard this wonderful conversation of the great Vasudeva and Parf. Sanjaya Krishnarjuna was surprised to see this unique conversation. He says: I heard this conversation between Vasudeva and Arjuna before my eyes. It's my destiny. I can't describe my experience in words. Weird. I was glad to hear that conversation. The joy of joy shrouded me. vyasaprasadachrutavanetat guhayaham param | Yogam yomeshwarat krsnaat kathayatah svayam 75. Vyasasanath Sruthawan Thehyam Aham param | Yogam Yogeshvarat Krishnaat Sakshat Kathayat Svayam Vyasa-I heard the way of yoga straight from the mouth of Krishna, a master of all ways of yoga. I received this wonderful state with the blessing of the supreme venerable master Viasa. I also learned the secrets of the most unknown in the world. I have heard the essence of spirituality from Iogeshwar Krishna, the collective form of all world powers. Rajan Sansmritita Sansmritia | kesavararjunayoh punyam hrishyami cha muhurmuuh 76. Rajan Sansmritita Samsmartita Samsmritiya Samwadam Imam Adhyam | Keshav Arjunayoh Punyam Hrishami Cha Muhuhmahuh - King, remembering this wonderful conversation about Keshawardjun, I remind you of this wonderful conversation. About King (about Dhratraaster), recalling this wonderful conversation, was amazing, joyful, excited. This has not happened in the past, or maybe not. The power to control the entire universe, the gods of the gods and the gods of the gods, who have never heard or experienced this wonderful message in the form of Arjuna's chariot. I remind you of that and I'm excited over and over again. tachcha sansmritiya sansmritiya rupamatyadbhutam hareh | Vismimai the great Rajan Hrishami Cha once again energy . 77. tata cha sansmritiya sansmritiya rubam auttharam hareh | I am surprised to remember the amazing form of the Great Rajan Hrishami Cha over and over again. You'll come back and be soft. Sanjay, who saw the universe of Krishna, continued: O king, supreme Lord, who solves all our problems, who is the one who solves all our problems today. He gave me a message. I saw Krishna; I saw his wonderful cosmic appearance; I heard him; It's beyond my word. I'm full of joy. Thus, Sanjaya shares his joy and tells him about the result he felt. yatra yogeshwarah krishnao itra partho dhanurdharah | Tatra srirvijayo bhutidiv nithimatirna 78. yatra yogeshwarah krishnach iatra parthah partho dhanurdharah | I think there will be a stable policy of success, success, elevation and stable Ness in Archer Broshiva (nara-narayana), where Krishna is the one who is who is who is the yoga-god. Where the verse and narayan are not all there. All kinds of wealth, success, internal achievement, external rise all lived. Sanjay says it's my decision. Bhagavad Gita is a unique book that gives us the spiritual knowledge and Vedic education we need to rise above the attraction of peaceful happiness. If Geeta means, it's not a lie or a scam. Where there's a study of Geeta, there's honesty. If we read Geeta, touch Gita and lie, if we live dishonestly, that will be what we do with the Gitacharya. Where there is knowledge of Geeta, there is success, exaltation, morality, there is a collective, the great message of Geeta is over.
