GENERAL MEMETICS NEWSLETTER

May 2022

Dear Friends,

Summer celebrations have already started!

Celebration #1

Inla Kesh Community, a healing biotope located in Chiapas, Mexico welcomed us with open arms for the first-ever Possibility Lab in Mexico (see cover photo!). It emerged with participants from two successful *Expand The Box* Trainings, one delivered by [Vera Franco](#) (with [Devin Gleeson](#), as Trainer Apprentice) and one with [Patricio Diaz](#), as well as international participants.

The edges of research were formidable and truly exciting:

- Fear as a multi-dimensional source of Connection and Aliveness
- Unmixing Emotions to regain the Clarity of your Pure Feelings

- Radical Relating through Nonlinear Transformational Proposals
- Shifting from Ordinary to Extraordinary Conversation, and much more.

We will be back to Mexico!

Celebration #2

Clinton and Anne-Chloé are growing two Branches of the Ontree Healing, Initiation, and Transformation Center in Takaka, Aotearoa (New Zealand). The Centre was birthed by Ana Norambuena and Tristan Girdwood. Others from the [Gameworld Incubator](#) Team are growing Branches also! You can follow the progress of Ontree Centre on their website: <https://ontreecentre.mystrikingly.com/#progress>, or you you can jump in and help us incubate this amazing Gaian Gameworld by growing a Branch yourself! Let's collaborate to make this happen, okay?

Celebration #3

AMANITA - a next culture feature film - being filmed right now by Nikhil Konrad and Team - is well on its way. The story of AMANITA is a healing and initiatory journey out of Modern Culture and into Next Culture - Archiarchy. On their Telegram group we are viewing amazing photos and short videos from the actual film crew behind the scenes. It is edge-of-the-seat exciting! Check them out! You can get in on the High Level Fun! <http://amanita.mystrikingly.com>

Celebration #4

The Global Ecovillage Network (GEN) has selected Clinton Callahan to participate in an online interactive Q&A Panel today, 22 May 2022 (@3pm Portuguese time / @4pm CEST), called: *Problems in Sustainability: An Interactive Panelist Discussion*. This event is a part of GEN's Community Sustainability Summit Workshop Series, and a run-up to the [GEN Europe Conference](#) this July in Denmark. Join the Panel this Sunday here: <https://ecovillage.org/sustainability-summit>

Celebration #5

(Clinton writes:) *Long before sunrise Saturday, 14 May 2022, during the recent 30-person Possibility Village Lab at [Inlakesh Ecovillage](#) in Chiapas, Southern Mexico, barking dogs wake me up. I insert earplugs, but cannot fall back to sleep. This is when my [Archetypal Lineage](#) informs me that we have misspelled the word 'Archearchy'. "It should be spelled with an 'i' instead of an 'e', so that the evolution of human cultures is clear: Matriarchy, Patriarchy, Archiarchy." I am shocked. We have used the improper spelling in 526 websites of the [StartOver.xyz game](#). Plus, my updated and expanded [Conscious Feelings](#) book*

'lucky duck'. He agrees to make the changes for no cost. Changing websites can now proceed.

Will you help us make the spelling shift? It is simple. Just keep it in mind each time you write the word 'Archiarchy', and each time you go looking for one of the Archiarchal websites, type it with an 'i' instead of an 'e'.

Here are the website URLs that are changing: (NOTE: If you have used any of these URLs as links in your own website, or in articles or YouTube descriptions, would you please go back and change them? That would help a lot. This is the very beginning of Archiarchy. As Frank Herbert wrote in his [Possibilitator Book, Dune](#), "A beginning is the time for taking the most delicate care that the balances are correct.")

Onwards!

It is said that you have a life before firewalking, and a life after firewalking.
These two lives are not the same.

At some point you are ready to make the step. Seven-and-a-half meters of glowing coals lie before you as a bridge to a new future. You carried the wood. You made the fire. You know it is real. By walking barefoot through the glowing coals, you too become real.
