
Kumon Answer Book Level G Math Download Program

**Click here for your
FREE Kumon Checklist** 

Is Kumon Right For Your Family Checklist: Decision Time!	
Here's a step-by-step checklist to help you decide whether Kumon is right for your family.	
Ask local Kumon parents	Book Appointment
Has being on the program improved your child's mental math skills?	Timing - What are the center opening times?
How do you make Kumon work for you?	Location - Where is the center, location of other centers, nearby?

Meet Instructor	
Personality - How do they talk to you and to your child?	What advice do they give if child won't do work?
How long is each center visit?	How is feedback given? How will you know how your child is progressing?
