First lego league jr engineering notebook

Content type: FIRST LEGO League Explore Tags: Game/Challenge, Team, Technical (218) Challenge and Building Instructions: New this season – by registering a team, you will gain access to digital resources through the FIRST Thinkscape portal, including the PLAYMAKERS Team Meeting Guide and a static and interactive version of engineering notebook. Click here for access instructions. Teachers and Program Administrators: Welcome Letter Reviewing Questions Reviewing Sheet Awards Guidelines for Covid-19 Interruptions – We recognize that during the first 2020-2021 FIRST® GAME CHANGERSM powered by Star Wars: Force for Change seasons will certainly come up with a variety of scenarios and questions that make the normal FIRST experience challenging. The guidelines in this document allow à la carte a range of options separated into specific categories from which you can compose to help participate this season. This guide is designed to provide suggestions and options and is not prescriptive; priority should take into account what is best for your local situation. Local health and safety regulations and guidelines should precede any of the recommendations in this guide. WeDo 2.0 Resources: Access to the FIRST Remote Event Hub presented by LEGO Education and LEGO Foundation: If your FIRST LEGO League event uses the FIRST Remote Event Hub, please access the website at: remotehub.firstinspires.org. Remote Hub is intended for FIRST trainers, mentors and volunteers. Contact your local program delivery partner if you need a login credential or are having technical issues. Connect with us! Last updated at 2020-04-20 by Christine Widmann. Do I have to bring my engineering notebook to a regional competition? It is not mandatory to bring your engineer's notebook to a regional competition. However, it may be useful to be able to document your work to judges. So: you can, but you don't have to bring an engineering notebook to a regional competition. Facebook Pinterest questions? E-fllexplore@firstinspires.org age *age vary by country Our first priority, as always, is the safety and wellness of the FIRST community. Learn more about what we're planning for the 2020-21 season Learn more Use zoom tools to find the region, and then click the pin to discover contact information at that location. If you can't find the first contact near you, click here. FIRST has teamed up with Disney and Lucasfilm for our robotics season theme, FIRST® GAME CHANGERSM powered by Star Wars: Force for Change. Learn more about the 2020-2021 season The opportunity to shine! Each first Lego league season culminates in a celebration where teams show what they have learned and invented, and in our oldest division they compete with their robots. Some teams earn an invitation to the FIRST LEGO League World Festival as part of first championship Houston or FIRST Championship Detroit, where teams from all over the world meet and compete.
