Dear Possibility Managers,

We have the exciting pleasure of announcing a formidable opportunity - an authentic adulthood initiatory process: Possibilitator Firewalking.

It is now official! A POSSIBILITY MANAGEMENT FIREWALKING
INITIATION will take place July 12-14 2022 in Poland. Registration and details are [HERE](#).

It is said that you have a life before Firewalking, and a life after Firewalking. These two lives are not the same. At some point you are ready to make the step. Seven-and-a-half meters of glowing coals lie before you as a bridge to a new future. You carried the wood. You made the fire. You know it is real. By walking barefoot through the glowing coals, you too become real. This initiation is a significant step towards Archearchy adulthood. You already know if you are ready to make the experience. Yes, there is fear involved. If you are not afraid, you are not allowed to walk the coals. Firewalking is about using your fear consciously: fear as your friend.

And anger. What are you here for? What do you stand for? What calls you to face the world and keep providing your value? Anger brings you clarity and determination for what is close to your heart. Fear informs you about what space you are creating. The space determines what is possible.

Firewalking is powerful space-navigation training because the quality of the space is what makes Firewalking possible. We do Firewalking as a Team. We support each other with a full day of easily-accessible experiences that strengthen your determination and clarity. You transform your fears into presence and alertness for bringing to life what you really want.

We invite you to join fellow Possibility Managers in this extraordinary Firewalking opportunity. Organized by Anne-Chloé Destremau. Space Navigating by [Arthur Dorsch](#) and perhaps also [Michael Hallinger](#). Arthur Dorsch has provided firewalking initiation since 2012.

In addition, we invite you to explore an assortment of delightful Doorways:
