PLEDGE TO THE FLAG:

Led by Betty Scott.

MINUTES:

Motion by Jeri Brayman to approve June 2025 minutes, seconded by Brian Butts, all in favor carried.

FLOORTIME:

Michelle was here from the library and gave an update of events going on. The third Saturday of each month they will have a family movie night.

Carey Cole would like to ask on behalf of the Masonville Fire District if they could do what is called cool down or water wars within other communities, they would like to ask the town to help. They would like to use the school. Betty asked if she had asked the fire department yet, she said she does not have any luck getting them to agree to doing community things. Betty told Carey would need to submit a written proposal to the town

and the fire department. Betty would then need to contact our insurance company to see if they would approve the rider.

Resident on Steam Mill Road would like to get some work done on the road. Betty asked him to talk to Gordy about that topic and he is not here this evening.

Steve Tiska – Is asking the status of the Church St bridge again. Betty told him that Gordy closed the road that leads to the entrance on both sides, until we figure out who owns it, Betty is working in this with the County and State on this. Betty is working with Delaware County and the State said if we could get an engineer would inspect the bridge that is all that is required to open it back up to the finger lakes trail. Steve will work with the DOT and give him all the documents that he has on the bridge.
