GENERAL MEMETICS NEWSLETTER

January 2023

Dear Possibilitators, Edgeworkers, Spaceholders for
Archiarchal Gameworlds,

We greet you with an extraordinary opportunity.

We just started writing a new website: beingyourself.mystrikingly.com.

It is shaping up to be one of those, “*Oh! Crivens! Why didn’t I write this website 5 years ago?*” sort of websites...The answer is: we could not have written this even two years ago because it is full of new stuff.

Here is an excerpt:

Your Gremlin is not outside of you and does not come from somewhere else. It (he or she) is as close to you as being offended, or plotting Revenge. Your Gremlin mechanically makes efforts for you to Survive until you go through [Gremlin Transformation](#) so that you can use the [Nonlinear](#) and [Unreasonable](#) resources of your Gremlin consciously to [Live Full Out](#) as a [Free and Natural Adult](#).

We have discovered the long hard slow and painful way during the last thirty years (since 1991) is that, no matter how deep and thorough your [Emotional Healing Processes](#) (EHP) may be, and no matter how powerful and clear [Authentic Adulthood Initiatory Processes](#) may be, you will neither [Heal](#) nor be Initiated further into Adulthood if your Gremlin is not already transformed.

As natural as a rat eating cheese, your Gremlin will ravenously eat your Healing and your Initiation processes as if he or she is doing you a the biggest favor in the world, as if he or she is 'saving your life', when in fact he or she is assuring your mummification. Your Gremlin is utterly clever about blocking any kind of change because your Box is only designed to allow you to Survive within specific internal and external circumstances. Any changes to these circumstances threatens your Box's ability to deliver on its promise to keep you in Survival.

Your Gremlin ruthlessly commits to your Box's need to keep everything the same in your life: your capacity to love and be intimate, your ability to create, your vulnerability for intimacy... Nothing can be allowed to change for fear that your Box will fail to function.

Gremlin so effectively undermines any of your attempts to [Heal](#), or [Evolve](#), or [Love](#), that you are wasting time, intention, energy, and money trying to heal or grow-up if you do not first change your Gremlin' mission. Gremlin Transformation is a deep and thorough one- or two-year guided process.

Please listen to our discovery earnestly. It is painful to say this. We wish we knew this thirty years ago. But we did not. And now we do.

If you have any interest in continuing with [Expand The Box](#) training and [Possibility Labs](#), if your destiny calls you to participate in [Possibilitator Training](#), please simply go to the Gremlin Transformation website (<https://gremlintransformation.mystrikingly.com>), read up on the details, and get yourself into the next available Gremlin Transformation Team.

After you succeed, your [Possibilitator Specialty](#) may even include delivering Gremlin Transformation for others.

One reason Gremlin Transformation is so important on the evolutionary and initiatory Path is that it is the prerequisite for Decontaminating your Adult Egostate from your Child Egostate, your Parent Egostate, your Gremlin Egostate, and your Demon Egostate...

The extraordinary opportunity is that starting 13 January 2023, the Gremlin Transformation Team is offering the 5 week Gremlin Transformation Process Chapter 0 online in English, with silent translation into Spanish by Patricio Diaz and German by Lisa Ommert. It is not expensive. It is life-changing. It will become the basis of much of your future inner work for yourself, and also work you can provide for others. Please jump into this. Reserve the time and money to do it. If you don't think you have either the time or the money, see what happens if you bring your [story](#) to your [Possibility Team](#) or [3Cell](#) or [EHP Dojo](#) and ask for new possibilities.

We are glad to be on your [Team](#). Together we make a brighter future.

Love from your General Memetics News Team

A Roadmap From Patriarchy to Archiarchy

Or how to practically (and financially) make the shift.

Anne-Chloé Destremau

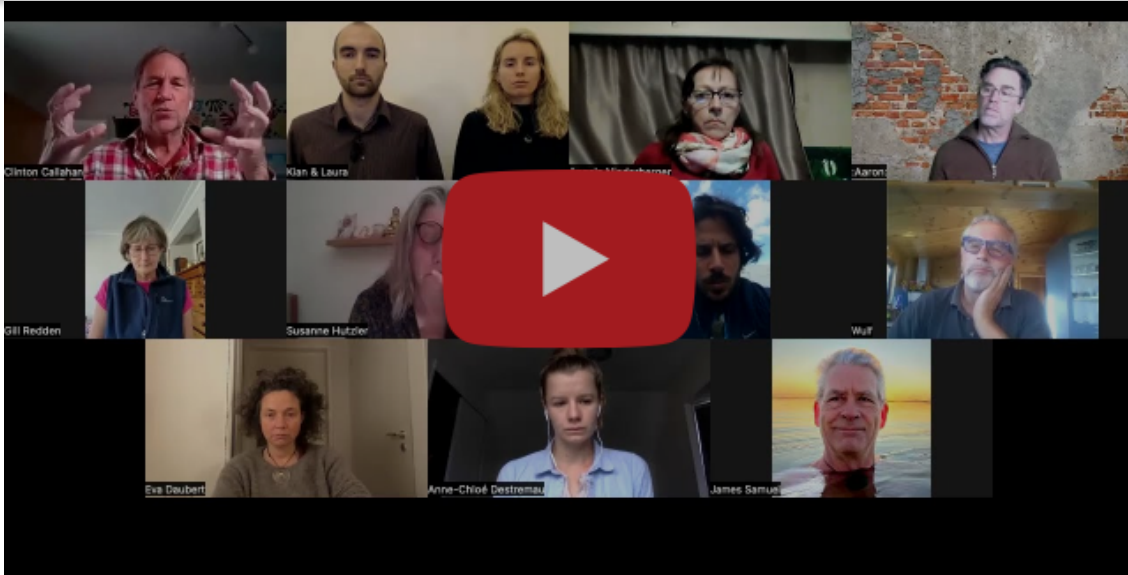

Despite easy conclusions that could be made from our current predicament, the capitalist Patriarchal empire is not broken. Modern civilization is not waiting to be fixed or merely rearranged so that human cultures can live in a state of perpetual economic and industrial growth while avoiding to pay for the consequences of their actions. Modern civilization is working exactly as it is supposed to...

Our Upcoming Events

Fear Club: Basics

23 Feb - 19 March (online)

with Anne-Chloé Destremau

Again and again, you might be secretly fighting against your own Fears. You have impulses from infinite resources. You live in a true vision. You want to play full out. You see what is possible, and still... your Fears stop you dead in your tracks. You can sometimes push yourself through your Fears... roll over them with raw Anger, determination, or fierce Practice. You were taught to ignore Fears, hoping to keep them suppressed long enough while staying in denial. But, of course, your Fears do not go away. They come out sideways. They exhaust your nervous system. They stop you anyway.

Fear Club is about discovering that something else is possible if you learn new ways of relating to your Fear.
