- I like **to swim** in the morning.
- You prefer **to sit** in the park and do homework.

Let's  
Read!

# Famous Artists

The Beatles are probably the most famous band the world will ever know. They have sold over one billion records and had many number one albums across many countries. They influenced all types of music.

The Beatles started as a band in England in 1960 and released their first album in 1962. They became popular in England and other parts of Europe in 1963. The Beatles traveled across the ocean to the USA and appeared on the Ed Sullivan Show. 74 million people watched it on tv, and their popularity exploded in the USA. They were only together as a band for 10 years but influenced music more than any other band in history.
