

Suzy is a B. Funk mom from way back - her two daughters were members of our dance company from 2005 through 2010. She was our front office manager for 12 years interfacing with clients and has now transitioned into the role of accounts manager. Working at B. Funk has been a refreshing change from her former career as a social science research analyst with the Federal Bureau of Prisons. Suzy has a masters degree in Social Psychology from the University of Maryland and retired in 2015 with over 30 years of government service. She keeps our accounts up-to-date and is happy to answer any questions you may have!
