Coloring Christian coloring pages for adults is one of my favorite ways to renew my mind to the truths of God's Word. And don't adapt to this world, but through the renewal of your mind to prove what God's good, acceptable, and perfect will is. - Romans 12:2 NKJV I also find it easier to hide God's Word in my heart when I present it in such a beautiful, visual way. Pages are better to color, and poems are better to memorize. The patterns of one I took are difficult and not very attractive. - Dawna Larsson The thing I loved most about this book behind the heart JoDitt's heart is the Word and solidarity is a time of meditation on Scripture. Nothing is more valuable than spending time with God in His Word and letting those words be your life. Coloring isn't just relaxing it's a great way to take the time of letting the words sink into your soul. I enjoyed coloring the pages of JoDitt's new book. Thanks JoDitt for all the hard work in this book, I'm sure it blesses many hearts. Jaime Wiebel, relax with the coloring? It was not only wonderful to be part of this process, but also firsthand JoDitt's wonderful creations and creative process. I struggled to return to my word and deal with the anxiety at the top. It helped me so much bringing me closer to my desire to take his word for it and gave me an outlet for peace when I was struggling mentally. I would like to go out to my war room I did and sit and color on my deck and concentrate on the poem I was coloring... later read the Bible and do some written journaling. My 7 and 8 year old girls loved this too and started wanting to see the poem they were coloring in the Bible. What a great way to get my little bit of his word too, that was the result I didn't even see coming. You won't be disappointed with the purchase of the book.
