## Tear down the walls lyrics kix

Yes standing in the dark Closein' in, I think I'm going down Fell down so fast From the words I heard a crash like lightning I never thought I'd feel the final blow Like a shot that turned my heart to stone, we were Livin' in a dream, now it seems so far Because I tear down the walls Tear down the walls All the pieces were all in place Because it was love that I had to break so restless I can't sleep Where's the flame, the flame that burns forever, oh I tore it all apart I hope someday we can put it back together I know ya 'feel the tears inside I don't want to have to say goodbye – oo Why you tear down the walls Watch 'em shattered and fall All the pieces were all in place Because it was love we had to break We livin' in a dream Now it seems so far Oo Whoa whoa because you tore the walls Watch' 'em shattered and falling All the pieces were all in place Because it was love that had to be broken, oh Why'd ya tear down the walls Tear down the walls Tear down the walls Why would ya tear down the walls yes Lyrics submitted by Charlie the Tear man under the walls, as written by Taylor Rhodes Donald Kevin Purnell Lyrics © Universal Music Publishing Group, Sony/ATV Music Publishing LLC Lyrics powered by LyricFind Add your thoughts Connect Now to tell us what you think this song means. Tear down the walls All the pieces were all in one place Why was the love that had to be broken? So worried I can't sleep where's the flame, the flame that burns forever? Oh tore it all apart I hope someday we can put it back together I know you feel the tears inside I don't want to have to say goodbye Ooh why did you tear down the walls? Watching them fall apart and fall all the pieces was all in one place because it was the love you had to break? We were living in a dream now, now it seems so far away, who why did you tear down the walls? Watching them fall apart and fall all the pieces was all in one place because it was the love you had to break? Why did you tear down the walls? Tear down the walls Tear down the walls Why did you tear down the walls? Yes, yes
