Open the Mac App Store to buy and download apps. Cute gummy bears need your help: immerse yourself in colorful rainbow land and connect as many gummy bears as possible. You have to select at least three gummy bears with the same color and then in thanks they give you your heart. But be quick: A game absolutely lasts a minute — so ideal for a short break. Multiplayer mode: You can compete with other players around the world (or on the couch next to you). Compare your playing skills in gummy-connecting in global highscore with the performance of other players. Download this free game right now on your iPhone, iPad or iPod Down and show how good you are. Thanks for playing Gummy Bear Match Three :)New in this version:- iOS 10 support I would like to enjoy the bear game, although all the couples are annoying. It should be fun because you can't play frustrated don't play. Ads make the game impossible. I was so looking forward to playing this game and unfortunately I was met with disappointment. I understand that there are going to be ads in free games, but it pops up right in the middle of the ad game, which then it's time to play to run out. Not cool!
