

HELIOCARE

360°

Mineral Tolerance Fluid

360° photoimmunoprotection 100% mineral
with fluid and invisible texture

Full spectrum

(UVA • UVB SPF 50 • HEVL • IR)

100% mineral filter formulation

No whitening effect

Excellent skin tolerance

INDICATIONS

- Intolerant and sensitive skin
- Sun related pathologies, photosensitivity, photoaging and hyperpigmentation
- Protection of the sensitized skin after aesthetic procedures

360° DERMATOLOGICAL PHOTOIMMUNOPROTECTION

HELIOCARE 360° Mineral Tolerance Fluid

COMPOSITION

- **Fernblock®+**: powerful photoimmunoprotection activity
- **Combination of mineral filters:** UVB (SPF50) & UVA (PA +++++, $\lambda_c \geq 370\text{nm}$) protection – photostable
- **Sunspheres:** SPF Boosters
- **Bioshield system (OTZ + Biomimetic Melanin):** HEVL • IRA protection
- **Glycosylases:** DNA repair enzymes
- **Vit C&E, Green tea:** anti-oxidant activity
- **Arginine:** Natural Moisturizing Factor Component – improves skin's natural moisture level

TECHNOLOGY

Fernblock®+
Photoimmunoprotection Technology

Unique standardised extract of
Polypodium leucotomos

- Increases skin's resistance to sun
- Protects and repairs DNA damage
- Immunological defense: preserves Langerhans cells
- Prevents and reduces hyperpigmentation
- Protects against photoaging, anti-oxidant

GALENIC

- Light transparent texture
- Easy to apply and spread
- Imperceptible skin feel
- No whitening effect
- Non oily or shiny, matte effect
- Water resistant
- Non comedogenic

GUARANTEED TOLERABILITY

- Very good skin tolerability and good ocular tolerability*
- Tested in sensitive skin under dermatological and ophthalmological control*
- Hypoallergenic

HOW TO USE

Use: Shake before using. Apply evenly and generously before sun exposure. Reapply frequently, especially after swimming or sweating. Apply over top of other cosmetic skin care and moisturizing products. Excellent base for make-up.

Cautions: External use. Avoid direct contact with eyes and mucous membranes. Avoid sun exposure at peak hours, when sun is strongest. Wear protective clothing, a hat and sun glasses. Babies and young children should not be exposed to direct sun.

50 ml
