Next meeting will start at 7 pm on October 1, 2025 (budget workshop). Regular meeting will follow.

Jeri said that she has had a couple people come to her about the Amish buggy signs and they would like them up on the following roads:

Pine Hill

Pine Hill 1

Olmstead

Rt 13

Parker Hollow

Roof Road

Foster

Betty said we had discussed this a couple of meetings ago. Betty asked Jeri to price them to see how much they cost, and Jeri said they are \$103-\$104 and that does not include anchor and post. Jeri said she called Cody Lambrecht in Sidney and that is what he told her. She feels like if it saves one life it is worth it.

Jeri asked if the board wanted her to contact them and tell them if they wanted to purchase the signs, we would have the highway crew put them up, Betty asked if it was them requesting the signs and then Jeri stated that she had asked some of them and they said it had slowed some of the traffic down. Betty asked Gordy to reach out to Cody and see how many they put up and what their rationale was where they placed them. The State also must tell us where we can and can't put them. We will discuss at the next meeting.
