The purpose of this document is to determine the terms and conditions of sale and use of the Calpin forum plate. This definition of the rights and obligations of The Flood Gates Laboratory and users of kalpin Platefome in connection with the use of Platefome Kalpin CGVUs in French is exclusively provided. On the CGUS is accessible from a general conditions hyperlink located at the bottom of each page of the website. The use of Kalpin Platefome requires full acceptance by the CGVU user. Floodgate Labs reserves the option to change the Calpin platform and CGVU content at any time. Access and use of the Calpin page assumes that Previously read and accepted these Terms of Use without reservation before registration by any of the means described below. In order to create an account and take advantage of Platefome Kalpin, site www.lirekalpin.com, the user must register on the site with one of the following means: or by filling out the registration form available online on the Platefome Kalpin website. The user, during the process of registering and creating their account, will receive an email, at the email address he has already communicated, in order to activate his account. Or by transferring to floodgate lab your account data on a third-party social network has been notified through authorized applications from that social network (such as Facebook, LinkedIn...). In such a case, the user is solely responsible for transferring the data he creates to Kalpin Platefome to create his account, and he recognizes that he or she allows Kalpin to use this data for the purposes of creating and running the account. In any case, and regardless of the means by which the user registers with the Kalpin platform, the user ensures that the information he or she provides is, directly or not, accurate, up-to-date and complete about their identity and contact information. In particular, it is committed to ensuring that it keeps the email address provided as part of the registration for the Kalpin platform, that it is valid and that it is regularly consulted. The user is also committed to updating the information provided in their account, as soon as one of them changes, in order to maintain the accuracy of the information. The User recognizes that Floodgate Labs reserves the right to suspend or remove access to the Service, as long as the user does not comply with these registration terms, and especially if the data is incorrect or imaginary, incorrect, incomplete or unannounced. Under no circumstances will Floodgate Laboratories be responsible for any errors, deletions or insintruformations in the information provided by the user. User login and user password that allows them access to the account and its data is strictly confidential and personal. The user is solely responsible for the use that can be made from their account. It is committed to immediately notifying Platefome Kalpin of any use it is not permitted and of any violations Privacy or security of your credentials, by email to the following email address: support@lirekalpin.com To access the Kalpin platform of its terminal, the user must either download and install the Kalpin app in their terminal or access the service from the following address: . The app is free, however, it is known that the communication and download costs charged by the user's phone operator or internet service provider remain the responsibility of the user. To download and install the app on their device, the user is invited to visit: Apple's App Store if their terminal is an iPod Touch, iPhone or Google Play iPad if their terminal is an Android tablet or smartphone at the following address if the user wants to access the kiosk from a web browser. Kalpin Platefome is available uninterruptedly, subject to divergences associated with the availability of the Internet network. The user is more informed that Kalpin Platefome may not be temporarily available for maintenance or repair. To purchase an Edition on the Kalpin platform from the App or from the site, the user must follow the steps below: Step 1: If the user uses the terminal: open the app in your terminal; Step 2: Select your chosen version of the press headlines and magazines presented to it (front advice and summary versions are free), step 3: Click the purchase button located on the right side of the version he wants to buy, step 4: a window appears that Allows the user to verify their purchase object and the price of all taxes included for their purchase, step 5: Choose the payment method and click Continue the user must enter the password of their respective account definitively validate and pay for their purchase. Confirmation of purchase is sent by email to the user within days of purchase. Customer credit card details are required to secure purchases. To pay for the purchase by bank card, the customer chooses the payment tool among those that can be provided by the Kalpin platform (Visa, MasterCard...). Confirmation of purchase is sent by email to the user within days of work The customer certifies to Floodgate Labs that they have any permission to use the payment method of cards when purchasing the service. Payment is made securely through the use of the Maroc Telecommerce service, which plays a role in transporting customer card references to the customer's bank. Marouk Telecoms is a transaction management services company and a trademark registered by Maroc Telecommerce SA. Marouk Telecom guarantees the authenticity and validity of the bank card until the customer has taken any steps to cancel his card and has not objected to it. Floodgate Labs does not have access to customer credit card data and does not have the ability to archive relevant references. In case of fraudulent use of the client's card, the client must contact his bank immediately and file a complaint with the judicial authorities. He must also ensure that the contract with his bank provides insurance for the fraudulent use of his card. Step 6: When the purchase is complete, if the user has used an app: Downloading the purchased version will start automatically. The user can also purchase multiple versions at the same time. While versions are being downloaded, it can start playing versions that have already been downloaded. If the user has used www.lirekalpin.com site: Once the purchase is complete, the purchased version can be accessed directly provided that the client has an Internet connection that is still active. NB: It is the user's responsibility to ensure that they have a stable network connection that is powerful enough to ensure optimal use of the Kalpin app or website. Any downloads or consultations may be disconnected on time if the network connection is lost. In this case, it will only be the user's responsibility to resume the current download before losing the connection. Users can view copies they purchased on the Kalpin platform by clicking on the Library button available on the mobile app's home screen or kiosk home screen in its web version. A copy remains searchable in the terminal until the user downloads it from the library of their terminal, or on website. The price of the versions is shown, in DH, all taxes included in the mobile app and on the . Cost Connect to the Kalpin platform, and download the version remains the user's unique responsibility. The overall structure of the Calpin Forum plate and all content that is broadcast there (including copies, images, articles, photographs, images, distinctive marks, logos, signs, videos, interviews, sounds and texts), are protected by Morocco's applicable law on intellectual property, including copyright, neighboring rights, trademark law, image law, and international law. Only the use of the Calpin platform is permitted for personal and non-commercial advice, with the exception of any operation practice. The user is not authorized to represent, reproduce, change, broadcast or commercially use the various elements of the Kalpin page outside the terms provided at the CGVU. GGU's does not result in the transfer of any intellectual property rights to the user, including when purchasing copies at a cost. All copyrights are reserved, including texts, downloadable documents, iconography and photographic representations. In this way, in the absence of permission to express floodgate laboratories, the operation of the contents of the Calpin forum plate, and in particular the reproduction, representation, modification or conformity in whole or in part, is strictly prohibited. For any questions relating to a download or purchase issue, the user will be asked to send an email to the following email address: support@lirekalpin.com. 13.1.
