GENERAL MEMETICS NEWSLETTER

October 2022

Dear Friends,

This summer, Anne-Chloé and I had the good fortune to travel and/or deliver trainings in Mexico, Portugal, France, Greece, Turkey, Denmark, Sweden, Poland, Spain, Germany, Italy, Oman, Thailand, and Vietnam. We experienced the masses of people totally absorbed in their 'modern culture way of life', showing little recognition of the deadly consequences of their lifestyle, too unconsciously afraid to try anything different.

The idea that a possibility such as '[Gaiavillage](#)' (ecovillage + adulthood healing and initiations from Possibility Management) could gain enough momentum to change the behavior or worldview of more than a handful of people who are not

Yet... proposing and enacting such [possibilities](#) is our 'hobby', and I love this hobby. Nothing could be better! Even though I encourage as many people as I can to take [Radical Responsibility](#) for retrieving their [Autonomous Authority](#), and to [Cavitate](#) and [Inhabit](#) the culture they would love to live in as a [Person Of Agency](#), after 47 years of inviting people to try this I do not see more than a few hundred or perhaps a thousand people sourcing [Archiarchy](#) around the world. Perhaps we are on the brink of a nonlinear breakthrough of consciousness that I do not yet see. I hope so. Meanwhile, here is a flood of amazing opportunities to dive into!

Agency is your capacity to cause beneficial results.

Agency is a quality of Being - even if it seems to be about 'doing'. Agency is what you Scan for in others when trying to find the right person to do a job.

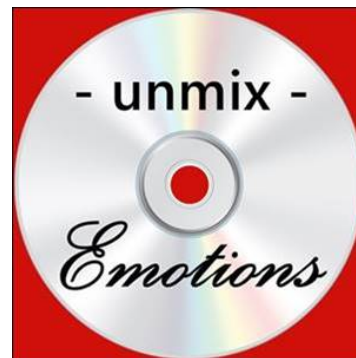

In Possibility Management, the kind of 'Agency' we refer to is Radical Responsibility in action, Creation, Invention, and Improvising with Consciousness, Integrity, Accountability, Consequences, Bright Principles, your Archetypal Lineage, and Your Word.

Unmix Emotions

Mixing your Emotions is like mixing North, South, East, and West together in one great melting pot. You have no idea in which direction to go or what action to take. You are without a compass to navigate.

Is it so unimaginable then that you feel lost? That you do not know what you want? That you are not able to create what you want? How could you without a calibrated inner compass?

Trainer Path

The Trainer Path is one of the Archiarchal specialty of the Possibilitator Training.

Archiarchy depends on you taking your place in Archiarchy by delivering your Nonmaterial Value. It has become clear that certain Possibilitators are called to facilitate transformational thoughtware upgrades and support healing and authentic adulthood initiations through delivering Expand The Box Trainings and perhaps, later on, also Possibility Labs.

The advertisement features a central graphic with a colorful geometric design (a flower-like shape with a globe in the center) set against a background of a landscape with a waterfall and a house. The graphic is surrounded by portraits of five people: three on the left and two on the right. The background of the entire advertisement is a cosmic scene with stars and a nebula.

Tuesday 25 October 4-6pm GMT+2

Five pioneering possibility researchers: Aon Solarra, Venera Godvil, Anne-Chloé Destremau, Clinton Callahan, and Ecovillage pioneer Ross Jackson will present the model of 'Gaiavillages' as a key strategy for achieving a bright future for humanity on Earth.

Each Gaiavillage develops and implements cultural transformation for bringing humanity into regenerative collaborative nonmaterial societies. Together they will provide context and history for the possible next stage of ecovillage evolution: The Gaiavillage. Then the floor will be opened for questions and further considerations.
