This free note will encourage your top piano students to make it shine with energy. Please scroll down the page for a link to the printed PDF. Video from Direct No Chaser Men's Group: Although it's very nice and flashy, it's surprisingly easy. This all-popular Christmas song, although originally a choral piece, is a big favorite in my studio. All my students will find out eventually. Many first-year students can learn this part (especially older students) as long as they have the coordination to master the four-note figure, which the right hand repeats over and over again. (TAH, tee-tee Tah, TAH, tee-tee Tah.) Introducing it, I always give them only a right hand motif in the first week because it is unexpectedly difficult! So many of them are coming back next week, playing four equal quarter notes (sounding like the beginning of Dies irae - Day of Wrath! Not Hark like bells!), and wondering why all the sparks seem to have come out of the song. Try this: whether the RH figure is c, b-c, a, (or LH, as in the most up-to-date versions), the performance of this intricate figure is repeated over and over again facilitated by the feeling of dropping your hand on the keys on each stroke I: HARK, like bells, SWEET sil-ver bells, everyone seems to say THROW cares about the way... I wrote a lighter version of Carol Bells more suited to real beginners, using Medium C notes with which they should be familiar. Although not having the flash and brilliance of this long version, the beauty of the music still comes through and seems to satisfy the kids at the level of the beginning and they work for it happily. But a student who is past Level 1 will probably be able to play this song for a few days by learning the basics of all in one lesson. Just today I showed one of my grade 2 students this piece and it was a snap for it. Before we even touched the piano keys, we looked across page 1 to see what was going on and then tapped the right hand ostinato rhythm on the fall piano board while I pointed to the left hand melody notes, pressing their left hand and singing the melody. The same version, but with assistant notes (letters in some of the keys) can be found on my note-naming page sheets. Please scroll down the page to download the link. The harder, amateur version, is in FJH's concert with Christmas Favorites Book 3. This gm arrangement includes more themes from Ukrainian Bell Carol than my simple version above, and pretty nice. (The FJH book has 13 carols in all, including - THANKFULLY - an abbreviated version of Twelve Days of Christmas. Up by an extraordinarily beautiful arrangement of O Christmas tree, light but sweet I've seen three ships, the mysterious O Come, O Come, Emmanuel, and the duo arrangements Pat-a-Pan and Good King Wenceslaus.) And there are complex but beautiful and mesmerizing arrangements of Carol Bells in this book by George Winston! One of my students played it in a concert last Christmas and she and we all enjoyed it very much. Hark How bells are easily recognized by rot; I'm not saying they don't read the notes! But your kids will be able to play this part long before they can read it easily, and long before they meet the treble C,D and E in their faber Piano Adventure books, not to mention the F and G that the song uses on page 2. Link to piano music: Download the Ukrainian Bell Carol free Christmas leaf music. Toreador: Piano notes of this famous opera music! These are energetic arrangements of EASIER than they sound. Read more Songs Old and Songs New is an easy and easy way to start your budding piano students - from piano keyboard sheets and weights and chords, up to 265 pages of music! More Kate Emht is a piano teacher in the United States. See what she composes and organizes for her students! More piano chord models for beginners to learn broken chords. Help them get EASE and get to know this musical instrument! More Canon notes for your early piano student. The newest version could be the EASIEST CANON arrangement in the world! Six different versions, and the duo secondo. More Staff paper PDF files for your music lessons. FREE. Large horizontal and vertical staff pages with clef symbols! Download printed staff paper of all types More Classic piano note - 1-page intro. Check out the newest addition - Hint: Now there are two intros in the Moonlight Sonata!!! More Sweet Betsy from Pike guitar chords, tabs, and lyrics will make it an easy song for a novice guitarist to learn! Check out the free note here. More Sweet Betsy from Pike is a great old-fashioned song with a story to sing! Easy piano arrangements, lead sheets, and sheet too! More Sticks music easy to play on rot - wrong! Now with parts 2 and 3. Sharpen the abilities of your students with duets and solos with precise melodies. More the queen Esther in the Bible!This a beautiful book of songs for piano and Esther's voice, for such a time as this, available as a digital download, tells the fascinating story of a time when Jews in ancient Persia faced an enemy named Aman, and how a brave young queen risked her life to save her people. A good choice for a singing story, an opera group, a short theatre production or a class of children! This book is also available from paperback. Just Black Keys!This book is available as a digital download from this site. Visit this page to see some free free From the book. It's also available from Amazon in paperback! It's the perfect easy start for little pianists. And when they start reading white key notes on the staff, it's a fun simple resource to say every week: Choose a new black key song at home this week and figure it out to show me the next lesson! They'll spend more time at the piano. The adventures of TonstAA are ideally read aloud by a collection of short stories for little boys or girls. The adventures of Tonsta highlight the journey of a very young boy with a good heart who goes about helping people in trouble. With a red cap on his head and a bag of tools sl over his shoulder, Tonstah seems to meet people in trouble wherever he gets. Lots of trolls in this book - including the one who gives him a Christmas present! Available on Amazon MusicGardenStudios: This is an absolutely wonderful site! As a voice and piano teacher looking for enriching material for beginners, I found your collections to be comprehensive and purposeful. It is clear that you are a wonderful musician and teacher. Thank you! Audrey: I just wanted to tell you that I found your site extremely useful! I have a young group of kids that I started a youth choir and I was looking for musical ideas and I came across your site. Thank you so much!! SHANETTE, USA! I just bought O Holy Night to use as a duet for Christmas Mass. Thank you so much for this simple, easy-to-read version, as my vocalists are not professionals, and this music will not be as intimidating as other arrangements that I have. Your experience is highly valued!! Merry Christmas! Do you have a funny story about this music, or does it remind you of something you would like to share with other readers? Do you have a question? I'd love to hear it! Please note that all comments are moderated and will not appear until I have approved them. ALSO, IF YOU ASK FOR MUSIC THAT IS NOT IN THE PUBLIC DOMAIN, YOUR REQUEST WILL BE IGNORED. It's almost any music written in the last 75 years...
