ABOUT US

Our story

Bec was dancing from the time she could walk, she loved the small local dance schools she grew up in and loved how they became like family, how they encouraged each other and even though they worked hard (especially in later years), there was always a laugh to be had. When she had the opportunity to open a studio in 2006, she knew what she wanted it to be like.

So RazzamaJazz Dance & Fitness Studios was born...

Now in 2026, 21 years on, RazzamaJazz continues to provide dance classes and opportunities to children of all ages in an environment that is nurturing and encouraging. We believe everyone should have a chance to dance and that a perfect dance body only needs to have a beating heart.

We pride ourselves on our inclusive environment and nurturing approach to classes, with age appropriate dance moves, music and costumes that are all carefully chosen.

We love to have more fun, with less fuss, and we would love you to join the RazzamaJazz family.

Bec and Sam do such an amazing job helping all the girls learn how to dance, catering to all the different levels and we are very grateful for Razzamajazz changing things in 2020 to work around the COVID restrictions and the girls were still able to continue learning on zoom, tennis courts and back in the studio and an open air concert. Highly recommended.

A photograph of four young children, three girls and one boy, sitting in a row. They are all wearing light-colored, possibly pink or white, dance leotards with thin straps. The children are smiling and looking towards the camera. The background is a solid, light blue color. CONCERT

Lets celebrate

We have a end of year concert in December to celebrate our year. This is as "less fuss" as we can, while still giving the students a chance to feel great up there on the stage.

We use minimal "stage make-up" and modest costumes

We are proud of the family friendly atmosphere we create!

There is normally two rehearsals leading up to the concert (instead of our regular classes)

Our costumes are hired to you at \$30 per costume and there is normally two dances per class.

This years concert is propsoed to be on the 5th of December

The concert is absolutely optional, just make sure we are aware if you or your child wishes not to be a part of it this year.
